Striking Routemen at Bergen's Return as Contract Is Signed
Hartford, Feb. 15.—Fifteen drivers at the J. A. Bergen Dairy Co. East Hartford were back on their routes today after a two-day walkout that ended Wednesday with the signing of a two-year contract granting a higher weekly wage scale and AFL recognition.

Mr. Bergen said the dairy had not rejected any petition and that the approximately 10 per cent wage increase included in the new contract, effective in April, the drivers will get about \$60 depending on their commission return.
