Missionaries Seen by Pilot Near Plane

New York, Jan. 12 (AP)—A radio report from Quito, Ecuador, today said two men waving white flags were sighted on a sandy river beach in the Amazon jungle area where five U.S. missionaries were seized by savage Aucas Indians.

Dr. Clarence W. Jones, president of the World Radio Mission, said in a radio-telephone interview with Dave Garroway of the National Broadcasting Co. today that the men were seen yesterday by a local com-

Baptists Pick New Slate at Meeting Here

In an atmosphere of Christian love and good humor, the members of the Community Baptist Church here today elected a new slate of officers at the church Monday evening, Jan. 9, for their third annual meeting. As past accomplishments and future progress were outlined, a sense of strength united the congregation in a joyful give and take. George M. Russell, moderator of the church, presided.

Reports of the various boards and committees had been prepared in mimeographed form, with a copy eliminated reading in the entirety, and gave opportunity for those reporting to point out highlights of the year's activities. Substantial gains were noted in membership and the giving for the year for all purposes exceeded \$25,000. Two new groups for youth had been formed, and more church school classes added. The church school enrollment under the supervision of Mrs. Lester B. Walcott had increased by over 50 per cent in the past year.

White Collar Citizens' Lobby Suggested

Many a white collar worker today believes he has become civilization's biggest underdog. He is forgotten in the 20th Century. His voice is relatively unheard in the land. Few politicians bother to ask his views or propose his plight. The only people who seek him out are bill collectors, and it is his cash, not his character, that draws them.

Let us get out our crying towel and listen to the wail of a typical member of the paper clip brigade, which runs about as follows:

"Every other class in America seems to get something special from the government except the white collar class. Why are we overlooked? When do we get our turn at the public trough?"

"They talk about a soil bank for farmers. How about a fund to pay for our soiled white collars?"

"Why can't Congress at least vote us some help under the foreign aid program? Certainly no government aid has been more foreign to government aid than the white collar class."

"There is at least an ounce of truth within this point of bitter-ness."

Partners have a lobby. Veterans have a lobby. Manufacturers have a lobby. The unions have a lobby. So do the railroads, the utilities, the airlines, the shipping interests. Even business schoolteachers lobby numbers and amateur bird watchers have their lobbies.

About the only two groups in America who don't have a lobby

are white collar workers and widows. They remain largely unrecognized and therefore, perhaps, unrepresented? Since they cannot punish a politician, why should he worry about them?

Time has passed the white collar man by. That white collar once a symbol of prestige and honor, has become more of a symbol of faceless anonymity. It no longer plays off at the pay window.

It used to be the guru in overall who stood in line at the loan office seeking to borrow money. Today it is the guru in overall who stands in line at the loan office seeking to borrow money. Today it is the guru in overall who stands in line at the loan office seeking to borrow money.

The average white collar worker now is the greatest prisoner of the installment plan and the finance company, both go with his daily bread.

If he has to fly to see his sick brother, he has to borrow the money.

If he takes a vacation trip, he has to foot a loan.

Where is the man on a white horse who will lead the white collar class out of its captivity?

It is nowhere in sight. Also, even white horses are getting scarcer.

Granby Man Held For Slaying Wife

Hartford, Jan. 12 (AP)—Michael Ireton Jr., 49, has been charged with murder in the death of his wife, a Granby school teacher.

Officials said she died Dec. 16 from a "terrible beating."

A grand jury will be called to determine whether or not Ireton should be tried on a murder charge, and if so whether he should be tried on a murder charge, and if so whether he should be tried on a murder charge.

The white collar man is haunted not only by his present predicament but by fears for the future. He is afraid automation will displace him and that he will be left with no money and no skills to go to work in factories.

Harold A. Kent, a 40-year-old Negro, who said he joined the Communist party in 1952 at the holding of the FBI, told the Federal court jury trying eight defendants that the suggestion was made by Jacob Goldring of Trumbull.

Kent testified that he was a member of a Communist cell in the General Electric Co. in Bridge-

Witness Cites Red Plan for Women

New Haven, Jan. 12 (AP)—A Smith Act trial witness yesterday quoted an alleged Communist document as saying women in the party must make greater sacrifices. They should obtain baby sitters and go to work in factories.

