Cairo Says Ike Had No Choice

Cairo, Egypt, Feb. 21 (AP)—The newspaper Al Messara said today President Eisenhower had "no real choice" when he called for United Nations pressure to get Israeli troops out of Egypt.

The newspaper said Eisenhower's speech was "proof of the success of the Egyptian policy" and "the truth is that Eisenhower had no real choice if he wanted to save American policy in the Middle East."

Israel's refusal to withdraw was described as "death sentence" to Eisenhower's Middle East program. "It is obvious Israel is the 'daughter' of America and cannot in the long run disobey American orders. America bears responsibility of Israel's refusal to withdraw," the newspaper said.

It added that continued Israeli refusal would "silence all Arabs who now defend American policy in the Middle East."

Art Aragon Guilty Of Fight-Fix Count

Los Angeles, Feb. 21 (AP)—A Superior Court jury today found welterweight Art Aragon guilty of felony fight-fixing charges. Aragon, the nation's third ranking welterweight at the time of his arrest, took the verdict impassively.

N-Warheads for Nike U.S. to Use A-Blasts In Sky for Defense

Washington, Feb. 21 (AP)—The United States is preparing to use atomic warheads in the air to blast down any attacking enemy bombers. The Defense department disclosed last night not only that atomic rockets have been developed for that purpose, but that they have been made available to air defense forces in this country.

Oilman Says Costs Forced Price Hike

Washington, Feb. 21 (AP)—An oil industry leader said today recent increases in oil and gasoline prices stemmed largely from higher costs and a need to encourage development of new oil reserves.

British Rap Ike Failure To Consult

London, Feb. 21 (AP)—President Eisenhower was strongly assailed in Parliament today on the ground he failed to consult Britain before his policy statement calling on Israeli troops to withdraw from Egyptian territory.

Israel Seen Rejecting Ike's Call for Aqaba Withdrawal

Jerusalem, Feb. 21 (AP)—Informed circles said today Premier David Ben-Gurion will reject President Eisenhower's call on Israel to withdraw unconditionally from the Gulf of Aqaba area.

Cost of Living Hits Peak Fifth Month in Row

Washington, Feb. 21 (AP)—The government today reported living costs rose to a new record level in January for the fifth consecutive month.

Assembly Unit Urged to Back Home Rule Bill

State Capitol, Hartford, Feb. 21 (AP)—A constitutional amendment giving municipalities the power to manage their own affairs would mean better government on the local level and let the legislature pay more attention to state problems, witnesses at a legislative hearing argued today.

Dockers Reject Call for Work In New York

New York, Feb. 21 (AP)—New York's 25,000 longshoremen today refused to head back to work orders of their union president.

Menon's Condition Called 'Dangerous'

New York, Feb. 21 (AP)—The condition of India's ruling ambassador V. K. Krishna Menon, was described today by his physician as "dangerous...it could lead to anything."

Tells on Reds

Carl Rachin, a New York lawyer and official of the New York chapter of the American Civil Liberties Union, testifies in Washington at a Senate internal security subcommittee hearing on the extent of the break the American Communist Party says it has made with Moscow.

Israel Seen Rejecting Ike's Call for Aqaba Withdrawal

Ike Hints Sanctions Unless Israel Quits

Washington, Feb. 21 (AP)—United Nations action to impose some form of sanctions on Israel appeared almost certain today after President Eisenhower declared the U.N. must "exert pressure" to get Israeli troops out of the Gaza Strip and the Gulf of Aqaba.

Air Force Hunting For 'Wild' Missile

Hill Air Force Base, Utah, Feb. 21 (AP)—Air Force officials said today they were checking reports that a guided missile was on the loose over Utah or Nevada.

rockets, are carried in a rack attached to the underside of a wing or to the belly of a jet intercepter plane.

The new Air Defense atomic missile presumably is somewhat the dimensions of the warhead for an atomic artillery shell, probably between 8 and 10 inches in diameter.

Its power presumably ranges up to about 15 kilotons. (A kiloton is equal to the energy released by 1,000 tons of conventional TNT.)

