**Postmaster Falls Behind In Bethlehem**

BETHLEHEM, Md. (AP) — Christmas is coming and postmaster Leonard Legates is behind in his work.

Christmas cards and packages are piling up in the tiny post office he operates in one corner of his white frame general store.

Thousands of cards and parcels must be postmarked, imprinted with a special cachet and mailed from the nameake of Christ's birthplace. Easy-going Leonard Legates doesn't mind.

"It's a lot of work but there's only about two weeks of it," he said in an interview.

"My wife helps me and my mother comes in sometimes. We do it all by hand, even the cancellation. My wife usually puts the cachet on, and I stamp them."

"After all, that's what helps keep our post office here. There's no industry around. It's just a farming area."

For most of the year there is little to distinguish Bethlehem — a crossroads cluster of 35 homes on the eastern shore of Chesapeake Bay. Motorists usually whip through the hamlet before they know they're in it.

As Christmas approaches Bethlehem becomes important, fulfilling the wish of a high school girl more than 25 years ago to put her hometown on the map.

In 1938, Marjorie Ann Chambers, 14, advertised in stamp collectors' magazines, offering to mail a souvenir Christmas story in an envelope postmarked Bethlehem.

She even devised a cachet, showing the Wise Men following the star of Bethlehem. The response was overwhelming.

Today, Marjorie is Mrs. George R. Lakin, of Bedford, Del., housewife. The tradition is carried on by Legates, 64, who bought the store when he became postmaster in 1961.

As many as 2,000 or 4,000 pieces of mail have been arrived on the eastern shore of Chesapeake Bay.

"I've got about two bags full up in bundles," Legates said. "You can get a lot of cash in a bag, you know, when you tie them up in bundles."

**The Baby Has Been Named...**

Jessie, Carolina Jessane, daughter of Edward William and Madeline Darnest Jessie, Hubert Rd., Tolland, She was born Nov. 24 at Rockville City Hospital. Her maternal grandparents are Mr. and Mrs. Lorenzo Darnest, Hethersville, Mass. Her paternal grandparents are Peter Jessie, Rockville, Mass. She has two brothers, Michael, 5, and Peter, 6; and a sister, Annette, 5.

Lincoln, Judith Ann, daughter of Albert H. and Sylvia A. Goodwin Lincoln, 108 High St., Rockville, She was born Nov. 26 at Rockville City Hospital. Her maternal grandparents are Mr. and Mrs. Everett W. Goodwin, South Berwick, Me. Her paternal grandparents are Mr. and Mrs. Harry Lincoln, N.Y. She has four brothers, Robert, 15, John, 12, Steve, 8, and James, 5, and a sister, Marjorie, 8.

Royce, Amy Elizabeth, daughter of Gordon Andrew and Abigail Elmer Royce, 534 Graham Rd., Wapping, She was born Nov. 30 at St. Francis Hospital. Her maternal grandparents are Mr. and Mrs. George H. Elmer, Windsor. Her paternal grandparents are Mr. and Mrs. Andrew Royce, Windsor. She has two sisters, Kathleen, 5, and Sheila, 2.

McDonald, Dennis Wayne Jr., son of Dennis Wayne and Donna Lee Fairfield McDonald, Charet Traller Park, Rockville, She was born Nov. 24 at Rockville City Hospital. Smith, Holly Jean, daughter of Lawrence M. and Barbara North Smith, 56 Hawthorne St., She was born Dec. 11 at Manchester Memorial Hospital. Her maternal grandparents are Mr. and Mrs. Roy North, Torrington. Her paternal grandmother is Mrs. Warren Smith, Westbrook, Maine. She has two brothers, Bradford, 9, and Daniel, 3; and a sister, Laura Lee, 10.

Selbeck, Matthew Joseph, son of Edward T. and Jeanette Kincaid Selbeck, Spinnic View Heights, Ellington. He was born Dec. 11 at Manchester Memorial Hospital. His maternal grandparents are Mr. and Mrs. Joseph Kincaid, 87 Windsor Ave., Rockville. His paternal grandmother is Mrs. Martha Selbeck, W. Main St., Rockville. He has a brother, Mark Edward, 7, and a sister, Lynn Marie, 10.

**College Council To Meet Monday**

The Citizens Advisory Council of the Manchester Community College will hold its regular meeting Monday in the faculty lounge of the Manchester High School, at 7:30 p.m.

An application for grants under the Vocational Education Act of 1963 is among the topics on the agenda. Dean Frederick Lewis will report on a meeting of the East Hartford Community College Committee. East Hartford has been investigating the possibilities for a community college since April. A spokesman for the committee said that it will make a report sometime in the coming year to the feasibility of establishing a community college there, or cooperating with another community college on a regional basis.

**Mortgages 35 to 41**

**ORISAGO** — About half the home mortgages in the United States in 1964 were held by persons between 30 and 40. Almost 40 per cent of the borrowers were in the \$5,000-to-\$7,000 income bracket.

**Barber May Ignore Court, Sell Business**

MADISON, N.J. (AP) — Philip Gatti says a state order to cut the hair of two Negroes who charged him with racial discrimination may cause him to sell his barber shop.

He says he hasn't decided what to do about a ruling Wednesday by the New Jersey Civil Rights Division that no barber in the state can refuse to serve Negroes.

He indicated however, he wouldn't comply with the directive that he invite the two complainants to have a haircut in his three-chair shop.

"Why should I apologize to the two troublemakers who shut me out of my business?" he asked. "Maybe I'll sell the business. There are lots of jobs around."

Praise for the division's ruling came from civil rights leaders. There's no industry around. It's just a farming area.

For most of the year there is little to distinguish Bethlehem — a crossroads cluster of 35 homes on the eastern shore of Chesapeake Bay. Motorists usually whip through the hamlet before they know they're in it.

As Christmas approaches Bethlehem becomes important, fulfilling the wish of a high school girl more than 25 years ago to put her hometown on the map.

In 1938, Marjorie Ann Chambers, 14, advertised in stamp collectors' magazines, offering to mail a souvenir Christmas story in an envelope postmarked Bethlehem.

She even devised a cachet, showing the Wise Men following the star of Bethlehem. The response was overwhelming.

Today, Marjorie is Mrs. George R. Lakin, of Bedford, Del., housewife. The tradition is carried on by Legates, 64, who bought the store when he became postmaster in 1961.

As many as 2,000 or 4,000 pieces of mail have been arrived on the eastern shore of Chesapeake Bay.

"I've got about two bags full up in bundles," Legates said. "You can get a lot of cash in a bag, you know, when you tie them up in bundles."

**PROTECT YOURSELF**

Work on well-lighted streets or walk on darkened streets which afford no chance to criminals.

Avoid carrying large amounts of cash. Don't display your money in public.

If threatened by a robber, do not try to resist. Observe as much as possible and notify police immediately.

**Shainwold on Bridge**

CHOOSE LESSER RISK WHEN PLANNING PLAY

By ALFRED SHAINWOLD  
 National Men's Team Champion

If you object to taking an occasional risk you'd better resign from the human game. You cannot completely avoid risk even if you stay in bed all day. The sensible course is to choose the lesser risks instead of the greater ones.

**CHRISTMAS ROBBERIES**

According to the FBI, robberies reach a peak in cities in December. It is then when holiday activity puts more persons on the streets and dark hours are longest. Following the tip above will lessen the danger of street robbery. One further point: Go out of your way to stay on lighted streets.

### Dock Strike Threat Ends

NEW YORK (AP) — Agreement on a three-year contract has ended the threat of a weekend dock strike that would have tied up shipping in ports from Maine to Texas.

Negotiators for the International Longshoremen's Association and the New York Shipping Association came to terms Wednesday after five months of disagreement and a walkout called by presidential intervention.

The I.L.A. conceded an eight-point plan to reach a pact. It bowed to automation and agreed to end the size of its standard 20-man work group down to 17 by 1967.

In return, union negotiators got an 80-cent-an-hour wage package, including a guaranteed annual wage estimate of a minimum \$5,268 a year for the average longshoreman.

The package, which includes more fringe benefits, longer vacations and pensions for widows, is expected to cost the shipping industry \$4.5 million over the next four years, a spokesman said.

It will be the first four-year pact in the union's 52-year history. Most contracts have been for two years.

The agreement must be ratified by the 60,000 longshoremen affected. Thomas J. Gleason, I.L.A. president, said voting will begin as soon as machinery can be set up.

"This is a good contract, and I am going to recommend it to the membership," he said.

Although the agreement applies only to the port of New York, the contract here sets the pattern for other ports on the Atlantic and Gulf coasts.

The old contract was continued in force another 20 days in other ports to allow time for settlement of local issues. Despite this, a union spokesman in New Orleans said there is a possibility of a strike there if no agreement is reached by midnight Sunday.

If ratified, the new contract will be retroactive to Oct. 1. Under it, work gangs will be cut to 17 by Oct. 1, 1967. Shippers had demanded the reduction because of more mechanized cargo handling.

In exchange, the union won three additional paid holidays, a 50-cent-an-hour wage increase, a pension increase from \$100 a month to \$120 next April 1, and coverage of longshoremen's widows in the pension plan.

The wage increase came on top of the present average hourly New York base of \$5.26.

### Anna Kashfi Hospitalized

LOS ANGELES (AP) — Actress Anna Kashfi, who was to appear in court today in her fight with ex-husband Marlon Brando over custody of their son, is hospitalized for what her doctor termed nervous tension and exhaustion.

Miss Kashfi's attorney said he would ask that the hearing be continued. Brando has temporary custody of the boy, Christian, 6.

The attorney said Miss Kashfi entered a hospital Tuesday at the suggestion of her physician. She is undergoing a thorough checkup and won't be released until Saturday or Sunday, a spokesman said.

Brando and Miss Kashfi are seeking permanent custody of the youngster, who was awarded to his mother after the parents' divorce. Superior Court placed Christian in Brando's charge last week after Miss Kashfi was hospitalized briefly after what she said was a suicide attempt.

AFRICANS U.S.-TRAINED WASHINGTON — Twenty-two African chiefs of state or ministers have studied in the United States.

Under it, work gangs will be cut to 17 by Oct. 1, 1967. Shippers had demanded the reduction because of more mechanized cargo handling.

### From Your Neighbor's Kitchen

MRS. RAYMOND O. MILLER

BY DORIS BELDING  
Mrs. Raymond O. Miller of 188 Spencer St. says, "Since many years, I have been making Oatmeal Cake from a cousin in Pennsylvania last summer. It has become one of my family's favorite desserts. It keeps moist and fresh for several days, and can be made in advance for holiday entertaining. The cake is also high in nutritional value."

Oatmeal Cake  
1 1/2 cups boiling water  
1 cup quick oats  
1/2 cup shortening  
1 cup sugar  
1 cup brown sugar  
2 eggs  
1 1/2 cups all-purpose flour  
1 teaspoon baking soda  
1 teaspoon cinnamon  
1/2 teaspoon nutmeg  
1/2 teaspoon salt  
1 cup chopped nuts or 1/2 cup raisins or both may be used

Pour boiling water over oats and let stand. Mix shortening, both kinds of sugar and eggs and beat well, then add oat mixture. Sift together flour, soda, cinnamon, nutmeg and salt and add to other ingredients and beat well. Fold in nuts or raisins or both. Pour into greased oblong pan and bake 35 to 40 minutes in 350-degree oven. Let cool five minutes while making topping.

Topping  
2 tablespoons melted butter  
1/2 cup brown sugar  
1/2 cup cream  
1/2 teaspoon vanilla  
1 cup coconut  
Mix ingredients and spread on cake. Place under broiler and brown. This only takes a few minutes and should be watched constantly.

