

Taft Will Lead GOP in Senate

Washington, Jan. 2—(AP)—Sen. Robert A. Taft of Ohio today was unanimously chosen Senate Republican floor leader as the GOP and the Democrats organized their forces for the new Congress opening tomorrow. Senate Democrats picked Sen. Lyndon Johnson of Texas as their leader, also by unanimous vote. House Democrats made retiring speaker Sam Rayburn of Texas their floor leader. House Republicans had a meeting scheduled during the afternoon at which they were set to select Rep. Joseph Martin of Massachusetts for Speaker and Rep. Charles Halleck of Indiana for floor leader. The choice of Taft as a selection made certain behind-the-scenes jockeying in the months since the election was announced after a two-hour closed door session. The Republicans agreed to meet again this afternoon to deal with tough questions of membership on key committees and proposals to revise Senate rules to make it easier to choke off filibusters. Senator Saltonstall of Massachusetts was chosen as whip or

Ike's Aides Striving to Cut Budget

New York, Jan. 2—(AP)—The incoming Eisenhower administration already is at work trying to find ways to cut the federal budget which President Truman will submit to Congress next week. President-elect Eisenhower's fiscal specialists reportedly are confident some reductions can be made, but are guarding against any talk of big slashes. The proposed budget which goes to Congress a week from today will be solely the work of the Truman administration, which hands over the government to the Eisenhower regime Jan. 20. The document deals with spending for the fiscal year starting July 1. \$80 Billion Estimate Although the budget total won't be announced officially until Truman sends it to the capitol, there has been speculation the spending estimate is around \$80 billion dollars. Eisenhower has kept informed of the outgoing administration's budget planning through reports submitted to him by Detroit banker Joseph M. Dodge, the general's pre-inauguration representative in the budget bureau. Those reports are the basis for the confidence of Eisenhower aides that some cuts can be made. But, as GOP congressional leaders also have stated, they feel there probably will be no substantial reductions in federal spending until the fiscal year starting July 1, 1954. Among those on the President-elect's calling list today were George Yeh, the Chinese Ambassador to the United Nations, and John Foster Dulles, Secretary of State-designate. Five representatives of the National Security Training Commission also called on Eisenhower about noon.

1,600 at Cheney's Get Pay Cut of 10.75 Cents an Hour

Neighborhood children rusefully survey a metal ornament that was melted in the fierce heat from the fire at 8 a. m. today at the home of Mr. and Mrs. Adolph Welschopp, 107 Eldridge street. The television set shown here faced much better than the other furnishings in the living room, all of which were destroyed. The girls are Charlotte Dziordzi (left) of 88 School street, and Marijka Muldoon of 142 Eldridge street.

Slash Effective On January 5

Cheney Brothers' 1,600 employes will have to take what amounts to 10 1/2 cents an hour wage cut starting Monday. In a decision received by company and union officials this morning, Professor John A. Hogan of the University of New Hampshire, who arbitrated the dispute, said that all hourly rates and base rates shall be reduced by 10 1/2 cents an hour, with piece rates and plant hiring minimum rates being adjusted accordingly. His award also held that there will be a one cent cost of living roll back, thereby reducing the current cost-of-living allowance from seven to six cents an hour. In authorizing the 9 3/4 cent an hour wage cut, Hogan awarded the company the full wage reduction it had requested in September. Local 63, Textile Workers Union of America, had refused to accept the cut when the company first proposed it, forcing the issue to arbitration. No Comment Today, Frank Kelly, president of the local, had no comment on the arbitrator's decision. He said the matter would be discussed at the local's executive board meeting Thursday to determine what, if any, action would be taken. Henry Mallory, executive vice president of the company, and Earl Wright, industrial relations manager, who released the arbitrator's findings, had no comment to make either. In the summary and conclusions to his finding, Hogan said that the decision was based on the relationship between previous wage adjustments at Cheney Brothers and those at the Fall River-Bedford mills as well as in the cotton, rayon and synthetic textile industries generally throughout New England, where he said, similar wage reductions have already been in effect for some time. Follows Pattern Cheney Brothers, he said, "is about the last large mill in the industry in New England which has not been granted its wage reduction by agreement or by arbitration." Hogan said that both the union and management have in the past followed the pattern established by other New England mills in granting wage increases and that since the evidence shows that the parties have followed the pattern, a fair-minded arbitrator must be expected to apply the pattern.

