### State Campaigns Well Underway

Hartford, Sept. 8 (AP)—Connecticut Republicans, at the end of their first week of hard campaigning, have charged their opponents with waste of state funds.

And the Democrats have said the Republican administration in Washington is guilty of extravagance with human lives in the Far East.

There will be more today and this week, with candidates addressing a Labor convention, a management meeting and dozens of local gatherings.

Basically, the weekend speeches and statements boiled down to this:

Republicans: Fred R. Zeller, GOP candidate for governor, charged the Democratic administration of Gov. Abraham Ribicoff with "waste and extravagance."

Zeller said there is financial waste in the State Highway and Welfare Departments, and in the office of his opponent, Ribicoff. He also blasted the governor for what he called "assuming credit for the Connecticut turnpike."

Democrats: While Democratic candidates on the state level kept relatively quiet during the weekend, two candidates for national office commented on the present world situation.

Thomas J. Dodd, candidate for U.S. Senate and Charles Bowles, candidate for Second District Congressman, both said the dispute between the United States and Red China should be settled, as Bowles said, "within the framework of the United Nations."

Bowles said the blame for the Far East crisis on the shoulders of the Eisenhower administration.

Dodd, in a statement Saturday, asked "what we should do, instead of a one-brink of war to another."

Dodd said yesterday "the administration's patently reckless foreign policy has put us on the spot again."

The campaigning continues today at the state labor council convention here. Ribicoff will speak today and will speak there tomorrow, accompanied by U.S. Sen. William A. Purtell, who is running for reelection against Dodd.

Dodd and Ribicoff will address a Democratic dinner at Guilford tonight, and Purtell and Ribicoff will meet tomorrow night at the Manufacturers' Association meeting in New Haven.

### Coventry LWV Meeting Set Thursday On Report of School Needs

Two Coventry League of Women Voters (LWV) membership meetings will be held on Thursday at the North-Dimock Memorial Library. All interested women are invited to attend.

Mrs. Fred Edger, of Farmington, vice president of the Connecticut LWV will be guest speaker.

Mrs. Donald C. Smith, local affairs chairman, will present members and guests with advance information for her committee on the school program. This will concern sources of town revenue for such a program, how much of the education budget the town really pays, and what per cent of the tax dollar in 1957 was spent on education.

Additional information on other questions pertinent to the education program and its expansion will be presented to the assembly by Mrs. Smith and her committee.

Mrs. Charles Hedman, LWV membership chairman, will be assisted at the affair by the following: two candidates for national office: Mrs. Malcolm E. C. Dwyer, Mrs. James T. McNamara, Mrs. Thomas A. Fernald and Mrs. Joseph Coughlin.

Mrs. Raymond Brogan has been appointed as assessor for the town for the coming year by the Board of Finance. The term runs to Aug. 31, 1959.

The board has made final transfer of funds to close the town's books for the fiscal year ending Aug. 31. Transfers from the General Contingency Fund follow: To State Clerk's Indemnity Fund, \$19,000; Coventry Police Patrol, \$43,477; Board of Finance, \$6,875; Town Council, \$125; Town Property, \$1,000; and Operation of the Town Office, \$30,000.

All town agencies and boards have been requested by board officials to turn in copies of their annual reports by Oct. 1 to either John M. Stone, chairman, or William C. Hotchkiss, clerk.

The Cleaners' Group of the Fragment Society will meet at 7:30 p.m. tomorrow instead of Wednesday at the Church Community House. There will be an election of officers and a presentation of a proposed program for the coming year. Refreshments will be served.

London: The Great Fire of London, in 1666, out of which sprang the institution of fire insurance, is known today in Great Britain and the United States, destroyed 10,000 buildings on more than 400 acres. The loss was estimated at \$500,000,000.

PLANNING BOARD VOTED: Ridgefield, Sept. 8 (AP)—Ridgefield residents Saturday voted 1922 to 878 in favor of getting up town planning. The referendum was the second on the question of allowing a town planning commission to control road and subdivision regulations.

### Boats Rescue 17 On Sinking Craft

Niantic, Sept. 8 (AP)—Seventeen persons hopped to safety yesterday when their chartered fishing boat struck a rock and sank. Only one of them got wet.

