U.S. Gives Way On Laos Stand

By TOM OCHILTREE
Geneva, May 15 (AP)—The United States reluctantly agreed today to take part in an international conference on Laos after President Kennedy approved an American concession that deliberately left the status of the Laotian delegates vague.

But maps still remained and the Soviet and British co-chairmen of the 14-nation conference notified the U.S. delegation there would be no opening meeting today. The conference had been scheduled to begin last Friday.

The problem that has held up the high level meeting has been deciding who would speak for Laos in negotiations on its political future. Three rival Laotian delegations are here.

The United States originally took the position that only Laotians who should be allowed at the conference table were representatives of the Pro-Western government of Premier Boua Oum.

The Communists insisted that the Communist-led Pathet Lao rebels and their self-styled neutralist allies under Prince Souvanna Phouma—who is recognized by the Reds as the legal premier of Laos—should be the spokesmen for Laos.

A new compromise formula worked out by British Foreign Secretary Lord Home and French Foreign Minister Maurice Coure de Murville appeared this morning to have the approval of all concerned.

The formula would allow all three rival Laotian delegations into the conference room as observers but avoid describing them as "representatives of Laos."

Instead, it was reported by British sources, they will be described as "Laotian delegates." This tricky

State's GOP Expands Plan For Highways

Hartford, May 15 (AP)—Republican leaders today offered an expanded highway program which would provide a total of \$181 million during the next 5½ years.

The GOP revised plan was announced today by Rep. J. Tyler Patterson of Old Lyme, House majority leader, and Sen. Peter P. Mariani of Groton, Senate minority leader.

It extends the original two-year plan, submitted by the Republicans last week, into a five-year commitment to build and finance roads from the highway fund.

The GOP program provides \$180 million for major highways and an additional \$1 million for the other highway needs.

Gov. John N. Dempsey's Democratic

State News Roundup

Dam Construction Gets Under Way

Torrington, May 15 (AP)—Gov. John N. Dempsey today attended ground-breaking ceremonies for the New Hall Meadow Brook Dam on the Naugatuck River and hailed the project as "an investment that will pay dividends in the future growth and development of Connecticut."

The Governor was one of the dignitaries at the ceremonies marking the start of the \$3.1 million flood control project.

If it had existed during the disastrous 1955 floods, the Governor said, the dam would have prevented an estimated \$17 million in damage.

This figure, contrasted with the cost of \$3.1 million, he said, "shows what a good investment we have in this dam."

Dempsey noted that the state's share of the cost would amount to some \$700,000, with the Federal Government paying the rest.

Dempsey paid tribute to the U.S. Army Engineer Corps, its engineers, and area flood control officials, for their flood control work since 1955.

The Governor also took the opportunity to put in a plug for the state's attraction as an industrial site.

"As a governor," he said, "it gives me great satisfaction to be able to tell industrialists, especially those considering Connecticut as a site for new or expanded operations, that this state is pushing ahead vigorously with the job of controlling its streams and rivers."

Extended Forecast

Windsor Locks, May 15 (AP)—The U.S. Weather Bureau at Bradley Field issued this extended forecast today for the period Tuesday, May 16, through Saturday, May 20.

The outlook calls for temperatures to average about 2 to 4 degrees above normal. Continued warm and humid except for periods of cooler weather about Wednesday and Friday.

The normal mean temperature in the Hartford area during this period is 61 degrees ranging from a high of 70 to a low of 48. In New Haven and Bridgeport the range is 67 to 45.

Precipitation may total one-half inch or more, occurring mainly as showers or thunderstorms late Tuesday and again about Thursday.

The normal mean temperature in the Hartford area during this period is 61 degrees ranging from a high of 70 to a low of 48. In New Haven and Bridgeport the range is 67 to 45.

Precipitation may total one-half inch or more, occurring mainly as showers or thunderstorms late Tuesday and again about Thursday.

Farm Shed Burns

Bloomfield, May 15 (AP)—Fire officials believe youngsters may have started the blaze that destroyed the contents of a storage shed owned by the Bloomfield Farmers Exchange on Wintonbury Avenue. Damage was estimated at between \$5,000 and \$10,000. The shed contained farm materials.

