

Not a Candidate in '60 Rocky Throws Political Bomb

By RAY CROWLEY
Washington, Dec. 28 (AP)—Both major parties strove today to capitalize on a stunning political surprise—Gov. Nelson A. Rockefeller's withdrawal from the race for the Republican presidential nomination.

Republicans pictured the GOP as a unified new force which refrains from sending itself apart in brawling convention contests—a party which can now devote all its energies to electing Vice President Richard M. Nixon to the presidency.

Democrats depicted the GOP as controlled by old pro-conservatives, who do not give "progressives" like the New York governor a look-in. There was even talk—notably by Sen. Lyndon B. Johnson of Texas—of drafting Rockefeller for a high post under "the Democratic president to be elected next November."

Neither party had much to say in public about the problems posed

Birthdays Put Glow On Heart

Chicago, Dec. 28 (AP)—Birthdays truly make your heart glow.

The older you get, the more your heart will actually shine or fluoresce if exposed to ultraviolet or black light.

It shines more because more "age pigment" accumulates in the walls of the heart. This pigment is a strange and perhaps very significant fact in the puzzle of why and how we grow old and die.

The pigment shines with a kind of orange light when the heart is inspected with ultraviolet light.

The age pigment concentrating in human hearts, nerves, brains and muscles is being investigated for clues to aging.

The story is told in an exhibit today at the American Association for the Advancement of Science.

Children up to about age 10 apparently have none of the age pigments in their hearts, autopsy studies show.

But the amount increases in proportion to age thereafter, scientists of the Gerontology Branch, National Heart Institute, and Baltimore City Hospitals find.

In persons of advanced age, perhaps 20 per cent of the heart is made up of the age pigment, which is relatively inactive and seemingly useless.

But it is replacing some of the contractile tissue of the heart cells. A big question is whether this is connected with the higher death rates that come with age.

The age pigment was first noticed many years ago. Main goals now are in trying to isolate and identify it, and determine what it means.

Where the pigment comes from and why are also still unknown. It doesn't seem to be correlated with heart failure, or any particular disease.

The research team includes Drs. Bernhard Strecker, Albert S. Milovan, Donald Mark (now in Peoria, Ill.), Daniel Hendley and Irwin Konigsberg.

35 Autos, Bus Tangle on Icy Wilbur Cross

Tolland, Dec. 28 (AP)—An icy patch on the Wilbur Cross Highway here last night caused a series of collisions involving an interstate bus and 35 automobiles.

State Police from the Stafford Springs Troop said one automobile skidded on the ice to start the chain reaction.

Before the following driver could pull around the first car, his vehicle skidded into the other one.

Cars moving in both directions on the highway became involved in the action. Some skidded off the highway after sideswiping other vehicles while others were involved in rear-end-front end collisions.

Although several drivers were shaken up slightly, no serious injuries were involved.

Seventeen of the vehicles were unable to proceed under their own power and had to be towed to garages.

Ike Selects Mid-May For Parley at Summit

President Eisenhower, on a work-play holiday at Augusta, Ga., decided today that a mid-May summit conference in Paris will be satisfactory to the United States.

White House press secretary James C. Hagerty mentioned May 16 as probable. But he said a definite date depends upon consultations now in progress with France and Britain.

Eisenhower's decision on mid-May was reached in a telephone conference with Secretary of State Christian A. Herter in Washington.

Herter, Secretary of Defense Thomas S. Gates Jr., Chairman John A. McCone of the Atomic Energy Commission and seven other officials are flying down from the capital tomorrow morning for what Hagerty called "a general discussion with the President of the international and defense field, including the nuclear program for 1960."

That was broad enough to cover talks about an expected extension of the U.S. ban on nuclear tests. This has been in effect 14 months and expires Dec. 31 unless the administration acts to retain it.

Hagerty wouldn't say specifically that this subject was coming up, however.

The western Allies had proposed a summit conference with Russia for April 27. Soviet Premier Nikita S. Khrushchev countered with a suggestion of April 21 or May 4, as the western date would conflict with the Russian May Day celebration.

May 4 was unsatisfactory to the British because it would interfere with a British Commonwealth meeting.

Asked about reports that May 16 already had been agreed upon by the West, Hagerty said he knew nothing of that. But he said he knew of no obstacle to that date, so far as the West is concerned.

London reported today that Britain appeared to be swinging over to a mid-May summit.

