Here 'n There

WALTER E. TEDFORD, COUNTY EDITOR. The old year has passed, the new year is in its fourth day and yours truly has already broken a number of resolutions made with passionate determination.

One resolution that I picked is a promise to cut down on cigarettes. New Year's Eve fixed that. I found my smokers' average to puff harder and faster when all those interesting beverages take effect.

Another resolution smashed to bits was to be more helpful to the Little Women by doing dishes, sweeping the kitchen and other bothersome and necessary tasks. Just like me, most of the young women are excited about dirty dishes, and if you don't wash them, they will mark at it.

Sense and Nonsense

A Mexican and an American worked together in a Western mine. On several occasions the Mexican had a habit for drinking and sharing it with his workmate.

One day the American said: "American—Where do you get your rabbits from? I can't find any here."

Joe—My wife she get 'em. Ever night they come round the house and make noise. She shoot 'em.

American—Noise? Rabbits don't make a noise.

Joe—[positively]—Sure. Oh, "Meow, meow!"

Each club has on its first spot from the field in the opening minutes of the game. The team was defeated four times and the lead changed hands four times before a jumping endearer and a driving rally by the quick-moving Salske spotted Meriden a slim 15-13 edge at the buzzer.

With four minutes gone in the second period, Duhonowski, who caged nine of his points in the first half, hit on a shot that knot the count at 20-all but Golanak, a sturdy 6-7 1/2 reserve, connected two charity tosses to put the victors ahead to stay. A pre-emptive three-point play by Golanak, who hit on a shot that knot the count at 20-all but Golanak, a sturdy 6-7 1/2 reserve, connected two charity tosses to put the victors ahead to stay.

Meriden Registers 61-45 Win over Indians

Fourth Period Rally Nets CCIL Attraction

Underdog Meriden High started with favored Meriden for three quarters last night before Captain Bob Zajac ignited a fourth period one-man offensive attack to pace the Red Raiders to a convincing 61-45 CCIL victory before over 1,000 fans in the Meriden Armory.

Zajac, 6-3 center and the lone senior starter with Coach Benny Zajac's quiet, wound up as the game's top scorer with 29 points but the Silver City veteran saved his best performance for the final eight minutes. The aggressive and hunting Meriden leader caged 15 points in a brilliant fourth quarter display.

Unit Zajac look off on his tremendous scoring spree, after two rivals had fought on fiery terms for the last 15 minutes. Zajac opened up a nine-point margin in the closing minutes of the third period.

Excellent Support

Zajac, who entered the contest with a 34 1/2 average, hooped 23 markers in the second half and converted seven of eight foul shots, including one last year thrower who opened up a nine-point margin in the closing minutes of the third period.

Duffers Jan. 4

Los Angeles, Jan. 4 (AP)—It was real easy, that 40 for one hole attributed to amateur golfer Frank Harrison at Los Angeles, Calif., in the Los Angeles Open.

It was done with merely a sip of a pencil.

What happened was that Harrison's last score wrote "40" for the score on the 18th hole and it should have been 40 for the last hole.

But Harrison, without looking, signed the card. And once a card is signed, it cannot be changed.

The score went on the big board, and into the records, at 40-40-40.

Smiley Quick Has 67 Round In Open Event

Los Angeles, Jan. 4 (AP)—The Los Angeles Open tournament swings into its second day today with the scramble for the \$25,000 prize money very much in doubt.

Smiley Quick, the local amateur star, was the pace-setter yesterday. His four-under-par 67 topped the field of 151 by eight strokes and he was tied for second with three other players.

Free Throw Supremacy Gives Home Club Edge

Although outscored by two baskets the Green Manor Pros converted 32 of 50 foul shots last night for a thrilling 100-91 victory over the Bridgeport Highlanders at the Verapack Coliseum. Approximately 200 fans witnessed the high-scoring Connecticut Basketball Assn. contest which featured by the unusual shooting of Bill Leary Vierra of the losers.

Because of the Pros' superior height and strength off the boards they smaller Highlanders were guilty of excessive fouling in an attempt to gain control of the ball. A total of 25 penalties was called against the downvoters and this eventually led to their downfall. These 25 fouls were fouled out of what developed into a real come-back better than that of any team in the league.

Coach Macklemann journeyed to Windsor last night, and for the fifth time this season he was outscored by the Highlanders. The team's record stands at 1-4 in the league. The Pros' record stands at 4-0-3 in the league. The Pros' record stands at 4-0-3 in the league.

Rockville High Bows, Hebron Snaps Streak

Can a team score less than 40 points in a game? The answer is yes at Rockville High, the answer is no at Hebron. The Rams' record stands at 4-0-3 in the league. The Pros' record stands at 4-0-3 in the league.