Harold A. Kent, a 40-year-old Negro, who said he joined the Communist party in 1952 at the holding of the FBI, told the Federal court jury trying eight defendants that the suggestion was made by Jacob Goldring of Trumbull.

Kent testified that he was a member of a Communist cell in the General Electric Co. in Bridge-

Fairway-Runway: Pilot Scores Ace

Hartford, Jan. 12 (AP)—The pilot of a plane with engine trouble made a safe landing on the par five, 105-yard 17th fairway of the Tumble Brook Country Club golf course in nearby Bloomfield yesterday.

Pilot Matthew Rinal, 38, of Westfield and manager George Klemm of West Hartford were uninjured.

The landing was made on the longest fairway on the course. A Klemm hired the plane to supervise some land he was interested in buying. Rinal said the plane, a two-seater, started to "rough and sputter" at about 1,300 feet. He said he nudged out the golf course and set her down.

Delegations to report Hartford, Jan. 12 (AP)—Connecticut delegates to the White House Conference on Education will give their reports to the Connecticut Education Assn. at its mid-winter meeting here Saturday.

Bolton Voters Turn Down Buying Of Swanson Land by Town

Bolton, Jan. 12 (Special)—The meeting of the Town Planning Commission said that although the study for a land use map is far from complete, the property is located in the established civic and geographical center of the town and should be used for residential purposes.

These are two major results of a special Town Meeting last night at the Community Hall which was attended by about 60 people. Action on the method of purchasing the town insurance was tabled and a vote of approval for the town insurance was taken.

Harold Dwyer said he failed to see the proposal would save the town money and why the insurance business is adding to be a preferred business. Robert E. Gordon questioned the fixing of responsibility on a group other than its own initiative. He said he felt he should be allowed to keep what he sold himself. He also agreed that the business should be divided among all agents but felt that

Bolton

acres. He advocated purchase of a nearby farm, assumed by many to be a reference to the George O. Rose place, consisting of 100 acres at a price of \$20,000 which would be \$200 an acre.

Questions were also heard on alternative sites of land available for what was termed the town's "obvious need" to acquire property. The drainage of the Swanson property and the comparative cost of building, there as opposed to developing the present property at the Community Hall, were discussed.

Insurance Issues Tabled

T. J. Crockett, Raymond P. Jewell, E. J. Holt and Clarence A. Anderson all spoke on the question of writing the town's insurance through an advisory committee. It was more or less frankly admitted that the point of contention was sharing of commissions earned on the policies. Jewell admitted that Everett T. McKinney member of the TPC and also a member of the town's insurance but pointed out using specific instances, that the business was obtained through his own initiative. He said he felt he should be allowed to keep what he sold himself. He also agreed that the business should be divided among all agents but felt that

Amateurs Irritate Full-Time Barbers

Beckley, W. Va. (AP)—Local No. 675 of the Journeymen Barbers Assn. has gone on the war path against back porch barbers in two counties. The local refers to other than full-time barbers in shops who are handy with scissors and shears and who will cut hair on home calls in the coal fields.

Families with eight or nine children can get their locks shorn at an economy-steady bargain rate and keep a barbering man busy for a good part of the year.

The journeymen protest that they must take physical examinations, submit to blood tests, obtain state and local licenses and maintain shops, while the back porchers aren't so inconvenienced.

Before painting stucco, make sure the surface is well-brushed thoroughly to remove any salt formation. The paint should be applied promptly.

FATHER AND NON ALGERIA

Marietta, Ohio (AP)—A father and son are tackling algebra together at Marietta College. The high-school-age son stepped ahead to get into the class while Pop turned back 21 years. Pop is Gordon W. Strain of nearby Parkersburg, W. Va. His son is Joe, 16, a high school senior.

Both attend evening algebra classes at the college.

Joe is preparing for a college pre-engineering schedule; his dad wanted to learn something about a subject that interested him but which he hadn't studied before.

Lalime Speaker At PTA Meeting

Arthur Lalime, director of the National Audio-Visual Aids Project, spoke at a well-attended meeting of the PTA last night in the school auditorium.