Shipper Frank Lacosta of Niantic was commended by the passengers of the Helen G. after the incident. Lacosta was the last to leave his boat.

The Coast Guard with the Helen G. started to sink about 900 yards off Fishers Island, N.Y. Lacosta guided the sinking boat toward shore, instructed his passengers to pull on life jackets, and signaled for help.

Other boats arrived and took off the 16 passengers. The Coast Guard said most of the passengers were from the Hartford and Willimantic areas.

In Caracas and Aruba, islands in the Netherlands West Indies, the flourishing cactus plants keep animals out of the yards. Gates are cut through the needles and thorns to admit humans.

### Buildings Burned

London: The Great Fire of London, in 1666, out of which sprang the institution of fire insurance, is known today in Great Britain and the United States, destroyed 10,000 buildings on more than 400 acres. The loss was estimated at \$500,000,000.

PLANNING BOARD VOTED: Ridgefield, Sept. 8 (AP)—Ridgefield residents Saturday voted 1922 to 878 in favor of getting up town planning. The referendum was the second on the question of allowing a town planning commission to control road and subdivision regulations.

### Weekend Mishaps Bring Two Arrests

Norwalk, Sept. 8 (AP)—A woman was arrested and charged with following too closely on the result of a separate weekend accident, police said today.

In the first accident, Saturday at about 1:30 p.m., Patrolman Robert Scabias and Melvin, driving north on Broad St., made a U-turn in front of an approaching car, causing the cars to collide. Melvin hit a car driven south on Broad St. by Mrs. Joyce P. Von Deck, police said.

Gary Von Deck, 18-month-old son of Mrs. Von Deck, was taken to Manchester Memorial Hospital and treated for face bruises. Damage was minor to both cars, Scabias said.

Police said Riley in an accident last night, hit the rear of a car driven by Robert Scabias, 21, of Norwich, going west on the turnpike, was slowing to make a U-turn when he was struck in the rear by Riley's car. The car driver, Scabias, was pushed a distance beyond the shady Glen entrance from the force of the impact, police said.

STATE UNDER U.S. HATE: Hartford, Sept. 8 (AP)—Connecticut is lowest in the nation in related to miles of travel, says the Connecticut safety Commission. The state's mileage rate of 2.1 deaths per 100 million miles of travel compared with the national rate of 3.1 deaths. The commission made its report Saturday.

### Bomb Scare

Groton, Sept. 8 (AP)—Federal, state and local police moved quickly when they were tipped that a time bomb was planted beneath the nuclear submarine Triton.

They found a suitcase containing a black tie, near the vessel's Navy intelligence officers, the FBI, State and Groton Police started an investigation yesterday after they received the anonymous tip on the telephone. A short search turned up the suitcase.

Police later reported Henry Luther Murray, 27, Groton, was arrested on a technical breach of peace charge. They said he told them he planted a time bomb near the submarine's temporary berth in fitting clothes here.

Murray was taken to the Norwich State Hospital, a mental institution, for observation.

### Weekend Deaths

BY THE ASSOCIATED PRESS

New York—Dr. William Ronald Valentini, 78, international art authority and art historian, died Saturday of arterial sclerosis. He was former director of the North Carolina Museum of Art, curator of decorative arts for the Metropolitan Museum of Art in New York, and director of the Detroit Institute of Arts. He was born in Germany.

London—Dr. Geoffrey Wainwright, 81, over-legend English mountain climber who scaled the Matterhorn and other peaks, died Saturday.

Norwalk—Lulu Glasser, 78, who won world fame in the title role of the opera "Dolly Varden," died Friday. She was born in Allegheny, Pa.

Alhambra, Calif.—Miss Annie E. Moore, 82, author and retired faculty member of Columbia University, died Friday.

West Palm Beach, Fla.—Rudolph Carl Steiner, 72, Swedish immigrant who became co-developer of the Willard storage battery, died Saturday after a long illness. He was born in Stockholm, came to this country in 1903 and became associated with T. A. Willard in Cleveland.

### Civilians, Troops Foil Coup Try in Caracas

(Continued from Page One)

... was a failure and high-ranking officials were friends of Perez Jimenez.

Local officers regained control within minutes and broadcast calls for the people to join in the struggle.

