can be installed IMMEDIATELY. Convert to coal now. 'As long as you live, you'll never be sorry!

SO IF YOU ARE BUILDING. OR HAVE IMMEDIATE PLANS TO BUILD THIS INFORMATION WILL BE IMPORTANT TO YOU

An order of the Federal Government limits the amount of copper wire that we may use now or get in the future. So our extensions along the streets and to new locations are, unfortunately, restricted.

We will still get enough wire to take care of the most essential needs, with enough left over for many of the new dwellings going up.

cut even more - we have had to set up a system of priorities for electric service. If you are building or are planning to build anything which will require electric service, please get in touch with us at our office for up-to-date information.

The government's order is, of course, designed to aid the country's mobilization for defense since electric service is as vital to our Nation at war as it is to America at peace.