With the aid of Miss Harriet Atwood, a teacher at the Green School, and Richard Bobardt, high school student, the opaque projector and the movie projector were demonstrated. The color film "Life Along the Waterways" was thoroughly enjoyed by everyone.

At the business meeting preceding the program, an appropriation was voted to purchase a coffee maker for the school. Chairman of the PTA Council, the attendance prize was awarded to Mrs. Phyllis Schaller's grade 3.

Refreshments were served in the cafeteria, which had been attractively decorated with winter scenes by the pupils of the school. Rates and not destroy 382 million dollars worth of stored crops in this country each year.

Churchman Blasts Kleig Light Clerics New Haven, Jan. 12 (AP)—A prominent churchman charged last night some Protestant church groups are employing radio and television to "give a few ecclesiastical big wheels a chance to bark under state lights."

The Rev. Truman B. Douglass of New York City was the first chairman of the broadcasting and film commission of the National Council of Churches. He is now executive vice president of the Board of Home Missions of the Congregational Christian Church.

From 1926 until 1952, he said, religious broadcasting was non-denominational and built on the central purpose of the Christian Church. Since 1952, he said, the film commission, of which he is still a member, has encouraged demonstrations to present programs which emphasize the particular denomination, rather than programs designed to appeal to the mass audience.

Speaks to Group At South Church

William N. Goodwin, 43 Ardmore Rd., will be the speaker at the meeting of the Sunday School of the South Church, Sunday evening at 7 o'clock.

Deaths Last Night

By THE ASSOCIATED PRESS. Orlando, Fla. — John A. Gray, 35, assistant women's editor of the Louisville Courier-Journal and a member of the staff since 1943. Born in Baxter, Tenn. Died Wednesday.

Doctors Named by CMS

New Haven, Jan. 12 (AP)—Dr. Benjamin V. White and Edward Howe, both of Hartford and Dr. Edwin B. Connors of Bridgeport have been elected to the professional policy committee of the Connecticut Medical Service, Inc.

State Mildred Allen Will Hold Seminars

on the new primary law for town officials starting in New Haven Feb. 8. Other classes are scheduled in Norwich, Feb. 14; Fairfield Feb. 20; Storrs March 1; Torrington March 5 and Hartford March 22.

Seminar Dates Set

Hartford, Jan. 12 (AP)—Secretary of State Mildred Allen will hold seminars on the new primary law for town officials starting in New Haven Feb. 8. Other classes are scheduled in Norwich, Feb. 14; Fairfield Feb. 20; Storrs March 1; Torrington March 5 and Hartford March 22.

December Permits Amount to \$365,595

Building permits issued during December indicate the addition of about \$365,595 in real estate value to the town's taxable Grand List. That is 30 per cent less than the amount added in December 1954, when permits for some \$523,958 taxable new building were issued.

Amount Added in December 1954

Building permits issued during December indicate the addition of about \$365,595 in real estate value to the town's taxable Grand List. That is 30 per cent less than the amount added in December 1954, when permits for some \$523,958 taxable new building were issued.

Coventry Grange Master Picks Committees

Coventry, Jan. 12 (Special)—Raymond L. Pender, master of the Grange, has named his committee chairmen for the coming year. His assistants will be named soon.

The chairman include Mrs. Anna C. Anderson, house economist; committee: Mrs. Ruth E. Loomis, charity committee; Walter S. Haven, insurance; Miss June D. Loomis, legislative; Mrs. Christine Pender, music; Miss Helen Jordan, youth.

The community service committee will be headed by Mrs. Lora Brown; while Miss Loomis will be in charge of reception and Mrs. Gettridge A. Haven, marital, degrees and drill team.

The American Legion Auxiliary has voted to take \$10 from its community service fund and give it to Mrs. Thomas O'Brien, public health visiting nurse, for use at her discretion in the public health nursing program.

The unit's child welfare committee was in charge of distributing a Christmas basket with toys and gifts by a Mansfield veteran's family. Remaining toys were by unit members, Cub Scouts and members of the Oak Street Club.

The unit will sponsor a public baked ham supper Feb. 4 at the American Legion. Ham and turkey will be served.

A special program for the Jan. 22 meeting has been arranged by Mrs. Edwina Greenleaf. There will be a "America, the Beautiful" and "Power Behind the Nation."

