How much money do you want to save-

MANCHESTER EVENING HERALD, M INCHESTER, CONN.

PARE DIGHT

MAYBE TOU'VE THOUGHT you'll never be able to save any money. That's understandable. Many people think the same.

But you can sate just as eight million other working men and women are successfully saving right now. Just take one simple step.

Today, where you work, sign up to invest in U. S. Savings Bonds through the Payroll Savings Plan. Sign up to save a couple of dollars a payday. Or \$75 a month. Or more if you wish. Then forget your saving worries forever more!

The money will be automatically saved for you every payday—before you have a chance to spend it. It will be automatically invested in U. S. Series E Savings Bonds at good interest. And those Bonds will be automatically turned over to you.

If you can save just \$6.25 a month on Payroll Sav-ings, in 5 years you'll have your \$394 cash (actually worth \$673 at full Bond maturity value.) If you can save \$25 a) month, you'll have your \$3,272 cash (\$5,185 maturity value) in 9 years and 8 months. And if you can save \$75 a month, in 19 years 8 months, you'll have a small fortune-\$23,682 cash, worth \$31,784 at full maturity!

How about starting on the <u>realistic</u> road to security and freedom from money worries—today? Sign up in the Payroll Savings Plan <u>now</u>!

If you're self-employed, go to your bank and have your banker get you started in the automatic Bond-A-Month Plan. It's as simple as Payroll Savings.

Gen. Caspar Dorfman, who did not comment. Judge Forts released the men yesteriday in superior court. He acted under a new law signed only last July which permits immates to petition to superior court for hear-ing on the claims they have been committed illegally. The new law and the illegal commitment petitions came about as a result of a State Supreme Court decision in 1950. In this case Dávid O'Leary brought a petition for a writ of habeas corpus stating he was improperly committed in that he never received formal writ-ten notice that he was to be con-sidered for commitment.