Welfare Hit For Waste, Inefficiency

Hartford, Jan. 2—(AP)—A report severely criticizing the big State Welfare Department for waste and inefficiency and urging strong business-like control of the \$30,000,000-a-year agency was given Governor Lodge today. The document, recommending broad reorganization, arrived at the state capitol as Governor Lodge's newly-appointed welfare commissioner, Howard E. Houston of Meriden, took over the reins of the department this morning. The inquiry was preceded by sharp criticism of the department during the 1951 session of the General Assembly, most of it from Senate Democrats. There had been published reports also of widespread chiseling by persons receiving state aid. Houston, however, to name a deputy to succeed John E. Scriminelli of Meriden, who resigned some time ago. Those who worked on the report

N. Y. Dock Walkout May Hit New Ports

New York, Jan. 2—(AP)—Three small unions of longshoremen specialists struck today, and their picket lines closed down 22 Manhattan, Brooklyn and Staten island piers within two hours. The walkout threatened to develop into large scale port terms in New York, Boston, Philadelphia and Baltimore. A spokesman for one of the striking locals said that "nothing weighable is moving. Employers estimated that about 100 types of bulk cargo requiring weighing center New York harbor. They include coffee, sugar, hides, cocoa, beans and tin. 483 Start Tieup The strike of 483 seafarers, weighers and samplers of Local 935, 947 and 1190, A. F. International Longshoremen's Association, began at 8 a. m. (e.s.t.). The police waterfront squad announced the number of piers idle after a survey of the docks. The number was larger than the prediction of Joseph P. Ryan, international president of the longshoremen. He had announced that today's stoppage would involve nine piers in Manhattan, three in Brooklyn and one in Staten Island, with the situation "changing from day to day." Piers in Jersey City and Hoboken, N. J. were reported being worked normally. At one of them, dock workers showed up at 7 a. m., 50 minutes ahead of the usual time. At Philadelphia longshoremen refused to cross a specialist's picket line, and halted the unloading of six million pounds of sugar at the National Sugar refinery pier. An eastern seaboard tieup could result if all longshoremen's unions comply with Ryan's request that they respect one and two-men picket lines of the striking specialists. He said IILA members in other ports have been instructed not to work ships diverted from New York because of the strike, or after it starts. Back Wider Strike Reportedly union officials were backing a spreading strike as a protest against the investigation of

Bus Strike Ties Noose On Gotham

New York, Jan. 2—(AP)—Thousands of New Yorkers turned to autos, taxis and the shoelather express today as the biggest bus strike in the city's history entered a second day. A semi-holiday week end, with schools and many offices closed, softened the impact of the strike which 8,200 employes of the CIO Transport Workers Union launched at midnight New Year's Eve against eight privately owned bus lines. There was no sign of a settlement in the walkout which has taken on a political complexity. The union is sore at Mayor John F. Impastino because he charged "collusion" between the TWU and the struck companies to force higher fares. The union demands a 40-hour week, instead of the current 44 hours, and pay raises. The city's vast transportation network of subways, city-owned bus lines and elevated absorbed the overflow without difficulty today. \$4 Million Fares Daily What will happen next week, however, when the transportation system feels the full weight of the three and a half million daily fares which normally are handled by the struck companies, is the chief concern of city officials. There was no sign of a settlement on the horizon today. In the far reaches of the Bronx

