More than 20 artists and craftswomen from all parts of Connecticut exhibited their work at the Coventry Arts and Crafts Show which opened at 10 a.m. today in the MacQuone room at the Town Green. The arts and crafts show and sale will continue daily from 10 a.m. to 5:30 p.m. throughout the week's celebration.

Among craftsmen who will present demonstrations will be John Field and of Coventry, who will show how to make pottery; John Geyer of Guilford, who will demonstrate the art of bookbinding; and Mrs. Nancy Adams of Coventry, who will show how to make soap.

Artists, both professional and amateur, who exhibit in the show include Richard Upton of Coventry, Kenneth Forman of Mansfield Center, Cynthia Sawyer of Storrs, Betty Hays of Storrs, Gordon MacPherson of Andover, James Morse of Bolton, Nora Ady Deane of Coventry, Grace Telford of Manchester, Clyde Jones of Storrs, Jack MacQuone of Coventry, Stephen G. Corwin of Hartford, Warren Varian of Coventry, Mrs. Harold E. Wheeler of Manchester.

### Bolton Joint Session Scheduled on School Plans

The public building commission (PBC) met Wednesday at 8 p.m. at the Community Hall for a joint meeting with the board of education to discuss preliminary plans for the proposed secondary school on Brady St.

The date was changed from Monday since School Superintendent Liguori had made other plans for Monday night. Architect Arnold Lawrence at a meeting with the PBC Monday night said that it was important for Liguori to be present since the superintendent had worked closely with him in preparing the preliminary sketches and site plans.

The preliminary sketches included suggestions for many meetings of its staff members of the PBC and Liguori. The plan called for a new building to be built on the site of the old school, with little or no major changes to be made to the old building, which would be used as a gymnasium.

### Stamps in the News

8-Day Run Dropped  
While it is desirable to collect stamps at least three weeks in advance of the date of release of a new stamp, there are instances when the delay does not reach collectors in sufficient time to get to the post office in time to buy the new stamp. This was the case when the 8-cent stamp was released on Monday.

Therefore, the P.O. says the policy of requiring all first day covers to be mailed by the first day of sale of a new stamp is being dropped to permit collectors to send orders to the first day office up to the date of release of the new stamp.

The music was excellent and more than repaid the slight delay in the event of inclement weather, which doubtless influenced Robert Newman's decision to hold the concert outdoors even though it was a hot one.

### Sheinwold on Bridge

WHICH DISASTER TO CHOOSE AGAINST  
By Alfred Sheinwold  
Experienced bridge players know that there are days when it is better to get out of bed. Something bad is going to happen, and the best thing you can do is to get up and go to work. West opened the ace of hearts and continued with a heart. South ruffed and pondered long and finally decided to lead the king.

Finally South led the ace of spades, clutching his brow in anguish when East showed out. West had to get two trump tricks, and South was down one. Didn't you expect a bad trump break? North asked lily. Could you lead a low trump to the nine instead of stammering down that silly ace of trumps?

Good thing! South You have good insight. I would lead the first trump trick if somebody had a singleton club and got a club ruff if the bid trump break more likely than a 4-1 club break.

It was a reasonable answer, and the game proceeded, without further argument. But it raises an interesting question: Which bid should you lead to guard against a position of this kind?

South should lead a low spade toward dummy's nine. The spade danger is less likely but more pressing than the club danger.

When you have a close choice, look on the opponent to make a mistake. It may be a bad day for them, too.

As dealer, you hold: Spades — A K Q 10 9 8; Hearts — 7; Diamonds — 10 9 8 7 6 5 4 3 2; Clubs — 10 9 8 7 6 5 4 3 2.

What do you lead?

Ten flashings and six clubs were among the suit-bid cards which opened the Columbia-Lake Sailing "this season" Wednesday. Traditionally, the season opens on the first day of July and continues each Sunday at 2 p.m.

Chuck Foran took first place in the Lightning group and Bob Fletcher "came in second." First place with Henry M. Beck Jr. in second place. Ricky Mottice took second in the Lightning group, and as one resident on them said, "The roads are in good shape if you give the routine care this year. To have them as they are makes motorists traveling these cautious."

In 1941, the selection voted to confirm action taken in past years regarding this and several other roads discontinued by the town.

Therefore, the selection continued at last night's meeting, there is no need to be recognized at the Schoolhouse Lane, which is to be discontinued. Later about 100 to be licensed. Late comers must pay a penalty.