The destructive zone of blast of an explosion diminishes as altitude increases. Due to rarification of the air, however, even at altitudes of 50,000 to 60,000 feet (where bombs reach out from a mile to two miles from the point of burst).

Japan Imports Soybeans

Tokyo—Japan plans to import 18,000,000 bushels of soybeans during the second half of the current fiscal year—October, 1956, through March, 1957. Soybean imports, 1956, totaled 12,400,000 bushels, of which 12,400,000 came from the United States.

5th of Cars Fall Test

Washington—During the 1956 national vehicle safety check program nearly 2,200,000 automobiles and trucks were voluntarily checked for safe operation. One out of every five vehicles checked was found to need maintenance attention to one or more parts. Of the 10 items safety-checked, rear lights, brakes, and front light bulbs out of parts most frequently in need of immediate service attention.

Jurors Sought Sheinwold on Bridge

The Manchester Jury Commissioners are looking for persons interested in doing jury duty in Superior Court.

Persons who would like to serve should contact one of the three commissioners by March 8. The commissioners are Mrs. Katherine Brown, 129 Parker St.; Miss Anna Wain, 46 Foster St.; or Clarence Lupton, 15 Bank St.

The Commissioners are currently engaged in the task of naming a panel of 100 prospective jurors.

The regular dance nights are to be the second and fourth Monday evenings of the month. During March and April, work programs are planned for the first and third Mondays, these to be held from 7:30 to 10 p.m.

The officers of the club are Mr. and Mrs. Allan Ayers, president; Mr. and Mrs. Golden Richardson, secretary; Mr. and Mrs. John Terrant, treasurer; Mr. and Mrs. Arthur Gustafson have been appointed program chairman, with Mr. and Mrs. Robert McCormick and Mr. and Mrs. Allan Taylor members of the program committee. Mr. and Mrs. Stanley Doran are in charge of hospitality, and Mr. and Mrs. Thomas McFarland have been appointed members-at-large of the executive committee.

Tax Appeals Must Be in By March 7

Some 140 taxpayers had discussed problems with the Board of Tax Review at the end of that month's meeting, and about 120 of them had filed formal complaints.

Miss Win, elected chairman of the Boarding, said that for most of the complaints have come from owners of multiple family dwellings which have taken a greater percentage increase.

In some cases, the increase is due largely to the existence of such dwellings on land considered potentially valuable for business.

Rohan said a couple of inquiries have made complaints on real property assessment, and there are three or four complaints on personal property.

The number of complaints about single-family dwellings is relatively small.

The Board meets again today from 3 to 4 p.m. in the basement of the Town Hall.

Other hearings are scheduled for Feb. 26, 27 from 9 to 11 a.m.; Feb. 28, from 9 a.m. to 11 a.m.; March 2, from 9 a.m. to 11 a.m. Taxpayers have until March 7 to appeal.

Leon Barrymore, late stage and screen star, was also a talented composer. Among other things he composed "Farwell Symphony," a 1-act opera for four piano pieces.

South Windsor 22-Mill Tax Rate Proposed At Finance Board Meeting

South Windsor, Feb. 21 (Special)—A 22-mill tax rate for the current fiscal year was voted last night by the Board of Finance.

The proposed \$464,848 budget for 1957 will be presented to the annual Town Meeting March 10, held in the following order to accommodate the larger attendance expected: 6:00; high school, 12:30; general

government, 1:00; and treasurer, 4:00.

The budget will be voted upon by citizens at the town meeting held in the Town Hall, the session will be held at the Wapping Elementary School in order to accommodate the larger attendance expected.

The sum of \$1,500 which had been dropped from the high school budget, was replaced in view of the options expressed at the open hearing on Monday.

A public hearing of the zoning board hearing set for Monday, March 11, at 7:30 p.m. has been presented by Jean Shepard for the renewal of a temporary permit for the use of a vacant lot on Windsorville Rd. to house farm labor.

Superintendent of Schools Marie R. Woodmansee is in Atlantic City where she attended the American Association of School Administrators Conference held Feb. 15 to 20.