Paris Talk Date Seen As May 16

By THE ASSOCIATED PRESS
President Eisenhower, on a work-play holiday at Augusta, Ga., decided today that a mid-May summit conference in Paris will be satisfactory to the United States.

White House press secretary James C. Hagerty mentioned May 16 as probable. But he said a definite date depends upon consultations now in progress with France and Britain.

Eisenhower's decision on mid-May was reached in a telephone conference with Secretary of State Christian A. Herter in Washington.

Herter, Secretary of Defense Thomas S. Gates Jr., Chairman John A. McCone of the Atomic Energy Commission and seven other officials are flying down from the capital tomorrow morning for what Hagerty called "a general discussion with the President of the international and defense field, including the nuclear program for 1960."

That was broad enough to cover talks about an expected extension of the U.S. ban on nuclear tests. This has been in effect 14 months and expires Dec. 31 unless the administration acts to retain it.

Not Mentioned Once Rockefeller Frigid To Nixon, GOP Pros

By JAMES MARLOW
(AP News Analyst)
Washington, Dec. 28 (AP)—It's a study in frigidity.

New York Gov. Nelson A. Rockefeller's statement Saturday—that he will not be a candidate for the Republican presidential nomination—was a cold piece of business.

There was nothing friendly in it toward Vice President Richard M. Nixon or the professional Republican politicians.

Although Rockefeller's withdrawal leaves Nixon unopposed for their party's presidential nomination, the governor never mentioned Nixon's name.

Rockefeller, in fact, didn't even promise to support the Republican party or its nominee. The most he was willing to say was that he expects to, Newman tried to get him to say specifically yesterday whether he would back Nixon. But he replied he would not go beyond his statement Saturday which said, in part, "I expect to support the nominee, as well as the program of the party in 1960."

Further, it is possible to read into Rockefeller's words the idea he will be a critical thorn to both the Republican bosses and the Eisenhower administration before the Republican convention opens in Chicago July 25.

Rockefeller, in stepping aside, at no place indicated he felt the majority of rank-and-file Republicans preferred Nixon over him or even that he wouldn't have a chance against Nixon if he did oppose him.

He put his reason for withdrawing squarely in the hands of the majority of those (Republicans) who will control the convention.

This is what he said, in the sequence of his thinking:

1. The majority of professionals

Traffic Deaths 6 an Hour for Yule Weekend

By THE ASSOCIATED PRESS
Traffic deaths were 488
Fires 42
Miscellaneous 72
Total 602

Fatal traffic accidents saddened the joyful Christmas holiday season in hundreds of homes over the long weekend.

As predicted the death toll was heavy. An average of more than six persons were killed each hour during the 72-hour holiday period which started at 6 p.m. (local time) Christmas Eve and ended at midnight Sunday.

Late reports undoubtedly will boost the total.

But it appeared likely that the final toll will be less than the pre-holiday estimate of 530 made by the National Safety Council.

The staggering toll, however, far exceeds the number that would be killed on the highways during a non-holiday weekend period of the same length at this time of year. The council estimated 370.

The Associated Press in a survey during a non-holiday period earlier this month, covering 78 hours, counted 324 traffic fatalities. The survey also showed 22 deaths in great numbers in miscellaneous type accidents.

Two Survive Tight Squeeze

An accident victim is helped from a sports car after it jammed itself under the rear of a parked trailer truck on Rt. 15 in Tolland early today. Forrest A. Cavallo, 26, driver, and Paul Joyce, 21, a passenger, both of Brighton, Mass. are reported in fair condition at Rockville City Hospital. Cavallo was driving east when he lost control, struck a guard rail and swerved across the road into the trailer. Both victims received face cuts and Joyce cut his finger. The trailer had been driven by its driver, Thomas Dowd, 46, Irvington, N. J. State Trooper Russell Grindol is investigating the accident which occurred about 3 a.m. (Photo by Burkamp)

Police Grab 8 With Firearms At Struck Plant

Albert Lea, Miss., Dec. 28 (AP)—Police today jailed eight men entering the struck trucking Wilson and Co. meat packing plant here today under federal court order.

There were no disturbances however, as cars carrying non-union workers streamed into the grounds of the plant, reopening today under federal court order.

