Redistricting by April 30 Urged by Gov. Dempsey

NEW HAVEN (AP)—Gov. John N. Dempsey has recommended that the legislature be given only a month to make changes in the state's congressional districts. The Governor urged yesterday that the six U.S. Representatives from Connecticut be held this year unless the General Assembly in Maryland and allow congressional districts of equal population. Dempsey's proposal, filed in U.S. District Court by Atty. Gen. Harold M. Mulvey in the

State Police Hunt Jail Escapee in Brooklyn Woods

HARTFORD (AP)—A wide scale search by state troopers with police dogs was underway this afternoon at Brooklyn for a 19-year-old escapee from the Windham County State Jail. Police say they are looking for Norman Knight who escaped while on a work party this morning. Knight was seen in the woods near the town of Windham. The car was later found near the Brooklyn Fair grounds at Rt. 4 and 200. Police said they felt Knight was on foot in the wooded area. He still had the knife in his possession. Additional troopers from the Hartford and Stafford Springs Troop were dispatched to the area along with the dogs. Capt. Robert Hunsley, Western Division commander, said Knight is described as being five feet 10 inches, 154 pounds, brown eyes, brown hair with a ruddy complexion. He is wearing blue denim clothing.

Workers Flee Fire

DERBY (AP)—A fire caused about 15 workers to flee the B. F. Goodrich Co. Plant last night. Fire Chief Richard T. Kieley said the flames spread from the heat exhaust system in the epoxy products division plant and shot up a ventilator duct. The fire damaged a second floor rest area and the roof of the building. Water damage was to be heavy. Company officials said the section damaged by the fire would be closed for two days. Production continued in other sections of the plant. There was no financial estimate of the loss.

King Saud Ousted, Brother in Power

DAMASCUS, Syria (AP)—The King Saud of Saudi Arabia reduced him to a figurehead, has been stripped of all powers, and his brother, Crown Prince Faisal, proclaimed regent, and unopposed ruler of the oil-rich desert kingdom, Mecca, Saudi Arabia announced Monday night. Faisal took over after a power struggle that threatened to plunge Saudi Arabia into civil war. Faisal, Saudi Arabia's 56-year-old premier, issued a royal decree delegating Saudi's organizational, political, administrative, judicial and executive powers and prerogatives to himself. The change left Saud, the 61-year-old monarch who has ruled the country since his father, King Ibn Saud died in November 1953, with the title of king and little else. Faisal's decree left Saud, who has made several trips to Europe in recent years for treatment, is expected to leave the country soon for "reasons of health." Faisal named himself regent after 12 Moslem religious leaders adopted a resolution declaring Saud "unfit to conduct the affairs of state." Approved by 58 Saudi princes, the resolution said all Saudi powers and prerogatives should go to Faisal "in light of the dispute between His Majesty the King and His Highness Prince Faisal which was about to lead the country into insurrection and anarchy" and because of the king's "physical condition and his current circumstances." Faisal, who has been crown prince since his elder brother took the throne, took all powers to run Saudi Arabia's internal and foreign affairs without consulting Saud. He is to remain regent even if the king is in the country. The power struggle between the brothers has been going on for years. It reached a climax

80-Foot Wave Hit Chena; Twenty Lost

ANCHORAGE, Alaska (AP)—Shattered Alaska counted more dead today and reports from backwater villages indicated there may be still many more victims of the great earthquake. The toll of dead and presumed dead mounted to 174 in a tally released by Alaska Civil Defense. Officials noted some of the deaths could not be confirmed. The picturesque island of Kodiak, southwest of Anchorage in the Gulf of Alaska, appeared to be the state's hardest hit area. The report showed 72 or more dead or presumed dead as a result of Friday evening's quake and tidal waves. The Kodiak toll was based on reports furnished by state police after a tour of the island's torn and twisted villages. Omitted from the Civil Defense Report from Fairbanks indicated half the town's population of 46 may have been lost in a desperate race for higher ground against an 80-foot tidal wave. The Fairbanks reports said two persons were known dead and 20 missing after the waves washed away the little town. Civil Defense said it could neither confirm nor deny the report based on stories from survivors flown to Cordova. The new casualty figures were up 74 from the last Civil Defense report issued Monday. Nearly all the new dead were from Kodiak—which listed only seven victims Monday. The list by communities plus the tally from Chena showed these counts: Anchorage, 8 dead, 2 presumed dead; Whittier, one dead, 12 presumed dead; Cordova, one dead; Homer, 3 dead; Kodiak Island, 2 dead, 30 presumed dead; Kayak Island, one dead; Chena, 2 dead, 20 presumed dead. The list seemed to confirm the belief that scores of fishermen and seaside residents had

