Final Workshop Report Proposes 16 Changes

Suggest Four Items Regarding Town Clerk, Be Placed on Voting Machines to Directors

The committee workshop which has been studying proposed revisions of the town charter for several months, has recommended that the Board of Directors take action on 16 proposed changes. In a final report of the conclusions reached by 9 of 11 participating organizations, the workshop committees further recommended that four of the proposals be placed on the agenda of the town clerk, be placed on the voting machines in a referendum. These include an amendment to provide for the election of the town clerk rather than his election and another which would have the town clerk serve as an ex-officio member of the town board.

He knows where to go to get the BEST RESULTS

In shopping, as in fishing, the secret of success lies largely in knowing WHERE to go to get the best results. The experienced angler "picks his spots" carefully on the basis of the best advice information he can get. The experienced shopper does the same thing. Scans the ads in this paper to find out exactly who's got what for sale and for how much. . . . uses the advertising columns as the tried-and-trusted guide to the best "buys" in town. Thus this paper renders a double service. . . . valuable alike to the shopper who wants to buy wisely and to the advertiser who wants to sell well!

A Happy Reminder from

To All Families Who Have Long Wanted To Own a Splendid Encyclopedia At a Very Small Cost

As most First National customers know, it is now, always has been, and always will be our desire to provide our customers with the finest merchandise on the market—at the lowest possible cost.

Although they are primarily food stores, First National stores DO sell other articles—handy things, useful things, important things—things that make life more enjoyable... more comfortable... more successful!

On Thursday, March 31st, First National stores began one of the most important good-will offers in their long and successful history. First National stores invite all customers—old customers as well as new customers—to take advantage of this good-will offer...

The ease with which our customers will be able to obtain this encyclopedia, and the small cost our customers will pay for this encyclopedia make this good-will offer of tremendous importance to every family that has ever wanted to own a fine reference work.

This encyclopedia, which carries one of the most honored names in educational reference works, is being made available to our customers on what we call a BOOK-A-WEEK plan. In other words, one of the volumes of the set will be put on sale each week until all of the volumes in the set have been made available to our customers.

And here is the wonderful part of it. We invite you to compare the first volume of the set with a volume of any set selling for \$100.00 or more. If you find that your

CHARLIE "MAC"

Every meat manager has his own idea on how to make Corned Beef and Corned Beef Brine. The secret in the quality of Pinehurst Corned Beef... is the famous "TENDERURE." Our meat manager, Charlie McCarthy sends way out to Oak Lawn, Ill. to get the ingredients for the wonderful "TENDERURE" brine. Try Pinehurst Corned Beef. Serve it hot, or slice it thin "on rye" for sandwiches.

This week Charlie will have Briskets, Rumps, Chucks, Shoulder Clods and even Top Rounds in "tenderure Corned Beef" to offer you. He hopes to have enough to go through Saturday, but Charlie says another part of the quality of "Tenderure" is that we sell out every week... so Pinehurst Corned Beef is always corned "just right."

Seasoning for our Lamb Patties also makes the difference. Try a pound for 35c or 3 lbs. \$1.00. Lamb Stew at 52c lb. and Shoulder Lamb Chops 79c are good Lamb values. You can buy whole or half legs of lamb at Pinehurst.

If you want to shop early Friday or Saturday... we open at 8 A. M. And you can shop here Friday night if that is the best time for you.

OPEN UNTIL 8:30 EVERY FRIDAY NIGHT

Power Saws...

Just as it would be next to impossible for the modern builder to construct a house without the tricky new power saws... it would be mighty hard, if not impossible, for the modern meat cutter to cut enough steaks to meet the demand, without the modern meat power saw.

We grade sirloins... and offer regular Sirloin Steaks this week at (down 10c lb.) lb. 79c and we sell the large double bone or split bone Sirloins at 99c. Either steak is fine value and wonderful eating... For Oven Roasts, we suggest the meaty 3rd thru 7th RIB ROASTS at 68c lb. Native Fowl... Chicken Breasts and Chicken Legs. Please order your Easter Morrell Ham or Native Eviscerated-Turkey... today.

MORE ABOUT PINEHURST FRUIT

Early propagation of apples, figs, olives, cherries, plums and grapes, begun thousands of years before the Christian Era in Europe and Asia, we pass over lightly as we accept their present perfection. As they learned to cultivate peaches, bananas, mangoes, apricots, oranges and lemons later along the Mediterranean and in Burma and China the foundation of Pinehurst gift (sunshine fruit baskets) was made easy. These baskets contain the finest fruits in season and many other delicacies in the fancy food and candy line. Phone your order and we will take care of the card and delivery to the hospital or elsewhere in Manchester.

Club Crackers by Keebler sell at 39c lg. pkg., and are fresh from the ovens.
