Storm Tides Flood Coastal Virginia Area

Norfolk, Va., April 12 (AP)—The highest tides in two decades... The waters lapped into business sections of Norfolk and Newport News...

The floods struck their hardest blows at the York county community of Poppon on the Chesapeake Bay... The weather bureau said the worst of the northeast was over...

The Virginia floods topped a one-day spring weather package that also produced a snowfall of three to five inches in western and southern portions of the state...

Along the Atlantic coast, the storm kept the Coast Guard busy... The tug Dunlap reported heavy seas parted her low line to the 88 Alpha about 130 miles southeast of Cape Hatteras...