Student Honored

Storrs, May 15 (AP)—A 20-year-old student leader at the University of Connecticut has been named recipient of the Freckleton Memorial award for 1961.

Matthew B. Schechter of New York City, former president of the Conn. student governing body, will receive the award at a special banquet here Tuesday night.

The award is presented annually to an undergraduate "for a contribution to the Connecticut Daily Campus which serves as a notable example of student leadership."

Support Grows in Congress For New Parley at Summit

JFK Might Extend Stay In Europe

By DOUGLAS B. CORNELL
Palm Beach, Fla., May 13 (AP)—A Kennedy-Khrushchev conference on corrosive cold-war problems has become a definite possibility. The chances that one will be held, and held soon, are rated currently at 3 to 2.

But the grave issues of Laos and a valid ban on nuclear arms tests could turn out to be formidable barriers. In contrast, quick progress toward solutions could do much to assure a conference.

President Kennedy may extend a visit to Europe, which starts May 31, and stay on for his first meeting with Soviet Premier Nikita S. Khrushchev if things work out as they now appear likely to do. Either Stockholm or Vienna is regarded by the United States as a suitable site for the President and premier to meet face to face across the conference table.

At the moment, it is learned, a meeting definitely is under consideration but no firm decision has been reached. That may come within a week.

Prospects that the leaders of the world's two greatest powers may consult produced both hearty endorsements and words of caution from various leaders in Washington.

Herb in Palm Beach, White House Press Secretary Pierre Salinger, bombarded by questions about reports that efforts to arrange a Kennedy-Khrushchev meeting were under way, told reporters he could say only that "there are no plans for any such meeting at present."

He refused to read any significance into the phrase, "at present." But it was there, Kennedy himself, closing out a relaxing five days on the beach and golf course, was completely silent.

The chief executive is known to be tremendously concerned that in

Crash in Fog Damages Ships

Dover, Del., May 15 (AP)—A Scottish tanker and an American freighter which collided in a heavy fog headed for separate ports today for repairs to their bows which were extensively damaged.

The Coast Guard cutter in New York reported at 5 a.m. that the fog had lifted enough to allow the Norwegian, a 12,700-ton tanker, and the President Harrison, a 7,995-ton freighter, to proceed.

The Coast Guard said the Norwegian was headed for Philadelphia with assistance from two or three commercial tugs while the President Harrison was en route to Chester, Pa., under its own power.

The two ships collided yesterday shortly after 5 p.m. seven Coast Guard ships were rushed to the scene but the heavy fog made it difficult to render aid. They stood by to maintain traffic control.

U.S. Judge Testifies Eichmann Held Reins

Jerusalem, May 15 (AP)—An American judge testified today that Hermann Goering and Foreign Minister Joachim von Ribbentrop told him Adolf Eichmann was a main cog in the Nazi program to exterminate Europe's Jews.

Pennsylvania's Supreme Court Justice Michael A. Musmanno, of Pittsburgh, told the Eichmann trial court the defendant even carried his program into the Allied prisoner of war camps.

Musmanno testified on the basis of information he collected as a judge at the Nuremberg war crimes trials and as an interrogator for the U.S. Navy during the first Nuremberg trial in 1945-1946.

Reporting on his interrogation of top Nazi officials after their arrest, Musmanno told the court:

"Goering said he was not aware that the program of Jewish extermination had reached these reported proportions. The persons most responsible were Hitler, Bormann, Goebbels, Heydrich and Eichmann."

Asked if anyone else mentioned Eichmann, the judge replied:

"Yes, Ribbentrop said he reported directly to Hitler on foreign affairs. He said also he was very sorry that Hitler had put so much authority into Eichmann—into the program of Jewish extermination."

Former Gestapo Chief Ernst Kaltenbrunner, Musmanno continued, "said the persons who ran

the Jewish extermination program were 'Hitler, Bormann, Himmler, Kaltenbrunner, Heydrich and Eichmann.'"

Musmanno said "Hans Frank, Nazi governor general of Poland, 'decided to waste in blood no longer' and complained to Himmler. The judge said Frank was referred to Eichmann."