Mrs. Everett Stover, wife of the Freeborn County sheriff said the seven men were jailed and seven weapons confiscated. She said she did not know whether the seven were non-union workers or other Wilson personnel. In the absence of the sheriff, who was on duty near the plant, she did not know what charges had been lodged against the eight.

The plant resumed operations under protection of National Guardsmen, sent here 2½ weeks ago to quell picket line violence.

The United Packinghouse Workers of America Union had only taken pickets at the gates as cars carrying non-union workers streamed into the plant's grounds this morning.

Martial law in Albert Lea and surrounding Freeborn County was lifted at midnight by Gov. Orville Freeman in compliance with the court order that reopened the plant.

The guardsmen were kept on duty to help local police maintain the peace that has been undisturbed since the two days of rock-throwing demonstrations Dec. 9 and 10.

Their main job was to enforce a district court order issued before

2 Landslides Shove Part of Train in Water

Seattle, Dec. 28 (AP)—Two massive earth slides in the space of 20 minutes pushed part of a crack 13-car passenger train into Puget Sound, 122 miles north of here yesterday.

Ten persons—six of them crew members—were injured, none seriously.

The great Northern Railway's Empire Builder, bound for Chicago with 185 passengers aboard, was about 30 minutes out of Seattle when the first slide struck. It derailed a 4-unit Diesel locomotive.

Twenty minutes later, with help already on the scene, another slide again slammed into the Diesel unit.

It carried the Diesel units and a baggage-mail car out into the sound. A mail-dormitory car was left teetering on a seawall.

Strung out along the tracks were other cars, all derailed but still standing upright. Four

East-West Arms Talk To Resume March 15

Moscow, Dec. 28 (AP)—Informed sources said today the Soviet Union has accepted a western proposal to reopen disarmament talks in Geneva March 15.

The date and site for the 10-nation disarmament meeting were announced by United States, Britain, France Canada and Italy after a meeting in Paris Dec. 21.

Communist nations to sit in on the meeting are the Soviet Union, Czechoslovakia, Bulgaria, Poland and Rumania.

The commission is sponsored by the United Nations.

The Soviet agreement was contained in a note handed to French Ambassador Maurice Dejean by Deputy Foreign Minister Valerian Zorin at noon today.

This is the first time the West has agreed to numerical equality for the Communist bloc of these commissions.

The disarmament conference, coming ahead of the projected East-West summit talks in Paris, would give the western powers a chance to test Soviet intentions.

Formation of the 10-nation committee was announced in Geneva Sept. 7 by the United States, France, Britain and the Soviet Union. It replaces a 5-power conference that got nowhere on the issue.

The United Nations has turned over to the committee all the various disarmament proposals before it, including a 5-power conference plan for total disarmament within four years.

Severe Storm Rips Through Midwest Area

By THE ASSOCIATED PRESS
Winter's most severe storm hammered wide sections of the Midwest today, stranding motorists and curtailing travel.

Blizzard conditions prevailed in some areas in the path of the heavy snow and strong winds from Kansas northward through the Dakotas, eastern Nebraska and northward into western Iowa and southwestern Minnesota.

The storm, which raked the Southern Plains yesterday, picked up steam as it moved into the Central Plains. Falling snow, fanned by wind gusts of 35 to 55 m.p.h. cut visibility and created hazardous driving conditions.

Many highways in northwestern Missouri, southwestern Iowa and southeastern Nebraska were clogged by heavily drifted snow.

Heavy snow warnings—from 4 to 8 inches—were issued for parts of the Dakotas, Minnesota, Nebraska and Iowa. Winds of 30 to 50 m.p.h. were forecast during the day and much colder weather expected.

Poll Indicates Union To Shun Steel Offer

Washington, Dec. 28 (AP)—The Steelworkers Union said today its private poll of workers shows 98 per cent favor rejecting the steel industry's latest settlement offer.

David J. McDonald, union president, gave this report to newsmen as President Eisenhower's board of inquiry moved back into the dispute.

The board, appointed under the Taft-Hartley Law, was going through that law's prescribed proceedings which could lead to a government-conducted referendum Jan. 11-13 on whether the workers want to accept management's last offer.

If they do not accept an offer meantime, the Steelworkers will be free to resume Jan. 26 the walkout which shut down the mills for 116 days. They went back to work under an 80-day T-H Law injunction.

President Eisenhower has repeatedly said the government could not stand by the steel industry's renewed strikes to wreck the country's economy.