Crowds poured into the streets and the rebels opened fire from their stronghold in the MP barracks.

The angry mobs seized buses, trucks and automobiles to build street barricades. Then they threw sticks, rocks and homemade gas-bombs at the rebel headquarters and shouted support for Latorre and his government.

Two Attacks Rejected

Quiliza vigilantes charged the building with machine and lead pipes, but they were beaten back. Then about 100 Navy men charged the building. Rebel fire also forced them to retreat.

Scattered shots continued until mid-afternoon.

Finally a handful of grade-school children climbed into the first and second floors of the rebel headquarters and fought it out. Hundreds of other youngsters charged in and smashed the building. Rebel fire also forced them to retreat.

One route and the rebels had fled through a secret tunnel.

Sightseers of the Latorre government went on a general strike in the oil center of Maracaibo. Thousands of workers armed themselves with clubs and machetes and marched in the city's central plaza, ready to fight any rebels who appeared.

Civilian mobs near Maracaibo were reported to have wanted their anger on property owned by Perez Jimenez followers in the oil-center of Ciudad and Lagunillas. Damage was estimated at about \$2 million.

There was no report of any damage to the vast American oil installations in the country, however.

TWO BOMBS RECOVERED

Stratford, Sept. 8 (AP)—Boaters yesterday recovered the bodies of two Philadelphia men who disappeared last Tuesday when their runabout overturned in Long Island Sound. The men were identified as Victor Statman, 44, and Arthur Rivlin, 39.

### Herald Lensesmen On Committees Of State Group

Herald photographers Reginald Pinto and Sylvia O'Leary were selected to committees of the newly organized Connecticut News Photographers Assn. Sunday at an outdoor picnic for the State's news photographers and their wives at Ted Hilton's in Storrs.

Pinto will serve on the charter committee to frame bylaws for the organization and O'Leary will help set standards for membership on the membership committee of the first state officers.

Harry Ritz, photographer for the Hartford Courant, will be the organization's first president. Other officers will be Allen Myers, Meriden Record, vice president; Henry Kingston, Hartford Times, secretary; and Morton Boardman, Hartford Times, treasurer.

At the Sunday outing, which was attended by about 30 couples, the photographers and their wives participated in such activities as boating, swimming, and sports. A chicken barbecue highlighted the afternoon.

The Connecticut association of which Herald photographer Joseph Matera is also a member, will be affiliated with the National Press Photographers Assn.

### Ferret to Open Carnival Tonight

The first annual Ferret's Carnival, sponsored by the Vernon Fire Department, will open today at 7 p.m. with a parade starting at Vernon Center and proceeding to the Vernon traffic circle.

The parade, with entrants from various fire departments in the area, will pass in front of a reviewing stand at Vernon Elementary School where local dignitaries will be watching the proceedings. The carnival will last until Saturday.

Yellow vegetables, which should be included in the daily diet, are high in vitamin A.

### Around and Around She Goes

The ferret wheel did a booming business and so did all the other rides and exhibits at the Wagon Grande Fair Saturday. The annual event drew 1,300 paid admissions and many more who came for the free rides.

Among the distinguished guests was Congressman Edwin H. May Jr. (Herald Photo by Matera).

### Ontario Forest Rangers Patrol Their Wildlife Preserves

Ontario Forest Rangers patrol their wildlife preserves mostly in its aircraft equipped with binoculars. The 200,000 lakes in this section of Canada provide plenty of natural "hunting fields."

### Hebron Lt. Col. Porter Takes Charge Of Reserve Unit

Lt. Col. Howard B. Porter of Hebron has been named commander of the 828th Air Reserve Squadron with headquarters in the William H. Porter follows Lt. Col. Floyd M. Caldwell at Willington who had been squadron commander for the past two years.

Colonel Porter graduated from Williams High School in 1931. He received a bachelor of science degree in civil engineering from Tri State College in Angola, Indiana, in 1935.

He called in October 1941 as an aviation cadet and received his commission as a second lieutenant in 1942. He served overseas with the Eighth Air Force in England. He was separated from active duty in 1946 with the rank of major.

Porter was one of the original members of the 828th activated in Williams following the war. He was recalled to active duty during the Korean conflict and became squadron commander of the 1000th Maintenance Squadron at Westover Airfield in March 1953 with reserve assignment at McGuire Air Force Base until his resignation in the 828th in September 1957.

