THE HIGH SCHOOL WORLD

VOL. XXIII, No. 24 FRIDAY, MARCH 16 Compiled by Students of Manchester High School Miss Helen Estes, Faculty Advisor

Manchester Downed by Weaver High To Lose Crown in Finals, 62-52

The victory of the 1956 Connecticut State Champions for basketball for Manchester High's track basketball team but, as the World goes to press, the New England tourney was underway in Boston. Weaver High provided the obstacle to the Manning crown as they dumped the local five 62-52 at the New Haven Arena last Saturday night before 3,000 fans.

The locals played head-to-head basketball the first half. Their passes were sharp and their driving plays were clicking as they raced to a 24-20 half-time margin. Al Cobb was the big gun here as he canned 17 points in the first 10 minutes and continued, with Norm Hohenbahl, to bring down the bulk of the rebounds.

The Manning team to life in the second half however, as the Bill City array seemed to stop moving the ball and driving. This was the Hartford school's chance and they held the use of it as they held off the Indians to six points and kept Weaver from getting back into the picture but the big damage was all ready committed. Hohenbahl soon fouled out, leaving the team with only 10 points.

The final quarter saw Manchester desperately try to get back into the picture but they were unable to score more than 10 points. The boys afternoon gym classes have been learning the fundamentals of volleyball under the supervision of E. Richard Soudakis, the physical education teacher, the correct way to serve, score and play net ball.
