### GOP Leader Favors Cut in Size of House

(Continued from Page One)

when the present state constitution was adopted in 1818.

The Democratic system that has given one party control for more than 80 years. The Democrats won control of the House for the first time this century during the Democratic landslide of 1958.

The Democrats also contend that the smallest towns in the state now have the same representation as the largest.

Overton agrees that the House, the second largest in the nation, should be reduced in size for economy reasons as well as for reasons of efficiency.

The House increased by 15 this

to the people," he said. "Our position is right."

The Senate redistricting bill has been given a favorable report by the Republican-controlled House Judiciary Committee.

Although no one has said so, it is clear that the strategy of the Republicans is to pass the plan in the House and then dump it into the lap of the Democratically-controlled Senate.

The Democrats are lukewarm to Senate redistricting plans, because their greatest strength lies in the House. Senate redistricting, and the House plan, would reduce the number of representatives from 100 to 80.

The Senate redistricting and House plan would reduce the number of representatives from 100 to 80.

The Senate redistricting and House plan would reduce the number of representatives from 100 to 80.

### Andover Threat to Cut RHAM Costs Stirs Quays

A small group of Andover residents met with the Regional District Board of Education members last night to discuss the budget that will be presented for a district vote Monday at 8 p.m. in the RHAM auditorium.

Questions to the board concerned the rumor that the Hebron Board of Finance will recommend a \$20,000 cut in the high school budget. The Hebron finance board had asked the board to reconsider the items for a part-time social worker, the assistant principal who would also teach, and the instructional salaries. A cut of \$20,000 could be achieved by eliminating the first two items, and teachers from the proposed staff.

John H. Youmans, who is Regional board treasurer and chairman of the Finance Board, said he had called First Selectman William E. Leary of Hebron recently to propose consideration of a town of Hebron. Leary replied that he had no intention of closing the school system.

THUMP TRICKS GROW RIFE

By Alfred Sheinwold

Don't be in a hurry to over-ruff with the ace of trumps. It will win a trick later, and your delay may cause another trump trick to slip.

West opens the jack of hearts. East should play low from the dummy rather than cover with the queen. If East is naive enough to play a low heart, South will have no further trouble with the hand.

East should put up the king of hearts at the first trick and continue with the ace in the hope that West is the player with the singleton heart. Then East leads a third heart to put his partner in over-ruffing position.

### Puriton' keeps your kitchen clear of odors, smoke, grease electronically — no vents or exhaust fan!

Either the Puriton Range Hood or portable models will make your kitchen the cleanest, most refreshing room in the house.

Puriton portable can be carried to any room—den, nursery, bedroom—for the removal of odors, smoke, and dust.

For a permanent installation our Range Hood has no outside vents—no installation costs—no heat loss—no cooking anything your heart desires without removing smoke, odors or grease.

There are Puriton models for any room in the house. Portables start at \$79.95.

It does all that we say it does, or your money back!

#### 12th Circuit Court Cases

**MANCHESTER SESSION**

Richard Pender, 22, of South Glastonbury, was given a four-month suspended sentence and placed on probation for one year for breaking and entering with a criminal intent and for the theft of poultry.

Harry Lister, 40, no certain address, was given 15 days in jail for vagrancy. He was arrested in Hartford.

Jack W. Hayes, 45, of Hartford, was sentenced to 10 days in jail for vagrancy. He was arrested this morning.

### YW Not Closing Chairman Reports

"The Manchester YWCA has no intention of closing its doors," Mrs. Frank Sheldon, chairman of the YWCA town committee, said today in a denial of rumors reported prevalent.

While the current YWCA fund drive is lagging far behind, Mrs. Sheldon said, she said she had no intention of closing the doors. She said she had no intention of closing the doors.

### 52 U.S. Bases Face Cutback

(Continued from Page One)

In reply to a question, he said that the present portion of the cutback program affected "basically" the political counties.

A number of the domestic bases involved in today's operations are comparatively small.

However, McNamara noted that some are fairly large operations. These include the Army Arsenal at Benning, Calif., where about 1,000 persons are employed, of which about 1,700 will be declared surplus, but the close-out will take about three years.

### 2 Drivers Hurt As Cars Collide

Two persons were injured and two arrested as the result of two accidents yesterday.

Hurt were William B. Rogers, 17, of 375 Center St., and Janet Downing, 24, of South Windsor, when their cars collided on Center St. just west of Thomas Dr. 2 p.m.

Both were taken to Manchester Memorial Hospital by cruisers and were admitted. Rogers had knee injuries and Downing with cuts to his forehead, knee and forearm. Their conditions are good today.

### Hands of Horses

The custom of measuring horses in hands dates back to early days, but the rulers they used were lacking, and they were measured by the width of a man's hand, which is about four inches. Horses are measured from the ground to the highest point of the withers, a ridge between the shoulder bones.

### Rockville-Vernon Search Organized For Missing Man

A 78-year-old boarding home resident, reportedly in weakened condition from a recent illness, is missing today and Vernon contains have notified neighboring towns to be on the lookout for him.

Albert Klemek, formerly of 93 Charter Oak St., Manchester, has been missing since 5:30 a.m. today. He was staying at the Dennis Boarding Home on Tangle Hill in Vernon.

'Dad, You're a Big Deal' Quads' Parents Wonder If 'It All Was a Dream'

(Continued from Page One)

At 9:45 a.m., there came James Michael at 3 pounds, 5 ounces, and 16 inches long. At 9:47 a.m. Maxwell Ann was born weighing 3 pounds, 9 1/2 ounces, and 17 inches long. At 9:50 a.m. William Francis arrived at 3 pounds, 13 ounces and 17 inches long. The parents, who have twins at home, had been told to expect triplets. The names of the first three babies had been chosen in advance. It was not until later yesterday that William Francis was named. Freyre admitted the doctor of names was strictly his wife's. 'Workmen now are repairing the damaged house where Freyre said he'll bring his family when the work is completed. 'I don't know what the future holds,' he said, 'but this much is certain: the family will stay together.' Bathing Cost \$50,000 New York—George Blumenthal, of New York, owned what is believed to be the world's most expensive bathing suit, which was an African-marble affair which, with fittings, cost him \$50,000.