Superintendent of Schools Marie R. Woodmansee was recently hired by the Board of Education as full-time superintendent of South Windsor schools. He was formerly employed by both South Windsor and East Windsor.

Masses to Hold Dance

Round and square dancing will be featured at the George Washington Day dance Friday from 8 to midnight at Wapping Community House.

Music for the dance, sponsored by the Fellowship Club of Evergreen Lodge, A.F. and A.M., will be provided by Nell's Orchestra.

Church Events

Pupils will be exchanged this Sunday by the Rev. Winthrop Nelson, Jr. of the First Congregational Church and the Rev. William M. Pilpot, pastor of the Charter Oak Community Church of Hartford.

The Rev. Mr. Pilpot, who is a graduate of Yale Divinity School, will preach "The Way to Live."

The United Workers of the First Congregational Church will meet in the church basement at 8 p.m. Feb. 27. A travelogue on Japan and West Virginia will be shown. Husbands and school age children are invited. Refreshments will be served.

Brush Fire Reported

Three trucks and 20 volunteer firemen turned out last night at 7:30 to fight a brush fire on Rye St. No damage resulted from the flames which covered a 25-acre lot owned by the General Cigar Corp.

Firemen had the blaze under control within an hour.

Party Leaders Split on Speed Of Legislation

Hartford, Feb. 21 (AP)—The Republican majority leader and the Democratic minority leader in the lower House of the State Legislature disagreed yesterday on how fast the legislature ought to work.

Democratic Rep. Samuel Googel said the legislature should take the new streamlined rules of the legislature as many as 10 hearings are held in a single day.

"One person can't be in two places at the same time," he said. He said this deprives the public of a fair opportunity to be heard on all bills aired at committee hearings.

He introduced a proposed constitutional amendment changing the adjournment date to the last Friday in June.

Majority leader, Frederick Pope Jr. (R-Fairfield), contended the new accelerated schedule was a convenience to the public. "There is no question," he said, "that the faster we move this along, the better off we will be."

Republicans of Mt. Erie in Stely have been recorded as far back as the eighth century B. C.

Not been within the realm of compromise

At the moment, West Germany is in a minor war with the East. Atter reluctantly, and certainly is not in love with the old German concept of military power. In fact, the rearmament is coming about primarily because we have been urging it.

Strauss Looks Ahead The Women's Auxiliary of the South Coventry Volunteer Fire Department adopted a minimum budget of \$750 for the year at its Monday night meeting. Of this total, \$500 is earmarked to complete the women's \$2,000 pledge toward the purchase of the chassis for the pumper truck.

Coventry Fire Department Auxiliary Approves Budget of \$750

At the meeting of the Women's Auxiliary of the South Coventry Volunteer Fire Department, the auxiliary members approved a minimum budget of \$750 for the year at its Monday night meeting. Of this total, \$500 is earmarked to complete the women's \$2,000 pledge toward the purchase of the chassis for the pumper truck.

Connecticut Yankee

Somehow it seems that the only issue in this session of the General Assembly is whether the entrenched Connecticut political system shall proceed to clip its wings. In rather crude fashion, this issue is actually being posed to only one of the two parties in circumstances which prevent the normal process by which both parties, sharing political power, can kick embarrassing reforms around until they get lost with neither party absolutely responsible.

Look at this BUY FROM BUICK. ONLY a few dollars more than the price of a smaller car—for a big and brassy Buick! But that's just part of the news. Do you know this spanking Buick is new from the rubber up? That it has an all-new body—and a windshield with over 200 square inches of new visibility? Do you know its roof line is inches lower—yet there's full headroom, legroom, footroom for all six passengers? All this took some great engineering. But where the engineers went all out was in making this the dream car of the year to drive. New engine—new Dynaflo response—new steering—new ride—more than 150 other chassis changes—Buick in years—offered at a price level that makes it literally true: if you can afford any new car you can afford a Buick. And what a buy you'll get for your money! See your Buick dealer, take the wheel—and find out.