The witness said he had a long talk with Air Force Gen. Karl Koller, now dead, who stayed with Hitler in his Berlin bunker almost to the last minute. From Koller he learned that Hitler raged over the allied bombings and demanded all allied fliers captured be shot.

Cooler heads objected to that but Eichmann insisted that there of Jewish descent be liquidated. Musmanno said, Koller told him others managed to foil Eichmann by shifting the prisoners around in the camps.

In his own trial experience at Nuremberg, Musmanno said, a chart of the Reich security office showed Eichmann's IV-B-4 office assigned only to the simple word "Jews."

He said Eichmann's low rank of lieutenant colonel meant nothing for he reported directly to Himmler. He said that in 1944 a special court of the SS Elite Guard issued a warrant for Eichmann's arrest but was told it could have no jurisdiction because he was "performing a special task for Hitler."

(Continued on Page Eight)

Hope Seen For Easing Of Tension

Washington, May 15 (AP)—Support for a meeting between President Kennedy and Soviet Premier Nikita S. Khrushchev built up today in Congress. Such a meeting is reported to be probable. Sen. Hubert H. Humphrey of Minnesota, assistant Senate Democratic leader, declared that "modern world politics require the personal diplomacy of heads of state."

"The present world situation is too serious and too dangerous for any one to stand by the grand rules of old-fashioned, normal diplomacy," Humphrey told newsmen.

"If any man can help to ease world tensions without compromising the position of the United States and other free nations, it is President Kennedy."

Sen. John Sparkman, D-Ala., second ranking Democrat on the Senate Foreign Relations Committee, expressed a similar view.

"I was pleased to read that such a meeting may be in the works," Sparkman said. "I have always advocated conferences to talk over problems. Some of them don't accomplish anything, but you don't accomplish anything if you don't try."

"At least we would be demonstrating our willingness to try, even if these always is a risk involved when you are dealing with Khrushchev. He used the U2 spy plane incident to torpedo the Paris Summit meeting last year. I don't think he will have any such excuse this time."

"It is timely to have such a meeting."

Sen. Wayne Morse, D-Ore., another member of the Foreign Relations Committee, said he thought the meeting "is a good idea" and hoped it wasn't "too late."

"We can't afford to waste further time trying to find an honorable solution," Morse told reporters.

Goldfine Pleads Guilty To Tax Dodge Counts

Boston, May 15 (AP)—Bernard Goldfine, Boston industrialist, pleaded guilty today to charges of evading nearly \$500,000 in personal and corporate income taxes.

U.S. District Court Judge George C. Sweeney continued the case for disposition and ordered Goldfine to report to a court-appointed psychiatrist to determine his present mental competence.

The sudden plea came after defense and prosecution attorneys were closed by Judge Sweeney for more than a half hour.

When the court finally opened E. Bennett Williams, Goldfine's chief counsel, said that "the defendant has expressed the desire to withdraw pleas heretofore entered and to enter pleas of guilty."

Williams said, however, before the pleas were entered he wanted to ask that an examination be ordered to determine if Goldfine is competent to make such a plea.

"I'll accept the plea subject to a psychiatrist ruling on his competence," Judge Sweeney said.

Goldfine's voice pleaded guilty to the two indictments, one charging evasion of \$450,961 in personal taxes and the other of \$340,784 in taxes on the Strathmore Woolen Corp., one of his firms.

Goldfine's tax troubles began after the Russian-born industrialist's many favors to high level political associates. Beginning in 1958, the 70-year-old businessman went through a series of congressional hearings into his practice of gift-giving among Washington figures.

Probably the outstanding instance involved Sherman Adams, former New Hampshire governor and former assistant to President Eisenhower. The disclosure about Goldfine's presents led Adams to resign from the White House post.

Goldfine was accompanied to court by his wife, Mrs. Charlotte Goldfine.

His secretary and co-defendant in the Strathmore case, Miss Mildred Paperman, arrived at the same time with Goldfine's son, Solomon.

Miss Paperman is due to be sentenced in the Strathmore case on June 5.

She previously was charged also with evasion of \$25,000 in personal

Film World Mourns Death of Gary Cooper

Hollywood, May 15 (AP)—The body of Gary Cooper lay in a mortuary chapel today as the world paid tribute to his death.