Foam Cushion Is Cemented To New Molded Furniture

KAY SHERWOOD, Newspaper Enterprise Assn. Home-made scientific marvels such as push-button laundering and automatic cooking might lead a young homemaker to expect similar modern developments in furniture. But, with notable exceptions, furniture makers stick pretty close to the tried-and-true. Makers of upholstered furniture, in particular, are slow to experiment with new materials and techniques. That's one reason you'll appreciate the excitement that greeted new furniture based on a new concept in construction. It is comfortably home in any casual setting; light in weight and built to withstand much wear. Chairs, love-seats and sofas are included, all moderately priced. The general design feeling is Danish or contemporary but not aggressively so. Designer Walter Bernbaum deliberately avoided unusual exterior styling details and scaled the pieces for modern rooms. The really unusual feature is the frame. Instead of a wood frame, this is molded of fibers and resins. The cushions are made of foam which is cemented to the form and this, in turn, is mounted on a steel base. To pare construction cost, Bernbaum worked out an upholstery method in which the fabric is slipped on the form, rather than tacked and sewn. In the factory, for example, a chair can be 'upholstered' in about six minutes. This method, in turn, means that a homemaker can change her upholstery cover herself. Additional covers are available for a reasonable price, so seasonal changes can be made. The chair or sofa form rests on exposed walnut base, finished to a soft medium brown. The price range is considered moderate, ranging (depending on fabrics) from about \$69.50 for a chair to about \$189.50 for a 90-inch four-cushion sofa. By mid-March, it was assured by the manufacturer, distribution would be nationwide.

Export Council Grows

Oalo—The Export Council of Norway, established by royal decree Nov. 1, 1948, now has offices in 14 foreign countries, with a trade specialist in charge of each. Three of the offices are in the United States. The council's object is to preserve and promote Norwegian distribution world-wide.

Passover Starts At Sunset Friday

The Jewish Festival of Passover will be celebrated beginning tomorrow at sunset and continuing for eight days. Only the first two and the last two days of Passover are full holidays, during which special services will be held at the synagogue. Passover services will be held at Temple Beth Shalom tomorrow at 8:30 p.m.; Saturday at 10 a.m. and 8 p.m.; and Sunday at 10 a.m. The story of Passover is found in the Book of Exodus. It tells of the enslavement of the ancient Israelites after the death of Joseph, who had brought them into the land during his administration as prime minister. After two centuries of enslavement, they were delivered from bondage under the leadership of Moses. In commemoration of this event, the Festival of Passover was instituted during his administration as prime minister. After two centuries of enslavement, they were delivered from bondage under the leadership of Moses. In commemoration of this event, the Festival of Passover was instituted during his administration as prime minister. After two centuries of enslavement, they were delivered from bondage under the leadership of Moses. In commemoration of this event, the Festival of Passover was instituted during his administration as prime minister.

Grange Notes

State Master Robert K. Mitchell appeared recently before the Committee on Ways and Means of the United States House of Representatives and presented the stand of the State Grange in opposition to any further increase in highway use taxes and to support the lowering of the federal tax on gasoline to three cents a gallon on June 30. Mitchell said the proposed drastic increase in state and federal taxes were imposed on Connecticut farmers, it would increase the cost of hauling milk to market by \$50,000 per year. He added "Our present 10 cents per gallon tax on gasoline is equal to a 53 per cent sales tax on tires and accessories." Proposed new federal taxes are an increase on diesel fuel from four to seven cents a gallon, and for truck over 26,000 pounds from \$1.50 to \$3 per 1,000 pounds, also increase on tubes, tires and tread rubber. Recently a group of Connecticut Grange members journeyed to Anthony R. I. where they were special guests of Kent County Farmers Grange. Mrs. Evelyn Eberhard, state lecturer, spoke on the various aspects of recreation work with demonstrations by Mr. Norman.

Essay Contest Open An essay contest "What the Grange Means to Me," open to every Grange member in the state regardless of age, has been announced by State Lecturer Evelyn Normand. According to Mrs. Normand, essays should contain 500 words or less and will be judged on a state level only, on the ideas and thoughts contained in them, not on grammar, punctuation, or writing. Essays should be submitted to subordinate lecturers, for local credit. The contest closes September 15.

From the Master's Desk State Master Robert K. Mitchell and Mrs. Mitchell attended the United Nations recently while at the meeting of Farmers of World Affairs. The state master reports all subordinate Grange secretaries have received tickets for the month degree to be conducted in Worcester, Mass., in November. He urges interested members to get their now and adds that tickets are refundable in the event that the holder is unable to attend.

Washington developments involving rural people are keeping the national Grange staff going at top speed according to Roy Ballie, assistant to the national master, and Legislative Consultant Fred O. Bailey. In addition to legislative before both agriculture committees here have testified on rural area redevelopment, farm labor and transportation bills. It has been reported that Florida will soon become the 35th Grange state.

Football Quiets Pump Pop Worth, Tex. — In an all-field water-flood project, workers found a football an answer to a vibration problem in an injection pump. The ball, in a steel jacket on one side of the pump, flexes with the pump pulsations, absorbing the sharp kick of water under pressure.

RECORDER RUNS 48 HOURS London—A British firm has developed a magnetic-tape recorder that will provide up to 48 hours of unattended service. It is designed for use in civil aircraft, entertainment, and industry. A two-track head on a cam actuates 40 tracks of recording to be made on one 1,200-foot, inch-wide tape that is wound on a 3 1/2-inch reel.

### State News Roundup

**Trusted to be in short of funds.** The state department to hire a sufficiently large staff to work with the children, Marsh told the legislative committee.

The committee was conducting a hearing on the welfare department's budget request of \$13.7 million.

Marsh told the committee that the state is an unusually high proportion of mentally ill children committed as state wards. And because of the lack of manpower, he said, the state is "driving them crazy" because it cannot give them proper treatment.

