Sense and Nonsense

When wealth is lost, nothing is lost; when health is lost, much is lost; when character is lost, all is lost. —Old German Proverb.

Our mother cat gave birth to three kittens, one with two tails, one with half a tail, and one with a full tail. —Kenneth Bowers, Williamsport, R. D., N. Md.

Firm Hobbs—What's worryin' yer, Bill? Second Hobbs—I found a recipe for home-made beer so I ain't got no home.

Judge—Did you ever see this prisoner before the bar in your life? Witness—Sure. That's where we always meet.

Magistrate—Can't this case be settled out of court? Mulligan—Sure, sure. That's what we were trying to do, your honor, when the police interfered.

What makes the vanity of other people inappreciable is that it weighs our own.

Old Lady (to tramp)—Why don't you work? Hard work never killed any one. Tramp—You're wrong, lady. I lost both of my wives that way.

Many a youth dreams of finding a pot of gold at the end of the rainbow. Eventually he just finds that he has got the pot, but no gold.

By the time most men learn to behave themselves, it's too late to do anything else. They need much, much nothing will content.

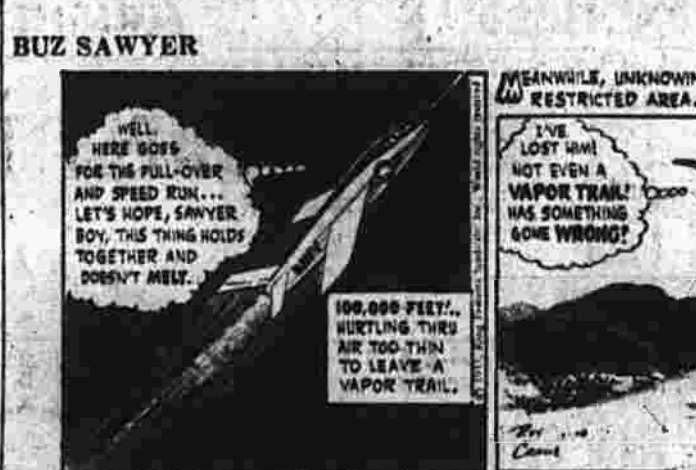

Soldier—The bullet struck my head and went careening into space. Friend—You're being candid about it, anyway.

A celebrated lawyer once said that the three most troublesome clients he ever had were a young woman who wanted to be married, a married woman who wanted a divorce, and an old man who didn't know what she wanted.

From the little spark may burst a mighty flame.

Bolton Grand List As of Oct. 1, 1956, Reportedly Sets New Record

Bolton, Jan. 10 (Special).—This town's new Grand List, dated as of Oct. 1, 1956, totals \$8,000,000, the Board of Assessors has announced. Civic leaders here have been true for several successive years, the increase is better than half a million dollars.

It spells some measure of good news for local taxpayers since the Board of Finance retained the increase at only \$750,000. At budget time, the predicted tax rate for the current year on that basis was given as 37 mills. Raising other factors, it seems certain that the actual tax levy to be made in March will be 36 mills at the most.

There are 771 dwellings on the list, an increase of 45, which has boosted the figure for that classification by \$300,000. An additional 156 lots accounts for an increase of \$44,000. Business buildings and land increased \$100,000, chiefly through the addition of Wilcox Machine Tool Co. to the list, whose value now totals \$100,000, account for a surprising share of the increase. The value of the town's real estate being 1230, an increase of 130 over the previous list. The total value of the town's real estate is now \$8,000,000.
