MUNICIPAL BUILDING in the Town of Manchester at 8:00 P. M. on

TUESDAY, MAY 20th, 1952, concerning an ordinance establishing regulations for licensing of plumbers.

The ordinance concerning regulations of licensing of plumbers, adopted at a Town Meeting on November 23, 1935, is hereby repealed and the following is substituted in lieu thereof:

AN ORDINANCE CONCERNING THE LICENSING OF PLUMBERS An ordinance concerning the licensing of plumbers in the Town of

An ordinance concerning the licensing of plumbers in the Town of Manchester adopted at a special town meeting on November 23, 1935 is hereby repealed and the following is substituted in lieu thereof.

Section I. DEFINITIONS. The term "Master Plumber" as used herein shall mean any person, firm, or corporation conducting a plumbing business who hires or employs a person or persons to do plumbing work, or any person conducting the plumbing maintenance department of a firm or corporation and while so employed devotes his entire time supervising the plumbing installations on the premises of said firm or corporation. Every Master Plumber shall qualify for a Master's plumbing license as hereinafter set forth, and every Master Plumber except those engaged solely in conducting the plumbing maintenance

dumbing license as hereinafter set forth, and every master Fulmoer accept those engaged solely in conducting the plumbing maintenance separtment of a firm or corporation, shall maintain an established place

of business.

The term "Journeyman Plumber" as used herein shall mean any person who is employed to do plumbing work under the supervision of a Master Plumber, and who shall qualify for a Journeyman's plumbing

license as hereinafter set forth.

Section 2. Commencing January 1, 1953, no person shall engage in the business of plumbing as a Master Plumber or be employed as a Master Plumber in the Town of Manchester without first obtaining a

Master license,
Section 3. Commencing January 1, 1953, no person shall carry on his
trade as a Journeyman Plumber in the Town of Manchester without

trade as a Journeyman Plumber in the Town of Manchester without first obtaining a Journeyman license.

Section 4. On or before December 1, 1952, and onfor before December I in each even-year thereafter, the Board of Directors shall appoint two Master Plumbers, each with plumbing experience of not less than ten years, who, with the building inspector, shall act as the Examining Board for the licensing of Master Plumbers and Journeyman Plumbers. The term of the first Examining Board shall commence January 1, 1953, and shall expire December 31, 1954, and the term of each succeeding board thereafter shall be for two years from the first day of January following their sppointment. Such board shall meet at least once each month for the purpose of examining applicants for a Master or a Journeyman license on a day and at a time and place designated by the building inspector. The Examining Board shall examine the qualifications of each applicant with reference to his ability to perform plumbing installations in a thorough and workmanlike manner.

ing installations in a thorough and workmanlike manner.

Section 5. Each applicant for a Master's plumbing license shall pay to the building inspector an application fee of \$15.00. Each applicant for a Journeyman's plumbing license shall pay to the building inspector an application fee of \$25.00. Each such fee shall be foresited if the application fee of \$25.00. Each such fee shall be foresited if the application fee of \$25.00.

man plumbers license who fails to pass an examination shall not be eligible to apply for fe-examination for a period of three months from the date of the latest application.

the date of the latest application.

Section 7. The annual ligense fee for a Master Plumber shall be \$20.00 and the renewal fee shall be \$5.00.

Section 8. The annual license fee for a Journeyman Plumber shall be \$5.00 and the renewal fee shall be \$1.00.

Section 9. No additional fees shall be required of any Master Plumber or Journeyman Plumber for a Steamfitter's license, provided he fulfills the requirements for such Steamfitter's license.

Section 10. All licenses shall expire on the last day of each year, and the fees therefor shall not be prorated, Licenses shall not be transferable.

Section 11. A Master Plumber or a Journeyman Plumber whose license is renewed within one year after the date of expiration of such

license is renewed within one year after the date of expiration of such license shall not be required to take a new examination. If any such license is not renewed within one year of the expiration of such license.

Board.

Section 12. The holding of a Master plumber license shall not give the licensee the privilege to actually perform the manual work in installing plumber. A Master Plumber Wishing to perform the manual work in installing plumbing shall also meet the qualifications of a

Journeyman Plumber.

Section 13. No person holding a license as Master Plumber shall permit, or allow the use of his name, by any other person directly, or indirectly, for the purpose of obtaining a permit or to do plumbing work.

Section 14. Any person who shall do any plumbing in the Town of Manchester, without a Master plumbers license or Journeyman plumbers license shall be fined not more than \$25.00 for each such offense.

Section 15. The building insurer than \$25.00 for each such offense.

Section 16. This ordinance shall take effect January 1, 1953.

Dated at Manchester, Connecticut this 9th day of May, 1952.

Air Force's 'Global' Super-Bomber in Flight

This is the first unretouched photo released of the Air Force's newest "global" super-bomber, the B-52 Stratofortress, which is shown in test flight over Boeing Field, Scattle. The Air Force disclosed for the first time that the eight jet-engined plane has a wing span of 185 feet, is 155 feet long and its tail is 48 feet high. Its eight Pratt and Whitney J-57 jet engines are mounted in pairs on sharply-raked forward "pods". An unusual feature is the double-tandem landing gear, composed of the Air Force disconnected in the first time that the eight jet-engined plane has a wing span of 185 feet, is 155 feet long and its tail is 48 feet high. Its eight Pratt and Whitney J-57 jet engines are mounted in pairs on sharply-raked forward "pods". An unusual feature is the double-tandem landing gear, composed of the Air Force disconnected in the first time that the eight jet-engined plane has a wing span of 185 feet, is 155 feet long and contract with the CIO-United Steelworkers union "and we will not let them get away with main wheels with small "protection" wheels. The wings are especially thin to allow extremely high