**52 to 50** Hartford, March 30 (AP)—The State Motor Vehicle department's report of automobile accidents during the last 12 months and the totals on the same date last year:

Accidents... 9,988 (est.) '60  
Killed... 220  
Injured... 5,271 (est.) '60

**Commuters Delayed** New Haven, March 30 (AP)—The New Haven Railroad's evening rush commuter schedule was disrupted last night after two empty passenger cars jumped the track.

Four trains were canceled. Their 3,500 passengers crowded into other trains.

The mishap caused all New Haven trains to run as much as 20 minutes behind schedule. New York Central commuter service was not affected by the derailment, which occurred during a switch-over.

**Fire Probed** West Haven, March 30 (AP)—Fire officials are investigating the cause of a fire that raged a vacant restaurant and traveled the Bayville Rock amusement park yesterday.

Authorities said several teenagers were seen fleeing from the area shortly before the fire was discovered.

A fire caused an estimated \$8,000 in damages to the King Neptune restaurant.

An adjacent merry-go-round and a game booth sustained minor smoke and water damage.

**River Rising** Windsor Locks, March 30 (AP)—The U.S. Weather Bureau at Bradley Field issued this warning today for the Connecticut River valley in New Hampshire, Vermont, Massachusetts and Connecticut and the Blackstone in Rhode Island:

Mild temperatures of the last few days through England have been causing the snow pack to melt over central and northern Connecticut River watershed. This is the beginning of the normal spring freshet, experienced each year when streams and rivers rise due to melting snow.

The Connecticut River and its tributaries are now rising and will continue this trend during the immediate future. Some minor upland flooding can be expected along the Connecticut River where the banks are shallow. The smaller streams will remain near half normal levels.

**Bus Union to Vote** Bridgeport, March 30 (AP)—Union bus drivers and mechanics on strike against the Connecticut Railway & Lighting Co. vote today on whether to accept a new contract.

The leadership of the Amalgamated Association of Street, Electric Railway and Motor Coach Employees Association of America is recommending acceptance of an agreement worked out yesterday at the end of a 10-hour negotiating session.

The terms of the proposal will be disclosed to the 407 union members at a membership meeting scheduled at 5 p.m.

The strike, which began Feb. 27, has halted bus service for 70,000 daily riders in the Bridgeport, Waterbury, New Britain and Norwalk areas.

**McAuliffe Awards** New Haven, March 30 (AP)—Joseph M. Tino, Hartford, state labor relations director, and James A. Walsh of West Haven, chairman of the board of Armstrong Rubber Co., have been named the 1961 McAuliffe Award Medal winners.

The medals go annually to two persons who are considered to have brought an exceptional spirit of good will and cooperation into the field of labor-management relations.

The awards are given by the Division of Labor Relations of the State of Connecticut. They were announced yesterday by the Hon. Roy M. Joseph, P. D. Kennedy, the institute's director.

He said they will be presented at a dinner in Cheshire May 16 by the Most Rev. Archbishop Henry J. O'Brien.

The awards were established in 1949 in memory of the late Bishop M. F. McAuliffe, under whose direction the institute was established in 1942 as a diocesan program of education in Catholic social teaching.

Tino is being recognized for a notable lifetime given to the betterment of workers in Connecticut. Walsh is honored for his role in the sound structure of industrial relations. "He added

**"Driving Them Crazy"** Hartford, March 30 (AP)—Public policy is driving many thousands of children to mental disorder, delinquency and dependency each year, a state psychiatrist says.

Dr. Elias J. Mann, director of the state mental health department, said yesterday that the State Welfare Department cannot provide adequate care for the children en-

### Rockville/Vernon DeCarli's Named Fertilizer Depot

Rockville today assumed the position of central warehouse and distribution point in northeast Connecticut for the American Agricultural Chemical Co., manufacturer of Agric fertilizers.

The first lot of 20 tons of bagged fertilizer arrived in Rockville this morning at the new warehouse and loading station at DeCarli's Express, 301 West St.

DeCarli's will serve as the warehouse and distributor for the fertilizer firm, serving Tolland and Windham Counties and trunks of Hartford and New London Counties.

Leonard F. DeCarli, owner of the express company, said the contract puts his company's new warehouse into use for the first time for other than straight cargo transfers.

He said he plans to open a retail center for turf and garden fertilizers, garden equipment and related products soon. Agric products

**Coloring Contest Festival Feature** A coloring contest will be sponsored in conjunction with the Aunt Jemima pancake festival to be held at Second Congregational Church April 13.

The drawing to be used for the contest will be published in The Herald.

Manchester students through high school seniors are eligible to enter the contest. Entries may be left at the Cities Service Center or Keith's Variety and News shop.

A \$25 savings bond will be awarded for the best entry. A certificate will be awarded for second prize, and a world globe, third prize. Names of the three winners will be announced on the day of the pancake festival.

Kitchen Arithmetic: You can add to a cup graded cheddar cheese to a medium white sauce.

**Censor Bill Dies** Hartford, March 30 (AP)—A bill aimed at establishing a state board to rate films on their suitability for children under 16 appears dead.

No one came forward to support it at a hearing before the General Assembly's Judiciary Committee yesterday. Moreover, its sponsor, Rep. Nicholas B. Eddy, R-New Britain, told the committee he no longer thought such a board was necessary.

Eddy said he was satisfied that

**Kennedy Attacks Lobster Problem** Washington, March 30 (AP)—President Kennedy has expressed willingness to do all he can personally to eliminate any surplus of Maine lobsters.

At a White House coffee hour last Thursday night Kennedy feasted with a lobster feast called upon by the president.

Edmund S. Muskie, D-Maine, had given him in 1957. Muskie then was Maine's governor. Kennedy is a senator from Massachusetts.

Soon after the coffee hour, Muskie wired Edward Meyer, a lobster fisherman in Orono, Maine, to send some lobsters to the White House.

"Maine lobsters arrived in fine fettle. My sincere thanks for your prompt action to eliminate local surplus. Having now consumed several, I am confident that an equitable solution could be found for any problem of surplus ever faced by your farm."

