### Your Red Cross Chapter; What Does It Do for You?

(This is the first of a series of public information articles to acquaint you with what your Red Cross Chapter does for you, and how they spend your Red Cross dollars. These services exist only because of your donations to the annual Red Cross Drive. They continue only if you give generously.)

The Manchester Red Cross headquarters, the Executive Secretary, and the Staff Aide Service are the logical point to start examination of your Red Cross services. They are the heart of all your Red Cross activities. They are the heart of all your Red Cross activities. They are the heart of all your Red Cross activities.

## Harris Says Team Better

### Cuban Players Expected To Help Senators in Bid for First Division

By Stanley (Rocky) Harris  
Washington, Feb. 3.—We have a better ball club starting our spring training this season than we had a year ago.

They all picked the Washington Senators to finish eighth last time and we wound up fifth. All we need to do is climb another notch for the first division. Any time we get a well pitched game we will be hard to beat.

We are in the fortunate position of having a number of good players. In addition, we've got some prettier uniforms than any of the seven Cuban ball players. So far we haven't lost anybody to the military army.

One of our brighter points in this year is that we have a number of good players. In addition, we've got some prettier uniforms than any of the seven Cuban ball players. So far we haven't lost anybody to the military army.

### Silver City St. Stans to Play at Rec Sunday in the Polish League

The Polish-American basketball team play host to the Meriden St. Stanislaus team Sunday afternoon at 7:30. Entertainment will be given by the St. Stanislaus team.

Manchester has a fine opportunity for a player's berth and need this victory to strengthen its strength. The Poles will be at full strength for this contest with Pete Stamm, one of the league's finest scorers at the pivot spot, with Charley Parisk and Chet Kurlowicz at the guard positions. The Poles will have been hindered by lack of reserves, but will play Sunday afternoon at 7:30.

The night others all National League players are William Starrett, chairman of the National Security Resources Board and former secretary of the Air Force, U. S. Judge Harold Medina of New York, Sen. Hall led at the period, 12 to 7 and at intermission, 20 to 16. The scoreboard showed Hall leading at three quarters, 44 to 26. But Manchester played the last period for the victory.

Big Ronnie Wilson was Hall's best scorer with 15 points. He received some valuable assistance in the scoring department from Bill Presner, Jack Barton, Bud Ward and Al Johnson. Phloxy Hohenbach, Red Case and Sveve Anderson stood out for the Indians.

In the preliminary game, Steve Bellingerhooped 20 points as Manchester's Jarves topped Hall, 47 to 45.