### \$78,654 Set Aside For Heart Study

The Connecticut Heart Association announced today that \$78,654 has been allocated for research in the field of heart and blood vessel diseases for the fiscal year 1965.

As part of the state total, the Manchester Area Heart Association has contributed \$4,000 in research funds to support Dr. Allan N. Goodman's research projects in diseases of the heart at Yale University. The funds directed to the Manchester Chapter for research are in addition to its contribution to the American Heart Association's \$4,100,000 research program for the fiscal year.

The Connecticut Heart Association and its chapters will contribute to the support of 27 scientists during the coming year.

### Connecticut Bank Income Higher

HARTFORD (AP)—The Connecticut Bank and Trust Co. has reported that total operating income for the first six months of 1965 showed an increase of 88.7 per cent over the comparable period last year.

Board Chairman Lester E. Shippee said total operating income for the six month period ended June 30 amounted to \$12,119,088.

Net operating income totaled \$2,606,878, or \$2.28 a share. This compared with \$2,209,886, or \$1.98 a share for the corresponding period in 1964.

Deposits on June 30, Shippee said, were \$81,981,787, compared with \$406,521,826 a year ago.

### 29 June Fires Reported by Town

Town Fire Chief William Cliff Mason, in his report of fires, said 29 alarms were answered, including 39 actual fires, five false alarms and one rescue and emergency call.

June fires included 16 fires in buildings, five brush or grass fires in vehicles or equipment outdoors, and two non-building fires.

The greatest loss since July 1, 1961, were 287 alarms of which 293 fires actual fires, 28 false alarms, and four accidental and unnecessary. Chief Mason noted.

### How to gain from a loss

If you own a stock now quoted at a lower price than you paid... and if that stock no longer seems to fit your specifications... you might be wise to dispose of your shares and use the loss to lighten your Federal Income Tax load. The Revenue Act permits you to use capital losses to offset a deduction up to \$1,000 from taxable ordinary income in the current year.

By combining your sale with a purchase of shares of another company—possibly in another industry—you could well improve your over-all investment position.

A word of caution: act only on the basis of professional opinion. You will be most welcome at Putnam & Co. if you wish to discuss your situation.

### Columbia School Repair Voted, Roads Issued Denied

A special town meeting with about 50 voters present last night quickly disposed of its business. The meeting authorized a \$100,000 bond issue for the repair of Columbia roads.

The meeting also authorized the board of education to engage an architect to secure plans and specifications for the repair of roads.

No action was taken on a suggestion that Carol Mill Rd. and Johnson Rd. be widened and paved. The meeting has tried for years to buy a strip of land from a property owner at the only point on Carol Mill Rd. which actually should be widened. He said this is the year that the road will be both widened and paved.

Chuck Foran took first place in the Lightning group and Bob Fletcher "came in second." First place with Henry M. Beck Jr. in second place. Ricky Mottice took second in the Lightning group, and as one resident on them said, "The roads are in good shape if you give the routine care this year. To have them as they are makes motorists traveling these cautious."

In 1941, the selection voted to confirm action taken in past years regarding this and several other roads discontinued by the town.

Therefore, the selection continued at last night's meeting, there is no need to be recognized at the Schoolhouse Lane, which is to be discontinued. Later about 100 to be licensed. Late comers must pay a penalty.

### Tolland County Superior Court

Three divorces were granted area residents by Judge Joseph Clark Wilgorski in a recent session of the Tolland County Superior Court.

Those receiving the divorces were: Frances T. Kelly from Earl T. Kelly, both of Coventry, \$10 a week alimony and \$100 costal fees.

Olga Haggerty, from William Haggerty, both of Vernon, custody of two children, \$15 a week for each child and \$10 weekly alimony granted to Mrs. Haggerty.

Rosemary Graves, Hartford, from Harold G. Graves, Coventry, custody of a child, \$5 a week alimony and \$100 costal fees granted to Mrs. Graves.

Other area cases coming before the court were disposed of in the following fashion:

Rachel E. Stinson against the Clark Walpole Corp., both of Bolton, complaint dismissed. Mr. Stinson, board chairman, said today. The state requires that the treasurer of a public school system launch program be paid by the board of education and for this Mrs. Stinson will be receiving the \$300, Mrs. Heckler said.

### Rockville/Vernon Fourth Candidate Seen In District Board Race

At least one challenge for a spot on the next Vernon District Board of Fire Commissioners will be raised from the floor next Tuesday night at the annual election and meeting of the fire district.