In civilian life Colonel Porter is an engineer engaged in construction.

He is married to the former Barbara Williams of England and has three daughters, Hilary, 11, Marilyn, 8, and Melissa, born Aug. 1 of this year.

ROTTNER'S REBUITAL

The recent letter in your Open Forum from one of the "Democratic" nominees for the Legislature, dealing with the "Connecticut River bridges," seems to miss the point completely.

It is not material whether the bridge is owned by the State or whether it is a Democratic or Republican project, which he was, or whether it is a Democratic or Republican project, which he was, or whether it is a Democratic or Republican project, which he was.

What is material is whether the intolerable situation which exists at the present time should be permitted to continue. The intolerable facts are as follows:

1. It is impossible to enter or leave Hartford, the capital city of Connecticut, from the east by motor vehicle without paying a fee which would not be burdensome for frequent users; the permit plate to be accepted for passage by the bridges in the State of Connecticut, including the Baldwin Bridge and the Thames River Bridge.
2. The Greater Hartford Bridge Authority chose to place a toll on the Bulkeley Bridge which was completely paid for years ago and which had been a free bridge from the date of its erection, fifty years ago.
3. The Founders Bridge, which was about 50% completed before the creation of the Bridge Authority, was taken over by the Bridge Authority and tolls were imposed. This bridge, which was built at a cost of \$1,000,000, has not been completed and has not alleviated traffic congestion, due to the constant failure to provide adequate access roads.
4. The Bridge Authority sharply increased the tolls on the Charter Oak Bridge with no commensurate benefits to users.
5. The members of the Bridge Authority were appointed solely by the Governor. They cannot be turned out of office by the voters and therefore are not responsive to the will of the public. This has developed in practice into a case of "empire building" at its worst. The cost of administration of the bridges has risen enormously. New high salaried executive positions have been created, a large staff of supervisory personnel has been engaged, and of course a large number of additional toll collectors have been hired. The Bridge Authority also duplicates many of the functions of the State Highway Department, and has purchased separate equipment for maintenance, snow removal, etc. There were no bridge bonds to pay tolls on the bridges would be necessary to support the elaborate superstructure of overhead which has been created.

The recent letter in your column by the Democratic candidate for the Legislature seems to condone all of the above. His sole suggestion seems to be to issue non-transferable lower cost books of toll tickets. As a member of the Legislature he would have no control over tolls to be charged by the Greater Hartford Bridge Authority.

As the Republican candidate for the State Senate from the Fourth Senatorial District, will, when elected, take the following positive measures:

  1. Sponsor legislation which will abolish the Greater Hartford Bridge Authority, and turn the operation and maintenance of the bridges over to the State of Connecticut.
  2. Urge, in the interest of the State, that Federal funds be not available at this late date. I would advocate elimination of tolls on all the bridges because of the large volume of out-of-state traffic crossing this bridge.
  3. Sponsor legislation for the issuance of bridge permit plates at a fee which would not be burdensome for frequent users; the permit plate to be accepted for passage by the bridges in the State of Connecticut, including the Baldwin Bridge and the Thames River Bridge.
  4. Advocate refunding the present 4 1/2% toll on the Bulkeley Bridge to the State of Connecticut. This would result in huge savings in interest costs.
  5. The elimination of tolls on the Connecticut River bridges and the lease of the Bulkeley Bridge to the Charter Oak Bridge would result in the most complete and ultimate traffic congestion in the State of Connecticut. The Bridge has been completed to the present time. It is my view that the above conditions are a sound constructive program. Action is what is called for—not more words.

Very truly yours,

Republican Candidate for the State Senate, 4th Senatorial District.

To the Editor,

The wide-open Republican primary has brought forth a multitude of good capable candidates for all offices. There are no Party endorsed favorites in the ballot therefore this year it is truly the people who will pick the best man for the positions being sought.