Leftist Brazilian Defiant in Crisis

RIO DE JANEIRO, Brazil (AP)—President Jose Goulart warned opponents Monday night he will not modify his reform program and charged that foreign money is helping finance the campaign against him. The leftist president spoke in a nationwide television address which followed criticism of his decision, later reversed, not to publish mutinous sailors who joined in a Communist-inspired passive rebellion. "There is no force capable of turning us aside from our program. Goulart said amid a deepening crisis of economic and political troubles, runaway inflation, labor unrest and increasing Communist influence. The social and constitutional reforms Goulart vowed to push through Congress would facilitate

MacArthur Wages Quake Dealt Severe Blow To Economy

WASHINGTON (AP)—General Douglas MacArthur's three major surgical operations in a period of 24 days. Lt. Col. Edward Costello, chief of public information for the Walter Reed Army Medical Center, said Brig. Gen. Henry S. Murphy had told him the feeling is that MacArthur does not have a "crack ulcer" of the stomach, but that this possibility cannot be entirely ruled out at present. The doctors reported loss of kidney function Monday but very promising after the operation was recorded during the day. "Heart junction and vital signs remain quite stable," the bulletin added. The latter statement indicated that MacArthur's heart remained strong in its action and that his blood pressure was being reported good. There was no mention of any further surgery. MacArthur is still in the recovery room and is under sedation but that he "takes his wife and the doctor, Lt. Gen. Leonard D. Heaton, the Army's surgeon general.

STATE LEADERS MEET HARTFORD (AP)—Gov. John N. Dempsey met in closed session with political and legislative leaders of both major parties today to discuss the problem of congressional redistricting. The Governor already has recommended that the Legislature be given only a month to make changes in the state's congressional districts. He has urged that an at-large election for the six U.S. Representatives from Connecticut be held this year, unless the General Assembly, by April 30, sets up six new congressional districts of equalized populations. The meeting today was for the purpose of discussing redistricting and the possibility of a special session of the Legislature to deal with the problem. DOGS END SIT-IN ST. AUGUSTINE, Fla. (AP)—Police moved in with snarling dogs today on 148 Negroes staging a sit-down demonstration in the Ponce de Leon Hotel in this racially troubled city. Some time after the hotel, officers had taken seats in the dining room of the hotel, officers moved in, led by Sheriff L. O. Davis and Police Chief Virgil Stewart. After the Negroes were ordered three times to leave, police brought up the dogs, barking and snapping. Holding the trained dogs back on leashes, police then marched the demonstrators outside. LIVING COST DROPS WASHINGTON (AP)—The cost of living, as measured by the government, dropped last month for the first time since December 1963. The Labor Department reported today the decline was one-tenth of one percent, putting the consumer price index at 107.4. The Bureau of Labor Statistics said the major factor in the decline was gas service refunds were killed in bombings and rationing by the Federal Reserve Commission in voluntary gas price reductions following the recent federal tax cut.

Four New England Ladies Resume Fight Against Bias

ST. AUGUSTINE, Fla. (AP)—Four New England ladies pledged further combat with segregation practices in the nation's oldest city today despite a night in jail for one of them. Mrs. John Burgess, a Negro from Newton Center, Mass., remained seated in a motel cocktail lounge after Sheriff L. O. Davis read Florida's trespass law aloud. This resulted in her arrest Monday along with four companions. Mrs. Malcolm Peabody of Cambridge, Mass., 72, mother of Massachusetts' governor, Enos Peabody, left the lounge with two other women after hearing the law. They were not arrested. The group of six whites and two Negroes had been refused service at the manager, Kurt Brod, summoned officers. Undercutting the charge was an Easter service in Municipal Stadium where 25,000 white and Negro worshippers sat together to hear evangelist Billy Graham. The Labor Department's largest integrated audience ever assembled in Alabama. Not one white refused the service. Eleven juveniles were picked up too. Most were released to their parents. "I've never broken laws and I don't think I'm breaking one now," Mrs. Burgess told newsmen. "My crime is color."

