Rockville-Vernon Envelope Workers Benefit By New Pension Program

Rockville, Nov. 22—(Special)—Two hundred and twenty-five local employees of the White Corbin Division of the United States Envelope Co. will benefit by the adoption of the firm of a formal pension plan, effective Dec. 1.

Announcement of the action was made today by E. J. Johnson, president of the envelope firm. The new pension plan takes the place of an informal plan in effect since 1938.

While Corbin officials here said the plan will be operated on a "rolling scale" basis, with contributions in proportion to employment, and in some cases, the organization before retirement.

The official said the payments will be quite liberal, and that the plan is designed to benefit the employees in the event of disability, death, or retirement.

The pension plan, which is in accordance with an insured plan administered by the Massachusetts Mutual Life Insurance Co., will cover approximately 250 men and women employed nationally by the envelope firm.

Johnson said the plan is the "best thing that has happened in the history of the United States Envelope Co." and that it is a "real benefit to the workers." He said the plan will be the most generous in the industry, and that it will enable the company to attract and retain the best talent.

Johnson said the plan will be financed by contributions from the company and the employees. The company will contribute 50 percent of the cost, and the employees will contribute the other 50 percent. The contributions will be deducted from the employees' paychecks.

Johnson said the plan will be effective on Dec. 1, 1955. He said that the plan will be a "major step" in the company's effort to improve the lives of its employees.

Church Notice Deadline

Due to the Thanksgiving holiday, church notices for the week of Nov. 28 to Dec. 4 will be published on Thursday, Nov. 24. Notices for the week of Dec. 5 to Dec. 11 will be published on Friday, Nov. 25.

Robb Renamed Head of Board

Sherwood J. Robb was re-elected to his third term as chairman of the Board of Education last night at the annual meeting of the board in the high school.

The board accepted two resignations, approved one appointment and granted one leave of absence.

The resignations were those of Mrs. Elaine D. Newnanger, a Lincoln School teacher; and Miss Priscilla Letcher, special teacher of reading, who was appointed at the beginning of the year.

The appointment approved was that of Mrs. Thelma Pollanabee Lovell, who formerly taught at the Highland Park School. She will teach sixth grade at the Buckley School.

Mrs. Dorothy Herian, a Highland Park kindergarten teacher, was granted the leave of absence.

The board also heard a report from the Superintendent of Schools, Robert G. Hill, on the progress of the school year. He said that the schools are doing well, and that the students are enjoying their school work.

The board will meet again on Nov. 29 to discuss the budget for the coming year.

Private School Benefits from U.S. Criticized

Washington, Nov. 22—A largely Protestant organization takes exception to a Roman Catholic declaration that private and parochial schools should share in government benefits.

The organization, Protestants and other Americans United for Separation of Church and State (POAU), said the Nov. 18 Catholic pronouncement on the issue was among other things, marked by "studied nonsense."

The POAU statement was issued last night by Glenn L. Archer, executive director. The organization is composed mainly of Protestants of various denominations and some Jewish groups. It opposed the use of public tax funds to aid students at religious schools.

The Catholic declaration, said the POAU, was a "stunningly low cost" of treating them as unfair.

POAU said in its counter-statement that the Catholic bishops were trying to justify a "demand

State CD Setup Blasted, Lauded At Public Airing

Hartford, Nov. 22—Connecticut's Civil Defense setup came in for sharp criticism and high praise at a public hearing yesterday in the State Legislature's special floor session.

The Judiciary Committee heard witnesses on a bill which would require area Civil Defense directors to be qualified by training and experience for the job.

About 25 people spoke.

Some charged the bill, introduced by five Republicans, was partisan. Civil Defense Director Leo J. Mulvaney fired the State's four area directors, all Republicans, a few months after he was appointed by Gov. Rifeed, a Democrat. He replaced them with three Democrats and a Republican.

One of the sponsors of the bill, Rep. Louis J. Padula of Norwalk, said at the hearing that in placing "responsibility on untrained Civil Defense directors" Mulvaney "was gambling with the safety of Connecticut."

He claimed that Civil Defense leadership in Connecticut "was tested during the August and October
