**Who cares about the outside weather?**

You can dry your laundry in any weather when you have an electric dryer. You can do it in a matter of minutes... easily, quickly, safely, automatically.

There are times when you just can't wait for good weather. You know how it is when you need dry clothing or when you need a specific item from your wardrobe. Then, you can't wait, can you?

Well, those worries are gone forever when you buy your electric dryer.

Some sunny day you can try an experiment. Hang up half of your laundry and pop the other half into your dryer. You'll find that things dry faster and fluffier in the dryer!

Buy your dryer now. Get a certificate and save \$15.00 on the new installation of 230 volt wiring.

An inferior race is always hated most by those members of a superior race who are not very sure of their superiority.

A pretty girl is like a melody and all you have to do after you marry her is face the music.

Husband: (Just before a party) I find your new evening gown rather confusing.

Wife: How so?

Husband: Well, are you inside trying to get out, or outside trying to get in?