Chile Blast State Dept. Names 11 U. S. Reds in UN

Washington, Jan. 2—(AP)—The State department has named 11 U. S. citizens on the United Nations payroll as persons it believes are "Communists or under Communist discipline." The Senate Internal Security subcommittee yesterday made public the list, along with the names of 27 others who have been dropped from the UN payroll on similar security charges. The development came in the midst of a controversy over a proposed new federal grand jury investigation of alleged Communist infiltration of the UN, urged by House investigators. Secretary of State Acheson testified before a House Judiciary subcommittee Wednesday coaxed that State department loyalty checks on UN job applicants "had not been a great success." Acheson insisted, however, that national security had not been endangered by this, but that the nation's prestige had suffered "a black eye." A State department memorandum, released by the Internal Security subcommittee yesterday, said 11 Americans remain on UN payrolls although the department has told the UN they are considered to be of "Communist identification." They were named as: David Weintraub, director of the UN division of economic stability in any disloyal or subversive activities and said he had sworn under oath to both the federal grand jury and the McCarran committee. (Continued on Page Four)

Young Mother Held in Trailer Camp Slaying

East Hartford, Jan. 2—(AP)—A 23-year-old mother has been charged with first degree murder after police said she admitted pumping five pistol shots into her sleeping husband early New Year's Day. Mrs. Virginia Caron was quoted by police as saying she walked into her trailer home after a New Year's Eve party and fired a .32 caliber sports pistol at her husband, Howard, 38. Their three-year-old daughter, Peggy, lay asleep in another room, apparently unaware of the shooting, police said. After inquest questioning, police quoted Mrs. Caron as saying she and her husband were incompatible but that she does not know why she killed him. Telle State Police Mrs. Caron gave herself up at 7:30 a. m., about three hours after the slaying. State Policeman Charles W. Pritchard said Mrs. Caron deliberately rammed four slugs into the Charter Oak Bridge at Hartford and, when he came on the scene, she said: "I shot my husband." On the floor of the front seat of the car, between Mrs. Caron and her daughter, the policeman found the pistol which investigators said killed the husband. The trooper then was taken to the Aircraft trailer camp where he was held by Mrs. Caron to her dead husband, lying in bed clad in his pajamas. Two empty whiskey

Eleven Hurt, \$100,000 Loss In Milford Fire

Milford, Jan. 2—(AP)—Eleven persons were injured, one critically, when an early morning fire swept the Sound View Hotel in the Myrtle beach section of this town. Damage was set at \$100,000. Mrs. Arlene Smith, housekeeper of the hotel, was taken to Milford hospital with second and third degree burns of the body which she received when the fast-spreading flames trapped her in her second floor bedroom. Her name is on the danger list. Policeman William Hughes who climbed a ladder to rescue Mrs. Smith suffered first and second degree burns of the hands, an forehead and was treated at the hospital. Also under treatment at Milford hospital is Mrs. Priscilla Richards, an expectant mother, who suffered smoke inhalation. Her husband, Earl, suffered abrasions of the legs and arms as he guided her and their two-year-old son to safety. Most of the other injured were firemen, none of them seriously hurt. Other occupants of the hotel, mostly entertainers, escaped without injury, but with the loss of

News Tidbits Culled from AP Wires

Japanese press reports Yoshida administration plan formation of special espionage section to gather information on Communist areas. Bay State nulls proposal to offer \$5,000 reward for apprehension of person responsible for robbery-slugging death of Boston rabbi in neighborhood park. Dr. Louis Bauer, president of the American Medical Association says in New Year's statement that voluntary health insurance program should be expanded to include aged and long duration. U. S. Sen. Prescott Bush (R., Conn.) resigns as director of seven publicly-owned companies but retains his connections with two privately-owned firms. In Cairo, Egypt, Premier Naguib's "purge" group" recognized that six former ministers be tried soon on charges of abuse of power. Former Ambassador O'Dwyer spends lonely New Year's holiday at Mexico City, apartment as reports filter in that he and Mrs. O'Dwyer are separated. All New York motorists will be required to carry liability insurance under Governor Dewey's "blueprint for safety" now being offered to the legislature. Three sets of twins, all girls, were born at St. Francis Hospital in Hartford during a 12-hour period last night. (Continued on Page Eight)