Top star of the show... even brighter in action! ... it comes in two big beautiful sizes. SEE IT AT YOUR FORD DEALER'S WASHINGTON'S BIRTHDAY Open House February 22nd. It's a new kind of Ford for 1957. It's the longest, most powerful low-priced car you've ever seen! See it sitting still and you'll say this '57 Ford deserves top billing for its beauty alone! Then try the action! There's more getaway than ever in Ford's new V-8 engine... and to help you choose the one that best fits your driving needs, Ford offers the widest horsepower range yet. And if you're a "six" fan, take note: Ford's Mileage '57 Ford deserves top billing for its beauty alone! Make everyone happy—even when you're placing ads in the Herald. Display (black ads) must be in by one o'clock the day before the day you want the ad to appear. The deadline for Monday ads is Saturday one o'clock Friday. Classified ads (Lost and Found, Personals, Help Wanted, Etc.) can appear the SAME day if in our hands by 10:30 A.M. Monday through Friday, and 9:00 A.M. on Saturdays. NEW PLYMOUTH IS 1960 CAR

The 1957 Plymouth, larger and more powerful than ever, represents a complete change in styling, engineering and chassis. The new car is the result of a telescoping of Plymouth's forward planning.

The new Mercury styling starts with the thin, crisp roof with its distinctive front and rear over-riders. The roof has become an integral part of car design. First to re-configure this important transition, Mercury has imposed a clean-cut channel in the center of the roof which continues in the rear deck with the channel extending past the rear window into the package tray. For better vision, total glass area has been increased by 700 square inches.

The projectile side theme on rear fenders accents the feeling of motion induced by the car's low silhouette and the projectiles as well as the distinctive V-angle tail-lights are rimmed in chrome. Jet-flow double bumpers with large, twin oval protect both front and rear. A full-width grill composed of vertical strips of bright metal changes in color equally as it improves in both front and rear, produce a new kind of ride and new handling.

The completely new front suspension and steering system creates a remarkable degree of stability under forces of acceleration, braking, and cornering. At the same time, according to Plymouth engineers, the vehicle is more softly sprung than ever before. For the first time on an American passenger car, ball joints are combined with torsion bar springs to create the unique combination of ride and handling characteristics.

A new rear suspension incorporates relocated leaf springs, which contribute to the new better ride.

All of the 1957 Plymouths have more powerful engines than ever before. The standard V-8 for all models except the Plaza is 271 cubic inches but, like the Fury 301, has a new carburetor, new carburetor and other innovations to achieve increased performance and economy.

The compression ratio of the Fury 301 is 8.3 to 1. Plaza V-8 compression remains at 8 to 1. The compression ratio of the Powerflow Six is increased from 7.6 to 1 in 1956 to 8 to 1 in 1957.

Bolton Lions to Query Key Groups On Chest X-ray Clinic Plan

Bolton, Feb. 21 (Special) — The local Lions Club will query local key organizations to determine interest in a proposed to sponsor a chest x-ray clinic, it was learned today.

Lions are interested in carrying out the project but would first like to determine the degree to which it will be welcomed by townpeople. Marshall Lovgrove has announced he will contact George JFA and other organizations for reaction to the proposal.

Lovgrove was appointed chairman of the membership committee of the Lions Club this week. Other assignments as chairman include Robert Murdock, convention, Morton Lasso, information; John C. Rothwell and Harry Egan, program. E. James Rose was appointed to assist Stanley Nichols, Jr., on the boys' and girls' committee.

Deputy District Governor Al Abraham of Norwich, addressed the dinner meeting of the local group this week. His talk on the aims and accomplishments of Lions was interesting and informative.

Dick Case of Willimantic will speak at the March 4 dinner meeting at the Rainbow Club. Those present at this week's meeting included Ray Negro, Peter Miner, Abbie Sante, Richard Morris, Jim Finnegan, Russell Porter, Val Flano, Larry Fano, Lasen Lovgrove, Murdock, Rose and Egan.

Forty-four children and 30 children were given polio injections yesterday at the clinic conducted at the Elementary School. No more sessions are planned since the supply of S-51 vaccine is exhausted and a 7-month waiting period is required before administration of the third injection.