And, at the Justice Department, a spokesman said today work has begun on a tentative draft of possible legislation to be proposed to Congress in the event there is no settlement of the dispute.

The spokesman said this work still is in the preliminary stages since the White House, Budget Bureau, Labor Department, and other agencies would be involved and have a voice in the shaping of any final bill.

Reports Claim Kassem Moving Troops to Counter Iraq Revolt

By JOSEPH E. DYMAN
Tehran, Iran, Dec. 28 (AP)—Reports of unrest sweeping southern Iraq roused speculation today that Premier Abdel Karim Kassem may be moving troops into the area to counter a threat of revolt rather than to launch any move against Iraq.

An Iranian countermove continued. An armored column including 40 tanks and mobile artillery from the Iranian 8th Division arrived in the troubled area.

The Iranian high command speculated the situation. Col. Ghomashani Gohadi, chief of the headquarters public relations and propaganda section, told a reporter the Iranian troop movements were merely part of normal seasonal maneuvers.

The shah still postponed his honeymoon with young Queen Farah, however, and continued to receive frequent reports of the border situation.

Iranian Premier Manouchehr Eghbal told a news conference in Lahore, West Pakistan, he does not believe Russia is behind Iraq's claim to territory along the Shatt-al-Arab. The waterway connects the Persian Gulf with both the western-operated oil refinery at Abadan, Iran, and the Iraqi port of Basra.

News Tidbits Culled from AP Wires

Communist China "grain sharply" questions President Eisenhower's desire for peace, but concedes west's desire for summit meeting is "a positive move."

Transport Union Votes Gotham Subway Strike

New York, Dec. 28 (AP)—Four thousand transportation workers have authorized a strike aimed at halting all subways and buses in the city the minute 1960 arrives.

Such a strike could create a monumental jam of revelers in this city famous for its Times Square New Year's eve throngs.

Members of the Transport Workers Union packed the Manhattan center yesterday to unanimously endorse the strike, which could cripple the city long past holiday celebrations.

However, the TWU has never before struck the subway system. It has threatened to often and has taken countless strike votes.

The union last stopped the operation of private bus lines in 1953. But it was another union—the Motormen's Benevolent Assn., now merged with the TWU—that conducted an 8-day subway strike in December 1957.

A special committee set up by Mayor Robert F. Wagner meets today with representatives of the union, the Transit Authority and seven private bus lines to try to avert a strike. At the same time, another committee of the city department heads meet to talk about how to handle such a strike should it come.

"The city will be prepared to meet any eventuality that might arise in this situation," said Wagner.

The strike would involve approximately 38,000 workers on the subways, city-owned buses and private bus lines. They want a 15 per cent increase in wages, which now range from \$2.04½ to \$2.72 an hour.

The union's contract with the Transit Authority expires Jan. 1. But its pact with the private bus lines ended Dec. 1. That contract has been extended twice to expire at the same time as the transit authority pact.

Usually, the authority's contract sets the pattern for the private bus lines to follow. But this year the private firms say they cannot raise wages without some tax relief from the city. Mayor Wagner has made no promises to them.

TWA president Michael J. Quill told union members yesterday: "There will be no agreement with the Transit Authority unless there is also an agreement with the seven private bus companies and unless there is an agreement with the Transit Authority."

Quill also told the meeting: "They tell us that if there is a strike it will last over the weekend—only. Don't be fooled. This thing will not be settled overnight if we are forced to strike."

Bulletins from the AP Wires

CONFESSOR CALLED LIE
Fairfaxville, Ohio, Dec. 28 (AP)—A polygraph expert said today Floyd E. Hargrave had when he told police he had killed the husband of the woman he loved.

The surprise statement was given Detective Sgt. Ralph Schaefer of Shaker Heights, who submitted the 34-year-old truck driver to a two-hour interrogation. Hargrave's story does not hold up under a lie detector, Schaefer said. "He did not do it."

POPE TRIAL RECESSED
Jakarta, Indonesia, Dec. 28 (AP)—The trial of Alan Lawrence Pope, Miami pilot charged with flying a bomber for Indonesian rebels, opened today but was quickly recessed until Jan. 2 to consider defense protests. The 21-year-old American was arrested but otherwise outwardly indifferent as he was brought under guard before an Indonesian Air Force court-martial for the trial that could mean a death sentence.