Rosary will be recited tonight for the 60-year-old star, who lost his fight with cancer Saturday. Tomorrow his friends among the leading ranks of Hollywood greats will file into the Church of the Good Shepherd in Beverly Hills for the funeral.

The shock of his passing was not lessened by the fact that he had been dying for a month that he was known. As the news swept around the world, it evoked words of appreciation for the lanky Montanan who personified the American hero.

Pope John XXIII cabled a message of sorrow to Cooper's widow and daughter. The British Broadcasting Corp. telecast a 15-minute tribute to the actor. "We feel like we've lost our best friend," permed the movie critic of the Tokyo Shimbun.

The Washington Post editorialized: "... (Cooper) came to be a symbol of the vigor, courage and heroism in American life. It is greatly to his credit that his private life did not become a screen-image, as so frequently happens in Hollywood."

The London Times devoted 800 words to Cooper, calling him "the all-American hero."

"In the naturally shifting and changing realm of screen reputations, he was one of the really few perennial stars," the Times said. "His place will be difficult to fill."

The Cannes Film Festival in France lost its gaiety with news of Cooper's death. "The entire festi-

Pope to Issue Encyclical on Social Stand

Vatican City, May 15 (AP)—Pope John XXIII will issue major encyclical soon giving the Roman Catholic church's position on modern social problems.

The pontiff told an assembly of 100,000 workers from Italy and some 60 other nations yesterday that his document will outline "a new kind of 'Rerum Novarum'—a new life and apostolic social activity... a living in Christ."

The new encyclical will mark the 70th anniversary of Pope Leo's XIII's famous encyclical "Rerum Novarum" of new things. That Papal letter of 1891 stated the Catholic position on labor, wealth and social justice. Along with the quadragesimo anno (forty years later), it is still a basic document of the church's teaching in the social field.

Pope John said his encyclical would supplement Pope Leo's and would deal with the "new, grave and at times perilous problems of our epoch." He said the problem of underdeveloped countries "is justly called the problem of the modern epoch."

Publication of the encyclical had been expected today, the anniversary of the death of Pope John. Two British paratroopers survived an 800-foot fall in basket of bar rage balloon that blew up during training near London.

GOP Starts Attack On Kennedy Plans

Washington, May 15 (AP)—Senate Republicans launched today a two-pronged attack against President Kennedy's aid to education program and his government reorganization order.

Sen. Styles Bridges of New Hampshire, chairman of the Senate Republican policy committee, said GOP senators will try to establish general party lines on these issues in a closed session tomorrow.

While Republicans are divided on the education issue, Bridges said he thinks a majority of them may support a tax-rebate substitute for the administration's \$2.35 billion bill which comes up in the Senate tomorrow.

Instead of federal grants and loans for teachers' salaries and school construction over the next three years, Sen. Francis Case,

Hope May Receive Medal from U.S.

Washington, May 15 (AP)—"Moments enriched by humor are moments free from hate and conflict, and therefore valued by mankind," said a Senate resolution today proposing a gold medal for comedian Bob Hope.

The resolution, prepared for introduction by Sen. Stuart Symington, D-Mo., on behalf of 67 senators, cited Hope's "countless miles of travel around the globe" to entertain American troops.

"Another less-known side of Hope's life," Symington said, is that "for many years, quietly but consistently, this American has been engaged in a career of good works."

TV School in Airplane Wings over Six States

Chicago, May 15 (AP)—A converted airliner takes wing over Indiana today to broadcast the first educational television program to a score of schools in a six-state area.

The DC-6, crammed with six tons of ultra high frequency TV equipment, is to beam experimental, taped lectures as part of the Midwest Program in Airborne Television Instruction (MPATI) test of an aerial transmitting setup.

An airplane is used because its altitude lets it beam more than 200 miles in all directions — an area MPATI spokesmen say which otherwise would require some 14 ground-based transmitters.

Educators, newsmen and participants teachers yesterday saw a sample of the system pegged at supplementing grade and high school curriculums.

Excerpts of filmed presentations in French, Spanish, science and geographical-history lessons were shown at 25 open house sites throughout the test area.

