### Observations from the Sidelines

You would have to go back a good many years to find a final Manchester High basketball team point total less than the 29 the Indians scored against East Hartford. High in a losing cause last Wednesday night on the visitor's court. In this day of high-scoring ball 29 points is more like a team's high score. Coach Jim Sweeney took charge of the individual production of the output by the game's individual players.

Coach Sweeney's team in its fifth season as head coach, won in five seasons—1953-54 and 1956-57 when he guided the schoolboys to 29 victories and nine defeats and gained the State Class A Tournament crown two years ago. Cooper's following a pre-medical course and decided not to play basketball. Currently he is covering reports at the college paper.

New England AAU senior track and field championships will be held Feb. 6-7 with the west eight events at MIT's indoor cage in Boston and the jumping and running events at Phillips Academy in Andover. Steve Wilk, Wesleyan trainer and one of the nation's outstanding track and field coaches, will be in charge. Wilk's team will speak at the annual meeting of the Eastern States Amateur Assn. Monday and Tuesday in New York. Dick Varney of UConn and Bill Dayton of Yale will also address the gathering.

They led the team in first period, but with Clyde Lovellette hitting from outside and Maurice Stokes doing the damage inside, the Royals surged to a 60-48 lead in the half. Lovellette was high with 30 points while Stokes counted 24. The game was tied 49-49 at the end of the third period for the Royals.

Hamilton Standard's basketball team will play Fort Banks Standard in the preliminary to the Boston Celtics-Philadelphia Warriors NBA game at the Boston Garden. Making the trip along with the basketball team will be Hamilton's championship baseball, softball and tennis teams.

REV. PHILIP BLANEY again is a strong threat in the annual CIAC Class B basketball tournament. The Saints won 20 and lost but four games last season. This year's club sports a five and four year team and looks ready. Father Blaney has been coaching basketball at St. Thomas Seminary for the past decade, serving as member of the college team for seven years. His greatest season was in 1944, when the team won 22 games. The standout performer was St. Thomas college boy, Guy Setton and Joe Rubens, two other members of the '46-'47 club are now area basketball officials.

American Hoopier League statistics show the Springfield Indians lead in the standings, won eight of their first 17 home starts in this season and tied in two other games. The Indians have a record of 10-15 and played in three dead-end games in 21 outings. Saturday night the Bay Batters play Rochester at 8 o'clock at the Coliseum. Jack Costello has been named as a member of the faculty and handles the driver training course. At any of the Park Department noted that during the winter season in 1957-58 there were 89 days of ice skating at Center Springs Pond. There is no skating today at the park.

Weekend levees take the Detroit at New York NBA game Saturday night. The Bulls, led by Bill Russell and Bill Sharkey at Boston, the Hawks and Bill Russell at Chicago Saturday afternoon.

The 26-year-old Whitehurst, from Baltimore, has also been the subject of official investigation. In Hartford, Conn., last year he lost a fight to Wayne Bethea of New York. The decision drew and prompted a special session by the Connecticut Board, which upheld Bethea.

Johnson is a classic fighter who has won 66 victories in 64 fights over 11 years. Among his 12 knockout victims are Light Heavyweight Champion Archie Moore. In a championship fight two years ago Moore retaliated by knocking out Johnson.

Whitehurst has a 24-11-2 record and has dropped 12 of his opponents. At the weighing in today, Johnson was expected to hit 178. Whitehurst 184.

Scoring will be on a round basis plus a point system to help avoid a draw.

## Royals Pin 31st Defeat In 40 Tilts

New York, Jan. 17 (AP)—New Coach Johnny Kundlik took charge of the Royals in the National Basketball Assn. last night, but it was the same old story for the Lakers. They were tagged with their 31st defeat in 40 games, 124-108 at Cincinnati. Only Walt Latta managed to enjoy added dividends success, coming up with a 350 triple.

## DETROIT COMES ALIVE Under New Ice Coach

New York, Jan. 17 (AP)—Long-slumping Detroit suddenly has become the hottest club in the National Hockey League under new Coach Sid Abel, who as a player ended a ten-year career for the Red Wings by triggering their drive to the Stanley Cup title in 1950.

The Wings' second-year coach, Abel, led his team to a 2-1 victory over the Chicago Black Hawks. It was Detroit's second consecutive victory since Abel officially replaced Jimmy Thomson as boss of a fifth place club in 1957.

Abel's team has been able to match the Red Wings' pace under the one-time All-Star center, who led Detroit with 20 goals in 40 games. Abel's team has been able to match the Red Wings' pace under the one-time All-Star center, who led Detroit with 20 goals in 40 games.

Boston, Jan. 17 (AP)—New England hills were a plucky snow-dunk one to four feet thick today and the question was not where to go skiing—but where do you want to go? The answer is everywhere.

# Indians in CCIL Test Against Conard Tonight

## By PAT BOLDUC

Silk Town basketball fans are still buzzing over Manchester High's low total 28 points against neighboring East Hartford last Wednesday night. It is hard to believe a team could be held to that amount especially in this age of race.

The Indians' defense was a study in efficiency. They held Conard to a low score, and the fans were in for a treat.

# All-Star Basketball Showcase, But Pros Still Have Problems

## By PAT BOLDUC

New York (NEA)—Maurice Podoloff was worse off than he has been. He has spoken to had the same reaction: "An All-Star game? It's too easy for that. It won't go at all. And it's a flop you're going to look like you have a small-time operation."

Podoloff, 47, is President of the National Basketball Assn. He is sitting in his New York office. In Boston, Walter Brown, the Celtics' owner, was moving along with his plan for the All-Star Game.
