Washington, Aug. 16 (AP)—Sen. Neuberger (D-N.J.) yesterday blasted the Senate's Federal Reserve bill, which he said is a "specimen of Federal duplicity."

Neuberger said MacArthur's speech "is a specimen of duplicity." He said MacArthur's speech was "a specimen of duplicity."

3 Storms Seen In Next Month

Miami, Fla., Aug. 16 (AP)—The Weather Bureau said yesterday that based on records of the past 70 years, three tropical storms should form during the next 30 days.

"Two of these storms should develop east of the Lesser Antilles or near the Bahamas," the Weather Bureau said in its experimental 30-day hurricane probability forecast covering the period from mid-August to mid-September.