Yesterday Muskie received a copy of a wire the president had sent Meyer. It said:

"Add a pinch or two of powdered allspice to a ham and veal, and

**U.S., Russia Avert Arms Debate in UN** \$3,470,748 from Canada in payment of her assessment for the U.N. forces in The Congo and the Middle East, the balance due on the 1961 regular budget and \$1 million for the special Congo development fund.

(Continued from Page One)

The first three months of 1961. This authority runs out tomorrow and refusal of the Soviet Union and other powers to pay their share of the Congo bill puts the U.N. in a perilous financial position.

One source still open to the Secretary-General would be short-term loans from governments, which the assembly has authorized him to negotiate. The world body put thumbs down, however, on another proposal that the Secretary-General seek loans from private banks.

The New York Times reported today that Britain and Canada are preparing to pay more than \$1 million to help ease the U.N. financial crisis. The Times said the payments would be \$3,758,000 from Britain, representing her share of last year's Congo bill, and

**Sketch a Garden Layout in Advance of Planting** RAY SHERWOOD, Newspaper Enterprise Assn. If you have not yet found your niche in hobbyland, try archaic gardening. As a long-time hobbyist, I know that the archaic gardener like the archaic traveler enjoys an educational, inexpensive, absorbing pursuit with none of the innumerable associated with the activity itself.

It's simplicity itself to enroll. Just answer a couple of seed company ads and get on the catalogue list. Soon, your mail will be aglow with the catalogues and their glorious promises.

The next thing you know, you'll be deep in study of gardening books and clipping learned articles from magazines and newspapers. Never let grubby thoughts of aching backs and sore knees from weeding intrude on the vision of a bower of flowers where straggly grass now grows.

After preliminary study you're ready to plan the garden. There are two ways to go about this ex-

**Miss Binkas Feted At Bridal Shower** Miss Pearl Binkas, daughter of Mrs. Henrietta Binkas, 290 Woodbridge St., and the late Joseph Binkas, was feted recently by 25 friends and relatives at a macaroni and salad shower.

Miss Binkas was seated beneath the traditional white umbrella to open gifts at the shower, which was held at the home of Mrs. Ethel Jones, 123 Cooper Hill St.

A buffet dinner was served later by Mrs. Jones, assisted by Mrs. Francis Fallon, 50 Black St., and Mrs. Victor J. Binkas, 65 Benton St., sister-in-law of the bride-elect.

Mrs. Binkas made and decorated the three-tier cake with a bride doll in the center.

Miss Binkas and Edwin Minch of West Hartford will be married May 6 at St. Mary's Episcopal Church.

**Up Four in Week** Unemployment in Manchester last week brought a slight rise in claims of 0.2 per cent from 1,835 (previous week) to 1,899.

Claims filed for unemployment compensation in Connecticut during the same period, declined from 68,533 to 68,092. It was announced by State Labor Commissioner Renato E. Ricciuti.

Manchester, Hartford, New Britain and Norwich were the only communities in Connecticut to show a rise in unemployment claims.

Manchester ranked 15th in the state, had 806 claims from women, 28 more than the previous week and 42.6 per cent of its total claims load.

AMBULANCE GROUP ELECTIONS Berlin, March 30 (AP)—Raymond G. Parent, N. Haven, has been elected president of the Connecticut Ambulance Association. Also elected at the group's annual meeting yesterday were Howard F. Grady, Hartford, vice president, and Joseph West Haven, secretary-treasurer.

**That Daily Shave Destroys Men** Hal Boyle

New York (AP)—Well, boys, I've learned the secret of longevity. If you want to live longer, here's a little inside tip: Treat yourself as a woman does herself—with respect and confidence.

Many men in this world will themselves through boredom. Very few women do.

The difference is that men find themselves less exciting to themselves than women do to themselves.

Let us take examples: A woman enjoys an endless fascination in paying attention to herself. She physically and mentally enjoys a spending hours fixing her toenails and her fingernails in making rubber mouth faces at herself in the mirror as an adjustment to her lipstick or trim a stray hair. She stares into that mirror and what she sees is not a homely lump of feminine misfortune, a girl-child out of womb, but a fair and ravishing Cinderella, again to be recognized by a rich prince.

Actually, she may have a complexion that should be trying to win the third race at a horse track, and a shape like an overcooked sunny snack. But she has the art of kidding herself. She sees herself not as she is, but as she dreams herself to be.

It is this art that separates the girls from the boys. The girl that kid-herself sees herself as a lovely girl. The boy that kid-herself is largely wanted. The homely woman is the more arrogant sometimes in her assumption that she has a special and individual charm. It is this individual charm, she believes, that stamps her apart.

Men, on the other hand, are so vain that they see themselves as they are. They are so vain that they see themselves as they are. They are so vain that they see themselves as they are.

### Rockville-Vernon Low-Rent Units Out In Franklin St. Plan

There will be no low-rent housing units built on the Franklin St. tract proposed as a public housing site in Rockville.

The Rockville Housing Authority was informed today that low-rent units can be placed elsewhere. Notification came by telegram from Irving Gerdy, regional economist for the Public Housing Administration (PHA) in New York.

Atty. Harvey A. Yonce, executive secretary of the Rockville authority, said the authority has also been granted a request to increase the number of proposed housing units for the elderly from 85 to 64.

Yonce said both requests had been submitted to the PHA two weeks ago.

On Monday evening, in a public hearing at City Hall, Yonce told a group of 80 residents that the authority was aware of local displeasure with the proposed low-rent units and that a request had been made to have them reduced in number and placed elsewhere than Franklin St.

Approval of both requests came through today.

Residents at the Monday hearing spoke often heatedly against establishment of low-rent units in the city. They said they were not against housing for the elderly.

The Rockville Housing Authority, established two years ago, has entered into contracts for state and federal subsidy on construction of 150 public housing units. The units are to be located on Franklin St. and have been chosen as the site, but acquisition of title has yet to be made.

Thirty of the units for the elderly are to be subsidized by the state. The other 120 units, financed by federal loan, were to have been divided into 36 elderly units and 84 low-rent units.

Now, the numbers have been reversed and the low-rent units are to be eliminated from Franklin St.