The latest candidate entering the field is Bruce Beaton of George Dr., who is being backed by the Rockville/Vernon Fire Association formed by residents in the Beaton Rd. area.

Candidates endorsed for nomination by the fire companies are Frank B. Cornell, Co. 1; John J. Lehan, Co. 2; and Raymond C. Jackson, Co. 3.

The procedure used in instances where there are more than three candidates is to designate as winners those receiving the highest number of votes, according to district counsel Robert D. King.

Beaton, who reports his area appears closest to Co. 1 firehouse "as the crowd there," said the residents in his vicinity were interested in getting better representation on the board. He also feels district affairs should be "carried on in a more businesslike fashion."

Beaton, a World War II veteran, is the manager of a service station in Wethersfield. He also is a past commander of the Wethersfield VFW Post and was a founder and charter member of the Wethersfield Voluntary Assistance Association.

Lehan is the only incumbent on the board who is seeking re-election. Other incumbents who will not run again are Donald Lovrin, chairman, and John Varnier, owner.

The Rockville/Vernon Fire Association also is backing William J. Jones of Skinner Rd. for a position on the zoning commission. It is reported several other potential candidates for the zoning commission also are being mentioned for election, it is said.

George Wilson, incumbent on the zoning commission whose term is expiring, has said he will not be available for re-election.

Other office holders whose terms are due to expire are Kris Kilpatrick, zoning board, and John Hartz, planning board of appeal.

Both are believed to be interested in running again.

The election and annual meeting will be held at the Vernon Elementary School, 460 Main St., at 8 p.m.

The special meeting is being called to seek approval of \$8,000 in proposed expenditures to be taken from the district's surplus funds. Proposed expenditures are \$4,500 for a brush fire truck, \$2,000 for equipment for a recently purchased tanker truck, and \$1,500 for two-way radios to be used in cars of Vernon fire district officials.

The \$8,000 would be transferred from an estimated \$23,000 in surplus funds at the close of the fiscal year. The remainder of the surplus has been earmarked for transfer into the district's reserve fund for \$20,000.

The book truck and other equipment items had been mentioned for purchase at a recent commissioners' meeting, and it was subsequently decided to buy them with surplus funds rather than to include them in the next budget.

Public hearings on the forthcoming 1962-63 budget were held Monday, at which time it was urged that a special, emergency alarm system be initiated. Commission chairman Robert D. King said the system will not be included in the budget requests to be presented for approval on Tuesday.

Total of the new budget is \$1,485, as compared to \$1,300 appropriated for the current year. The district's present tax rate is 4.5 mills. A three-mill tax rate has been estimated for the next fiscal period.

Other items to be considered at Tuesday's annual meeting, in addition to elections, budget and tax rate—are the possible adoption of an anti-litter ordinance, transfer of surplus funds into the reserve fund for capital and improvement expenses, and acceptance of a quit-claim deed from the town for property known as the old Dobsonville school.

Gold Children Napped

Several women of St. Bernard's Women's Guild have accepted chairmanships for the coming year, according to Mrs. John Conroy, guild president.

Those named chairmen are: Mrs. Wilbur Otto, cooperation with charities; Mrs. Louis Marquis and Mrs. Bernard Carpenter, family and parent education; Miss Ann Williams, organization and Stanley Pugh, organization and development; Mrs. Theodore May, spiritual development; Mrs. Frederick Hartenstein and Mrs. William Klinger, public relations; Mrs. Clarence McCarthy, library and literature; and Miss Agnes Kennedy, stock committee.

Public Hearing Set

A public hearing will be held by the Rockville/Vernon Planning Commission at 7:30 p.m. Wednesday at the City Hall court room in Rockville/Vernon. The hearing will be held in the building at 5 W. Main St. in asking the commission to approve conversion of the building's second floor from office use to single room apartment units.

Stanley Klinger, owner of 511 Hill Rd., Toland, is among 24 candidates who passed a written certified public accountant examination given in May by the Connecticut Board of Accountancy.

Town Report Available

The 1961 annual report for the Town of Vernon is back from the printers and is now available at the office of Town Clerk Henry Butler.

Unemployment Claims Filed with the Rockville/Vernon State Labor Department totaled 117 for the week ending June 30.

### OAS Leader Gets 3 Coups de Grace From Executioners

This was an unprecedented chronology. It went like this: "Just after the shots of the firing squad, the coup de grace was given. The firing squad left, and the executioner noticed that Dequiere was breathing deeply."

