Faure Loses Gamble To Reds, Tax Rebels

Paris, Jan. 3 (AP)—France's national elections called by Premier Edgar Faure on a gamble that they would bring a strong stable government—have produced only the prospect of more years of shaky, short-lived coalitions. Moreover, future premiers will be burdened with a more powerful bloc of Communists in the National Assembly and a new, almost certainly obstructionist faction, the anti-tax followers of Pierre Poujade.

Meet Little Miss 1956

Manchester's little Miss 1956 smoozes contentedly in the arms of her smiling mother, Mrs. Warren Hubbard, 149 Walker St., completely oblivious of the fact she is the first and only baby to be born New Year's Day at Manchester Memorial Hospital.

Both the Communists and the Poujadists appeared to be beneficiaries of a heavy protest vote. So compounded is the factional confusion of the new Assembly, that it appeared today a Socialist rather than a leader of any of the big parties might be the first premier as a result of yesterday's balloting.

Westinghouse Riots Claim Ohio Striker

Columbus, Ohio, Jan. 3 (AP)—An estimated 100 police moved in to break up mass picketing at the Columbus Westinghouse Electric Corp. plant today and touched the spark to a 12-week-old powder keg at the struck plant.  The fact that Congressmen Thomas J. Dodd probably will record law spring in favor of the military system in the Far East, which we intend to retain for many years, is a source of concern to many of our readers. It is a source of concern to many of our readers. It is a source of concern to many of our readers.