Yonce said there was no proposal yet for locations for the low-rent units. At one time, the downtown redevelopment area was considered, as was the site of the old school building, Building B, on School St.

### Rockville-Vernon Mayor Backs Welfare Bill In Hearing

Mayor Leo B. Faherty Jr. of Rockville today voiced support of Senate Bill 485, which proposes to place general assistance welfare administration under the jurisdiction of the State Welfare Commissioner.

The bill was heard this morning before the legislative committee of the General Assembly.

The bill, if passed, will, the mayor said, "improve the quality of service and efficiency of administrative of general assistance by abolishing the present town and city administration of welfare."

He said the present system of local administration is "haphazard and only a stop-gap measure, no right of appeal, and no uniformity in the way in which human beings are treated."

Faherty has openly criticized the welfare administration in Vernon as arbitrary. Its reputation is disgraceful, he said. The situation has been a topic for conversation for a number of years, but has never before come to public attention through news media.

At present in Vernon, the mayor said, people in need of assistance are not properly provided for. He said, although Vernon's problem is compounded by its multiple government, it is not the only town in the state to have haphazard welfare administration.

"Unfortunately," he said, "a few towns where conscientious officials see that a good job is done are far outstripped by the many where this problem has been neglected because the people in need do not have a strong enough voice."

General assistance noted out by the state now, assistance which falls under the heading of categorical aid, is handled by the State Welfare Commissioner and temporary help to the applicants, by the towns.

In Vernon, the welfare administration is the province of the Board of Selectmen.

### Coventry Town Mails 4,900 Tax Bills

About 4,900 bills have been sent to residents and non-resident local taxpayers at the rate of 34 1/2 mills on the grand list of Oct. 1, 1960. All taxes are based on 65 per cent of the assessed value.

The taxes are due and payable April 1. After May 1 the taxes become delinquent and interest will be charged from the due date at the rate of one-half of one per cent per month or fraction thereof, according to law.

By law all taxes of \$50 or less must be paid in one installment. Tax Collector Mrs. F. Pauline Little will be at the Town Office Building in South Coventry weekdays during April from 9 a.m. to 4:30 p.m. Starting in May the regular office hours at this office will be the same as other offices of the building weekdays from 9 a.m. to 4:30 p.m. The building is closed on Wednesdays.

The number of bills sent by Mrs. Little total 390 more than those on the list of 1960.

About 200 additional bills have been sent to various banks and loan associations which have requested tax bills on properties of local taxpayers for which these institutions have no bills in escrow for such taxes.

Payments on taxes may be made at Mrs. Little's office or by mail.

Celebration Postponed

Postponement of Coventry's 200th anniversary celebration until the summer of 1962 has been advised by the General Chairman Arthur J. Vincent and Vice Chairman Herman F. LeDoyt. The Board of Selectmen is in agreement with such plans.

The reason for the postponement is the lack of time to properly prepare the type of celebration the various organizations in town would like to have.

One of the features of the celebration would be an historical pageant. Burton E. Moore of the Coventry Players, who is willing to write the script and direct such a production, said it is a physical impossibility to do all the work required in time to have such ready for a celebration which was originally tentatively set for this July.

A committee to look into historical facts has been formulated by Vincent. This group includes Mrs. and Mrs. Byron W. Hall, Mrs. Gilbert H. Storrs, Mrs. Emil Koehler, Mr. and Mrs. John E. Kingsbury, Mrs. Walter S. Haven, Eugene W. Lattin, Mrs. Frank W. Wood, Frederick Wellwood and Mrs. Charles Smith.

The committee to formulate the plans for the celebration is being contacted.

Registrations for the South Coventry Cooperative Nursery and Kindergarten classes in September will be open to the public starting Saturday.

Vaccines will be in the nursery which meets Tuesday and Thursday mornings at the nursery on Main St. The age requirements are three years and eight months. There are also vaccines in the kindergarten which meets Monday, Wednesday and Friday mornings for children aged four years and eight months.

The school is a non-profit organization, operated to give the child a pre-school experience. The program has been approved by the State Department of Education.

Further information regarding enrollment in the Spring term starting April 1, or the Fall term, may be had from Mrs. Dorothy Ferguson, nursery chairman.

The classes are planning flowers for each child's name on Mother's Day. Plans are to transport some flowers to the outside of Kingsbury House.

A guided tour of a hatchery in Williamstown was conducted this week for both classes. Transportation for the kindergarten was supplied by Mrs. James R. MacArthur, Mrs. Deane G. Wiley and Mrs. Robert Thorp and for nursery, Mrs. Matthew Barrie and Mrs. Robert Worden.

The executive board of the Coventry PTA of Robertson and Central Schools will meet at 7:45 p.m. Monday at the Robertson School.

Advertisement—McKinley Lumber, 21-21 1/2, Bolton Wood, Hundreds of items for the home. Lumber, Hardware, Mason, Electrical, Plumbing, Fuel Oil. Open 8 a.m. to 5 p.m.

Manchester Evening Herald Coventry correspondent, F. Pauline Little, telephone 21-5-2111.

### Artist to Speak To Town Group

Jose Rula, artist and consultant, will present an art technique demonstration Tuesday night at 7:30 at the filling Junior High School.

The artist is being sponsored by the Manchester Fine Arts Association and the Sherman-Williams Co. His demonstration in oil, water colors, tempera and/or water color will demonstrate his working knowledge of these media and art projects throughout the country.

Rula has studied at the Ecole des Beaux Arts and La Grande Chaumiere in Paris, the Pratt Institute, the School of Visual Arts and the Pan-American Art School in New York.

His paintings have been exhibited at Burr Gallery, City Island Center, Brydget Gallery and Nelson Gallery, New York.

He is a member of the Art Guild, the Advertising Club and the Ball-Magnard Club of New York.

In business life he is an art products consultant for Delta Struth Manufacturing Corp. of Mount Vernon, N. Y., and Slave Artists' Colors of Chicago.

### Garage Repays Fast

San Francisco — The parking garage beneath Union Square in San Francisco is expected to repay its construction debt 30 years ahead of schedule. In addition, it now says the \$23,400 profit — estimated at \$100,000 — fit its yearly lease.