"He's not dead," I told a comrade who was there.

"These are the screams of the death agony, the coldest replied. "Are you a doctor?" I asked.

"At that moment an adjutant gave a second coup de grace. I went up again and Dequiere was still breathing and suffering enormously. Finally, a physician came, after seven minutes. Then the adjutant three times tried to give a new coup de grace, but each of the three times the bullets missed. He had to go get another revolver and it was not until 11 minutes after the shots of the firing squad that the final coup de grace was given."

The OAS officials said they had no information to confirm the statement.

### Brazilian Troops Quell Mobs Rioting for Food

Angered, the workers marched on one store shouting "we want food." A guard drew a pistol and went to the store and noticed that Dequiere was breathing deeply.

"He's not dead," I told a comrade who was there.

"These are the screams of the death agony, the coldest replied. "Are you a doctor?" I asked.

### Low Patient Load Permits Hospital To Paint Section

Manchester Memorial Hospital officials have closed off adjoining sections of Third Central and Third East Intermediate Area, for renovation.

The area will have a new coat of paint as well as installation of some new furniture, purchased with funds donated by the Hospital Auxiliary. The present low census has allowed for the renovation activities, it was noted.

Show helps justify this cost by bringing down nitrogen, sulfur and other fertile elements from the air.

### VFW Gets Letter, Photo from Glenn

A letter and autographed color photograph from Lt. Col. John H. Glenn Jr. was presented Tuesday evening at the VFW Post Home and evening to Anderson Shee Post and the astronaut's letter and photo mounted in a dual frame, were given to the VFW by Mrs. Raymond Hagnew, publicity chairman of Anderson Shee auxiliary. Her gift was accepted by Joseph P. Hickey, VFW post commander, and Mrs. John Vince, auxiliary president.

Mrs. Hagnew wrote a letter to the Mercury astronaut of the Friendship 7 flight in March, soon after a speech here by Adrian Cronkhite, national VFW congressman director of Washington, D. C. Glenn's comments about patriotism and the American flag, they have shown since the war on displaying the American flag. We are also glad to have you as a lifetime member of our VFW organization," Mrs. Hagnew wrote. She also asked for a photograph of the astronaut.

Glenn's reply expressed appreciation for interest in the manned space flight program.

### Sub Outfielder Don Dillard Gets Key Hit for Cleveland Again Dodger Homers Subdue Giants

NEW YORK (AP)—It's their usual style to dominate the National League opposition with speed and footwork. But for a change of pace, the striking Los Angeles Dodgers can slug away with a heavyweight punch.

For example yesterday.

They rolled to a 11-3 romp in the mid-season four-game series at San Francisco, opening the 14-hit attack with a home run by Tommy Davis in the first inning and another in the eighth.

For example yesterday.

They rolled to a 11-3 romp in the mid-season four-game series at San Francisco, opening the 14-hit attack with a home run by Tommy Davis in the first inning and another in the eighth.

Wills Davis, who counted four homers among their total of nine in the NL's only other game. Alvin McBean threw a five-inning shutout for the Philadelphia Phillies in a row and the Phillies' eighth straight loss.

The Dodgers clipped left-hander Mike McCormick for their four homers and six of their runs in the first five innings, then continued the rout against the Braves Jim Duffalo and Don Larsen.

Fairly started the long range, blasting with his homer in the second, then in the third Willie Davis connected for two, with a man on, and Howard's single, a walk and a sacrifice fly in the fourth, pushed the Dodgers ahead 4-0 in the fifth, and Howard promptly followed with his fifth.

McCormick pitched the seventh, Willie Davis reached first on an earlier right-hander's error, and Howard hit a sacrifice fly and Fairly singled. Result—two more runs.

Larsen surrendered three in the eighth, but the Dodgers' support came from Tommy Davis, Frank Howard, Ron Fairly and

### Plenty of Reason to Smile for These Golfers

Reason for the smiles. Simple. Walt Ferguson, left, and Jim McCarthy, right, teamed up yesterday to win the Major Tournament, the most lucrative in dollars, centered on the schedule, at the Manchester Country Club. The pair easily disposed of Ed Lokka and Pete Zerito in the 36-hole finals by a 6 and 4 score. McCarthy, a builder, had a hot putter throughout the play. Ferguson is co-publisher of The Herald. The winners led by three holes at the end of 18 and closed out the match on the 18th. McCarthy eagled the fourth hole, holing out with a wedge. (Herald Photo by Ofara.)
