**Rockville Board Rejects Mercy Plea in Guzman Killing**

Rockville, Nov. 8 (Special)—Five years ago Mrs. Mary Guzman, 36, of Hartford, died of a heart ailment. Her husband, Arthur Guzman, Jr., was sentenced to life imprisonment for the murder of her 30-year-old son Arthur Guzman, Jr. on his 21st birthday.

Yesterday the State Board of Pardons rejected a mercy plea in her case, despite her attorney's plea that her sentence be reduced to five to 20 years in view of her age and background and good record at the State prison for women at Miantonomi.

Atty. Robert C. Danaher of Hartford yesterday told the board that Mrs. Guzman had no recollection of the crime. State Atty. Joel H. Reed, 2nd of Tolland County, said his files show that "she had been in the hospital for several months before her husband's death."

Arthur was hit five times and died soon after. His 24-year-old wife was not hit, but Mrs. Guzman said she was in a bathtub full of hot water.

The woman left the house under water when her 4-year-old granddaughter woke and screamed. She then fled the house as she was in the second story of a poultry house and jumped to the concrete steps below in a suicide attempt.

Atty. General James E. Murphy of Bridgeport, at the request of Defense Atty. John Buckley of Union, ordered Judge James T. Murphy of Bridgeport to appoint a commission to examine Mrs. Guzman.

# Red Sox, Senators Complete Nine Player Deal

## Oklahoma Supplants Terps as No. 1 Team

New York, Nov. 8 (AP)—Oklahoma's Red Sox, a latter-day power in college football, took over as the No. 1 team in the Associated Press poll today in the same way as the 1950 club brought the Senators their one and only National Championship.

The first time Coach Bud Wilkinson's crew held the top ranking this season, although they were near the top in each of the seven previous weekly polls. Oklahoma's 1950 championship didn't make the top in the poll until the 10th week, although it led to last ball of the season.

Oklahoma's new role adds even more luster to the Orange Bowl clash which undoubtedly will send the Senators against Maryland—the club they ousted from the No. 1 spot.

Coach's Cape With Shift

Maryland, even by extending its winning streak to 25 games by beating Louisiana State 13-0 last week, controlled the Orange Bowl shift in favor among the nation's sportswriters and sportscasters that gave Oklahoma a whopping 113 first place votes in the heaviest balloting of the season. The Terps, who had 74 first place votes in the week before, slipped to 50 from the 283 ballots cast in this week's poll.

On a point basis, however, the Senators—who ran their winning string to 26 by whipping Missouri 20-0 Saturday—had a much smaller edge over Maryland. On the basis of 10 points for a first nine to second, etc., the Senators total 466 to Maryland's 245.

Oklahoma and Maryland are all by themselves at the top of the rankings now that Michigan has been shifted from the unbeaten No. 2 position to No. 3 by its 23-0 loss to Oklahoma and Maryland in a major upset-united club left.

Turkey Price Seen Up 2c to 6c Pound

Washington, Nov. 9 (AP)—The turkey for Thanksgiving dinner is expected to cost from two to six cents more a pound than last year...

An Agriculture Department spokesman attributed the increase to two reasons: A record crop and later marketing.

Prices already above last year's level, combined with lower feed prices, will make the 1950 turkey crop a more profitable enterprise for farmers than last year's crop.

A record 66 million turkeys were grown last year. This year's crop is expected to be up to 63,000,000 or 4 per cent fewer than 1950.