Prof. Andrew Schenker of the University of Connecticut will speak on "Balance of Power Between United States and Russia."

Proceeds will be for the maintenance, repairs and improvement fund.

L. James Loxton has donated the pinocle score cards. The North District school girls basketball team has been selected by Miss Patricia Arra, coach. The squad includes Judith Love, Nancy Seidner, Karen Edridge, Nancy Russack, Linda Gahmann, Catherine Wenzel, Gwendolyn Brand.

Prepare Displays Of Native Birds

Portable cases featuring native birds of the various seasons are being prepared by volunteer workers at the Lutz Junior Museum, located at the present time in the basement of the Wadwell School.

An artistic display of winter birds, including the blue jay, the snow bunting and the chickadee, has been completed and is ready for loan to any teachers who wish to use it in their classroom.

A second portable case in the proposed series is being prepared, featuring spring birds. The mounted specimens are a part of the collection of 20 native birds purchased by PPA funds from John D. Smith, now of Glanston, N. H., but formerly naturalist at the Museum of Natural History, Boston.

Most packers must sell \$10 worth of products to earn four cents in profit, according to the North Carolina State College School of Agriculture figures based on 1954 operations.

61 Homes Planned In Vernon Center

Rockville, Jan. 12 (Special)—Clearing and excavating was begun yesterday on land off Rt. 26 west of the Cooney Home, for a new 61 home subdivision planned by Vernon Country Estates, Inc.

According to Robert Luginbuhl, president of the company, the plan is to erect 61 seven-room ranch-type houses. Barney Moses of Vernon Center, owner of the land, stated he has made arrangements with the firm to sell 24 acres, divided into 64 building lots.

Luginbuhl said preliminary planning is near completion. He is expected to present a map of the proposed project to the Board of Selectmen Tuesday night. It will include drainage and grade percentage details.

Church Dedicates Parish on Sunday

Dedication of the new parish house addition and rededication of the Buckingham Congregational Church will take place Sunday at 10 o'clock. A brief program will be held with welcome by Tracy F. Brook, president of the deacons.

David Kitson of the Youth Fellowship will read a scripture passage and Shirley Bell of the same organization will offer prayer.

Harley J. Brook will speak on the final raising and Roger S. Beator will give the prayer and benediction. The keys will be by the builder.

No School Policy Listed by Graff

Columbia, Jan. 12 (Special)—George R. Graff, superintendent of schools, has announced the proposed closing of school on Saturday days. He said arrangements have been made with Radio Station WTCZ to announce between 6:30 a.m. and 7:30 a.m. the closing of school for the day and between 11:30 a.m. and 12:15 p.m. for closing in the afternoon only.

Parents and pupils are requested not to call the radio station to get information about the closing of school. They are also urged not to call the Superintendent, Board of Education members, the Principals or teachers. Such calls have been known to overload the service and as a result, urgent calls prevented from being made.

Pros Beat Saybrook to Move into Second Spot

Hogan Shoots Nifty 65 In Round with Crosby

Bob Hogan, who retired last June after failing to win the National Open, turned in a nifty 65 in a practice round Wednesday at Cedarhurst. He was putting better than 1 in 10 on the greens.

Both he and his croom partner, the pro-amateur team that they did not expect they would raise a winning effort during the \$15,000 match.

Crosby said he convinced Hogan to leave his Texas home by pointing out his appearance would increase the prize money. Hogan is expected to return to play after four years on the sidelines.

After that Crosby said a creditable practice round was made by Hogan and an eagle for his croom.

Crosby for 10 years has been picking up the tab for the tournament and donating receipts to charity. He is putting out a \$25,000 first prize for the play-off.

Cedars Hope for Snow For Sled Dog Events

Two inches of snow—or more—is needed to stage the National Sled Dog Derby Saturday and Sunday in Manchester, Dick Pate of the sponsoring National Sled Dog Derby, Inc., said.

Both he and his croom partner, the pro-amateur team that they did not expect they would raise a winning effort during the \$15,000 match.

Crosby said he convinced Hogan to leave his Texas home by pointing out his appearance would increase the prize money. Hogan is expected to return to play after four years on the sidelines.