Birmingham Bias Seen Giving Way

BIRMINGHAM, Ala. (AP)—Racial segregation a way of life in Birmingham for nearly 90 years is grudgingly giving way. A year ago, Birmingham was properly called the most segregated big city in America. About the only place Negroes had public equality with whites was on city buses. Today, golf courses, parks and other city-owned facilities, three schools and downtown lunch counters are integrated. A biracial committee, set up by the city government, is working at resolving racial issues. Sheinwold on Bridge

QUIET BRIDGE PLAY IS NOW BEING ENJOYED BY ALFRED SHEINWOLD. Many years ago I admired fancy three-suit games. For me, I might gobble up the kind of hand in which you may trump two aces and throw away a couple of kings. Nowadays I like quiet plays better than any thing else, something like the following:

Both sides vulnerable. Opening lead—King of Hearts. West opens the king of hearts and continues with the ace. South ruffs, cashes the ace of spades, and leads a spade to West. In an actual game West would have his next card on the table before you could say "Hi-Culbertson."

TOWN OF MANCHESTER, CONNECTICUT
TENTATIVE BUDGET AND BUDGET MESSAGE
Fiscal Year 1964-65

To The Board of Directors
Town of Manchester, Connecticut
This Tentative Budget and Message is presented in two parts:
I. Annual Operations For School Purposes
II. Annual Operations For Non-School Purposes
A Capital Improvement Program will be submitted next month.

PART I
ANNUAL OPERATION FOR SCHOOL PURPOSES

For the fiscal year commencing July 1, 1964, I recommend appropriations for school purposes as follows:
Board of Education—Operations \$5,050,000
Board of Education—Capital Improvements 115,000
Principal Payments Existing School Bonds 689,000
Interest Payments Existing School Bonds 147,425
Interest Payments Proposed School Bonds 22,500
Insurance 47,000
Pension and Social Security 118,700
Employ Insurance 14,000
Hospitalization 24,000
TOTAL \$5,220,225

Offsetting these proposed expenditures in part I estimate receipts attributable to school purposes as follows:
Board of Education—Operations \$1,288,224
Junior College 37,150
State Grant for Existing New Schools 167,827
TOTAL \$1,493,201
This will call for a Property Tax rate of 29.5 mills. This is an increase of 7.1 mills in five years.

The increased cost in Manchester's town government and in its property tax is almost entirely the result of greater expenditures for school purposes. This is a trend that will continue except as it is affected by increased sharing, through legislative action, of other kinds of taxation levied on a statewide basis.

The number of pupils in Manchester public schools is not expected to change materially in the next five years. It has not changed in the last five years. The increase in the cost for schools results from policy decisions by the Manchester Board of Education. Any change in the trend of school costs has to be initiated within that Board.

The increase in teachers' salaries will likely continue from year to year during the next five years. The increased cost of achieving goals of the Board of Education in the implementation of new ideas may be expected to continue to increase also during the next five years but at a lesser rate of increase.

My recommended appropriation to the Board of Education is \$25,000, or \$23.5 per pupil, more than was allocated by the Board of Directors for this year. It falls short, however, by \$143,000 of the amount requested by the School Board. School policy is the business of the Board of Education. I favor a system in which the Board of Education also fixes the tax rate for its expense and is thereby directly and solely responsible to the people for policy and cost. I am recommending less than the School Board asks because I still believe that there must be a slowing down of the rate of increase in local ad valorem taxes. As I pointed out a year ago and two years ago there are many Manchester home owners living on limited, fixed income. They should have some relief.

PART II
ANNUAL OPERATIONS FOR NON-SCHOOL PURPOSES

For the fiscal year commencing July 1, 1964, I recommend General Fund appropriations for purposes other than schools as follows:
Operations \$2,401,250
Capital Improvements 115,000
Principal Payments Existing Bonds 63,000
Interest Payments Existing Bonds 14,875
Interest Payments Proposed Bonds 2,500
Insurance 47,000
Pension and Social Security 118,700
Employ Insurance 14,000
Hospitalization 24,000
TOTAL \$2,789,325
Property Taxes on 1963 Grand List \$2,988,374
This will call for a tax rate of 14 mills or, including the rate for school purposes, a General Fund tax rate on the 1963 Grand List of 43.8 mills, an increase over the current rate of 1.5 mills.

This part of the Budget provides generally for one-step raises for employees on the current salary schedule, ten cents an hour increase for wage-rated employees, four dollars a week raise for Firemen and Policemen.