### Carol Sing Set Monday

MANCHESTER'S annual Christmas Carol Sing, for all town residents, will be held Monday, at 7 p.m. in Bailey Auditorium of Manchester High School.

The event, sponsored by the high school music department, will feature the high school choir, the Roundtable Singers, the Freshmen choir, and the Wind Ensemble.

A feature of the evening will be a violin solo by Tullis Fergus, who will be accompanied on the piano by Judith Nashke. Both are high school students.

The entire program will be conducted by Robert Vaker, head of the high school music department; James Higginbotham, head of the freshmen choir; and the Wind Ensemble; and Fred Sprague, student director.

Accompanying the singers on the piano will be students Niki Avastias, Judith Seavey, Joan Halverson and Carol Lawrence.

As has been the custom in previous years, the program will be highlighted by a carol sing by the audience and the combined choirs.

TIXBY AUTOMATION  
DIERFIELD BEACH, Fla. (AP) — Police sprang into action Wednesday night after they were told a person with a stammer, drunken-sounding voice had answered the phone at the railroad station after it closed for the night.

Thieves have broken into the station several times recently. Three squad cars roared to the station.

They found nothing. The telephone company was called in.

The culprit was a tape. The new record answering device had jammed at a slow speed.

Accompanying the singers on the piano will be students Niki Avastias, Judith Seavey, Joan Halverson and Carol Lawrence.

As has been the custom in previous years, the program will be highlighted by a carol sing by the audience and the combined choirs.

### Japanese Monorail in Operation

TOKYO (AP) — Crawford MacDonald, a mile from the inner city center, in 15 minutes. It carried one million passengers in its first 63 days of operation. This meant an average of 15,000 persons daily—with a maximum of 54,000 or half the number needed to make it pay.

MacDonald is president of the Tokyo Monorail Co. and also of the Imperial Hotel. He considers the monorail a success. Inumaru said he observed that about half of the passengers taking domestic flights utilize the monorail.

Only rarely do foreign passengers arriving on international flights come into town aboard the monorail. This is because of the luggage problem which makes taxis more convenient.

Inumaru predicted that the annual rise in smoking is about 1980. The nation's annual peak capacity of 60,000 cars.

WHERE THERE'S SMOKE... LONDON — A fifth of Britain's major fires are tracked down to smoking. The nation's annual rise in smoking is about 1980. The nation's annual peak capacity of 60,000 cars.

### New England Vignettes Political Picture Changes In Once-GOP New England

BOSTON (AP)—There was a change in the political picture in New England after the recent election. The picture has changed.

For example Rhode Island, where Democrats were accused in the 1950s, gave a higher percentage of the popular vote to Democratic Lyndon Johnson than any other state in the nation. The Democratic vote percentages were high in the other five New England states as well.

The state-by-state statistics showed 80.9 per cent of the popular vote went to Johnson in Rhode Island; 76.2 in Massachusetts; 68.5 in Maine; 61.8 in Connecticut; 63.3 in Vermont; and 68.9 in New Hampshire.

No. 1. Frank Cloutier of Abol, Me. Big game hunter, 1200 pounds, is fast to paw and paw and there is 9 1/2 inches between the eyes.

Cloutier bagged his big game, a huge brown bear, while on a hunt with a guide in the Aleutian Islands, off Alaska.

It took four shots from a 370 Magnum rifle to fall the animal, which he skinned and dressed. The animal weighed just after it dragged a sea lion onto the beach.

Edward T. Koros Jr. 35, of Westbrook, Conn., has joined the ranks of other hunters around the country fighting for the right to wear Beanie-style hats.

School Supt. Arnold Oliver in state the pupil cannot attend high school until he comes in for a haircut.

His parents think the superintendent is splitting hairs, and they plan to take the fight to the state Board of Education and the courts.

Postman Stanley Rose, 71, has retired, after wearing out saw, three horses and one buggy on the job in Middlebury and Cornwall, Vt. Rose says there was a different pace to delivering mail in earlier days.

During long Vermont winters, farmers would often lend a horse when his tired, invite him in for dinner, or put him up for the night when blizzards interrupted his deliveries.

Sgt. I.C. Willard L. Pologrove of Fort Devens, Mass., says he's the only sergeant in the First Army who holds the rank of admiral.

Pologrove is an honorary member of the Great Navy of the State of Nebraska.

Pologrove received the title for his post-war duties as personal escort for the remains of three Nebraska veterans and others killed in action and returned from European and Pacific

### Scientist 'Made' Diamonds Hall Builds Things Which Don't Exist

PROVO, Utah (AP)—Dr. H. Tracy Hall, the man who first made diamonds in the laboratory 10 years ago today, now makes things that don't exist.

It is not really so different, because man-made diamonds don't exist until he made them for the first time. Dec. 16, 1964, at the General Electric Laboratory in Schenectady, N.Y.

The so-called "ball" apparatus he invented achieved the extremely high temperature and pressure necessary to pack the loosely spaced carbon atoms of graphite into the tightly packed carbon atoms of diamond.

Hall went to Brigham Young University the next year as director of research and the patent on the "ball" stayed with GE. The Department of Commerce slapped a security restriction on the "ball."

So Hall had to invent another machine to do his research. It's called the tetrahedral and press with an X-ray diffraction attachment to take pictures of the atoms being packed.

It can create pressures—3,000,000 pounds per square inch—equal to that at the bottom of 2,000 Washington Moments mountains stacked one atop the other.

It can subject a compound to temperatures—5,000 to 10,000 degrees centigrade—like those on the surface of the sun.

He has forced boron and sulfur atoms to combine to form a compound that doesn't exist in nature and which, when heated

### Authors Volume John M. Moran Jr. of 48 Princeton St. is the author of the volume, "Collected Poems of Franklin Benjamin Sanborn of Transcendental Concord."

The book was published by the Transcendental Concord of Harvard in conjunction with The Emerson Society.

Moran, a native of Manchester, a graduate of Manchester High School, received BA and MA degrees from Trinity College. The volume a product of three years of research at Harvard's Houghton Library and the American Antiquarian Society, was originally begun for a master's thesis at Trinity College.

New England is going to get its first memorial but it won't help city traffic congestion. A memorial is being planned for Mt. Agassiz in Bethlehem, N.H. where it will whisk skiers or summer guests to the mountain top over a mile long track. The installation is expected to cost about a half million dollars.

Discovery of many manuscript poems that were unpublished by Sanborn and Moran to continue research under the auspices of The Emerson Society. The resultant collection of verse comprises approximately 100 original poems. Sanborn was a contemporary of Ralph Waldo Emerson and Henry David Thoreau. He also was an editor of their poetry and journals.

### St. Mary's Class Puts on Pageant

St. Mary's annual Christmas Pageant and Church School Festival Service will be held Sunday at 4 p.m. The Rev. James J. Botone will direct the pageant. He will be assisted by Mrs. Leo Kasek, Mrs. Gordon Stevens, Mrs. David Pierce, Mrs. Richard Forde and other members of the school.

There will be a Church school class program. Kindergarten through the sixth grade will present a Christmas offering to the church. Leading roles will be played by Carol Wojcik, Elaine Perelutha, Robert Hunt, Daniel Stevens and Steven Turkington.

The pageant is open to the public.

### Film Moguls Concerned Over Morals

HOLLYWOOD (AP)—Film industry leaders are looking with apprehension to 1965, the year many fear will bring a crisis in movie morals.

With self-censorship restraints eased, the major companies have been pouring forth films with a heavy quotient of sex and seduction. It seems almost incredible that only a few years ago "The Moon Is Blue" was denied a production code seal because the word "virgin" was used.

"The Moon Is Blue" seems a fairly safe picture compared to today's movies.

How far can the movie makers go without arousing militant action by the moralists?

Some industry observers believe the limit is being pushed. They cite numerous examples of questionable taste.

The cause celebre of the moral crisis may turn out to be a film from the studio of American-born Billy Wilder. His "Kiss Me, Stupid" is arriving just in time for the Christmas holidays.

The film has brought a sharp break between the production code administration and the powerful National Legion of Decency. The code administration, which the major companies sponsor and support, gave a seal of approval to "Kiss Me, Stupid."

The legion, which classifies films for Roman Catholics, stamped the movie with a C—condemned. This has rarely happened to a major Hollywood film.

The legion expressed "astonishment" that the code would give a film "so patently indecent and immoral."

"It added: 'It is difficult to understand how such approval is the final betrayal of the trust which has been placed by

### School Menus

The menu for the Manchester public school system for the week beginning Monday, Dec. 21, is as follows:

Monday: Meat, gravy, mashed potatoes, buttered peas and carrots, bread, butter, peaches.

Tuesday: Oven-fried chicken, cranberry sauce, parried potatoes, whole kernel corn, roll, butter, strawberry ripple ice cream.

Wednesday: No lunch program—beginning of Christmas holidays.

Thursday: Friction Heats Plane

Montreal — Because of all friction the fuselage of a plane flying 300 m.p.h. is 16 degrees hotter than when the craft is standing on the runway. If a jet pilot, were to fly 1,500 m.p.h. at sea level his wings would warp from the heat of air friction. Superionic planes of the future will fly at 80,000 feet to escape dense air and high friction.

### Outer Space Aid Sought for Inner Problem

SACRAMENTO, Calif. (AP)—California Gov. Edmund G. Brown is turning to the experts on outer space for assistance in solving some of the inner space problems facing the nation's most populous state.

The governor claims his state has the largest aggregate of scientific talent in the nation—grouped mainly in its aerospace industries—and the same minds that devised a system for launching a man into space could be applied to California's pressing problems.

He suggested the companies submit bids to the state, outlining the costs for development of programs to meet the increasing needs of a rapidly expanding population.

"Through pioneering techniques of systems and developments and engineering, the aerospace industries have solved the enormously complex problems of space travel," Brown said.

The state put a ceiling of \$100,000 on each of the first four major problems submitted for bids.

The problems were:

1. Waste management, including smog control and elimination of water pollution.
2. A transportation system to handle the growing needs of a booming California.
3. A better system for treating the mentally ill and controlling the criminally ill.
4. A better system for treating the criminally and mentally ill.

Shortly after Brown's request for aerospace help, four nationally known companies promised their assistance. They were:

- Aeroflex-General Corp., Douglas Aircraft Corp., Lockheed Aircraft Corp. and Hughes Aircraft Co.
- Dan A. Kimball, chairman of the board of directors for Aero-General, summed it up for the company executives: "I am confident, speaking for the industry, we can successfully utilize use of the systems approach of aerospace development to suggest solutions in those areas of immediate concern."
- The governor said the care of the criminally and mentally ill was one of the headaches the state had failed to solve and one of the big questions he hoped aerospace engineers could answer.
- "The current system for handling the criminally and mentally ill is finding it increasingly difficult to meet the requirements," Brown said.
- "The number of people requiring such control is increasing rapidly in California. The current system has not been effective in obtaining acceptable behavior upon release of these persons from the institutions."
- "The institutions, in some cases, apparently increase abnormal behavior so that readmission is frequent."
- The governor said the space engineers may be the only ones who can develop "the common denominators involved in diagnosis, in the care and cure, and in the economic impact upon a community."
- Perhaps, Brown said, the engineers and scientists can determine what type of program is needed to "return these criminals and mentally ill to the open society with assurance that their nonacceptable behavior would not recur."
- The same general problems, Brown said, exist in data collection, in waste management, and in transportation.
- FREEMAN'S IN A. AFRICA JOHANNESBURG, SOUTH AFRICA — Johannesburg has just entered the fourth stage of construction of a \$68,000,000 city freeway system.

### Rockville-Vernon School Social Worker Hired To Aid Problem Students

The Vernon board of education last night approved the hiring of a school social worker, the first step taken in town to provide professional assistance to students with problems.

The action, which was unanimous, was taken after several school principals reported on some of the problems they encounter with their pupils and their parents.

