HEALTH CARE "Custom Made" for CONNECTICUT PEOPLE

TODAY, management and employees of more and more Connecticut business firms are reshaping their group benefit programs to fit present needs.

Out of their planning has come a practical, common-sense formula . . custommade for Connecticut. It is this

1. Start with CONNECTICUT BLUE CROSS and CONNECTICUT MEDI-CAL SERVICE (CMS). This brings you the unique advantages of the local, non-profit plans for that part of your program which is used most often -HOSPITAL and SURGICAL sero.

2. Add other types of coverage, according to need, through one of the good insurance companies.

Mow does this formula work out? Facts tell the story: The employees of more than 8,000 Connecticut firms now have Blue Cross, with payments made through the firm. A million Connecticut people are members. Over a quarter-million people already have the new CMS through 3,300 firms. Building on this foundation, large numbers are adding sick benefit, group life and sometimes other supplemental insurance. Result: A well-balanced, easy-to-handle group benefit "package" - made to order for Connecticut people.

THE BLUE CROSS-CMS combination now plays a major role in all types of group health programs - in large firms and small ones ... union and non-union . . in those handled through payroll deduction and otherwise.

In all considerations of group "package" programs at your firm, be sure to have full information on how Blue Cross and CMS are serving as the foundation stone, to the benefit of an increasing number of management-employee groups.

ON MAKING THE MOST OF YOUR MEMBERSHIP

REMEMBER - you can take your BLUE CROSS-CMS membership with you if you change jobs, are laid-off, retire, go into business for yourself - or leave your payroll group for any reason whatever. That may be the time when you need it most. Here's all you do:

When you leave a Participating Firm, be sure that the firm sends us your current mailing address immediately. We will then arrange to send you instructions for continuing membership on a DIRECT-PAY basis.

Or, if you are re-employed by a BLUE CROSS-CMS firm, arrange with your new employer for transferring your membership into his group.

Either way, there will be no loss in benefits if you handle the matter promptly and if we know where to reach you by mail . . This "take it with you" privilege is one of the unique features of your BLUE CROSS-CMS plans.