Major increases in recommended appropriations over the amounts currently allocated are:
Operation of Schools \$125,000
Employee Benefits (incl. Pension) 100,000
Highway Department 90,000
Police 42,000
Community College 28,000
Refuse Collection and Disposal 25,000
Library 18,000
Parks and Recreation 12,000
Major decreases in proposed appropriation are:
Bond Maturities and Interest 204,000
Fire, Liability and Compensation Insurance 15,000
Major changes in estimated revenue are:
Property Taxes \$455,000
Board of Education Tuition 72,000
The increase for Police is largely the additional cost for an entire year of the 40-hour week. This tax rate contemplates utilizing next year a similar surplus from this year. Analysis of current operations at a later date may require an amended recommendation for a tax rate.

FIRE DISTRICT SPECIAL FUND

For the Fiscal Year commencing July 1, 1964, I recommend an appropriation for the Special District Fire Department of \$416,998. This calls for a Special District tax of 3.13 mills, a decrease of two-tenths of a mill.
Additional firemen would be employed and the Town would take over coverage of the entire Special District. This rate, and a general continuation of it, will take care of operating and capital needs of the District for the next half decade, it is anticipated.

WATER DEPARTMENT

For the fiscal year commencing July 1, 1964, I recommend an appropriation for the Town Water Department of \$378,470. This provides for normal expansion of services. No increase in rates is proposed nor contemplated during the next half decade.

SEWER DEPARTMENT

For the Fiscal Year commencing July 1, 1964, I recommend an appropriation for the Town Sewer Department of \$268,560. This provides for normal expansion of services. Major extensions in the Capital Improvement Program. No increase in rates is proposed. At some time it will be necessary to increase the sewer use rate. It likely will be necessary to charge as much for removing sewage from buildings as for bringing water to them.

PARKING DISTRICT FUND

For the Fiscal Year commencing July 1, 1964, I recommend an appropriation for the Parking Authority of \$24,542 and that the Special District be assessed an additional tax rate of six mills.

DOG LICENSE FUND

For the Fiscal Year commencing July 1, 1964, I recommend an appropriation for the Dog License Fund of \$4,465, the same as for the current year.
A formal Capital Improvement Program will be submitted in the next few weeks. This is the last of thirteen Tentative Budgets and Budget Messages I have prepared, not including two that were done. The many departments and employee groups have been most cooperative and helpful as usual. Special thanks go to the Controller's office under the guidance of Controller Joseph Clement.

Reduction in Fire Budget
Eliminates Reserve Fund

Manchester residents who hope to pay the lower fire tax in the town's fire district... The town's directors are now considering building two new firehouses... The town has also tentatively scheduled the purchase of a new piece of fire apparatus during the 1964-65 fiscal year... The fact that the reserve has been dropped does not represent a change in the town's policy of financing its fire department... The largest single item in the proposed budget for the fiscal year, and the item with the largest increase, is for salaries and wages for town firemen.

Janssen New President
Of Town Church Council

Henry Janssen of 11 Avon Dale Rd., a member of Trinity Covenant Church, was elected president of the Manchester Council of Churches at a meeting held last night at Second Congregational Church... Assisting Janssen during the year will be the Rev. Alex H. Eganer, pastor of Second Congregational Church, first vice president; Francis Green, Center Congregational Church, second vice president; the Rev. C. Henry Anderson, pastor of Emmanuel Lutheran Church, third vice president; the Rev. Donald E. Haldeman, Rev. Harold E. Epousook, Church treasurer, and Mrs. R. H. Blodgett of Second Congregational Church, secretary.

Elections Slated
By Waddell PTA

The Waddell School PTA will meet tomorrow at 7:30 p.m. in the school auditorium. Selection of officers for the 1964-65 school year will take place at the business meeting which will follow a performance by the school children. The director of the Band under the direction of Mr. Louis Beaulac, teacher of instrumental music, will read the report of the committee read by the Rev. Mr. Davis, chairman of the committee. The report contained the recommendation for the immediate employment by the council of a part-time chaplain at Manchester Memorial Hospital. After a discussion, the committee was authorized to carry through its recommendation.

Dragon 10 Feet Long

Jakarta—The Komodo dragon, Indonesia's largest lizard, measures 10 feet from snout to tail and weighs up to 800 pounds. Deer, water buffalo, small mammals, birds, fish, eggs—even its own eggs are taken up by the diet of the giant beast.

Three Get Posts
In Cancer Drive

Mrs. George Roebert of 26 Foster St. was recently elected postmaster of the Greater Manchester Cancer Society. She is the daughter of the late Dr. J. H. Roebert, a prominent physician and a member of the Greater Manchester Council of Churches.