### Oil Subsidy Proposed

Canberra — An Australian economist has urged the government to put up \$22,500,000 a year as a subsidy for oil and gas exploration. The nation imported more than \$220,000,000 worth of oil in 1960, cutting deeply into income from exports.

### Colleges to Budget

Detroit — America's colleges and universities will be budgeting with 6,500,000 students by 1970, up from 5,500,000 today. Costs to students are expected to double in the next decade, to \$2,400 yearly at a state university, \$4,600 at a private one.

### Science Display Set

A science display by students of biological, physical and allied sciences of Rockville High School will be shown April 9 in the science wing of the high school building. The display will be open to the public from 7 to 10 p.m.

Teachers from outside Rockville High School will judge the displays during the afternoon. Top science exhibits will be entered in the northern Connecticut Science Fair.

Folk Dance Wednesday

The folk dance group of Rockville High School will sponsor a workshop Wednesday from 3:15 to 5:15 p.m. It will be conducted by Mrs. Claire Albon and Mrs. Elizabeth Wisner.

Schools invited to attend are: Ellsworth, Waterford, Newington, Rocky Hill and East Windsor High Schools and Sykes Junior High School in Rockville.

Communion Tonight

The traditional Maundy Thursday Communion service will be held in Union Congregational Church tonight at 7:30. The Senior Choir will sing the anthem "O Saving Vic-

### Hebron \$12,000 Jump In Share of Region Costs

The Board of Finance reports a budget of \$175,212.50 was proposed at the annual regional budget meeting. This means the increase for Hebron will be \$12,000, for which provision must be made.

The finance board has made several suggestions for lower expenses.

The board of finance has submitted a bill to the state legislature for establishment of a regional board of finance. As matters now stand, the regional board enjoys a fiscal independence over which local boards have no budgetary control. It is felt that the statutory authorization allowing regional school districts to borrow up to \$100,000 without permission from the taxpayers is unnecessary.

The finance board again brings up the strong need for suitable care of town records, many of these essential records now being stored in various parts of the town. In addition there are office records, tax collector, street clerk, tax collector, immediate corner or assessors. The construction of a suitable building for the above purposes is being recommended by the finance board and the board of finance.

Prepare For Review

Hebron's annual report for 1960 will be held Monday afternoon at 2:30 p.m. at the Hebron Elementary School at 3:30 p.m.

St. Peter's Goal Justified

The Rev. Gordon W. Weeman, pastor of St. Peter's Episcopal Church, has sent to parishioners a statement of the church drive to raise \$18,000.

The purchase of the Tennant property and adjacent land will cost \$15,000. It will cost \$2,000 to renovate and maintain. This is the retiring of the outstanding debt on Phelps Hall will cost \$2,000 making a total of \$22,000. This is lessened by the amount on hand, \$5,000, bringing the total need down to \$18,000. While this seems like a mountain of debt, optimistic parishioners believe that the funds can be raised.

Girl Scouts and Brownies will give their annual cookie sale tomorrow. The girls make a profit of five cents a box, which they are to use for troop expenses. The remainder of the profit will be used by East-Connecticut Council for the improvement of facilities at Camp Laurel.

Senior Girl Scout Marine Troop is in the air for next year. A number of girls are having a desire to be in this. Some of the girls will be from the Junior High Troop, and others through 17 years of age are being communicated with. Mrs. Richard M. Grant if they are interested. Mrs. Robert Price will be leader of the Marines.

Church News

Choir rehearsal will be held at St. Peter's Church this evening. The choir will be received into the Congregational church at the candlelight Maundy Thursday service today at 8:15 p.m. All members are urged to be present to revive the spirit of the East-Superior.

Prayer cantata, "Olivet to Calvary," will be presented at the Guild church at 7:30 Friday evening. Solists will be Robert Horton of Hebron and Charles Spies of

Back with Nationalist Army

Chinese anti-Communist guerrillas, remnants of the Nationalist mainland army of a decade ago, line up for train in Formosa after being airlifted from their bases in the Burma-Lao-Thailand border area last week. The soldiers, who fled to neighboring Burma when the Communists took over mainland China, were flown to the Nationalist stronghold on Formosa following recent protest by Burma. (AP Photo/Chia.)

New Type Swindle

Middleboro, Ky., March 30 (AP)—Police have uncovered a different type of swindle—one in which no money is involved.

They say a man, posing as a state official, visited homes receiving welfare checks.

After asking questions, the bogus official told his victims their checks were too small and promised to do something about it. In return, he received the hospitality of their homes for as long as three days while he "investigated."

### Erastus Root Story Evoked

By SUSAN FENDLETON

Miss Marjorie H. Martin, librarian at Douglas Library, received a request recently from Springfield, Mass., for information on several items of Hebron history.

It was asked if the house where U.S. Senator Erastus Root lived in Tolland County. Among questions he asks are the identity of the largest landowners and taxpayers in Hebron; what prominent people, including summer residents live in the town, and what people would be interested in the history of Hebron. Miss Martin is asking for help in answering these questions. If anyone knows if the Erastus Root house is still standing, Miss Martin would greatly appreciate a reply.

Clock Factory Set

Hyderabad, India — SIFCO, a Swain-Indian-French company, has been licensed to build a factory—the first of its kind in India — at Hyderabad. It will manufacture 10,000 alarm clocks a month. Eventually it will make precision instruments.

AREAS BILL VOTE

Washington, March 30 (AP)—Congress' four Democratic House members and one of its two Republican representatives voted today in favor of the administration's bill to deal economically distressed areas. In the minority, Rep. Abner W. Sibal, R-Norwalk, voted for the measure, which was passed 250-167, were Rep. Emilio C. Daddario, Hartford; Robert N. Giambo, North Haven; Frank K. Wasko, Meriden, and John S. Monaghan, Waterbury. All Democrats, and Horace Seely-Brown Jr., R-Pomfret.

