Sense and Nonsense

Try it
If the weather looks like rain—smile. When you feel you must smile—smile. Do not mind if things seem gray; soon there'll be a brighter day; you will find that it will pay to smile. If the world looks sad and drear—smile. Banish every thought of fear—smile. Do the very best you can; play your part now like a man; make every day a better plan—and smile. If you taste life's bitter cup—smile. Should the doctor's give you a dose? You are very far from dead; waste no time in needless dread; put your trust in God—and smile!