Board members learned that many problem children are referred to the Manchester Community Guidance Clinic. Dr. Raymond E. Ramondell, superintendent of schools, noted that there are now 90 Vernon students being counseled at the clinic.

One school principal, Joseph Novak, reported that he has had "very poor results" from the clinic. Another principal noted that the clinic is burdened with an enormous case load, and said that the clinic takes serious cases immediately.

The board discussed the activities of the social worker to be hired, and many members noted that one main problem is that, while other methods of directing students with problems exist, the agencies involved are not known to local officials. The hope was expressed that a trained social worker will be able to suggest treatment agencies to those who need help.

### Backstage Worker Bliss May Become GOP Chairman

(Continued from Page One)

Some GOP governors lashed Burch.

Bliss was not a pre-convention Goldwater booster, but he worked hard for the Arizona senator. He was present, despite gout pains, when Goldwater stumped Ohio, when some other Republican leaders seemed reluctant to share platforms with Goldwater.

Bliss, an Akron insurance man, is known as a hard-working, chain-smoking organization man. He leaves oratory to others and is seldom available to answer newsmen's questions.

He was mentioned both in 1962 and 1963 as a possible national chairman. His name came up again this year before Goldwater chose Burch.

He has been re-elected nine times since and this year was elected to the National Committee in place of veteran committee member Clarence Brown, a Republican U.S. representative.

That election, typically, was accomplished by Bliss with little public talking or feuding.

**PROXIMA, Ariz. (AP)**—The big three of the 1964 Republican presidential campaign huddled overnight at the hilltop home of Sen. Barry Goldwater discussing "a little internal friction in the party."

National GOP Chairman Dean Burch and New York Rep. William E. Miller, Goldwater's running mate in the November election, flew into Phoenix Wednesday and planned to leave today.

They remained well out of reach at the Goldwater home overlooking Phoenix. A guard at the gate turned away newsmen. It was Burch who said the meeting was to discuss the "internal friction" issue and also his future as party chairman.

"It's hard to have any kind of discussions without going into

### 12th Circuit Court Cases

**EAST HARTFORD SESSION** A 21-year-old East Hartford youth and a 16-year-old Coventry girl are being held in lieu of bond on charges of shop lifting from King's Department Store in Manchester and several East Hartford stores.

The two, Patrick Benway and Judy Chappell, were served with warrants during their bond appearance in court yesterday. Their cases were continued to Jan. 11.

To H. C. Hutchinson and Son

### Events In World

**JAKARTA, Indonesia (AP)**—Indonesian officials say the Soviet Union is demanding cash on delivery for any more arms—including rockets—that it ships to Indonesia.

The official Soviet explanation reportedly is that Moscow needs the money to develop its internal economy. Local communist sources say the Russians are disappointed at the way some Indonesian officials have lined up with Peking's policy.

Red China has indicated that Indonesia supports its demands that the Soviet Union be barred from the Asian-African conference in Algiers in March.

### Events In Nation

**WASHINGTON (AP)**—Good economic news was reported Wednesday as the fields of industrial production and employment.

The Federal Reserve Board said an upsurge in manufacture of automobiles spurred a sharp recovery in industrial production during November that pushed the board's index to a record level of 134.9.

The index uses 100 for the 1957-58 average.

The return to work of auto workers boosted non-durable employment to a record level of 22.5 million in November, the Labor Department's Bureau of Labor Statistics said.

The department had reported previously that the unemployment rate for November was 5.9 per cent, down from 6.2 per cent in October.

### 6 SHOPPING DAYS TILL CHRISTMAS

**WASHINGTON (AP)**—The National Education Association has proposed a 50 per cent increase in federal aid to schools, including establishment of a trust fund to give \$1.25 billion in direct grants to the states for elementary and secondary education.

The NEA's legislative committee outlined the program at a news conference Wednesday. It calls for \$1.5 billion in added spending.

The trust fund proposal is designed to avoid such controversies as federal control and religious issues.

Most of the \$2.25 billion would go to the states to be spent by

### Seasonal Rise In Idle Claims

**WASHINGTON (AP)**—The Navy is continuing to send destroyers on periodic patrols in the Gulf of Tonkin, off the coast of North Vietnam, where shooting incidents occurred last August and September.

The Navy's only comment: "The Navy conducts routine patrols in international waters throughout the world which are on an irregular basis. Additional information concerning patrols is classified."

### Seasonal Rise In Idle Claims

**WASHINGTON (AP)**—The Atomic Energy Commission set off a double nuclear test explosion Wednesday at its underground Nevada test site.

Each of the shots, the 20th and 21st such tests to be announced this year, was described as of low yield with a blast force of less than 20,000 tons of TNT.

### Heavy Protection OKLAHOMA CITY, Okla. (AP)

**Liquor store operator** in Hartford with 3,000 New Haven with 3,108, and Waterbury with 2,400.

Manchester was in the 12th spot among the state's 20 cities. It had been 19th the week before.

**WARD OFF FURTHER SUCH INCIDENTS**—The Oklahoma Alcoholic Beverage Control Board has invited the FBI to help in investigating the explosion which heavily damaged the store.

Damage from the blast was estimated by Gambulos at more than \$50,000.

We tried to push north to the Yalu in North Korea—a battle score not yet ready.  
 We have to conquer some geopolitical tactics, some political temptations, and some rather raw emotions before we begin to consider the Chinese situation from the point of view of logic and reason.

**A Shocking Degree Of Bliss**

The first thing to admit about the University of Michigan survey which measured what Americans did and didn't know about what goes on in Asia is that the main point of the survey report is probably true.  
 It found, questioning a total of 1,501 Americans, that 28 per cent of those people did not know there was a Communist regime running mainland China, and that 38 per cent had never heard there was such a thing as a Chinese Nationalist Government on Taiwan.

Far from denying that this kind of ignorance exists, it might be more appropriate to rejoice that it is no greater. There happens to be some rather formidable handicaps in the way of such knowledge. For one thing, the Americans have a government which pretends Communist China doesn't exist, after all. For another thing, it takes a special brand of intelligence to know anything about Taiwan, which is an island off the coast of China which most of us know by the name of Formosa, but which experts insist on calling Taiwan.

There are such special obstructions difficulties. Also, China is half way around the world from us. Also, there is a certain percentage of the present American population which went to school during those years when geography, spelling and arithmetic were all temporarily and feebly out of the curriculum.  
 Let us continue, mildly, with our admission of the amount of ignorance which exists among us.  
 Not many years ago a certain Connecticut Governor, who had never missed an opportunity to encourage use of his name and his picture throughout all the 165 towns of his state was somewhat astonished to find, by means of one of those recognition surveys conducted by research firms, that he was not known in his own state.

Let us continue, mildly, with our admission of the amount of ignorance which exists among us.

By A.H.O.

**BUENOS AIRES**—In the Peronist working class suburb of Avelandina the other night one Argentine family gathered outside their home to watch some free entertainment.  
 A block away, outside the local labor union hall, 1,000 Peronist union members were holding a demonstration, shouting for the return of exiled dictator Juan Domingo Peron.

But federal police moved in with tear gas shells fired at point blank range, barracks from motorized water cannons, and a rugged cavalry charge by sub-machine gunners. The Peronists return the fire by tossing stones at the police. Such encounters take place almost every night around Buenos Aires this summer.

What was that working class family's reaction to the excitement? They scooped at the idea that Peron would again leave Spain to try to return. In fact, they chuckled at the very thought. Yet, they added, Peron returns their man, whether he returns or not.

This attitude is more significant than pitched battles between blundering police and Peronist gang leaders. It suggests that Peronism transcends the person of Juan Peron and is really a symptom of the prolonged political and economic malaise which makes once wealthy Argentina a nation in decline.

Until recently, some anti-Peronist politicians believed the decline might end soon. Peron, deposed by the military in 1955, pledged this year he would return by Dec. 31, knowing full well that the military never would permit this. Anti-Peronists believed Peron's failure to return would mark his hold on Argentina.

**Connecticut Yankee**

By A.H.O.

All Connecticut's trouble and fuss is supposed to be in pursuit of democratic ideals, and that, we suppose, is what makes it seem especially regrettable that this would be involved in the process should be planned to manufacture of so many delegates from each congressional district, with each political party entitled to nominate and elect an equal number, it is doubtful that they will dare try to close out the possibility that some ordinary citizen, who may not be affiliated with any party, or who may wish to associate with the organization of any party, can get himself nominated by the petition method and enter district race.

And, although the political parties want to agree that the constitutional convention should be bound by such voting procedures that nothing but agreement between two party organizations could permit anything to pass, they cannot quite close out the possibility that, if a few independent citizens should manage to get elected to the constitutional convention, they might accumulate some balance of power position which might break down the best laid schemes of state chairmen.

If, by any chance, in the months to come, there is any stirring in connection with the election of having some independent characters stand for election to the Constitutional Convention, any realistic study of the election prospects of such characters would be more likely than to encourage that discourage them.

Independent nominees, claiming to aspire to be Peoples, or Citizens candidates, would, in our book, have a relatively good chance of making it.  
 First, the election of delegates to the Constitutional Convention is a...  
 Second, the election of delegates to the Constitutional Convention is a...  
 Third, the election of delegates to the Constitutional Convention is a...

**Columbia Troops Join In Christmas Giving Spirit**

Brownie and Scout troops in town are expressing the true spirit of Christmas in their giving of themselves. Brownie Troop 121 and 92, under the direction of their leaders, Mrs. Blanche Anthony and Mrs. Nancy Seale, have made 200 pie-nuts candy dishes which will be filled and delivered to the Natchaug Convalescent Home.

Calendars Arrive  
 Congregational Church calendar have arrived and are being distributed. Miss Jean Natch, chairman, said these are a very few extra available which may be ordered from her.

Manchester Evening Herald  
 Columbia correspondent, Virginia M. Carlson, telephone 228-9224.

**Cook's Shooting Held Justifiable**  
 LOS ANGELES (AP)—A coroner's jury has ruled it was justifiable homicide when Barthelemy shot and killed the singer Sam Cooke Dec. 11 at the Los Angeles motel she managed.

At the inquest Wednesday Miss Boyer, 27, a Eurasian, said that she met Cooke at a Hollywood party and had offered to drive her home, but took her instead to the motel and forced her to disrobe. She said she fled when he went into the bathroom.

Members of Richard Curran's Grade 5 received a surprise Monday when they opened the morning mail.  
 Some time ago, Miss Boyer told that Harry Ross, the creator of "Smoky the Bear" was a native of Connecticut. Recently, when Mr. Ross's life was celebrated by the death of his son, an attorney, the class decided to write a letter of condolence.

### Events In State

(Continued from Page One)

In the main, the leftover cash went into Aetna stock—and stayed there, decade after decade. "A friend told him to put it away and forget about it," Mrs. Carlson explained. According to the inventory, most of Carlson's estate consisted of 4,000 shares of Aetna stock, valued at \$777,000, and 2,000 shares of Hartford Fire Insurance Co. stock, valued at \$207,428.

#### Amendment Sought

HARTFORD (AP)—Democratic State Chairman M. Bailey says both Democratic and Republican leaders are "fully aware" they are supporting a constitutional convention bill that does not meet the time schedule laid out by the federal court.

But, Bailey said in Washington Wednesday, a three-judge federal panel will be asked soon to amend its order calling for a statewide referendum in 1965 in connection with the bill.

The measure now before the special session of the General Assembly sets up a time schedule that permits a referendum on February 1966 on the product of a constitutional convention that would convene Sept. 13, 1966.

"There will be a conference," Bailey said, "on the question as to whether the court will accept this new schedule. If there is a fatal mistake in the bill, we will amend it."