NEW NAUTUCK CHIEF

Nauvauk, March 30 (AP)—Theodore Kinnasewski, 42, a veteran of 17 years on the police force, has been named chief of the town's police department. He was selected last night by the Nauvauk Police Commission. A lieutenant, he succeeds former Chief F. Richard Ostrom, who retired Feb. 1. Named deputy chief was Frank Mariano, 42, a detective lieutenant.

### Columbia Bloodmobile Tops Quota

In spite of rejects and cancellations, Columbia Red Cross Chapter topped its own record yesterday during the bloodmobile visit to St. Columba Church. A total of 84 pints of blood was donated to top the quota of 70 pints.

Mrs. John Prange, chapter blood program chairman, said of 111 scheduled donors, 91 attended. Ten were new donors (giving for the first time) and seven were repeat donors. The bloodmobile was unattended walk-in. She said a year ago today, 78 pints were received, the first time the quota had been made here.

Donors: one from West Hartford, one from Newington, two from Lebanon, two from Williamstown, 25 from Andover, seven from Hebron and 73 from Columbia.

Mrs. Charles J. Greiner, Mrs. Arthur Sweet, Mrs. Julian Kravetz, Lester Shea, Alfred Brand, the Rev. John R. Honan, Henry Berens, Miss Jean Natch, James A. Roy, Mrs. Edward Sheehan, Miss Matilda D'Esopo, Mrs. Edward Foot, Mrs. Kenneth Ellis, Mrs. James E. Edie, Mrs. James Frank R. Tompkins, Mrs. Frank R. Tompkins, Mrs. William W. Phelan, Mrs. Robert F. Caffaro, Mr. R. K. Davis, Leo Palmer, Mrs. Joseph Linsky, Mrs. Joseph Armstrong, Mrs. Arthur Cobb, Mrs. John Tettebach, Earl Gardner, Mr. and Mrs. Stewart Haining, Mrs. William Jacobus, Peter Yonkers, Mr. and Mrs. Douglas Yonkers, Mr. and Mrs. Donald Tuttle, Nelson Fred Myron Berkowitz, Henry Wroblinski, Mrs. Jack Thompson, Judith Henry, Mrs. Ruth Munson, Thomas Keegan and Mrs. Michael Smith Jr.

Also Boyd Tuttle, Mrs. Peggy Collier, Wallace Lohr, Arthur Bender, Mr. and Mrs. Arthur Fletcher, William E. Smith, John S. Pelachis Jr., Merton Votter, Donald F. James, Mr. and Mrs. Sidney Whitehouse, Mr. and Mrs. Elio Belli, William E. Smith, Mr. and Mrs. Carl E. Goelke, Albert R. Bourry, R. P. Spellman, Ar. L. Cole, Mr. and Mrs. Herbert C. Engbert Sr. and Mrs. Francis Haines.

And Mrs. Lucius W. Robinson Jr., Mrs. Philip Donohoe, Mrs. Kent Harstrom, Victor Robinson, John Dilworth, Mrs. Fred Lowman, Mrs. Clarence Jeffrey, Frank J. ### Bolton Bid Opening Slated Monday On Waterproofing Project

Bids will be opened Monday on the waterproofing project for the new school and the board of education will review the bids later at its meeting.

The repair project, expected to cost more than \$100,000, involves several matters to come before the board. It also meets at 8 p.m. at the school.

The board will also meet at 7:30 p.m. on Monday to review the bids for the school. A representative of the school district will be present to answer questions. The school district will be present to answer questions.

The board was informed at the March 23 meeting they must first report on progress to date. The work has begun on correcting the 10 violations. Requirements included installation of an automatic fire detector in the incinerator room, sealing the opening between the boiler room and the incinerator room, providing a vent in the incinerator room directly to outside, removal of storage from tunnels in south wing, fire alarm, reconstruction of doors into stairways, segregation of stairways by fire resistant partitions and doors on all levels and removal of all storage and the work bench from the boiler room.

A committee report on the March meeting to consider proposals for school expansion submitted by townspeople is scheduled to report. John Harris, board chairman, said he of today no proposals have been submitted. In view of the defect of an appropriation of \$5,000 to secure plans for a junior high school, the committee was named to receive any alternate plans residents might suggest.

J. B. Jestin, Canton superintendent of schools, has been invited by the board to explain the system used in Canton to evaluate teachers for the merit pay plan. Recommendations on salaries will be paid next year to the superintendent of buildings and grounds, the assistant custodian, school nurse, school secretary-board clerk and the school clerk will be discussed.

A board sub-committee will report their findings in a study of a proposal submitted by Park Commissioner Fred Chal to maintain the playground at the school by transferring the park and recreation department.

Also on the agenda are reports by the superintendent, principal, the 1961-62 budget, bond policies and transportation facilities of 1961-62.

Fact Finders Set Meeting

Raymond Cooper, chairman of the School Fact Finding Committee, reported last night that a public meeting of the group will be held April 4 at 8 p.m. in the community hall. Due to the fact some people claimed at a previous meeting the junior high school proposal was defeated because they objected to the house completed favorable action on a resolution urging the Connecticut Civil War Centennial Commission to boycott the ceremony commemorating the signing of the Declaration of Independence, S.C. and any other celebration where a racial segregation in public accommodations is a local practice.

### Clandaniel Joins Opera Company

Scott Clandaniel, son of Mr. and Mrs. Harold Clandaniel, 50 Meadow Ln., has been accepted as a singer with the Washington Opera Company in Washington, D. C. The tenor is preparing now for a production of "Carmen" to be presented next month.

Clandaniel, a junior at Georgetown University in Washington, is a member of the Westminster Congregational Church choir. He is a graduate of Manchester High School where he was a member of the Round Table Singers and glee club. When visiting at home, he is frequently a soloist with the Westminster Congregational Church choir here.

### 41B Class Reports Reunion Progress

The 1941B class reunion committee last night named a decorating committee and chose the band and orchestra for its June 17-20-year party at the K of C Home.

(Howard and Marge (Corder) Holmes and Wes and Florence (Kane) Vancour head the decorations committee. The Sophistries will provide music for dancing, and Imperial Officers will serve the buffet-style dinner.

