Army Vehicles Off for Camp
 All the vehicles of the two local companies of the 42nd Division left Manchester Thursday night for Camp Pickett, Va. They were included in the final motor movements of more than 150 trucks and jeeps that left New Haven this morning at 6 o'clock on the southern camp. This was the third advance of the division vehicles as they moved from Connecticut, Rhode Island and Vermont. All of the divisions vehicles are now at the Virginia military reservation or on route there.

Admits 10-Year Old Murder

Thorton was charged with the murder by Sheriff S. M. Ortiz of Lincoln county. They were accused of the fatal shooting on August 14, of William Henry Hewitt, 30, Ruidoso stockkeeper. Todd waited extradition from Robert E. Fook, for the past two and a half years.

Thorton contended he was paid \$100 cash by Todd to get rid of Hewitt and promised \$500 more which he never received. Dying in a Ruidoso doctor's office, Hewitt first said the shooting was an accident then whispered that he shot himself.

Made to appear a suicide and accepted by many at the time as such, the killing was all but forgotten by residents of nearby Ruidoso, southern New Mexico resort town.

Hounded by crime he said he committed, Glen Thorton went to Warden Lon Walters of the Arizona state prison and told a story which at first had officers astounded and skeptical.

Thorton is serving a four-to-five year sentence on two charges of using bogus checks. An investigation followed. Leon Todd, Mineral Wells, Tex., and "I set my glass of whiskey