#### 600 Evacuate

BRIDGEPORT (AP)—Fire in an underground transformer forced more than 600 persons to evacuate the three-story Middle Street Post Office building for more than two hours Wednesday.

Postmaster Russell F. Neary said the heavy smoke and soot damaged the walls and furniture in the post office, as well as offices on the upper floors. No damage was reported to any mail, Neary said.

#### Rate Increase

HARTFORD (AP)—State Insurance Commissioner William R. Coffer says he will not stand in the way of an increase of 10 per cent in Connecticut 60 insurance rates.

His position, announced Wednesday, means that the increases will take effect automatically Jan. 1. Without the increases, Coffer said, the companies participating in the major medical plan for the elderly will "suffer substantial additional losses."

#### PROMOTION HALTED

HARTFORD (AP)—Superior Court Judge Adam Palmer has ordered a temporary halt to state police promotions to detective or sergeant based on recent competitive examinations.

The order was issued pending a hearing Jan. 5 on a plea for a permanent injunction. The stay is being sought by a group of troopers who claim the examinations are unfair because two separate oral boards of state police officials were used instead of one board as had been the custom.

#### Paper Napkin Christmas Tree

Under this spreading Christmas tree sits 16-month-old Kiana Ketterlin and her pet Bassett hound. The tree is made of paper napkins and chicken wire, took the Ketterlin family a week to make and cost all of \$4. (AP Photofax.)

### New Talks Planned On Hospital Access

At the request of Mayor Francis Mahoney, a meeting will soon be called to set up a timetable for a solution to the two-year-old question of a new access road for Manchester Memorial Hospital.

The town's board of directors, opposing the widening of Hayes St. as the solution, proposed last spring the construction of a new road, west of the hospital, from Alpine St. to W. Middle Tpk., at an estimated cost of \$37,000.

The plan, and subsequent discussions between the directors and hospital officials, were suspended in July, when it was learned that hospital expansion proposals would place a heating plant squarely in the middle of the proposed road.

Mahoney said this morning that "now that the hospital has indicated its preference for the widening of Hayes St. alone, rather than from Main St. alone, the question of a new access road is brought sharply to the fore, immediately after the disastrous Hartford Hospital fire."

Hospital officials and some town agencies had suggested that Hayes St. be widened as a month.

### Rep. Mills OK's Medicare With Separate Financing

(Continued from Page One) Mills indicated his committee would consider any health care plan in conjunction with legislation to increase the cash retirement benefits paid under Social Security.

He repeated earlier assurance that it is ready to go to the charge of intoxication and ordered a fine of \$5. The judge discharged the man wanted by Florida authorities on the charge of desertion of his family.

His dismissal of the case was based on the manner of the extradition proceedings, emphasized by the interested Florida parties. It was brought out in court by the defense that the proceedings had been initiated by a justice of the peace in the town who sent the warrant by mail to police in Hebron who then relayed it to Marlborough authorities. Defense counsel pointed out that action by one of both of the governors of the state involved was necessary.

Edward Goetz, 34, of Tolland, pleaded guilty to a charge of intoxication and received a suspended jail sentence of 30 days. Paul R. Sines, 22, of Coventry, was fined \$30 for reckless driving, and had a charge of following too closely nolle.

#### 12th Circuit Court Cases

MANCHESTER SESSION The definition of "intoxication" was the focal point of a case heard by Judge Simon Cohen at Manchester Court today. Courland Young, 46, of Somers, contended that the proper definition was "state of excitement induced by drug or liquor" and denied that it could have been applied to his condition on the night of Nov. 15 when he was arrested for a disturbance at a Somers restaurant.

According to the testimony of the State Trooper Sgt. John Young, who was the man who made the arrest, Young's clothing was disheveled, his manner unbecoming and he was walking unsteadily. All fitting his definition of intoxication.

Judge Cohen did not offer his definition but, after hearing Young admit that he had had four or five beers earlier in the day, pronounced him guilty on

### Obituary

#### Edward Starkey Pease

ELLINGTON—Edward Starkey Pease, 88, of Main St., died last night at Rockville General Hospital.

He was born in Hartford on Oct. 18, 1876, son of the late Charles and Emily Ellsworth Pease. He lived in Ellington for the last 12 years, moving from West Hartford where he had lived most of his life. He was a retired insurance employe.

Survivors include three sons, Mrs. Clarence B. Waters of Ellington, Mrs. Neil H. Landers of Ellington and Clifford W. Barnett of Oakridge, N.J.

Private funeral services will be held at the Lead Funeral Home, 19 Ellington Ave., Rockville, at 11 a.m. Monday. Burial will be in Riverview Cemetery, at the convenience of the family.

There will be no calling hours.

#### John Arsenault

CONVENTRY—John Arsenault, son of Eugene and Gloria Johnson Arsenault of Conventry, died yesterday at Manchester Memorial Hospital, where he was born Monday.

Survivors include three sons, Peter Arsenault, Eugene Arsenault and Joseph Arsenault, all at home; his paternal grandparents, Mr. and Mrs. Eugene A. Arsenault of Conventry, Maine; and his maternal grandmother, Mrs. Esther Strout of Hartford.

Funeral services were held this morning at the W. P. Quinn Funeral Home, The Rev. John J. O'Brien of St. James' Church officiated. Burial was in St. James' Cemetery.

#### Dr. J. C. Weber

Dr. J. Clarence Weber, 70, of East Hartford, a naturopath physician, died yesterday in W. Middle Tpk. restaurant after a heart attack.

He was taken to Manchester Main St., with a solemn high lance but was dead on arrival. Dr. Robert R. Keeney, medical examiner, said death was due to natural causes.

Survivors include his wife, two sisters and a brother. The funeral will be held Saturday at 8:45 a.m. from the Holmes Funeral Home, 22 Woodbridge Ave., East Hartford. Burial will be in Mt. St. Peter Cemetery, Derby.

#### Friends may call at the funeral home tomorrow from 7 to 9 p.m.

Mrs. Thomas Pagan of Hartford, wife of the late Thomas Pagan, died yesterday at St. Francis Hospital.

Born in Pittsburgh, Pa., she lived in Hartford for 20 years. She was a member of the Social Union of the Holy Family and a member of the Holy Family Guild. She is survived by a daughter, Mrs. Florence Grant of Hartford; two brothers, Rev. Harry Fairman of Coconino Beach, Fla., and William Fairman of Hartford; and several nieces and nephews.

Funeral services will be held Saturday at 10 a.m. at the St. Francis Hospital. Burial will be in Soldiers Field, Wilson.

Friends may call at the funeral home tonight from 7 to 9 and tomorrow from 3 to 5 and 7 to 9 p.m.

#### Funerals

William Gaucher The funeral of William Gaucher of 107 Deepwood Dr. was held this morning from the John F. Tierney Funeral Home, 219 W. Center St., with a Mass of requiem at the Church of the Assumption. The Rev. Francis J. Mihaluk was celebrant. Burial was in St. Joseph's Cemetery, Derby.

Bearers were William Arnold, Richard Arnold, James Arnold, Edward Arnold, Robert Shann and Thomas Shann.

#### Clarence C. Chambers

Funeral services for Clarence C. Chambers of 84 S. Lakewood Circle were held this morning at St. Mary's Episcopal Church. The Rev. John D. Hughes officiated. Sydney MacAlpine was organist. Burial was in East Cemetery.

Bearers were William Hinniford, Alan Humford, Randall Brown, Robert Brown, Victor Johnson and Walter Knofke. The Holmes Funeral Home, 400 Main St., was in charge of the arrangements.

#### Potato Bloom Worn

The resignation before Jan. 1 of John S. Gleason as veterans administrator. There are rumors that he is returning to the bank when he enters the government.

### Two Tracts Are Studied By Pioneer

Pioneer Parachute Co., planning a move from its present Forest St. quarters for more than a year, is looking at two sites for a proposed \$500,000 plant.

Only one of the locations is in Manchester, however. The firm's decision whether or not to stay in town depends, according to Pioneer Parachute president Michael Kagan, on what Manchester has to offer.

The site that Pioneer is considering for its new plant is a tract of about 49 acres on the north side of the Wilbur Cross Highway between Slater and Denning Sts.

The firm is also looking at a tract in Vernon, however. Both sites are suitable for the planned half million dollar production and office building which Pioneer plans to build.

Town officials are anxious to retain Pioneer in Manchester, both because many of the firm's 300 employees live here, and because the new plant would help boost the town's tax rolls.

At present Pioneer leases its offices and production space in the old Cheney Mill building on Forest St.

Kagan, too, says that he feels an obligation to stay in Manchester, but he is very much aware of other opportunities. "We've been talking for several weeks about our plans," he says, "and I have seen very few other places making a determined effort to keep us here."

He notes, however, that the Chamber of Commerce has been working actively with Pioneer. "Kagan says that Pioneer must be in its new plant, wherever it is to be, by Dec. 1."

This means that ground breaking will be in about two months—leaving little time for discussion.

### McCone Seen Leaving CIA

(Continued from Page One)

friend and adviser of the President. Other prospective shifts—confused neither by the White House nor by those directly involved—were said to include the departure, also within the next few months—of Secretary of Defense Melvin R. Laird from the Department of Health, Education and Welfare. Most frequently mentioned as a possible successor is Gov. Terry Sanford of North Carolina, whose term as governor ends in January.

The resignation before Jan. 1 of John S. Gleason as veterans administrator. There are rumors that he is returning to the bank when he enters the government.

#### News Tidbits

President Johnson may postpone holiday trip to family ranch in Texas. Joseph di Signore, blind deaf mute, goes to work for first time since spending 17 years in mental hospital, unable to read. Anthony J. Celebrezze, Bigelow Brook and for sidewalks, highway repairs, and storm sewers.

WASHINGTON (AP)—The Housing and Home Finance Administration granted \$2,000 to East Hartford, Conn., today to aid in the purchase of 115 acres for a neighborhood park.

### The Open Forum

Communications for publications in the Open Forum will not be guaranteed publication if they contain more than 300 words. The Herald reserves the right to decline to publish any matter that may be libelous or which is in bad taste. Free expression of political views is desired by contributors of this character but letters which are defamatory or abusive will be rejected.

#### More About Brook

To the Editor: We the taxpayers and residents of Lenox, Branford and Benton Sts. would like to have your local press on the taxpayers of this town had any knowledge of the town directors' meeting on the evening of December 10, 1964, at the Capital Improvement Budget (marked urgent since the north side of the Wilbur Cross Highway between Slater and Denning Sts.)

The firm is also looking at a tract in Vernon, however. Both sites are suitable for the planned half million dollar production and office building which Pioneer plans to build.

Town officials are anxious to retain Pioneer in Manchester, both because many of the firm's 300 employees live here, and because the new plant would help boost the town's tax rolls.

### Andover Police Probe Gun Robbery

State police report today that they have no leads on yesterday's daylight robbery of Pioneer Gun Shop, Rt. 6, a general alarm has been forecast to all New England states. Three guns and \$20 in cash were reportedly taken.

The description of the bandit is 28 years old, 4 feet, 100 report. He was wearing a red and blue wool suit, made tan chino pants, a brown zipper jacket, and brown gloves when he walked into the gun shop at about 1:15 p.m. yesterday.

The bandit placed the 22 caliber rifle he wanted some money and guns, police said. He told her to keep quiet and she wouldn't be hurt.

Mrs. Pfeifer, who runs the business with her husband Charles, in the front part of their home, complied with the demand and took three guns and \$20 in bills and change, police said.

The police report that the guns taken were a .38 caliber revolver; a P-38 automatic pistol; and a .32 caliber Beretta.

The bandit then told Mrs. Pfeifer not to call the police and ripped out the phone connection, according to police. The man drove toward Williamtown in a late model Chevrolet coupe, colored maroon with black top. Mrs. Pfeifer ran out and flagged a passing truck. She then went to a house across the street and phoned the Colchester Troop.