Class President Joseph Bellis said the next meeting will be held Tuesday, April 11, at the home of Mrs. W. L. (Marge) Clay Doherty, 159 Tanner St., at which time committee members hope to have addresses of all classmates. A questionnaire will then be sent.

SEALED BUT NOT SIGNED

King John did not sign the famous Magna Carta at Runnymede, but it was "sealed." No signature or writing of any kind by King John has been found, and it is doubtful whether he could write.

# Spring Training WARM UP From Florida

## 'Pittsburgh Won't Get Jump This Time,' Declares Hemus

St. Petersburg, Fla.—"Pittsburgh won't get the rest of the year this season like they did a year ago," Manager Sly Hemus of the St. Louis Cardinals warned. "The club will have their best pitchers set up to work against the Cardinals in the batting cage each morning. 'Pittsburgh' expects to get as many as 100 at-bats as the defending champs, they will be the team to beat the city who acquired the usual nicknames of the Little Mouse and 'I know that 10 words my best pitchers against them everyday."

Biggest advance by any team in the National League standings over the previous year in 1960 was made by the Cards who moved 89 from seventh to third place.

"We're as good as anybody," I feel they have a better chance to win the pennant. Pittsburgh, Milwaukee and Los Angeles will be tough, he ventured to say in conversation with this Connecticut Yankee.

"Once your pitching gets tight and you're not always taking time, you usually can do a lot better," he said. "Last year we were a much stronger, and better, club during the second half of the season because of our pitching."

It takes time to find out what pitchers can win against certain teams, he said. "I've seen a lot of clubs regularly and other pitchers, working against them, and come up with losing games," Hemus said. "I've seen a lot of pitchers who were good in the winter but who were not good in the spring."

# Sheldon Stars Again in Red Sox Back

New York, March 30 (AP)—September 28, 1960 may turn out to be a mighty important date in the 1961 baseball fortunes of the Boston Red Sox. On that eventful day, Ted Williams revealed he was willing to accept a career as an active player.

The Red Sox team bowed to Washington, 5-4, in the afternoon and the "A" team lost at night to Baltimore in Miami, Fla.

Bill Skowron and Bobby Richardson, who pitched the Yankees over the Tigers with homers off Paul Fournier, Hank Aaron, Joe Adcock and Frank Robinson, were the winning Braves while Harmon Killebrew connected in a losing cause for the Twins while Sheldon, former University of Connecticut pitcher, blanked Benita.

# Victors Take Series Opener By 30 Points

## Moriarty's Trounces Shy-Ann

An inspired Moriarty Bros. quintet took the first of a three game playoff in the Rec Senior League by trouncing a ratty Shy-Ann team 30-15 last night at the Community Y.

Moriarty, as usual, opened with a well balanced attack with Jim Glemmy and Dick Pinto paving the way to an early lead. Their superiority under the boards enabled them to increase their lead to a 25-13 edge at halftime. Glemmy, Frank Ryan and Pinto continued the romp in the second half to take this initial game by a lopsided score.

# Leenig Resigns At Holy Cross

Worcester, Mass., March 30 (AP)—Roy Leenig has resigned as Holy Cross basketball coach after one of his most successful seasons in the history of the school.

Leenig, 58, cited "compelling personal reasons" as the cause of his resignation last night.

His team finished up a 22-5 record in the Eastern Division of the National Invitational Tournament in New York, leading to a championship Providence in overtime.

# Women's World Pin Mark Set

Danbury, March 30 (AP)—The pins really flew in Danbury last night as Mrs. Minerva Weenbers of Danbury won the Women's World Pin Mark Set.

The Danbury women rolled a three-gam string of 506 setting a new women's world record in duckpin bowling. She had rolled a 125, 260 and 107 at night.

# Amy Pirkey's 105.54 Led Manchester Women

With three of its bowlers among the best four in the league and all five included in the top eight, McCarthy Enterprises entered a shambles of the pennant race in the Manchester Women's Bowling League. When the final ball of the last game of the season had been rolled, McCarthy Enterprises was the team to beat.

# Good Pitching Balance

Cardinals

Cardinals

Cardinals

# Just Couple of Old Birds

139, Ray Sadecki (9-9) and Curt Simmons (7-4). This quartet was backed up by the best relief pitcher in the National League, Larry McSimmons, with 21 of 18 decisions on the right side of the ledger. He also saved 27 games. A save is determined by the pitcher who enters the game with the lead and who is the pitcher of record when the game ends.

# Good Hitting Pitchers Very Few But It's Not Iron Mike's Fault

Tampa, Fla.—Good hitting pitchers are almost nonexistent in the major leagues today. One of the best during the 1950's was Jimmie Foxx, who was hit by the ball in 1939 and 1953 was hit by Fred Hutchinson in 1953.

# Table Tennis Titles Settled Daniels Senior Champ; Grzyb and Patulak Win

Three champs were crowned in the Town Table Tennis Tournament at the East Side Rec last night but only after an evening of top notch table tennis. All matches were very hotly contested.

Big four with the Red Bird staff this season were Jimmie Foxx, Ernie Broglio, Larry Jackson (18-10) and Curt Simmons (7-4).

# Good Hitting Pitchers Very Few But It's Not Iron Mike's Fault

Tampa, Fla.—Good hitting pitchers are almost nonexistent in the major leagues today. One of the best during the 1950's was Jimmie Foxx, who was hit by the ball in 1939 and 1953 was hit by Fred Hutchinson in 1953.

# Table Tennis Titles Settled Daniels Senior Champ; Grzyb and Patulak Win

Three champs were crowned in the Town Table Tennis Tournament at the East Side Rec last night but only after an evening of top notch table tennis. All matches were very hotly contested.

# Champion's Trounces Shy-Ann

Worcester, Mass., March 30 (AP)—Roy Leenig has resigned as Holy Cross basketball coach after one of his most successful seasons in the history of the school.

# Women's World Pin Mark Set

Danbury, March 30 (AP)—The pins really flew in Danbury last night as Mrs. Minerva Weenbers of Danbury won the Women's World Pin Mark Set.