UAW STRIKE VOTE SET
Indianapolis, Dec. 28 (AP)—The United Auto Workers union announced today it will take a strike vote tomorrow that might end in crippling car production of Chrysler Corp. About 1,300 members of UAW Local 500 will vote on whether or not to authorize a walkout at two local plants of Chrysler's American Foundry Co. However, the union said no strike deadline has been set and negotiations will continue.

TYTO STARTS REACTOR
Belgrade, Yugoslavia, Dec. 28 (AP)—President Tito set in operation today an experimental atomic reactor made available under an agreement with the Soviet Union. The ceremony took place at Boris Kidric Nuclear Institute at Vinca, near here. Edvard Kardelj and Alexander Rankovic, Yugoslav vice prime minister, other officials and Soviet scientists attended.

AVAILANCHE KILLS THREE
Val D'Isere, France, Dec. 28 (AP)—A sudden avalanche today engulfed seven skiers, killing three of them. The avalanche swept the slope between the village of Lesimand and Fursat. Ski patrol pulled four alive from the mass of snow.

Close-Cyr

Miss Andrea Jean Cyr, daughter of Mr. and Mrs. Everett P. Cyr, 130 Prospect St., and her fiance, La. Peter Michael Close, son of Mr. and Mrs. Thomas Close, 230 St. James St., were united in marriage Saturday at St. James Church.

The ceremony and celebration of the high nuptial Mass. The church was decorated with poinsettias. Mrs. Ralph MacCarone was organist and sang a solo, "Ave Maria."

The bride, given in marriage by her father, wore a gown of anubelle with designed with a Sabrina neckline, fitted bodice and long flared sleeves. A panel of Chantilly lace accented the fitted bodice and skirt which terminated in a chapel train. Her finger ring set of imported illusion fall from a crown of orange blossoms. She carried a small prayerbook, which belonged to the bridegroom's grandmother, with a Stephanotis nosegay.

Miss Mary Sue Close, sister of the bridegroom, was maid of honor. She wore a gown of red, white and blue with a circular veil. She carried red poinsettias with holly.

Bridesmaids were Miss Patricia Ann Close, sister of the bridegroom; Miss Jo Ann Close, sister of the bridegroom; Miss Cecelia Joyce, Springfield, Mass.; and Miss Leticia Ann Bishop, Freeport, Maine.

The bridesmaids wore spruce green velvet gowns with a dome skirt, a tulle cummerbund and a bow backpiece with circular veils. They also carried red poinsettias.

Miss Janet Jacobs, Manchester, as flower girl, wore a gown identical to the maid of honor and carried a basket of holly.

Thomas James Close, Beelzebub Rd., South Windsor, served as his brother's best man. Ushers were Everett P. Cyr, Jr., brother of the bride; Glenn Bradley, Coventry; James Roberts, and Anthony Perrone, both of Brooklyn, N.Y. John Close wore a green wool sheath dress, matching hat and black Chesterfield coat. The couple will make their home at 230 St. James St., Manchester.

The bridegroom was graduated from Manchester High School in 1955, and received his B.A. degree from St. John's University, Brooklyn, N.Y. Close was named winner of the L.L. Frank Hagarty Award as St. John's University's outstanding athlete for the second consecutive year last Spring. He is a member of the Phi Kappa Phi Honor Society and the Metropolitan New York area in the indoor and outdoor mile. He is the leading American mile and a track contender for the 1960 Olympics. He is now serving with the U.S. Marine Corps, based at Quantico, Va.

2 Landslides Shove Part of Train in Water

(Continued from Page One)

Capt. and a diver stayed on the tracks.

Coast Guard vessels based here had reached the scene before the second slide struck. Four train cars were pushed into the water and managed to scramble into a Coast Guard boat only seconds before the third and most debris-ridden slide struck.

"About 700 feet of track was covered with debris up to 15 feet deep. Some 800 feet of track was tipped up. There was no immediate estimate of damage."

Most seriously injured was Patrick H. Burns, 62, Seattle, the train engineer. He suffered a shoulder separation and a fractured shoulder. Burns and a fractured leg were hospitalized here. Most of them were brought to Seattle by boat.

"All of a sudden the whole hillside was coming down on the tracks," Burns said. "It was the first time I saw moving earth like that."

Burns said Burns and his crew were both injured by the first avalanche. Burns said:

Police Grab 8 With Firearms At Struck Plant

(Continued from Page One)

material law was declared. The order signed by Judge John Cahill prohibited more than four union pickets at any plant entrance or more than three persons congregating outside the gates.

