**Hebron Leader Reveals Parents Failure In Scout Troop**

Hebron, March 17 (Special)—Harvey H. Lippincott, chairman of the committee organizing Boy Scouts in town, inquires anxiously "Where are the parents?" He asks a survey shows that 22 boys wish to form a Boy Scout troop here. We have the boys. We have every interested leader and worker. But we lack the parents! At a "Get Acquainted" meeting on March 16, especially planned for parents, only two showed up. Lippincott says that the reason for this is that the parents do not have sufficient time to attend church regularly. Johnson's traffic tickets were all received Monday. One was for reckless driving; three were for driving on the wrong side of white center lines; four were for passing stop signs; two were for having red lights; and one was for having an unnecessarily noisy muffler.

**Driver Has Choice Of Jail Or Church**

Foughsteph N. Y. (Special)—William B. Johnson, 22, is under orders to go to church every Sunday for the next year or be sent to jail as part of his penalty for 11 traffic tickets. The Justice of the Peace George Dietz last night fined Johnson \$70 and suspended a 30-day jail sentence on condition that he attend church regularly. Johnson's traffic tickets were all received Monday. One was for reckless driving; three were for driving on the wrong side of white center lines; four were for passing stop signs; two were for having red lights; and one was for having an unnecessarily noisy muffler.

## Santee Runs in Pan-Am 1,500 Meter Heat Today

Mexico City, March 17 (AP)—Santee was here to run in the 1,500-meter qualifying heat today in the Pan-American games.

His newsworthy was the point that the lanky lad from Kansas slipped into town most unobtrusively.

And 24 hours later Santee, who can talk himself into and out of everything but the 4-minute mile, had a statement ready, cutting the game, the track, the minute mile of Wes Santee.

Santee renewed his acquaintance with at least two familiar faces in the Pan-Am games, the one being the Pan-American team, and the other being the Pan-American team, and the other being the Pan-American team.

Later, in Latin anticlimactic fashion, it became known that the lanky lad from Kansas slipped into town most unobtrusively.

The United States lead for the unofficial championships of the games continued to bulge.