Civic Recital Fades After Bright Start

Laura Castellano, soprano, and David Cunningham, tenor, were presented in recital Sunday afternoon at the high school auditorium.

The program consisted of a duet: "L'Albero Neri" from La Traviata by Verdi; "Pie Pieta, Stradella" by L'Alvino, Rossini; "Zampa Lira Lira, Gianni! Ono Menoche, Gianni! Widmung, Schumann; Die Lorelei, Schumann; Strauss; Die Zigeuner, Strauss; first act scene from La Boheme, Puccini; The Floral Dance, Moser; The Cloths of Heaven, Dambelli; The, You Old Cypri Man, Bealy; Rapuzel, Sacco; Go Away from My Window, Niles; Song of the Open Road, La Forge; I'll See You Again, Noel Coward; People Will Say We're in Love, Rogers and Hammerstein; You Are My Song, Johann Strauss; It was unfortunate that this concert, which started so well, finally degenerated into a typical TV program without the benefit of lights and sound.

After an unimpressive start with a duet from La Traviata the concert gained impetus with the lively singing of Miss Castellano. Her rich and varied experience she excelled in her group of Italian songs. These, plus her part in the scene from Boheme, established a level of artistic competence throughout the concert.

Mr. Cunningham was a group of German leader. He possesses a well projected, but rather inferior voice, which he set to good use in his performance of his approach to leader in quite superficial. Both Mr. Cunningham's voice and style of delivery were more ideally suited to musical comedy than the professional German art song.

After all, everything that goes on in the public mind, in one way or another, she declared. Mrs. Allen's presence in her speech at the party's first luncheon at Hotel Bond.

Asks Kilian Report on New Group

Washington, Feb. 4 (AP)—President Eisenhower has ordered his science adviser to come up with recommendations on whether America's space program should be left in the Pentagon or turned over to a new agency of government.

Such disclosure came out of an unusually long conference between President and top Republicans in the Senate and House.

Sen. Republican Leader Knowland of California today reported that the prospects for early submission to Congress of a plan for better scientific management in the field of outer space activities—as to where it will be carried out—has been decided.

Such activity now is centered in the Defense Department. Total of the White House announcement, Senate Democratic Leader Lyndon B. Johnson of Texas said "Congress will ultimately determine what agency should handle space development, just as it did in the case of atomic energy."

The conference lasted two hours and was held in the presence of three cabinet members. Kilian said he would submit his report to the President and then to the legislative body with the Chief Executive's recommendations.

PRICE FIVE CENTS

REPORTING ON 1957

PRODUCTION: Continuing demand from commercial airlines and the armed forces for Pratt & Whitney Aircraft's jet and piston engines kept production levels high 1957 despite industry-wide military cutbacks and production stretchouts.

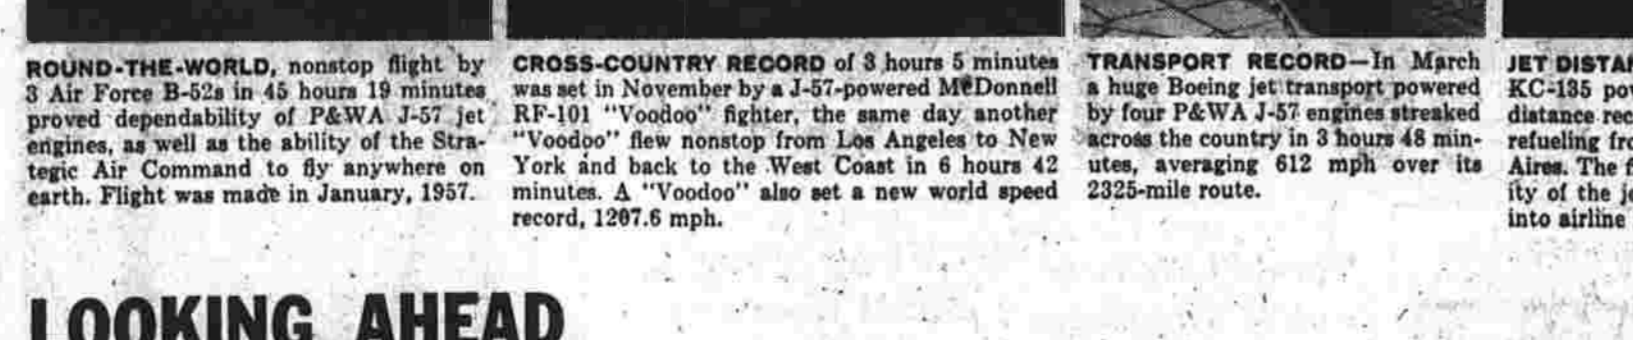

COMMERCIAL VERSIONS of the J-75 jet engine, above, and of the J-57 were approved by the Civil Aeronautics Administration for airline use.

