He went on to say he hopes his decision would serve the cause of our country and a peaceful world.

Finest Hour in History
Before Mr. Truman spoke, Secretary of Defense Louis Johnson described the Sunday night White House decision to send planes and warships to the aid of South Korea as "the finest hour in American history."

Johnson also told the Reserve association that the national defense is stronger than ever before in our peacetime history.

Top officials here were following reports from Korea closely, but Mr. Truman had put his daily schedule largely back on the usual routine after three days devoted (Configured as Bore Pearsteen)

AEC Member Urges Approval of Pike's Appointment to Committee On the Atom

Washington, June 29 - (P) tomic Energy Commissioner Henry D. Smyth told lawmakers today that "great steps" have been taken toward development of the hydrogen bomb.

Smyth made his statement urging Senatorial members of the Senate-House Atomic Energy Commission to approve President Truman's appointment of Sumner Pike as acting chairman of the Atomic Energy Commission. Pike's appointment is under attack, with indications the group might recommend Senate rejecyear-old Republican. He has been acting chairman since last Febru-"Great Steps Taken'

Smyth, recently confirmed for a new term on the Commission, said West Watches Red Army