Defense Chiefs Report New, Powerful Weapons

Washington, Jan. 2—(AP)—The Pentagon today reported that "one" of the most advanced and deadly "ones" from faster jet warplanes and mightier aircraft carriers to atomic warfare—are giving better striking power to an American armed force unchanged in size. That is the picture presented, directly and indirectly, in a semi-annual report of the Defense establishment issued last night, a report which showed manpower strength static at 3,600,000. This portion of the report, Secretary of Defense Lovett wrote soberly, is the result of the carrying on of the difficulties arising from various causes including strikes and of the need for a continued high level of draft calls to keep the strength of the army up. But, in a line back over the two years of what he termed partial mobilization, he said the U. S. "increased its actual and potential military strength to a level which should give pause to even the most reckless aggressor." Hint Developments The accompanying reports of the Army, Navy and Air Force Secretaries presented some flat statements and some interesting hints of the weapons the services have or are developing and the training for their use. Secretary of the Air Force Finletter told of greater combat readi-

Resignation Stirs Indonesia Crisis

Jakarta, Indonesia, Jan. 2—(AP)—Indonesia's defense minister Sultan Hamengku Burwono II resigned today and the possibility loomed that five other ministers also would quit in support of an army ultimatum. The ultimatum's recent plan to cut the 200,000-man Indonesian army in half has resulted in a serious split among his commanders, many of whom are former guerrilla fighters who have been recruited out of a smaller regular army. Vice Premier Purnomo told senators today—after the third emergency cabinet meeting in three days—that the ministers would meet with their respective parties later in the day and then announce tonight to "draw out the path" (Continued on Page Thirteen)

Allied Raiders Hit Bunker Hill Reds

Seoul, Jan. 2—(AP)—Allied raiders furiously attacked a Chinese Communist position near Bunker Hill on the frozen western Korean front, then withdrew early today. The U. S. Eighth Army said the raiders killed or wounded an estimated 45 Reds in a bitter hand-to-hand battle before racing back to their own lines. On the eastern front, crackling Allied rifle and machine gun fire halted seven thrusts by North Korean Communists in sub-zero weather today and yesterday. The probing Red units, ranging up to 70 men, were tossed back northeast of the Punchbowl area, 20 miles from the east coast. Heavy artillery barrages sup-

Revamped Immigration Act Asked in Congress Report

Washington, Jan. 2—(AP)—A presidential commission last night urged the new Congress to reverse its predecessor and revamp the controversial McCarran-Walter Immigration act "from beginning to end." The seven-member commission named by President Truman called for (1) abolition of the 31-year old national origins quota system and for (2) lowering existing bars to admit some 100,000 immigrants annually. These and scores of other recommendations proposed by the group would require a complete overhaul of the McCarran-Walter legisla-

Federal Judge Bars Clemency For A-Spy Pair

New York, Jan. 2—(AP)—A federal judge today denied an appeal to save the atom spy team of Julius Rosenberg and his wife, Ethel, from death in the electric chair. The denial was made by Federal Judge Irving R. Kaufman after hearing a clemency plea for the two. They are in Sing Sing prison, scheduled to die the week of Jan. 11. Worse Than Murder Kaufman said in denying clemency: "I still feel that their crime was worse than murder." The Rosenbergs, only appeal now is to the White House. If President Truman should stay the execution, the case might become President-elect Eisenhower's responsibility because of the Jan. 20 inauguration. When the Rosenbergs' attorney, Emanuel H. Bloch, learned of the decision he said he would begin taking immediate steps to appeal for White House clemency and would visit Judge Kaufman today "to try to arrange for a stay." Kaufman, who sentenced the couple to death, said in his opinion: "I have mediated and reflected long and difficult hours over the sentence in this case. I have studied and reviewed the record and I have seen nothing, nor has anything been presented to me, to cause me to change the sentence originally imposed. I still feel that their crime was worse than murder." The Rosenbergs were convicted (Continued on Page Four)