New Member Jean Unit The Women's Auxiliary to the Fire Department welcomed Mrs. John O'Neil of Lyndon Dr., as a new member this week. The meeting completed plans for the party to be held at the home of Mrs. Mitchell on March 9.

Funeral Rites Set For 'Ma' Sunday — Phoenix, Ariz., Feb. 21 (UP) — "Ma" Sunday will be held to read beside her husband, the evangelist who spread the gospel throughout America in the days of the old camp meetings.

The 85-year-old widow of Billy Sunday died of cancer and a heart ailment yesterday after three days in a coma. Her body will be flown from Phoenix, where she was staying with a grandson, to her home in Wilton, La., for funeral services Saturday. Burial will be in Chicago's Forest Home Cemetery.

Crows of Rio Grande Besiege Albuquerque

Albuquerque, N. M., Feb. 21 (UP) — Rio Grande valley crows apparently have decided the city offers the best opportunities.

The rascals are cluttering alleyways, peering into garbage cans, raiding back yard gardens, diving into trash cans, and stealing anything they can haul off and make a meal of.

Anyone who hasn't been jolted out of bed lately by a raucous creak near the bedroom window, probably can expect it soon.

Law Protects Birds — Since there are laws against blasting these noisy jerks out of the trees inside the city limits, there is nothing to do but turn over in bed and think evil thoughts.

Now that these cagey marauders are moving into the city, some people figure it is only a matter of time before they learn how to get nickies out of parking meters and start forging plans to secret military base roundabout.

Automation Plant Set — Adelaide, Australia — A sewing-machine firm plans to build a factory on a 10-acre site at Elizabeth near Adelaide, costing \$2,000,000 (\$2,200,000) which will be the first in the world to produce sewing machines by automation.

These winged characters are small cogs in a society that, they claim, is the most advanced in the world. They have squad leaders, many commanders, and no one knows how much "brass" or division.

Crows Pull Guard Duty — They assign individuals to guard the area around the nest. They are especially planned for new leaders and junior leaders.

The 11th annual State 4-H Leaders Conference will be held March 2 at the University of Connecticut. Registration will be from 9:45 to 10:30 a.m. followed by a full program ending at 9 p.m. Lunch will be served through the courtesy of the Farm Credit Union and dinner by the Sears-Roebuck Foundation.

Marie McDonald Enters Hospital

Burbank, Calif., Feb. 21 (UP) — Marie McDonald is hospitalized for a day or two for observation after a head injury she suffered last Nov. 27 when she was in a car accident.

Her doctor said yesterday that she is in good general health. She will be discharged tomorrow night.

Washington's Birthday

Washington's Birthday is celebrated in many ways throughout the country. In many homes, the day is spent with family and friends.

Many people enjoy taking a day off work to spend with their families. Some people also enjoy going to parties or picnics.

Others enjoy spending the day at the beach or in the park. It is a day to enjoy the outdoors and the company of loved ones.

Washington's Birthday is a time to reflect on the life and achievements of George Washington, the first President of the United States.

It is also a time to celebrate the founding of the United States and the values that have guided the nation through its history.

Whether you are celebrating at home or in a public setting, Washington's Birthday is a day to be proud of our country and its future.

Pontiac Seen In 16 Styles

Pontiac introduces its 1957 models with three series, the Star Chief on a 124-inch wheelbase, the Super Chief and Chieftain both on 132-inch wheelbases, in 16 new body styles, according to S. E. Knudsen, GM vice president and general manager of Pontiac Motor Division.

The 1957 Pontiacs are the most exciting new cars we have ever offered, Knudsen said. From the massive sweeping front to the smoothly streamlined line of the rear fender, the 1957 Pontiacs are a triumph of modern design and engineering.

Mr. and Mrs. Walter A. Kelly, 104 Church St., announced the engagement of their daughter, Jacquelyn F. Kelly, to Dr. J. W. Murphy, 22 Jevett St.