#### Ski Report

BOSTON (AP)—New England Council skiers reports: Type of snow surface code: P-powder, PP-packed powder, W-wet, M-Machine made, FG-frozen granular, SC-spring conditions. Numerical preceding P-W snow depth in inches of snow.

Surface evaluation code after snow type: 1, excellent; 2, good; 3, fair; 4, poor; 5, not operating.

Cloudy skies reported over the region this morning with a few flurries northern Berkshire and southern Vermont.

Loat Valley M. 4. Pleasant Mt. FG 4. Squaw Mt. FG 4. Sunday River FG 5. Northern New Hampshire Black Mt. FG 4. Cannon Mt. P 4. Cranmore FG 4. Mittersill M. 6. Wildcat Y. 6. Kennebunkport Ridge Y. 6. Glen Ellen PP 4. Jay Peak P 4. Mount Snow South FG 4. Killington PP 2. Stratton Mt. FG 8. Okemo FG 4. Pico Peak P 4. Stratton Mt. FG 8. Massachusetts - Berkshires Littleton Basin S M 2. Mt. Tom M 2. Thunders Mt. 4 M 2. Eastern Massachusetts Hamilton Slopes M 2. Connecticut Powder Hill M 2. Tappanog 8 M 6. 0-4.

U.S. Weather Bureau outlook for the ski areas of New England: Cloudy and milder this afternoon with brief sprinkles most of region, possibly freezing in some northern valleys except occasional flurries northern Maine and over higher mountains north. Showers tonight changing to snow flurries as colder air sweeps into region later at night. Partly cloudy and much colder northern section Friday but mostly cloudy and colder southern New England. Friday night and Saturday still uncertain but chance of snow developing south.

Very Sincerely yours, Mrs. David Tyler, Mrs. Joseph McCarthy, Mr. & Mrs. Eugene Oxley, Mr. & Mrs. William Bigler.

Edison Wrong Once NEW YORK — In 1888 inventor George Westinghouse proposed to use alternating current to spread cheap electric power throughout New York City. But he met opposition from persons who said it would be uncontrolled; even Thomas A. Edison said it was unsafe. But the idea eventually prevailed.

# Nat King Cole Serious, Has Tumor in Lung

**HOLLYWOOD (AP)** — One of the most popular and best-selling vocalists in the world today, Nat King Cole, has been diagnosed as having a malignant tumor in his left lung.

The fact that the 46-year-old singer is seriously ill was disclosed Wednesday by his physician, Dr. Robert K. Coleman, who said he was not sure whether the tumor is malignant.

When Cole was admitted to St. John's Hospital in nearby Santa Monica, Calif., last week, he was in a critical condition. He had been suffering from a respiratory ailment since he was hospitalized in Santa Monica Dec. 8. His illness was termed a respiratory ailment.

His physicians — Dr. Robert K. Coleman and Dr. Elmer Rigby — said Cole would be able to go home in about 10 days, just after Christmas.

They added: "We have also advised Mr. Cole that he has professional engagements for 20 years. He is also one of the top earners in the music world, often averaging \$50,000 a year.

In 1953, Cole, who had short-cropped hair, was signed by Capitol Records as the strength of the song "Strips Down and Fly Right."

Since then he has sold millions of records, including such hits as "Nature Boy," "Mona Lisa," "Unforgettable," "The Young Man with a Love," "The Christmas Song," and "A Christmas Holiday."

The first inkling of Cole's illness came when he was forced to cancel a few remaining days of an engagement at the Sands Hotel in Las Vegas.

The gravity of his illness became more apparent last Thursday when he was hospitalized in Santa Monica. He was in a critical condition when he was hospitalized last Thursday.

Cole's family moved to Chicago, where Nat played his first professional dates in a 14-piece orchestra that earned a total of \$1.50 a night. Nat played the piano, and Cole sang.

Cole came to California with a musical review that followed a stay in Los Angeles. In one of them, a patrolman pulled him over on his head and dubbed him "The King." The billing stuck.

TRIMMERS TRIMMING  
**BALTIMORE, Md. (AP)** — Trying to trim a city budget, Baltimore City Comptroller Hyman Freeman also hopes to trim a budget of \$10 million — through exercise.

Freeman announced Wednesday that he will lead a group of employees who will begin their new program with simple exercises at first — twisting, bending and isometrics. Pushups come later.

Kids find every meal's a picnic with yummy Caterer's Kitchen Potato Salad from Stop & Shop... even if there are no ants.

8 out of 10 homes have a cold room

IS YOURS ONE OF THE 8????

# Business Bright in Post-Quake Anchorage

**ANCHORAGE, Alaska (AP)** — Less than nine months ago, this booming northland city was stricken by one of the mightiest earthquakes ever recorded.

With the first post-quake Christmas approaching, the city's merchants find the current business picture as bright as the twinkle in Santa's eye.

The consensus is that business this Christmas season promises to be very, very good, despite the big shake of March 27, and perhaps the best ever.

Employment is up and the Salvation Army's Christmas kettles are ringing out a tune of quarters and dimes far louder than in past years.

Vance Phillips, proprietor of two large locally owned department stores, said: "This will be our biggest year by quite a bit. Every year so far has been the best and 1964 is no exception. There are just more people around this year and they are not holding back in shopping."

Mayor Elmer Eason, who also is president of the National Bank of Alaska, commented: "Probably the season will be one of the best we have ever seen in Anchorage."

This view is shared by William Rens, executive vice president of the Matanuska Valley Bank.

"All the people we talk to, customers of the bank, particularly in the retail trade, seem to be enjoying an excellent business this season," Rens said. "The reason they give is earth-quake reconstruction work. Much of the work has gone on since the earthquake."

Yvonne Kroka, manager of the State Employment Service Office in Anchorage, said quake reconstruction work has resulted in lower unemployment and a higher than normal level of winter employment.

"Several of the big jobs are continuing through the winter," Mrs. Kroka said, "and a lot of the men who are usually laid off at this time, because of severe winter weather, are still employed."

Among projects continuing through winter's sub-zero temperatures are the reconstruction of two schools and the J. C. Penney Co. store, as well as new construction on a hotel and office building.

Robert Orier, Penney's manager, said he finds business conditions definitely better than a year ago.

"Sales have shown an increase and it seems there is just more money in circulation this year," he said.

The firm is operating from three different locations while a huge new building to replace the one shattered in the Good Friday temblor is under construction.

Jack Ferguson, Northern Commercial Co. manager for Anchorage, said business is good and he expects it to continue at a high level through the Christmas season.

Northern Commercial's big downtown store also was destroyed March 27. The firm is operating out of temporary quarters, with no room for its

appliance, furniture and hardware departments.

"If we just had more room," Ferguson said, "we'd have no complaints at all."

Lt. Col. Daniel G. Rody, Salvation Army commander in Anchorage, said the volunteer agency has more families to help this year, because of the quake, but people appear to be more generous with contributions.

Most of the needy families Rody said, are from the small native villages so hard hit by seismic sea waves March 27.

"The cities and towns — Valdez, Seward, Kodiak and Anchorage — do not appear to have increased needs this year, because just about everyone is working," Rody said.

# Driver Arrested On Road Charge

Mrs. Marie F. Burkus, 275 Oakland St., was charged yesterday with failure to grant the right of way at a private drive, after she was involved in an accident last night in front of her home.

According to police in the process of backing her car into the driveway, the car struck the left side of the road and drove into

### Coventry Annual Christmas Concert Set Monday at High School

The annual Christmas concert will be presented at 7:30 p.m. Monday in Coventry High School auditorium.

The school music department, under the direction of Mrs. Francis Wade, will present a variety of songs and instrumental pieces. The program will include "The Christmas Story," "The Christmas Suite," and "The Christmas March."

The choir will include members of the school, St. Mary's Church, and the St. Joseph's Mission Church in Eastford.

Tickets are available from members of the band and choir.

Coventry High School senior class will have its Christmas dance at 8 p.m. Wednesday in the gymnasium.

State Aide at Meeting

Dr. Ralph Kierstead of the Connecticut Department of Education appeared at a faculty meeting of the high school to speak on the evolution of the school to be held in November of 1965. Questions were answered by the faculty were on procedure of evaluation and other various points of interest.

Next Week's Menu

The lunch menu for the three days prior to the Christmas vacation will be: Monday, meat ravioli with cheese and tomato sauce, buttered spinach, vegetable sticks, bread and butter and pineapple and apricot dessert; Tuesday, orange juice, fried chicken, potato chips, apple peanut crunch and Wednesday (at the two elementary schools) only with no lunch at the high school) barbecued beef cubes on bayonette noodles, salad and assorted desserts.

The hot lunch staff has extended holiday hours through Mrs. Frank Murray, director-treasurer of the program. All classes will resume at the usual times in the three local public schools on Jan. 4.

Sunday Services

The Rev. Wilhelm H. Wilkins, pastor of the Prince of Peace Lutheran Church, Missouri Synod, will use "The Beginning of the End" as his sermon topic at the 10:15 a.m. service Sunday.

The Christmas program by the Sunday School will begin at 10:30 a.m. Sunday with a party for the children and refreshments following.

The church's "Pilgrimage to Bethlehem" will be held here from noon to midnight Wednesday with no formal service involved and parishioners attending as they wish to worship and meditate in "Sharing Christmas with Christ." Special Christmas devotionals will be placed in a special depository at the altar.

The Christmas Eve service will be at 7:30 p.m. Dec. 24 with the Rev. Mr. Wilkins using "The Light of the World" as his topic.

The annual Christmas Day service will be at 10:15 a.m. Dec. 25. The Rev. Mr. Wilkins will use "Christ, the Saviour is Here" as his sermon topic during the worship service.

The Rev. James H. Ameling, pastor of the Second Congregational Church, will use "The Gift of Christmas" as his sermon topic at 11 a.m. Christmas service Sunday. The nursery service during this hour will be in the Church Community House. Greeting after the church service will be Mrs. Arthur J. Vinton, deaconess, and Thomas T. Cooper, deacon.

The Senior Pilgrim Fellowship will have Christmas wreaths for sale after the service.

The Church School pageant will be presented at 6:30 p.m. Sunday in the sanctuary with a Christmas party following in the Church Community House on Rt. 44. This will be under direction of the Religious Education Committee.

The Mr. and Mrs. Club of the church will have its annual Christmas party for children of members at 6:30 p.m. Saturday in the Church Community House.

The church choir will rehearse at 7:15 p.m. Tuesday in the sanctuary. Instead of Wednesday.

At 8:30 p.m. Tuesday there will be a rehearsal for the Christmas Eve service for the choir and the cast in the sanctuary. In charge will be Mrs. James H. Ameling, Wesley F. Lewis and Ivan Beckwith, organist and choir director.

The Junior Pilgrim Fellowship will meet at 6:15 p.m. Wednesday to join the First Congregational Church's Junior Pilgrim Fellowship for Christmas caroling at the Wilkins Convalescent Hospital in South Willington. Both groups will then go to the Quonset Hut in Mason St. as guests of the First Church group for refreshments. The program is expected to conclude at 9 p.m.

The annual church meeting is scheduled for the evening of Jan. 18 at the Church Community House. Church groups and organizations are asked to file their annual reports. Mrs. Nolan Perkins or the Rev. James H. Ameling will be in charge of preparing them for the meeting presentation.

Christmas Masses

Christmas will be observed with midnight Masses at both St. Mary's Church in School St. and St. Joseph's Mission Church in Eastford.

On Christmas Day both churches will have Mass at the regular times on Sundays. St. Mary's at 7:30 a.m., 9:30 a.m. and 10:30 a.m., and St. Joseph's at 8:30 a.m.