A sample curriculum is scheduled for selected schools in Indiana, Illinois, Wisconsin, Michigan, Ohio and Kentucky today to June 1.

The aircraft is to fly a prescribed pattern 23,000 feet above Montpelier, in Northeast Indiana. It broadcasts on

KILLERS SOUGHT

Cambridge, Mass., May 15 (AP)—Police surrounded a woodland some 10 miles from Cambridge in a concentrated man hunt today for two accused killers who broke out of Middlesex County Jail yesterday after killing the warden. Under orders to shoot to kill if necessary, less the United States and Lincoln, a quiet suburb, after a stolen station wagon was found hidden in dense woods. Police were convinced the gold-colored station wagon was the one stolen yesterday by Norman Porter, 21, of Woburn, after his break from jail with Edgar W. Cook, 48, of Brookline.

REDS MAY RESUME TESTS

Geneva, May 15 (AP)—The Soviet government said today it might have to resume testing nuclear and hydrogen weapons unless the United States and Britain get France to abandon its testing program. The assertion was contained in a formal statement Soviet Delegate Semyon K. Tsarapkin read into the record of the deadlocked nuclear conference at its 35th session.

STOCK PROBE ORDERED

Washington, May 15 (AP)—The Securities and Exchange Commission today ordered an investigation of the American Stock Exchange — the second largest in New York City and the nation. The decision on the inquiry grew out of an SEC investigation of Jerry and Gerard Lee, two American Exchange specialists who were banished from Wall Street by the commission on charges of rigging stock prices and illegal stock sales.

Superb Pitching Enables Castoff Club to Roll Up Three Straight Victories

Don't Waste Sympathy on Scrap Pile Senators

New York, May 15 (AP)—Don't waste sympathy for Washington's scrap pile Senators. Perhaps you should save it for the opposition. They laughed last winter when Washington's General Manager Ed Dobson said field leader Mickey Vernon announced their decision to leave the American League last fall.

Major League Leaders

NATIONAL LEAGUE (Based on 60 or more at bats)—Moore, Los Angeles, .373; Mathews, Milwaukee, .366; Clemente, Pittsburgh, .352; Virville, Montreal, .350; Cunningham, St. Louis, .348.

Yogi Delivers in Clutch

Pinch hitter Yogi Berra of the Yankees plasters a two-out and bases loaded in the 11th inning of first game of doubleheader against Detroit in Yankee Stadium yesterday. Berra gave Yankees a 2-0 victory. New York also won nightcap, 5-6. (AP Photos.)

Strategy Conferences Always for a Reason

Chicago, May 15 (AP)—Baseball strategy conferences involving coaches, managers and front office personnel are being held in various ball parks today.

Eight Horses to Run Saturday in Preakness Run at Pimlico

Baltimore, May 15 (AP)—Carryin a whiz-kid mile time of 1:35.5, Swifted from center to the triple-crown will have to be round seven or so on Wednesday for the Preakness. His prep run at the Pimlico race track was a 1:50.00 mile. The Preakness is a 1 1/2-mile race. The favorite is Carry Back.

Sunday's Homers

Sunday's Totals in Postseason American League: King, Senators (2); Wright, Yankees (2); Williams, Orioles (1); Herzog, Orioles (1); Cleveland, Yankees (1); Solari, Yankees (1); Maresca, Yankees (1); Aparicio, White Sox (1); McGowan, White Sox (1); Landis, White Sox (1); McGowan, Athletics (1); Pignatone, Athletics (1); Lomon, Twins (2).

Dusty League Opens

Doubleheader tonight marks the opening of the Dusty League. The game will be a doubleheader between the Yankees and the Senators.

Giants Win Game

Washington's scrap pile Senators. Perhaps you should save it for the opposition. They laughed last winter when Washington's General Manager Ed Dobson said field leader Mickey Vernon announced their decision to leave the American League last fall.

Four Rookies Gain Places in 500 Field

Indianapolis, May 15 (AP)—Branch Rickey has taken the place of four veterans killed since starting in the 1900 Memorial Day auto race.

Girl Drivers in Top Roles at Race Track

Girl drivers captured top honors at quarter midget races in Buckland Saturday night.