Program Slated
By Buckley PTA

Buckley School PTA will present a play on the life of a boy named Buckley. The play will be presented in the school auditorium. Tickets may be obtained in the school office through April 2. The program for the evening will include a magician and a demonstration of trained police dogs. Winners of the poetry contest will be announced at this time. There will be a photo booth, and mothers and daughters will be invited to bring their own photos to be placed in the program. After the entertainment, refreshments will be served.

Turkington Scores Delay In Review of Manager

Republican Director Harold A. Turkington has criticized the Democratic majority on the board of directors for seeking a mandatory review of the general manager's performance.

He said, "The board might as well have had no review, as it is not clear of whom the review is to be made."

He also said that he doesn't believe that a review of the general manager's performance is necessary. "It is also possible that the review is a means of commending the general manager."

He added, "I think that the board should not be confused by the fact that the review is to be made by the board of directors, and not by the public."

About Town

The Robertson School 50th Anniversary Committee will meet tonight at the school at 7:30. The committee is still looking for old graduation programs, pictures (class and individual) and other mementoes of the school for use at the reunion April 12. Anyone possessing such items who is willing to loan them is asked to call the school.

The Windsor African Violet Society will hold its third annual show and sale at Trinity Methodist Church, 180 Park Ave., Windsor, from 6 to 9 p.m. Friday and from 1 to 4 p.m. Saturday. There will be a demonstration on the correct methods of potting and culture of violets, and plants and leaves will be on-sale during the show. Proceeds will be applied to the scholarship fund.

The Manchester Republican Women's Club will sponsor a Fashion show at the Manchester Country Club on April 16 at 8 p.m. with fashions from House and Hale Department Store. Tickets for the event will be mailed to members with the April newsletter.

The Manchester WATER will have a buffet tonight at 7 at the Italian American Club. There will be no weighing-in, and no tickets sold at the door. Members are reminded to bring table settings.

Members of St. Bridget's Rotary Society will meet tonight at 8:15 at the John F. Tierney Funeral Home, 218 W. Center St., to pay respects to Mrs. Margaret Chatter, who was a member.

All telephone calls for Salvation Army truck service should be made to the Service Center, Hartford. The number is listed in the Manchester directory.

Manchester Grange will meet tomorrow at 8 p.m. at Orange Hall. Refreshments will be served by Miss Elaine Lewis and Mrs. Marion Beer.

St. Mary's Episcopalian Guild will meet Thursday at 11 a.m. in the Guild Room at the church. Members are reminded to bring sandwiches. Dessert and beverages will be served by Mrs. Frank H. Sheldon, Mrs. Thomas Conn and Mrs. Joseph Johnston.

FOR Cosmetics IT'S Liggett's At The Parkade MANCHESTER

Della Chapter, R.A.M. will meet tomorrow at 7:30 p.m. at the Masonic Temple. After the business meeting Earl Larson will confer the mark master degree on candidates. Refreshments will be served during the social portion of the evening.

Members of the Ladies of St. James will meet at 7:30 p.m. at the John F. Tierney Funeral Home, 218 W. Center St., to pay respects to Mrs. Margaret Chatter, whose sister, Mrs. Walter Buckley, is a member of the organization.

The Holy Family Retreat League will meet tonight at 8 at the K of C Home. Officers, parish chairman and fishermen are reminded to attend.

Washington School P.T.A. Club fair committee will meet tomorrow at 8 p.m. in the school cafeteria. All members of the P.T.A. are invited. Mrs. Joseph Swanson, 97 Prospect St., is general chairman of the fair, which will be held Saturday, May 9, on the school grounds.

The executive board of Chamaine Musical Club will meet tonight at 8 at the home of Mrs. Ben Hook, 81 Turnbull Rd.

The board of education last night voted to recommend that the board of directors pay the \$200 cost of an insurance rider that would give liability coverage to the schools' P.T.A.s. The policy would protect P.T.A. members from liability damage arising out of P.T.A. activities. According to St. Kenneth O'Brien, chairman of the town insurance advisory committee, the \$200 cost would cover members only for regularly scheduled P.T.A. meetings. It would not apply in case of special events such as fairs or banquets. For these, P.T.A.s would have to provide and pay for special liability coverage. The matter has been under consideration for several months. P.T.A. members have expressed concern over the possibility that the P.T.A. could be held liable in the event of a mishap during a meeting. Though the board of education is insured against suits, the P.T.A. has not been.

The board's insurance is paid by the town. O'Brien's opinion is that the P.T.A. could be covered by a rider to the board's policy, raising the question of who would pay the additional \$200 cost.