For the Best Mass there will

ward J. Foster, pastor of St. Mary's Church, selected the evening Mass in preference to an afternoon one.

The Rev. Robert B. Lynch is assistant pastor at St. Mary's Church.

Highway Lines Painted

The State Highway Department has painted a heavy white line on both sides of Rt. 31 from the westerly and easterly approaches to the Skungamaug River Bridge. The bridge over the river also has a newly painted heavy reflector guard rail.

The project, a temporary measure, is in line with a talk by the Rev. Rev. Walter L. Thorp had with

Deputy Highway Commissioner Ralph L. Hager about the difficult vehicle approach here and a subsequent letter to the local representative received from Highway Chief Engineer Robert Mitchell on a preliminary survey made at the mentioned location.

Rep. Thorp is introducing a bill to have the "hazardous" condition at Skungamaug River Bridge on Rt. 31 corrected in the forthcoming session of the General Assembly.

The condition here is not expected to be corrected immediately as Thorp's letter from Mitchell stated "although the bridge and approaches are recognized in our highway needs inventory, there are presently many other needed improvements with greater priority for programming."

Coventry High School Patriots at Rocky Hill

The Patriots team will play an away game at 6:30 p.m. Friday against the Rocky Hill High team.

Congregational Services

Sunday worship services will be at 11 a.m. at the First Congregational Church with the Rev. James R. MacArthur, pastor, delivering the sermon.

The Church School pupils are taking part in a Christmas Star project with monetary gifts being collected for needy children

process. These gifts will be dedicated at the Church School pageant at 7 p.m. Sunday in the sanctuary.

Manchesters Evening Herald Coventry correspondent, F. Pauline Little, telephone 742-8231.

Teddy First in Auto

WASHINGTON — Not only was Theodore Roosevelt the first President to ride in an automobile, he was also the first to leave the United States while in office—a trip to the Panama Canal.

Kuwait Finds Water

UNITED NATIONS, N.Y. — A United Nations study of the possibilities for desert areas of water-desalting processes showed that sometimes the water is already ready there — in the ground.

Kuwait, it said, spent \$17 million on a desalination plant before a survey revealed unexpected supplies of ground water.

MILLION HRYETS IN JET

MONTREAL — A jetliner requires 1,225,000 fastening devices. Included are a million rivets, 140,000 lock bolts, and 80,000 structural bolts.

Unprecedented Cold Wave Freezes Northwest Section

Washington State, experiencing one of its worst cold waves, shivered through record low temperatures. The coldest spot Wednesday night was -23 in Spokane, the lowest ever for December.

Winds measured at 92 miles per hour raked northwestern Washington, driving a 50-foot shrimp boat aground and tearing cold air across into the state.

North Dakota Gov. William Guy set up emergency precautions to assist travelers caught in the blizzard. The governor urged absolutely no travel until the storm subsided. The temperature dropped to -25 and -30 in North Dakota. Some flights were canceled by airlines and many buses were not running.

Dickinson was without power for 24 hours Wednesday morning for 24 hours Wednesday morning.

Forty school children were stranded at Reader, N.D., and taken into homes when snow visibility halted bus service.

Postmistress Vivian Hilden spent Wednesday night sleeping on her post office mail sorting desk because of the blizzard.

Leaders Parley Planned by CEA

Mrs. Bernice Mahor, chairman of the social studies department at Bennett Junior High and secretary of the Connecticut Education Association (CEA), is a member of a committee planning an all-day CEA leaders' seminar in Hartford, Jan. 9.

Called the Midwest Local Leaders meeting, the conference will feature an address by National Education Association President Lois Edinger. The meeting is designed as a show-

### Bolton Christmas Carol Sing Slated At St. Maurice's Tonight

The annual Christmas program and carol sing of St. Maurice Church will be held tonight at 8.

About 40 children in Grades 1 through 6 will present a nativity tableau under the direction of Mrs. Edward Melochio, assisted by Mrs. Richard Alton. Students in Grades 7 and 8 will present a skit.

The "Christmas Tree," under the direction of Mrs. William Vogel, in the east end. Kathy O'Neil, Fred Arend, David Miller, Barbara Marbury, and John Letner, Larry Flano, Bruce Foss, Marie Miller, Paula Tomer, and John Letner.

Members of the CYO will lead carol singing outdoors by the creek after the program, weather permitting.

All students in the tableau and skit are to meet in the church basement tonight at 7.

Family Yule Program Set

Bolton Congregational Church will hold a family Christmas program tomorrow at 2 p.m. in the Education Building of the church.

A nativity tableau will be presented by members of Grades 7 and 8. Church school classes under the direction of Mr. and Mrs. Emerson Bosworth, Ellen Converse will be Mr. Richard Bertram, Joseph, Anela Zappa and Cheryl Tilcom, Angela; Michael Leggett, the Ladies Benevolent Society, will be performed.

A telephone company Christmas play, "The Christmas Puppets" will be shown, followed by caroling and refreshments.

The Junior Fellowship of the church caroled at private homes in three convalescent homes Sunday evening.

New Library Books

Recent additions to the adult fiction shelves at Bolton Public Library include: "Banishing the Vine and the Olive," Capra, "The Book of the Day," An Infinity of Mirrors, Friedman, "A Mother's Kisses," Gilden, "Hurry Sundown," Lawrence, "Not a Cloud in the Sky," Leggett, "The Book of the Day," Branch, "Reason, Bank Job," Kennie, Klingside, and Wilson, Deepwood River.

Non-fiction includes: Alexander, "Economics," Anderson, "Basketball Techniques," Bell, "Homes and Gardens Christmas Ideas for 1964," Blake, "Guide to Cape Cod," Martha's Vineyard and Nantucket; Call, "The Little Kingdom," Chaplin, "My Autobiography," Frandsen, "How Children Learn," Freudenberger, "Freud," Book of the Seven Seas; Gilot, "Life with Picasso," Glaser, "Guide to Painting; Goodman, "Compulsory Education," Grambs, "Modern Methods in Second Grade Instruction," Gregory, Nigger, Kahn, "The Tavern," Paper, "Step by Step," Klein, "Lasers and Masers;" Lundberg, "Sociology;" McCall's Christmas; Mack, "President Kennedy;" Warren Commission Report on the Assassination of President Kennedy; and "Writer's Program, Vermont Guide."

Picture of the month hanging in the library are Apple Orchard, Bolton Lake, an oil by Myrtle Carlson of the Bolton Art Club and Snow Scene, an oil by Mildred Lak of the Toland County Art Association.

With Viet Teens

Marlene Lence, CW, Victor J. Costanzo, son of Mr. and Mrs. Joseph Costanzo of Heron Rd., is serving with the Marine Installation Landing Team which was recently awarded a plaque for assisting in flood relief operations in South Vietnam. The plaque was presented by South Viet Nam's Deputy Prime Minister.

Club Meeting Slated

Cub Scout Pack 187 will hold its December pack meeting tomorrow at 7:30 p.m. at United Methodist Church. Mrs. Marie By's Den 4 will conduct the opening and is in charge of the pack. Mrs. Betty Davis Den 2 is in charge of the closing ceremony.

Each cub scout is to bring a grab bag gift and each boy is to be accompanied by at least one parent.