80,000 Workers Take Pay Cuts

By THE ASSOCIATED PRESS Some 60,000 cotton-rayon workers and 20,000 railroad employes in New England took one cent an hour pay cuts today because of declines in the labor department's "old series" living cost index. Their union contracts embody escalator wage clauses geared to the department's index, which dropped from 192.3 to 191.6 in the month of November. Declines were also noted in the index figures in the preceding two months. The revision has the effect of cutting the cotton-rayon workers' (Continued on Page Two)

Bulletins from the AP Wires

FBI NABS FUGITIVE Phoenix, Ariz., Jan. 2—(AP)—Harden Collins Kemper, 50, wanted of the FBI's 10 most wanted fugitives, was captured by FBI agents without resistance last night at his residence here. He was identified by Special Agent Gerald B. Norris said Kemper had lived there the past year under an assumed name. MAYER MULLS CHANCES Paris, Jan. 2—(AP)—Henri Mayer, a Radical Socialist (Conservative) financial expert, began consultations with party leaders today in hopes of persuading a majority of the rightist and moderate groups in the national assembly to back him as premier. He was expected to tell President Vincent Auriol tonight or tomorrow whether he could form a government. PLANE LANDS IN DESERT The Hague, The Netherlands, Jan. 2—(AP)—A chartered KLM (Dutch) plane carrying 56 British and Pakistani passengers, made a forced landing in the Arabian Desert 17 miles from Dhahran airport last night, the airline announced today. No one was injured. (Continued on Page Four)

Town Counsel Post May Go to Crockett

Rumor Directors Ready To Act on Appointment Tonight; Deputy Judge Seen Choice

A two-month stalemate over the appointment of a town counsel may end tonight with the appointment of Attorney Charles N. Crockett to the post.

It is believed that the board will appoint Crockett to the post which has been vacant since the death of John D. LaBelle, who held the office for 12 years.

The board held a meeting at 8 p. m. in the hearing room of the Municipal Building.

The board held a meeting at 8 p. m. in the hearing room of the Municipal Building.

The board held a meeting at 8 p. m. in the hearing room of the Municipal Building.

Fire Station Site Bought

District Closes Deal for Plot on McKee Street

The South Manchester Fire District will take up its bid for deed to the property at 128 McKee street that will be used as the site for a new fire station.

The district's bid was accepted by the town clerk's office this afternoon.

The purchase of the property for \$15,000 was approved by the voters at a meeting held at the town clerk's office on Dec. 15.

The property was owned by Mrs. J. M. Murphy and Madeline M. Taylor, who had died in 1948.

Mancheste's First Citizen for 1953

Wardman, Jan. 2-4-53

Wardman, Jan. 2-4-53. This is an ABC on the election expected in the Senate tomorrow when the new 82d Congress opens and a group of House Democrats and Republicans try to get the Senate rules changed.

These rules are changed to prevent filibusters by the minority.

Wardman is so hard to get that the Senators change this rule? That's where the southern Democrats really have their opponents over a barrel. There's no provision in the Senate rules for a filibuster against an attempt to change these rules.

Explosion on Senate Rules Expected in New Congress

By JAMES MALLOY

These rules are changed to prevent filibusters by the minority.

Wardman is so hard to get that the Senators change this rule? That's where the southern Democrats really have their opponents over a barrel. There's no provision in the Senate rules for a filibuster against an attempt to change these rules.

New Congress Seen Cool On Easing Atom Secrecy

(Suggestions are mounting that atomic research information among our allies is essential to the development of a strong United Nations alliance.)

Washington, Jan. 2.—The new Congress today cast a cool eye toward high-level suggestions from both sides of the Atlantic that the United States should relax its secrecy bars and share atomic information with Britain.

Incoming Congressmen willing to take a stand in an Associated Press survey lined up almost 2 to 1 against an open interchange of data with the ally who teamed up with the U. S. in developing the first atomic bomb in World War II.

