\$2 or more a week gives you and your family 2 WAY SECURITY

1. Low Cost Life Insurance
2. A Growing Savings Account

Everybody likes to have cash in a savings account. Every family needs life insurance protection. Now you can get BOTH in our SAVINGS-INSURANCE CLUB that combines a Savings Account with our low, low-cost Savings Bank Life Insurance. Your Savings do double-duty: give you 2 way security.

HERE'S HOW IT WORKS:

You make ONE deposit weekly, of two dollars or more. This builds a Savings Account from which the premiums on your Life Insurance are paid AUTOMATICALLY as they fall due! That's why we say your savings bring 2 way security: a growing savings account that earns interest-dividends and a life insurance policy that gives immediate family protection with cash values that increase each year, plus more dividends.