Dzen Completes Water Main Job

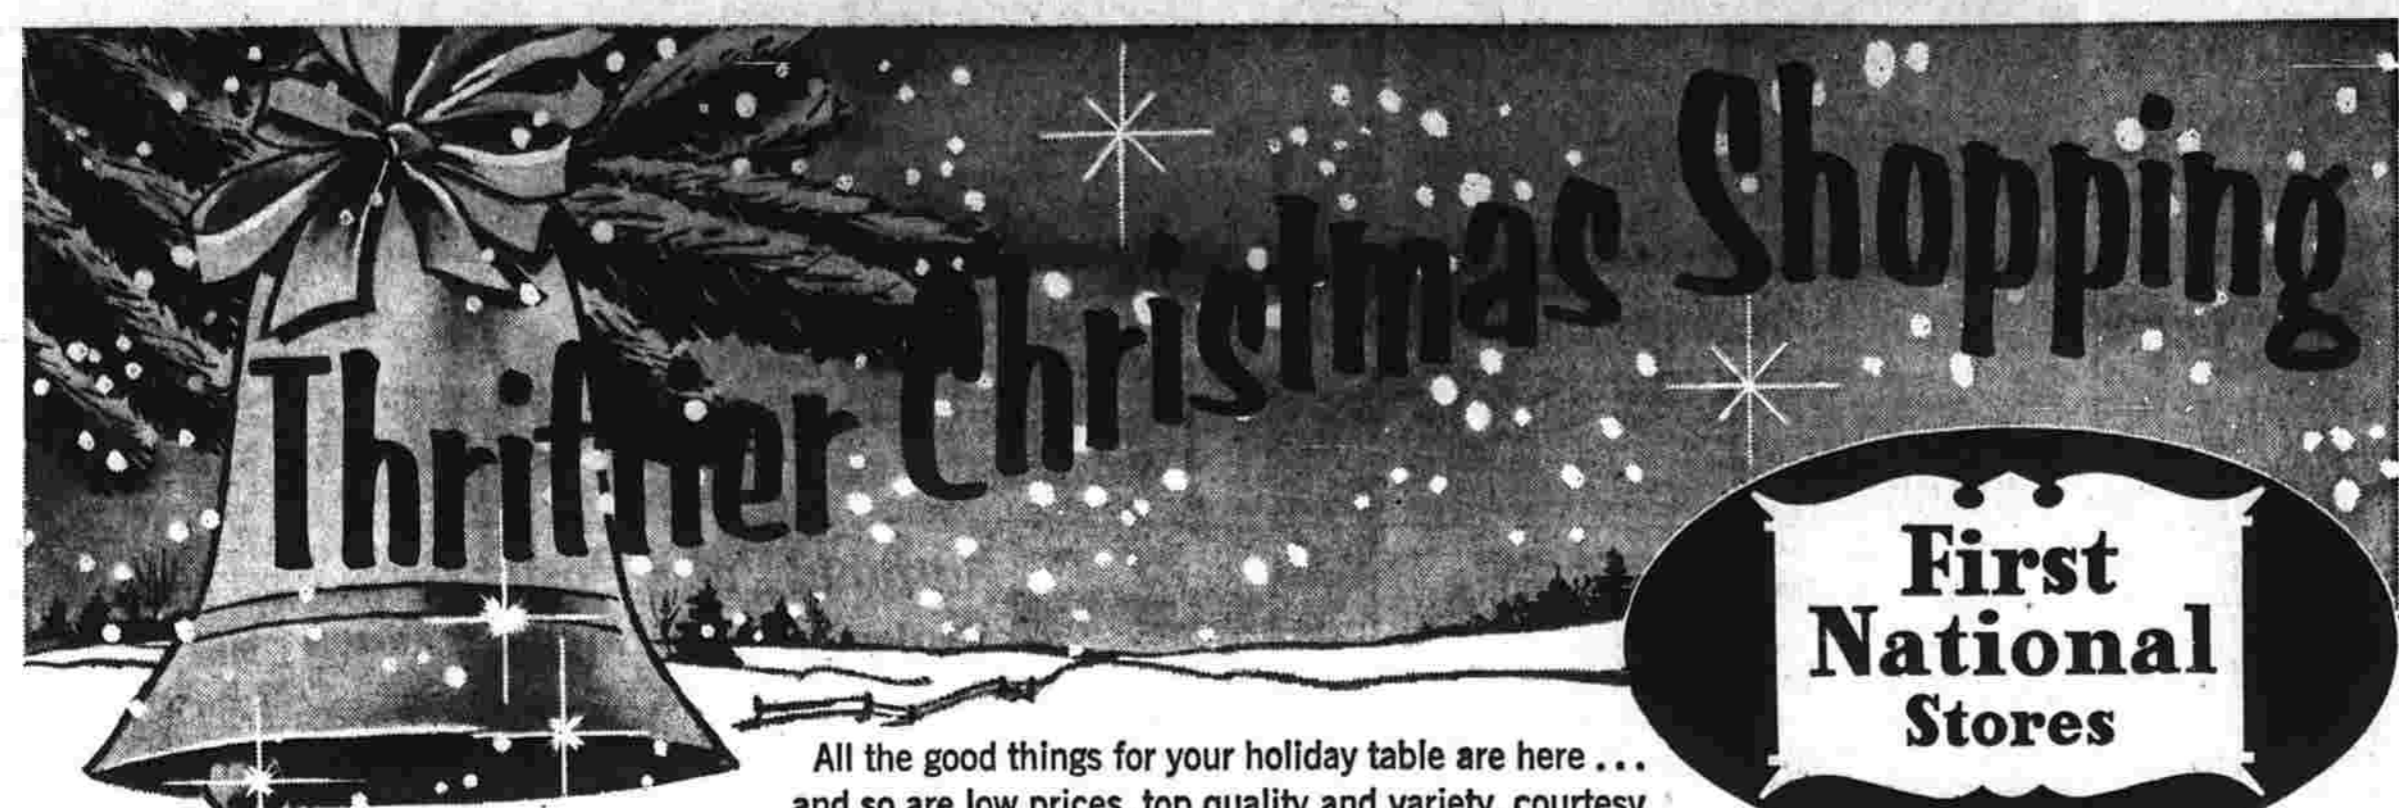

With the completion of work this week by the A. Dzen Construction Co. on Spruce St. between Eldridge and Charter Oak Sts., the 240-foot section now being supplied by a 16-inch water main.

The project, which had been started in 1962, was completed by Eldridge St. in 1963 and no further action was taken until this fall, when a judge by Town Fire Chief, Clifford Mason, convinced the board of directors that completion of the project was necessary.

Chief Mason said that a 10-inch main, the whole length of the street, "is necessary in order to provide adequate streams to combat fires in the type of structures that make up the area."

### De Gaulle Farm Victory Threatens Grain Exports

**BONN, Germany (AP)**—Charles de Gaulle's victory this week on the bread-and-butter issue of European farm policy raises a threat to U.S. exports of grain.

Officials here now work on a system of farm prices, subsidies and import duties that will strengthen the French position as Western Europe's leading supplier. That could stifle out American exports.

The French victory came at two night sessions of the European Common Market council at Brussels, Belgium, after De Gaulle had threatened to pull out if he did not get his way.

The council finally agreed to set up a single system of grain prices for the six member countries: France, West Germany, Italy, Belgium, Holland and Luxembourg.

West Germany—and at the last, Italy—resisted. They do not especially oppose French leadership on farm matters but they were trying to get advantages for their own farmers.

The other five had been working on West Germany for months to consent to a reduction in its grain prices, the highest in the area.

The decision to yield was made in Bonn last month.

The prices which go into effect in 1967 will still be 30 to 50 percent higher than today's market prices. That is traditional in Europe, where governments have long kept grain prices high to insure an adequate bread supply in time of war.

Now it's not bread that matters so much but the price of wheat. Now it's not wheat but the price of grain. But there was a severe possibility of that.

American officials can console themselves with the thought that now Western Europe is in a position to plan the production. That means it can work on a worldwide agreement for the grain trade. The United States considers this to be an essential element in the Kennedy Round of talks to lower trade barriers.

The issue is due to start next week. It is in this agreement, and others like it which may follow, that American officials will make their pitch to capture markets for American farmers and the supplies the American government has bought.

### Irish Uphold Fluorides

**DUBLIN**—Ireland's Supreme Court has upheld the right of the state to fluoridate the public water supply. A housewife brought the test suit. The court said an objecting citizen could sue for a writ of prohibition, introduced for dental health, at his expense.

### Special Music Set at Church

South Methodist Church will celebrate the Christmas season with songs and worship.

Christmas Sunday morning the services will include the Rev. Dr. J. Marley showing preaching on "Where Jesus Was Born." The sacrament of Baptism will be administered at the 9 a.m. service, and there will also be special Christmas music. Mrs. Charlotte Gray, soloist, will sing "The Angel Song" by Stickles. The Youth Fellowship Choir will present "The Holy and the Ivy" which was arranged by Dunhill.

The music at the 10:45 a.m. service will be by the Chancel Choir, from the manuscript of Christ's Church of the 16th Century, "Two Kings," arranged by Joseph W. Clokey from the work by Robert Herrick.

### 'Ban the Bach' Signs Proclaim

**LOS ANGELES (AP)**—Carrying signs reading "Ban the Bach," 100 UCLA students highlighted the program.

Honey-mooning today are hotel man Glyn Wolfe, for the 17th time, and Dolores Irene Rankin in Wolfe, for the third.

The students called themselves "The Committee for Pleading the Fifth"—more in reference to the Beethoven symphony than the amendment. They accused the UCLA music department of "lack of respect" in scheduling a Bach concert on the 16th anniversary of Beethoven's death.

The demonstration was described as "unintentional and orderly" by witnesses, but it failed to impress a larger group which attended the Bach concert.

The music department maintained an icy silence.

### District 8 Rham Band To Play for Carol Sing

Tonight at 8:15 p.m. the Rham High School Concert Band, under the direction of Mr. Robert Glavin, will present a concert of band music and play for a Christmas Carol sing at the school.

Highlights of the evening's performance will include "Carol Sing" from cantata No. 207 by J. S. Bach, "Night Wind" by Ronald Thalman, and "Becky English Suite" by Walter Playagon. The audience will be invited to join in singing some of the well-known Christmas carols. Tickets may be obtained from any band member or purchased at the door. Proceeds will go to the band uniform fund.

Club Present Play  
The Dramatic Club of Rham High School presented a one-act play entitled "Quiet Please" by Howard Boerman at recent assembly programs at the school. The cast included Michael Haley, Malcolm Parker, Carolyn Parke, Errol Boober, Jessica Foster, Sandra Green and Melanie Osborn. Committee managers for the production were: Stage, Sandra Foran; lights, Robert Warren; properties, Ellen Piliault and Sandra Tupper; business, Linda Carlson; costumes, Margaret Blakely; makeup, Daphne Jennings and hardress, Christina Anderson. Mrs. Pauline Straight, advisor to the club, served as director for the production.

Debate Club Active  
Since school started this year, the Rham Debate Club has participated in three major events: The Model Congress at UConn,

### Hebron Performance On Organ Is Delivered

The program rendered at the Hebron First Congregational Church on White Hill Sunday opened with an organ prelude by Brenton Craze, organist, followed by a program by the Sunday school: Processional, "Angels From the Realms of Glory," Peter Billard, leader; "Oh Little Town of Bethlehem," Gregory Burke, leader; "Silent Night, Holy Night," John Bell Jr., leader; "White Shepherds Watched Their Flocks by Night," Bruce Campbell, leader; "We Three Kings of Orient Are," by kindergarten and primary grades; a play by Mr. Juliana's class, with explanation by John Bell Jr.; presentation of white gifts; offertory prayer, Mr. Billard; meditation, Mr. Hummel; recessional, "Joy To The World" and benediction by Rev. John N. Cross, pastor. Mrs. Barbara Burke was pianist.

Desons of the church are to meet Wednesday at 8 p.m. in the lounge.

Anyone interested in sending Christmas cards to the Korean Peninsula may use the following address: Rae Jung Book, No. 46685 Home, No. 84, Yanji Children's Home, in care of Christian Children's Fund, International P.O. Box 1178, Seoul, Korea. Cards will reach him sooner if sent by international mail.

Training Course Starts  
A medical self-help training course, designed to prepare people to meet their own health needs if disaster strikes, and no doctor available, will start

The key word you want to be concerned about when buying a chicken is "FRESH."

Mott native chickens are fresher when you buy them... because Mott chickens are rushed every 24 hours to each Mott store... each chicken is carefully packed in fresh crushed ice, to guarantee flavor.

Each plump meaty Mott chicken is tender and delicious every time because it's been scientifically raised under specific conditions to be sure it develops into a full breasted bird with lots of lean tender meat on its bones.

And please remember... Mott chickens, like all of your other Mott purchases are guaranteed to please you or your money back.

### Set All-Time Season Scoring Mark Gino Cappelletti MV

**NEW YORK (AP)**—Division title, Cappelletti has caught seven touchdowns passing and kicked 26 field goals in 30 attempts. The 30-year-old former Minnesota player also kicked 77 punts, added two conversions and caught a pass for a two-point conversion as permitted in the AFL. He broke his own scoring record of 167 set in 1961.

Cappelletti's most dramatic field goal was kicked against Houston in the last three seconds for a 26-24 victory in the NFL.

Cappelletti, formerly a defensive back, moved to an end-flanker job. He scored half of Boston's points and led the league with 105 points, a record total, with his place-kicking and punting ability.

With one big winner-take-all game against Buffalo still to be played Sunday for the Eastern

### Gilchrist Leading All-Star Vote Getter

**NEW YORK (AP)**—Despite serving time on the waiver list, Buffalo full-back George Gilchrist was the only unanimous choice on the American Football League All-Star team named by The Associated Press.

Gilchrist, one of six Bills on the team picked by a 24-man panel in the eight league cities, was the only player on either the offensive or defensive unit to get all the votes and regained the fullback spot he lost to Oakland's Ken Danvers last season.

Involved in a mid-season battle with Coach Lou Saban that resulted in his being placed on the waiver list, Gilchrist proceeded to make amends, re-joined the team and put himself in position to become the first player in the league's history to become a two-time 1,000-yard ground gainer.

Gilchrist needs 71 yards in the game to tie Danvers for the league's top rushing yardage.

Boston's contingent includes quarterback Babe Parilli and guard Billy Neighbors along with three defenders—end Larry Eisenhauer, middle linebacker Nick Busonetti and safety Ron Hall.

San Diego's five includes flanker Lance Alworth, fullback Lincoln at the running back spot, offensive tackle Ron Mix and defensive end Earl Faison and Ernest Ladd, the 6-foot-9, 321-pound defensive tackle.

Kansas City placed two on the team and New York placed one.

Fred Arbans at tight end and cornerback Dave Grayson were the Chiefs' representatives. Cornerback Larry Green and guard made it for the Jets, re-chambered by Betty Lou. He hopes that his enthusiastic performance will turn out Sunday so that the slope will be ready for all the snow the Farmers' Almanac has promised this winter.

Monday night the Manchester Ski Club had its annual Christmas potluck supper and approximately 100 hundred members and friends enjoyed the festive and merry party prepared his usual delicious buffet. Betty Lou and Gail Hines made several attempts to insure enough casserole dishes to serve the guests and the festive and merry party was enjoyed by all with a film "The White Duck" featuring the incomparable Stein Erikson to top off the activities. There will be no Ski Club meetings over the Christmas and New Year holidays but if the weather permits I am sure there will be group organizing for the ski season in the North. The next meeting will be Jan. 11.

When the snows finally retreat and the sun is shining enough to open Mt. Nebo the announcement will be made for the skiing and sliding sports which appear in The Herald. The slope is well equipped with the amount of snow will be required to open.

The Barnard Junior High School Ski Club is planning a trip to Mt. Tom, Holyoke, Friday evening if the weather permits. The trip was originally planned last Friday, but was canceled because of the weather. The club is the faculty advisor for the group and according to all reports the trip will be well organized and very active club.