The union's Local 6 appeared to be taking care not to allow more than four pickets at the plant's main gate. But guardsmen were kept busy dispersing small groups of newsmen and photographers.

The weapons were found in a local coffee and bookstore searched every car going through the plant gate. One guard officer said: "We're checking them down."

A Wilson spokesman said the plant would concentrate on filling holes today, with further processing scheduled for tomorrow. No cards or sheep were on hand.

Main issue in the long dispute has been overtime pay. Wilson ended negotiations over a new contract Oct. 29 when 225 workers refused to work a 9-hour day.

Management accused them of taking part in a slowdown strike and ordered them out of the plant. The talks in Chicago resumed Dec. 17.

MRS. PETER MICHAEL CLOSE

A reception for 250 guests was held at the Rosemount restaurant in Bolton after the ceremony. For a wedding trip to Vermont, Mrs. Close wore a green wool sheath dress, matching hat and black Chesterfield coat. The couple will make their home at 230 St. James St., Manchester.

The bridegroom was graduated from Manchester High School in 1955, and received his B.A. degree from St. John's University, Brooklyn, N.Y. Close was named winner of the L.L. Frank Hagarty Award as St. John's University's outstanding athlete for the second consecutive year last Spring. He is a member of the Phi Kappa Phi Honor Society and the Metropolitan New York area in the indoor and outdoor mile. He is the leading American mile and a track contender for the 1960 Olympics. He is now serving with the U.S. Marine Corps, based at Quantico, Va.

Two trains derailed.

Grafton, V. Va., Dec. 28 (AP)—Two Baltimore and Ohio Railroad trains, one the eastbound National Limited, derailed 6 1/2 miles north of West Virginia yesterday within four hours and 75 miles of each other.

The 11-car National Limited was on route from St. Louis to Baltimore with 328 passengers when it derailed. Hundreds were killed and much property burned or looted.

The government proclaimed a state of emergency in the spring of 1958 in an effort to halt bloody fighting between the Sinhalese majority and the Tamil minority over qualifications of Tamil as an official language. Hundreds were killed and much property burned or looted.

"Talking Scale" Used

St. Louis—Now in use in "talking" trucks from Michigan, Bako, 28, said later, "It was the first time I saw moving earth like that."

Bako said Burns and his crew were both injured by the first avalanche. Burns said:

St. George's Episcopal Church will hold its first annual parish meeting on Jan. 17 at the Community Hall.

The parishioners will elect six members to the Executive Committee and name its vice chairman, secretary and treasurer. Charles W. Lathrop is vice chairman of the present committee; Mrs. Joseph D'Alia, clerk, and Henry McDonough, treasurer. Other members are Harold J. Bowth and Mrs. Robert Gordon.

The meeting will hear annual reports and transact other business. Applications to become a voter in the parish are now being taken. This is a formal step necessary to participate in the parish meeting. A program will be planned for the children's entertainment during the business session.

The Town Planning Commission (TPC) has notified Jacob Skyr that it cannot approve the road he has constructed off North Rd. for access to the parish meeting. The Commission said that road is not a public way, but only a private driveway at this time.

The TPC has scheduled a meeting tonight at 7:30 at the town office in the Community Hall. Those who are still working on revision of subdivision regulations to correct the meeting to families of the parish are urged to attend.

David and Mrs. Albert A. Coe, son of Mr. and Mrs. David Bailey of Albuquerque, N.M., and formerly of North Rd. 4-12 North Rd. in the U.S. Air Force has been assigned to a base in Tripoli, North Africa for two years.

The committee of Club South Pack 197 will meet at 8 o'clock tonight at United Methodist Church.

Bomarcio will hold its holiday party tomorrow at 7:30 p.m. at the Community Hall. Mrs. Paul Brown, Mrs. William Grunke, Mrs. W. W. Wray, Mrs. Mrs. Richard Olmsted will be hostesses for the dinner party.

Warranty Party: Edgar and Judy Bell, 197, of Overhill, Robbley property on Shady Hill Rd., North Rd. and Nettie Johnson to Robert A. and Gail H. Warfel, lot on South Rd.