Islands Work Out Deal — Taipei, Formosa — The National Chinese Government has concluded an agreement with a trade mission from the Ryukyu Islands under which tobacco, rice, wine, tea, coal, textiles, and miscellaneous goods will be exported from Formosa in exchange for railroad ties, iron scrap, and marine products from United States-administered Okinawa.

Lincoln Gets Quadra-Lites

The distinctly new 1957 Lincoln, first American-produced car with Quadra-Lites, will be on view at the Washington Birthday Open House.

Four road lights in vertical pairs, the Quadra-Lites are housed in oval-shaped, chrome-trimmed settings. The auxiliary road lamps, positioned below the headlights, are optional equipment and may be used either alone or with the headlights.

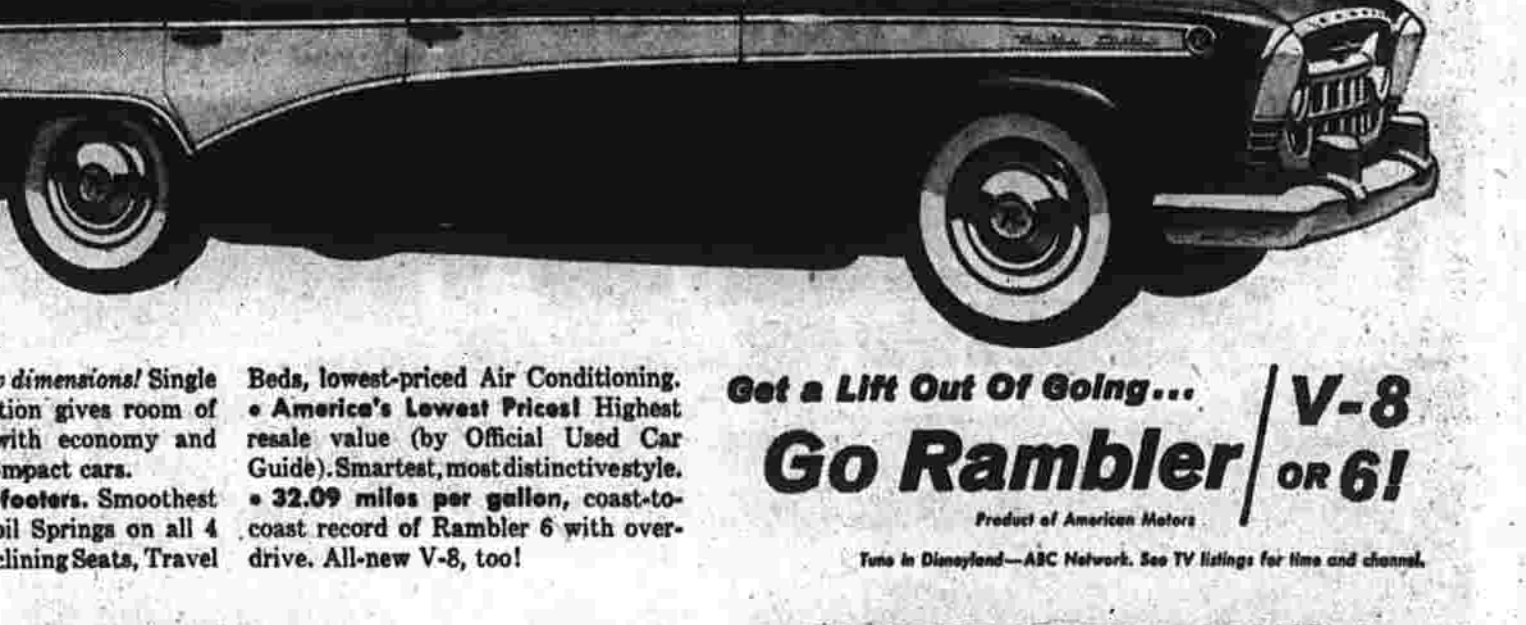

Maguire parking lights and directional signals are coupled horizontally below the Quadra-Lites, enhancing the beauty of the newly-designed bumper and grille.

Also prominent in the new Lincoln line are a new 4-door hardtop and concealed-pillar sedan in both the Premier and Capri series, increased horsepower and added luxury accessories.