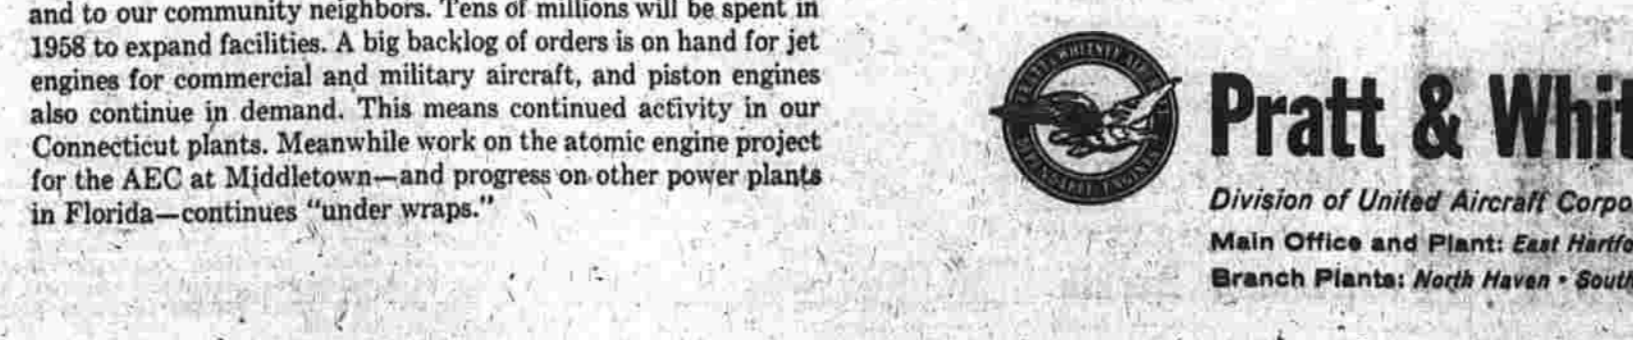

HIGH PRODUCTION continued on the J-57, world's first 10,000-hp turboprop engine. More than 12,000 have been delivered.

NEW COMPUTATION LAB, the largest industrial installation of new electronic data processing equipment in the U.S., was completed early in the year.

PERFORMANCE: Milestones during the year included 9 new jet records, with all aircraft powered by the P&W J-57.

PISTON ENGINES continued in production for modern airliners and large helicopters.

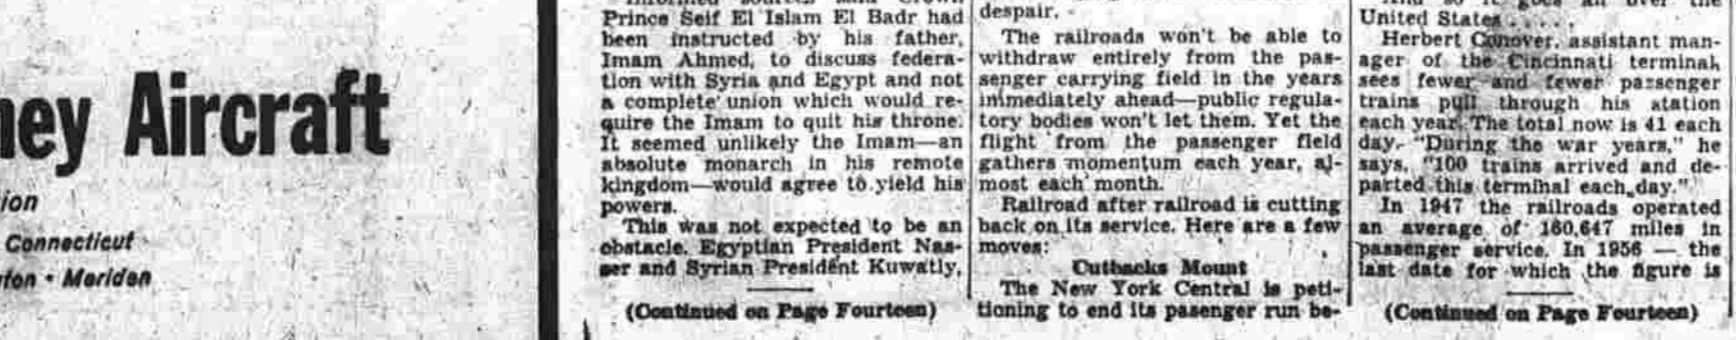

WILLGOS LAB ADDITION—For research in aircraft propulsion, additions to the Willgos Turbine Laboratory in East Hartford were started, including expanded facilities to test fuels and engines.