Manchester Evening Herald publisher, correspondent, David D'Alia, telephone, Mitchell 3-5545

Vital Statistics Head Hebron's 1959 Story

By SUSAN FENLTON

Hebron's story for 1959 may as well start with vital statistics. There were 51 births, 18 marriages and 11 deaths, compared with 42 births, 10 marriages and 11 deaths in 1958.

Mrs. Frederick J. Wythe, a victim of polio in 1956, was again appointed chairman of this year's polio drive, a project which even while prostrated with the disease. She has made an almost complete recovery and is back teaching art at the Regional High School.

Not a single case of polio was reported in Hebron during 1959.

Clifford H. Wright was again named trial judge in the Hebron Justice Court, but his term will end in 1961 when the reformed courts approved by the State take over. This change was strongly opposed by the local people.

The town's two state representatives, Mrs. Garman Franklin and Richard A. Keefe, have done good work for the town and helped secure the hardship grant of \$124,000 for the Regional High School in January the Board of Finance recommended a more adequate center for housing all town offices and the former Kellogg House, owned by Lewis W. Phelps and Andrew, is being considered, among other possibilities.

Evansing services started in February and held monthly by the Crusaders of St. Peter's Church proved a success.

At a dinner held Feb. 27, attended by about 100 members of the staff and school board of Hebron, Andrew and Mariborough, Superintendent Andrew Manages said: "In all modesty we believe we may have one of the finest schools in the state here by next year."

Back in March the old horse- sheds in the year of the Hebron Congregational Church, were removed by Roy Scott, contractor. An old provision had it that when the sheds were no longer in use by the church, the land should go back to the former Gilbert farm, now owned by William I. Brew, but he waived his claim and the land, much needed, is retained by the church.

A new postal route was adopted in May, which means that patrons who formerly received their RFD mail through Andrews' RFD 2, now get it through RFD 1, Hebron. This ends some confusion and overlapping of postal routes. Postmaster William H. Hills headed the entire set-up.

Miss Ruth Pagach of Amston was swimming instructor in the Red Cross swimming course at Amston Lake in July.

The resignation of the Rev. Douglas F. Finin as pastor of St. Peter's Episcopal Church was accepted with regret July 19. He left to accept a call to become dean of the "Boggy Homes" in Salsburg, Kanak-Over 200 parishioners attended a farewell party in his honor.

Also the Rev. Herbert W. Dickerson, pastor of the Hebron and Oldfield Congregational Churches, resigned his charge Aug. 30, to accept a call to the Rev. Northwich Congregational Church. The town was left without a minister for some little time, but

St. George's Sets Parish Meeting

St. George's Episcopal Church will hold its first annual parish meeting on Jan. 17 at the Community Hall.

The parishioners will elect six members to the Executive Committee and name its vice chairman, secretary and treasurer. Charles W. Lathrop is vice chairman of the present committee; Mrs. Joseph D'Alia, clerk, and Henry McDonough, treasurer. Other members are Harold J. Bowth and Mrs. Robert Gordon.

The meeting will hear annual reports and transact other business. Applications to become a voter in the parish are now being taken. This is a formal step necessary to participate in the parish meeting. A program will be planned for the children's entertainment during the business session.

The Town Planning Commission (TPC) has notified Jacob Skyr that it cannot approve the road he has constructed off North Rd. for access to the parish meeting. The Commission said that road is not a public way, but only a private driveway at this time.

The TPC has scheduled a meeting tonight at 7:30 at the town office in the Community Hall. Those who are still working on revision of subdivision regulations to correct the meeting to families of the parish are urged to attend.

David and Mrs. Albert A. Coe, son of Mr. and Mrs. David Bailey of Albuquerque, N.M., and formerly of North Rd. 4-12 North Rd. in the U.S. Air Force has been assigned to a base in Tripoli, North Africa for two years.

The committee of Club South Pack 197 will meet at 8 o'clock tonight at United Methodist Church.

Bomarcio will hold its holiday party tomorrow at 7:30 p.m. at the Community Hall. Mrs. Paul Brown, Mrs. William Grunke, Mrs. W. W. Wray, Mrs. Mrs. Richard Olmsted will be hostesses for the dinner party.

Warranty Party: Edgar and Judy Bell, 197, of Overhill, Robbley property on Shady Hill Rd., North Rd. and Nettie Johnson to Robert A. and Gail H. Warfel, lot on South Rd.