Along with the many projects and activities the Ski Club undertakes each year the club has been the project of several members. This year, as in the past, the club will maintain a log for all members and guests. There isn't a great deal of work which has to be done but the club would very much like to equip the lodge with G.I. type double bunks and mattresses. The club is looking for approximately 12 double bunks. If anyone can give us information on where to obtain these items please contact Morgan Grant on Erie Street. When snow conditions permit and the lodge is open, members are requested to make reservations with Grant at least three days in advance.

Ralph Kurtz, owner and operator of the Kurtz Mountain Ski Club, reports he had to close the tow last weekend because of the heavy snow. Seriously, Ralph, who has been a long time supporter of the winter sport, has actually assembled a 200-foot tow on his front lawn just for the youngsters in the neighborhood. The area also offers night skiing.

"Name anyone in the league who doesn't feel he's slowing down when he's skating against Hull," Howe replied.

The Boston Bruins know just what Howe meant. Hull, scoring goals at a fantastic clip, topped Boston's record at the Black Hawks topped Boston 7-6 in Wednesday's other game.

Hull, who had three assists, boosted his league-leading point total to 35 with his 54th and 55th goals of the season. The Hawks have played 26 games and at his present pace Bobby seems a cinch to break the NHL record of 90 goals in a season that he holds with Maurice Richard.

### Ski Notes

**By BOB BROWN**

The call went out and the response was excellent. Last Sunday many volunteer workers were at the Mt. Nebo slope bright and early and a great deal of work was accomplished. Many workers stayed until almost dark. Since last Sunday, work crews from the Park and Recreation Department have done additional work on the slope and with their assistance and about one more weekend with volunteer workers the slope should be ready.

"Although we thought it was impossible we have been able to expand the slope again this year. A new area has been cut and graded to provide a better area for instruction and beginner skiing. At noon last Sunday workers were treated to hot coffee and sandwiches served by Betty Lou. We hope that our enthusiastic performance will turn out Sunday so that the slope will be ready for all the snow the Farmers' Almanac has promised this winter.

Ed Fitzgerald (19) of Norman's was high for both teams. High scoring John South (21) and big Mark Lautenschlager (12) were just too much for a game. Fire & Police trips North. The next meeting will be Jan. 11.

Little John Herdic (10) was high for Fire & Police. Schedule: Thursday 6:10 Joe's vs. Norman's; P. Pagan's vs. Hobby Shoppers.

**EAST SIDE MIDGETS**

Action found the Bluecoats defeating the Crusaders 16-10, and the Pumps taking sole possession of first place by romping past the Hoosiers 32-19.

The first game was low scoring as neither team was able to mount much of a scoring attack. The Bluecoats led by Jim Wilson (6) and Merle Shaw (4). Bryan Jolly (6) was top gun for the Crusaders.

In a battle for first place the Pumps had little trouble. Once again it was hustling Ron Roche (16) who led the attack with Tom Sullivan (8). Two men did all of the scoring for the Hoosiers. Tom Devany (14) and Gary Galano (9).

### New York Date Seen For Irish

**NEW YORK (AP)**—After an absence of 16 years, Notre Dame and Army may play football in New York next fall.

No announcement is expected to be made until about the middle of the year, but the schools scheduled for Oct. 9, 1966, but Army spokesman said Wednesday night New York and Philadelphia are receiving prime consideration for the renewal of the one-fier rivalry.

The schools have signed for two games on a home-and-home basis, the 1966 contest being scheduled for South Bend, Ind., and New York is selected, the game most likely would be played in 60,000-seat Shea Stadium.

### Mantle Hopeful For More Work

**NEW YORK (AP)**—With no operations on his winter schedule, Mickey Mantle is looking forward to at least a 150-game season in 1965 and maybe four more years after that.

The outfield ace of the New York Yankees talked of a busy future Wednesday during a one-day visit to New York from his Dallas home.

"I feel great, and it is good to know I don't face another operation this winter," the injured riddled star said. "There is nothing to worry about."

"I feel I still have a lot of baseball in me. I hope to play at least 140 games next year and for the next two seasons after that. Who knows? I might be able to play five more years."

Mantle, 35, underwent a knee operation a year ago after playing in only 45 games in 1963. He responded by playing in 143 games this past season and hitting .300, knocking in 111 runs and hitting 35 homers.

### UConnns Trek to Maine Tonight

**NEW YORK (AP)**—The Connecticut Huskies are to be trampled under a heavy winter unless the Bulldogs can add teeth to their tooth attack.

Bob Trupin, who supplied Yale's offensive bite in the first four games, was held to a mere 10 points Wednesday night as the Bulldogs opened their Ivy League basketball campaign feebly against Brown.

The Bruins scored an easy 68-54 victory.

Yale, now 2-3, scored only 21 points against Brown's 2-1 zone defense in the first half and fell behind 32-21. The Bulldogs improved in the second half, but so did the Bruins.

In other games Wednesday night, Bridgeport, 2-4, fell in the final six minutes of play against City College of New York.

### Long, Dreary Winter Seen For Toothless Yale Five

**NEW YORK (AP)**—The Connecticut Huskies are to be trampled under a heavy winter unless the Bulldogs can add teeth to their tooth attack.

Bob Trupin, who supplied Yale's offensive bite in the first four games, was held to a mere 10 points Wednesday night as the Bulldogs opened their Ivy League basketball campaign feebly against Brown.

The Bruins scored an easy 68-54 victory.

Yale, now 2-3, scored only 21 points against Brown's 2-1 zone defense in the first half and fell behind 32-21. The Bulldogs improved in the second half, but so did the Bruins.

In other games Wednesday night, Bridgeport, 2-4, fell in the final six minutes of play against City College of New York.

### Western College Quintets Shatter East Win Streak

**SEATTLE (AP)**—Seattle and Colorado State University came from out of the West and shattered the all-winning streak of two Eastern teams in college basketball Wednesday night.

Seattle edged LaSalle 74-74 in the feature of a doubleheader at the Palatka in Philadelphia. CSU defeated Cornell 67-65 at Ithaca, N.Y. LaSalle held on for a straight Cornell three.

Duke, Penn State and Baylor also came through with victories in other feature games on a comparatively slim national program.

The sixth-ranked Duke Blue Devils, the only team in the Associated Press Top Ten to see action, nipped Clemson 80-79. Penn State downed Temple 82-66 in the opener of the Philadelphia twin bill while unbeatens Baylor made it five in a row by taking North Texas 88-81.

Charlie Williams sank a field goal from 20 feet out with only three seconds left to give Seattle its victory. He then stole a ball to ball LaSalle of a final shot. Tom Vidakovich, assistant coach, reported one in the winning in the closing minutes to put Colorado State ahead for good against Cornell.

Duke came from 11 points back to beat Clemson behind 12 straight points by Steve Vaccaro. His goal with 1:28 left put the Blue Devils ahead for good.

Ray Saunders led Penn State with 20 points as the Blue Devils won their fourth straight on the road, six straight free throws, coupled with the foul out of 4-foot-8 Willie Davis for North Texas. Accused for Baylor's victory, Baylor's victory was the Houston handed Auburn its first defeat. The Blue Devils' doubleheader at Houston while Dan Cunningham's two free throws in the last four seconds gave Chicago Loyola a home court 84-83 victory over North Dakota State.

**Western College Quintets Shatter East Win Streak**

Seattle and Colorado State University came from out of the West and shattered the all-winning streak of two Eastern teams in college basketball Wednesday night.

Seattle edged LaSalle 74-74 in the feature of a doubleheader at the Palatka in Philadelphia. CSU defeated Cornell 67-65 at Ithaca, N.Y. LaSalle held on for a straight Cornell three.

Duke, Penn State and Baylor also came through with victories in other feature games on a comparatively slim national program.

The sixth-ranked Duke Blue Devils, the only team in the Associated Press Top Ten to see action, nipped Clemson 80-79. Penn State downed Temple 82-66 in the opener of the Philadelphia twin bill while unbeatens Baylor made it five in a row by taking North Texas 88-81.

Charlie Williams sank a field goal from 20 feet out with only three seconds left to give Seattle its victory. He then stole a ball to ball LaSalle of a final shot. Tom Vidakovich, assistant coach, reported one in the winning in the closing minutes to put Colorado State ahead for good against Cornell.

Duke came from 11 points back to beat Clemson behind 12 straight points by Steve Vaccaro. His goal with 1:28 left put the Blue Devils ahead for good.

Ray Saunders led Penn State with 20 points as the Blue Devils won their fourth straight on the road, six straight free throws, coupled with the foul out of 4-foot-8 Willie Davis for North Texas. Accused for Baylor's victory, Baylor's victory was the Houston handed Auburn its first defeat. The Blue Devils' doubleheader at Houston while Dan Cunningham's two free throws in the last four seconds gave Chicago Loyola a home court 84-83 victory over North Dakota State.

**Penney Surprises Ellington, Records 54-43 Court Victory**

Opening the season on an empty court, Ellington High 64-fought rough going in losing to Penney High of East Hartford, 64-63. Down at the hair, the Knights' second half drive was stopped when only one point separated the teams. Penney then gained control and opened up a 48-34 advantage with only 2:28 remaining.

Steve Pascher (20) and Joe Mearns (18) led Penney to its first win of the season in three points. Don Zablanicky hit 17 points to lead the Knights.

Penney (54)

Ellington (43)

For a while Los Angeles Lakers coach Fred Schaus thought he had a regulation-time knockout home at the Black Hawks topped Boston 7-6 in Wednesday night.

Bull, who had three assists, boosted his league-leading point total to 35 with his 54th and 55th goals of the season. The Hawks have played 26 games and at his present pace Bobby seems a cinch to break the NHL record of 90 goals in a season that he holds with Maurice Richard.

**Big Final Half Spree Nets Win**

Hitting on their first five attempts from the floor in the first two minutes of the second half, St. Anthony's High of Bristol poured it on in the final two periods to trounce Cheney Tech yesterday at the local gym.

The visitors had nursed a one-point 34-33 lead at the intermission break but opened all barrels in the final 16 minutes. During the third period, which saw Bristol jump into a 44-33 lead, Cheney missed all its first five leading tries.

Inability to control the backboards against a much smaller foe, plus no defense for both sides, helped the Scuttins (28) prove too much for the Rangers.

It was a battle of witless fines. Bristol came to town after losing its first four starts while Cheney, in bowing, now sports a zero and three record.

Coach John Kels of the Rangers was pleased with the scoring of his club. Max Renaud dropped in 21 tallies and Andy Tomko 15. The point total was the highest of the season.

Cheney led at the period, 19-17, fell behind at the half, 34-33 and was far back at 57-39 after three periods.

Fran Scrotors (14) and Curt Kels (14) helped the Rangers score.

Start for the Rangers will be Friday in Middletown against Vinal Tech.

Ed Fitzgerald (19) of Norman's was high for both teams. High scoring John South (21) and big Mark Lautenschlager (12) were just too much for a game. Fire & Police trips North. The next meeting will be Jan. 11.

Little John Herdic (10) was high for Fire & Police. Schedule: Thursday 6:10 Joe's vs. Norman's; P. Pagan's vs. Hobby Shoppers.

**EAST SIDE MIDGETS**

Action found the Bluecoats defeating the Crusaders 16-10, and the Pumps taking sole possession of first place by romping past the Hoosiers 32-19.

The first game was low scoring as neither team was able to mount much of a scoring attack. The Bluecoats led by Jim Wilson (6) and Merle Shaw (4). Bryan Jolly (6) was top gun for the Crusaders.

In a battle for first place the Pumps had little trouble. Once again it was hustling Ron Roche (16) who led the attack with Tom Sullivan (8). Two men did all of the scoring for the Hoosiers. Tom Devany (14) and Gary Galano (9).

Rockville-Vernon Alternatives Studied For Double Sessions

The Vernon board of education last night agreed to investigate methods of presenting double sessions. One suggestion was the elimination of kindergarten in the school system.