But there was a lively argument on the issue, and many lawmakers favoring disclosure of atomic secrets to Britain.

New Oldsmobile On Display Soon

Oldsmobile's 1953 models with exciting new styling inside and out

Oldsmobile's 1953 models with exciting new styling inside and out and many mechanical improvements will go on display for the first time on Friday, Jan. 9, at the Manchester Motor Sales, 1100 Main street.

The new Oldsmobiles will offer the ultimate in automotive luxury, according to Mr. Schaller, with their graceful body lines and a wide choice of handsome interior appointments.

A more powerful "Rocket" engine with a higher compression ratio will provide power for the 1953 Oldsmobiles. A new higher voltage ignition system also will have been greatly improved at the command of the Oldsmobile division.

Ready to Advise Small Business

Thomas P. Ashlin, Industrial Specialist, will be at the Post Office in Hartford on Monday

Thomas P. Ashlin, Industrial Specialist, will be at the Post Office in Hartford on Monday between the hours of 10 a. m. and 4 p. m. in accordance with the civil rights program of the Small Business Administration.

Individuals or small-business concerns may obtain valuable information on procedures for obtaining fair shares of critical materials or technical advice by visiting the Post Office on this date.

Many Portuguese who settled on Cape Cod and New Bedford, Massachusetts, and elsewhere in the United States came from the Azores Islands in the Atlantic.

Immigration Act Revision Asked

(Commissioner of Immigration, William C. Clegg, today announced that he is recommending that the law be amended to give the State Department more power in the selection of immigrants.)

Washington, Jan. 2.—The State Department today asked that the law be amended to give the State Department more power in the selection of immigrants.

The State Department's request is part of a broader effort to streamline the immigration process.

Directors to Talk Over Water Department Issues

Three questions concerning the town's water department will come up for discussion by the members of the Board of Directors when they meet tonight at 8 o'clock in the hearing room of the Municipal Building.

The matters are the creation of a separate water commission, extension of water department facilities to the Cedar Ridge Development on part of the Tyson Farm in Glastonbury, and purchase for \$1 million of the Highland Park Water Company.

General Manager Richard Martin said tonight he would recommend to the board that the town should not take any action on any of the three questions.

Welfare Hit For Waste, Inefficiency

(Continued from Page One)

Preira, former Secretary of the Park Department, said to be in critical condition at his home in New Britain, aftermath of a long-standing illness.

Federal Reserve Board in Washington says preliminary reports indicate national industrial production rose for the third month.

General Manager Richard Martin said tonight he would recommend to the board that the town should not take any action on any of the three questions.

Chief Schaub Seeks Full Re-Instatement

(Continued from Page One)

Chief Schaub indicated today that he would seek to get his job back. His statement came on the heels of another postponement in the court case in which he is charged by the town with evading responsibility and reckless driving.

The case was set for trial in the Superior Court on Jan. 13. Schaub was involved in a minor accident on the night of Dec. 23 while he was on his way to a fire. He was charged with evading responsibility and reckless driving.

The case was set for trial in the Superior Court on Jan. 13. Schaub was involved in a minor accident on the night of Dec. 23 while he was on his way to a fire. He was charged with evading responsibility and reckless driving.

Obituary

Miss Anna E. Riley
Mrs. Anna E. Riley of 225 Burnside avenue, East Hartford, died Wednesday at her home after a short illness. She was born in East Hartford, a daughter of the late Matthew and Mary Brennan. She was a member of the St. Mary's Church, East Hartford.

News Tidbits

No Skating at Park: Ice Still Too Thin
Park Superintendent Walter H. Schaub indicated today that there would be no public skating at Center Springs Pond over the week end regardless of the weather. The pond is being policed by a Park Department man to keep children off the thin ice. The pond is being policed by a Park Department man to keep children off the thin ice.