Manchester Evening Herald publisher, correspondent, David D'Alia, telephone, Mitchell 3-5545

Town Defendant In Injury Suit

Mrs. and Mrs. Mark Harrington, 40 Hudson St., are seeking \$20,000 in damages from the town for a fall which Mrs. Harrington suffered on N. Main St. last Jan. 9 at the corner of Public Street.

They are being represented by the Leimster law firm of Leimster, Karp and Broderick in the action returnable to the Hartford County Superior Court.

The suit charges Mrs. Harrington was injured and her ability to work was impaired by the fall. She suffered fractures of the right and left wrists, and a fracture of the right hip. She was confined to bed for several weeks and required medical attention.

Mrs. Harrington seeks to recover damages for medical expenses,

Trumbull-Englund

Mrs. John Robinson Trumbull, 200 E. Center St., is the bride of Mr. James Cook Trumbull of Stratford, Conn. The ceremony was held at the Center Congregational Church, Hartford, on Saturday afternoon at 2 p.m. The bride was given in marriage by her brother-in-law, Edward C. Angell Jr. of Stratford, Conn. The bride wore a dress of champagne antique taffeta with a green cymbidium orchid corsage. The bridegroom's mother wore a moss green crepe dress with moss green hat and a bronze cymbidium orchid corsage.

The bride was graduated from Utica Academy, Utica, N.Y., attended the Froctor-Johnson-Williams School of Art in Utica, N.Y., and the Draughts Business College in Augusta, Ga. Trumbull was graduated from Milton Academy, Milton, Mass., and from Harvard University, Cambridge, Mass., in 1952. He also served with the U.S. Army in Germany.

The bride was graduated from Utica Academy, Utica, N.Y., attended the Froctor-Johnson-Williams School of Art in Utica, N.Y., and the Draughts Business College in Augusta, Ga. Trumbull was graduated from Milton Academy, Milton, Mass., and from Harvard University, Cambridge, Mass., in 1952. He also served with the U.S. Army in Germany.

Miss L. Elizabeth Englund, daughter of Mrs. Thornton G. Englund and the late Mr. Englund, 57 Delmont St., became the bride of John Robinson Trumbull of Hartford Saturday afternoon at Emmanuel Congregational Church, Hartford. The bridegroom is the son of Mr. and Mrs. James Cook Trumbull of Stratford, Conn.

The Rev. Robert Lansing Edwards, assisted by the Rev. William T. Knapp, of Emmanuel Congregational Church, Hartford, officiated. The church decorations included a mixed bouquet on the altar and candles in the sanctuary. The bride was given in marriage by her brother-in-law, Edward C. Angell Jr. of Stratford, Conn. The bride wore a floor-length gown of white mirror-mist taffeta, fashioned with dome-shaped skirt, puffed back and bow, abalone neckline trimmed with embroidered Alencon lace with sequins, a fitted bodice and long pointed sleeves. She wore a veiled tiara with a silk illusion veil, and carried a bouquet of white carnations with holly leaves and white streamers with staphanitis.

Mrs. Howard C. Angell Jr. of Stratford, Conn., was the sister's matron of honor. She wore a gown of blue tulle with a fitted bodice, cap sleeves, cummerbund and unpressed pleats on a bouffant ballet skirt. She carried a colonial bouquet of pink and white carnations with rosebud centers.

Miss Priscilla Wald of Manchester was a bridesmaid. She wore a gown matching the matron of honor's and carried a similar bouquet. Both wore tulle veiled hats with circular nose veils.

James Cook Trumbull of Milton, Mass., served as his own best man. Ushers were Russell Bourne of Westport; Sumner Draper II, Duxbury, Mass.; and Paul W. Marast.

Royal Employees To Stay on Job

Hartford, Dec. 28.—Employees of the Royal Motor Corp. have decided to keep on at their jobs even after their contracts with the company ends tonight at midnight. The contract originally expired on Nov. 1, but the United Automobile Workers Union and the company agreed to extend it while negotiating a new one. Each side kept the right to end the arrangement, though, and the company recently informed the union it was ending its participation in the contract, even though it would like to have it renewed. This proposal to renegoty was turned down by union members, who countered by authorizing their leaders to call a strike any time after the company ended the contract. Union spokesmen said yesterday, however, that work would go on as usual for the present contract or no contract.

If a strike is to come, he said, it will be a time that "it" goes for the union, not the company. About 2,000 employees of the typewriter firm are affected.