One type of primary serving to enable a man with high moral character to throw his hat in the ring for the first time. Everett Murphy is a newcomer on the political scene. A life long resident of Manchester and well known in business and church circles, he has volunteered to do his best to represent the office of Town Clerk in the Republican Party. His qualifications fit him for the job he seeks. Extensively educated, and well grounded in business training by the Democratic party, he will make a most capable man for the office. I trust the voters of Manchester will support Ed Towler to office. This time they should control the Board. This was narrowly missed at the last election. Evidently the Republicans are going to run the campaign this column by the number of letters received in support of Ed Towler. Dr. George A. Callouette, D.C.

Chamber to Pick Detroit Post

A drawing to select the Manchester resident who will make a trip to Detroit to serve on an advisory committee on the Chamber of Commerce Building.

The one selected today will arrive in Detroit Oct. 8 for a 2 day stay and while there will give opinions on 1959 cars. Two alternates will also be chosen during today's drawing.

The Chamber has been asked by the Gallup Polling organization to pick a representative from the civic organizations in town to serve on the panel.

Manchester, was one of the towns selected by Gallup as a representative American community.

Urges Murphy to Run To the Editor,

In my many years on the local political scene, I have often been asked to pass judgment upon the qualifications of numerous candidates seeking a Town Office. I doubt have I ever been a party to

### WATES Hold Annual Outing

By MARY TAYLOR

MANCHESTER WATES organized its annual outing at the Red Barn, Andover Lake, for the second time Saturday afternoon and evening with 130 present, filling the hall to capacity, and providing fine entertainment for all.

Festivities began with a box lunch at 4:30 p.m., a full program of outdoor sport and stunts in the afternoon with prizes for the winners, and a supper and hilarious entertainment in which all five groups participated in turn.

Mrs. Barbara Thompson, who now lives at Andover Lake, the first president of Manchester WATES, an chairman of the good will committee, served as chairman of events Saturday.

Mrs. William Stamer, 48 Salem Rd., was mistress of ceremonies. Male guests were introduced by Mrs. Miss Lois Mayer of the Connecticut Women's Association, an honorary member of the WATES, and the bus driver.

Guests Introduced

Mrs. Henrietta Ward, current president of the WATES, and Mrs. William Stamer, past president of the other groups were introduced by Mrs. Barbara Thompson. Mrs. William Stamer, past president of the other groups was introduced by Mrs. Barbara Thompson. Mrs. William Stamer, past president of the other groups was introduced by Mrs. Barbara Thompson.

Dr. Samuel Young, superintendent of the New England District of the Nazarene Church, presided at the church of the Nazarenes. Beside him in the Rev. Clarence Z. Winslow, pastor, who officiated at the ceremony. (Photo by Edwin Busker).

### Ceremonies Dedicate New Nazarene Church

To the glory of God, for worship in prayer and praise, and the celebration of the sacraments, the congregation of the Church of the Nazarenes yesterday dedicated its new church.

The church, which is valued at \$225,000, was built at a cost of \$150,000. The difference was covered by the work of parishioners.

The Rev. Clarence Z. Winslow, pastor, two weeks ago, pointed 90 feet in a crane to place the cross on the spire.

The nave with the balcony and choir will seat 450. The chapel, which is open to the same door, will seat 100. Educational rooms will accommodate religious instruction for 200 students. The total value of the church, parsonage and youth center is \$300,000.

The building committee consisted of Benjamin Bravay, Riverside Fish, William Davis, Albert Platt, the Rev. Mr. Winslow, Nelson Kilpatrick, David Blaney and Albert Holman.

Plans for the building were drawn by Andrew Eggerston of Philadelphia, Benjamin Bravay of Collingswood, N. J., and Edward Kleweller of New Britain.

The Labor Department of Canada reports that most immigrants of recent years are settling in industrial areas rather than in farms.

### Service Bureau Plans U.N. Trip

A trip to the United Nations Building in New York City is planned by the Service Bureau for Women's Organizations on Monday, Sept. 22 from Hartford.

The day's activities include a guided tour of the U.N., an informal talk with a member of foreign delegations and other items of current happenings at the U.N., and observing an official U.N. session.

Members of this Service Bureau trip to the U.N. may also lunch in the official Delegates Dining Room in the trip will meet at Hartford Railroad Station's information desk at 7:45 a.m. and leave on the 8 a.m. train to New York City. Return passes for this trip must be made with the Service Bureau for Women's Organizations, 900 Main St., before Sept. 19.