News Tidbits

Clare Booths Lane of Ridgefield, former Congresswoman, is reported assured of appointment as ambassador to Italy in the Eisenhower administration.

Charles J. Preira, former Secretary of the Park Department, said to be in critical condition at his home in New Britain, aftermath of a long-standing illness.

News Tidbits

Federal Reserve Board in Washington says preliminary reports indicate national industrial production rose for the third month.

General Manager Richard Martin said tonight he would recommend to the board that the town should not take any action on any of the three questions.

News Tidbits

Chief Schaub indicated today that he would seek to get his job back. His statement came on the heels of another postponement in the court case in which he is charged by the town with evading responsibility and reckless driving.

Young Mother Held in Trailer Camp Slaying

(Continued from Page One)

Services will be held Monday from the White Funeral Home, 100 Main Street, East Hartford, at 10 o'clock. Burial will be in St. Mary's Cemetery, East Hartford.

Funerals
Mrs. Lillian M. Smith, 100 Main Street, East Hartford, died Wednesday at her home after a short illness. She was born in East Hartford, a daughter of the late Matthew and Mary Brennan. She was a member of the St. Mary's Church, East Hartford.

Three New Year's Accidents Here

Three minor accidents were investigated by Manchester police on New Year's Day. No arrests were made. All mishaps occurred in Hartford County.

First accident happened at 3:55 on Buckland street, near Tolland Turnpike. A car driven by Fred Eric P. Faver, 21, of 347 Middle Turnpike west, struck a car driven by Mrs. Robert F. Ryan, 43, of 41 Buckland street, going south on the decision would be most unfair. It would not only represent unjust treatment, but would jeopardize the future stability of the company's management.

So They Say

Would God that the cultural improvements in TV programs were certain as the engineering improvements.

Electronics expert, Dr. Lee De Forest.

Animals are smart cookies.
They don't cheat, they don't lie. Zoo superintendent Earl Davis says any guy with normal eyes can see more on the beach than he can during my act.

About Town

CITIES NEED FOR ARMS
Berlin, Jan. 2 - Mayor Ernst Reuter renewed with the Allies today a demand that West Berlin police be permitted to carry more powerful arms in order to strengthen their patrols on the Soviet frontier.

Ruth Millett

One-Vote Margin
As in 1948, the Republicans will have a one-vote margin in the Senate. The lineup will be 48 Republicans and 50 Democrats.

Back
Each week her husband gives her barely enough money to buy the groceries for the family. Mrs. Ruth Millett, 100 Main Street, East Hartford, said she has to ask him for anything else.

Hebron Two-Way Radio Installed For Fire Department Use

Hebron, Jan. 2.—(Special)—Fire Chief Donald E. Griffin announces that a two-way radio has been installed in the local firehouse. This town can now call on or receive calls from the local firehouse in Tolland, Windham and New London Counties and the base station in Willimantic.

Will Speed Calls The new system will greatly speed up reports to call and aid from other towns. The local fire number has been changed from 8-5093 to 3-2525 for emergency calls.

Garth-Goldberg Nuptials The marriage of Miss Joan Patricia Garth-Goldberg, daughter of Mr. and Mrs. William Goldberg of Colchester, to Abraham Garth-Goldberg, son of the late Max Garth-Goldberg and Mrs. Sarah Garth-Goldberg, took place Dec. 20 at Zion Hall, Colchester.

Justice Stoves in Hebron A graduate of the Yale school of engineering, and a member of the Reserve Officers' Association, He A. A. Stoves, Jr., of World War II, serving three years in the U. S. Navy, is employed as an engineer with the Green Manor Estates, Inc., Manchester.

Family Reunion The entire family of Mr. and Mrs. Frederick J. Brennan was home for Christmas this year, and included their son, Frederick, who was in Korea the previous Christmas, but who had just been discharged from military service.

Two Ovens Fully Automatic The Hebron Rotary Club met Monday at the home of Mrs. Floyd A. Porter, a luncheon and reception gifts were bestowed and this was followed by card playing.
