Every day dozens of television customers walk up and down our aisles, examining set after set. All makes. All sizes. All kinds. Then they ask the \$64 question: "Which is the best buy?" Because we want to make friends as well as customers, our answer is: "Take the big-picture 1951 Emerson." We believe that the new Emerson receiver is the set of the year ... and

Look at the big Emerson picture. It's sharp...clear... bright... with "Black Magic" Contrast that's so deep and real that it seems almost third dimensional.

Emerson reception is steady and strong. It's no accident! Emerson engineered it that way...with a Super-Powered Long-Distance Circuit that performs where others fail... with Miracle Picture Lock that holds pictures rock-steady.

hence the question. Why wasn't it you? tunities, in greater or lesser form. still are ours, and always will be in our country.

We have read a lot about government red tape and superfluous overhead costs and unnecessary expenditures in Washington, but overhead costs way of a newspaper association ulletin we hear of one instance which we believe worth passing on. So here it in:

"The Director of the National Park Service, a division of the Department of the Interior, wanted copy of Esquire, price, 50 cents. the average citizen. vanting a copy of Esquire, would have gone to a news stand, put his fifty cents down on the counter. and walked out with the magazine with no more ado. But not a gov

ernment official. "Since the director wanted his copy of the magazine for some official reason, his purchase order had to go through the regular channels, which meant making out forms in triplicate or quintuplicate, having them approved and signed by the proper authority, and occupying the time of several clerks. By the time the Director of the National Park Service got his fifty-cent magazine, it had ter without success. Only one of cost the government \$9.95 in the many firms contacted would

paper work to make the purchase. admit to the possibility of alleviat- bride's gift to her maid of honor by the ing the situation. That was reported House Committee on Post Office one instance. The committee found but not through the newspapers and Civil Service, but it was only that 40 per cent of the purchases or anonymous phone calls to FM the Treasury Department amount to 20 or less, but it takes \$7.06 worth of paper work to get the purchasing orders processed. So each \$20 purchase costs the Freasury Department \$27.06.

"Checking up on four agencies, the Committee found that they had 425 purchuring employes on their pay rolls and that on the President average each of these clerks made out two purchasing orders a day. "That brings up a picture of these 425 clerks sitting at their resks or going out to the drug store for a haps Jim Blair could make use of oft drink and a sandwich or read- the publicity in connection with ng a book or a magazine. Some time during the forenoon they ning a "Blair House" sale at his make out one purchasing order each and then go out to lunch. After lunch they while away their time as best they can, but some time in the afternoon they must make out one more purchase order and then call it a day and go

40,000 Textile Workers Walk Out in South

Reive Says Union Is In Position to Stand Long Strike in Five States for More Pay

Charlotte, N. C., April 2 .- (A)-Pickets swarmed outside mill gates today as a reported 40,000 CIO textile workers in five southern states pressed a strike for

Management and union sources disagreed as to the effectiveness of the strike in cotton and rayon

Owners at a number of plants halted operations without an effort to stay in production. Others opened the mills as usual and worked with curtailed crews.

Meanwhile, the vast majority of the South's booming textile industry spun busily forward. There are about 425,000 cotton-rayon workers in the South but only about 90,000 are members of the about 50,000 are under contracts which have not expired. The TWUA reported nearly 40,000 on

Emile Rieve, president of the Textile Workers Union of America, set up strike headquarters at

"The union is in position to stand a long strike," he asserted. "But we are hopeful we won't have to stand a long strike." The American Cotton Manufacturers Institute at Charlotte said

Auriol Gives Russia 5-Point Peace Plan

Must Stand or Whole World, Civilization Dividend Pay Will Be in Danger

Washington, April 2-(P) - President Vincent Auriol of France told Congress today that if his country Saturday described the plotters as falls before the forces of aggression "the whole world, indeed civilization itself, will be in mortal danger."

Addressing a special Senate-House session, he said to prevent such a disaster the West must 'shielding'' western Europe against attack.

The alternative, he said, is to "liberate a Europe which may once more be occupied, enslaved, exploited and ravaged and whose name, you may be sure, would only recall the final ruin of a civiliza-

Auriol's speech climaxed a formal six-day state visit here as guest of President Truman. In his final appearance Auriol cautioned America's legislators of the dangers of "uncoor-dinated diplomacy and strategy." The West must stand together, he said, building regional defense pacts "to deter aggression and

trengthen the peace Auriol specifically mentioned only the 12-nation North Atlantic Pact and did not elaborate on his reference to possible additional
