National League Race Simmers Down to Two-Team Struggle

Bears Rumbling Again, Gain Fourth Straight

New York, Sept. 10 (AP)—The Chicago Bears once again are rumbling like the big, bad Bears who ruled the National Football League in the early 1940s. With the opening of the scheduled season only three weeks away, the Bears today stood as the only undefeated team in the league after defeating the Pittsburgh Steelers Saturday night, 21-10 for their fourth victory.

Furgol Winner In Rubber City

Akron, Ohio, Sept. 10 (AP)—Ed Furgol of St. Louis had his \$3,000 first prize money from the Rubber City Open Golf Tournament come down in Detroit, Mich., last night.

Loving Cup

Miss Shirley Fry of Akron, Ohio, blew the cup she won in capturing the Women's Singles crown in the National Tennis Championships at Forest Hills, N. Y., Sept. 8.

Braves Break Losing Streak, Lead by One

New York, Sept. 10 (AP)—A close-fisted three-team tug-of-war only a few days ago, the National League pennant race apparently has simmered down today to a hand-to-hand struggle between the funny-faced Braves of Milwaukee and the hard-hitting, veteran Dodger crew of Brooklyn.

NHL Hold First Place—The double triumph came in the nick of time for the Braves, who had been out of first place for two days and were losing to the Penguins in the final game of the season.

Spilled by a Fly

Washington Senators rightfielder Jim Lemon, foreground, and second baseman Ray Collins, as Lemon catches a short fly off the bat of Yankee first baseman Bill Skowron, in second inning at Yankee Stadium in New York City Sept. 9.

What it did show, though, was that American tennis is seriously ailing. These Australians got into the semi-finals and if it hadn't been for old-fashioned tennis, it would have been the first all-female semi-final in history.

Toughened Match—Rosewall won the match against Hoosier by his fourth straight set. He won the first set 3-1. He advanced further than any other American. Except for Mike Green, the American youngster showed very little.

National Tennis Crown Returns to Australia

Forest Hills, N. Y., Sept. 10 (AP)—It really made no difference that Ken Rosewall won the National Tennis Championship, his Victorian, Low Hood, just as well could have won it.

Against these two Dodgers now, the Braves will throw Bob Foy, makes the league championship a return of confidence from a week ago when they trailed by 3½ runs.
