President Submits New Measure Immigrant's Skill, Family Basis of Proposed Change

WASHINGTON (AP)—President Johnson proposed a sweeping new immigration law to Congress today. It is based on an immigrant's skill and his family ties in the United States.

It would do away with the 40-year-old national origins quota system, Johnson called the quota system "incompatible with our basic American tradition."

Instead, immigrants would be selected on a first-come, first-served basis, within a system of preference based on work and cultural skills and family unity.

The bill is virtually identical to one proposed in 1953 by President John F. Kennedy. Johnson urged Congress today to give the revived bill priority consideration.

He said the proposed law "both serves the national interest and continues our traditional ideals."

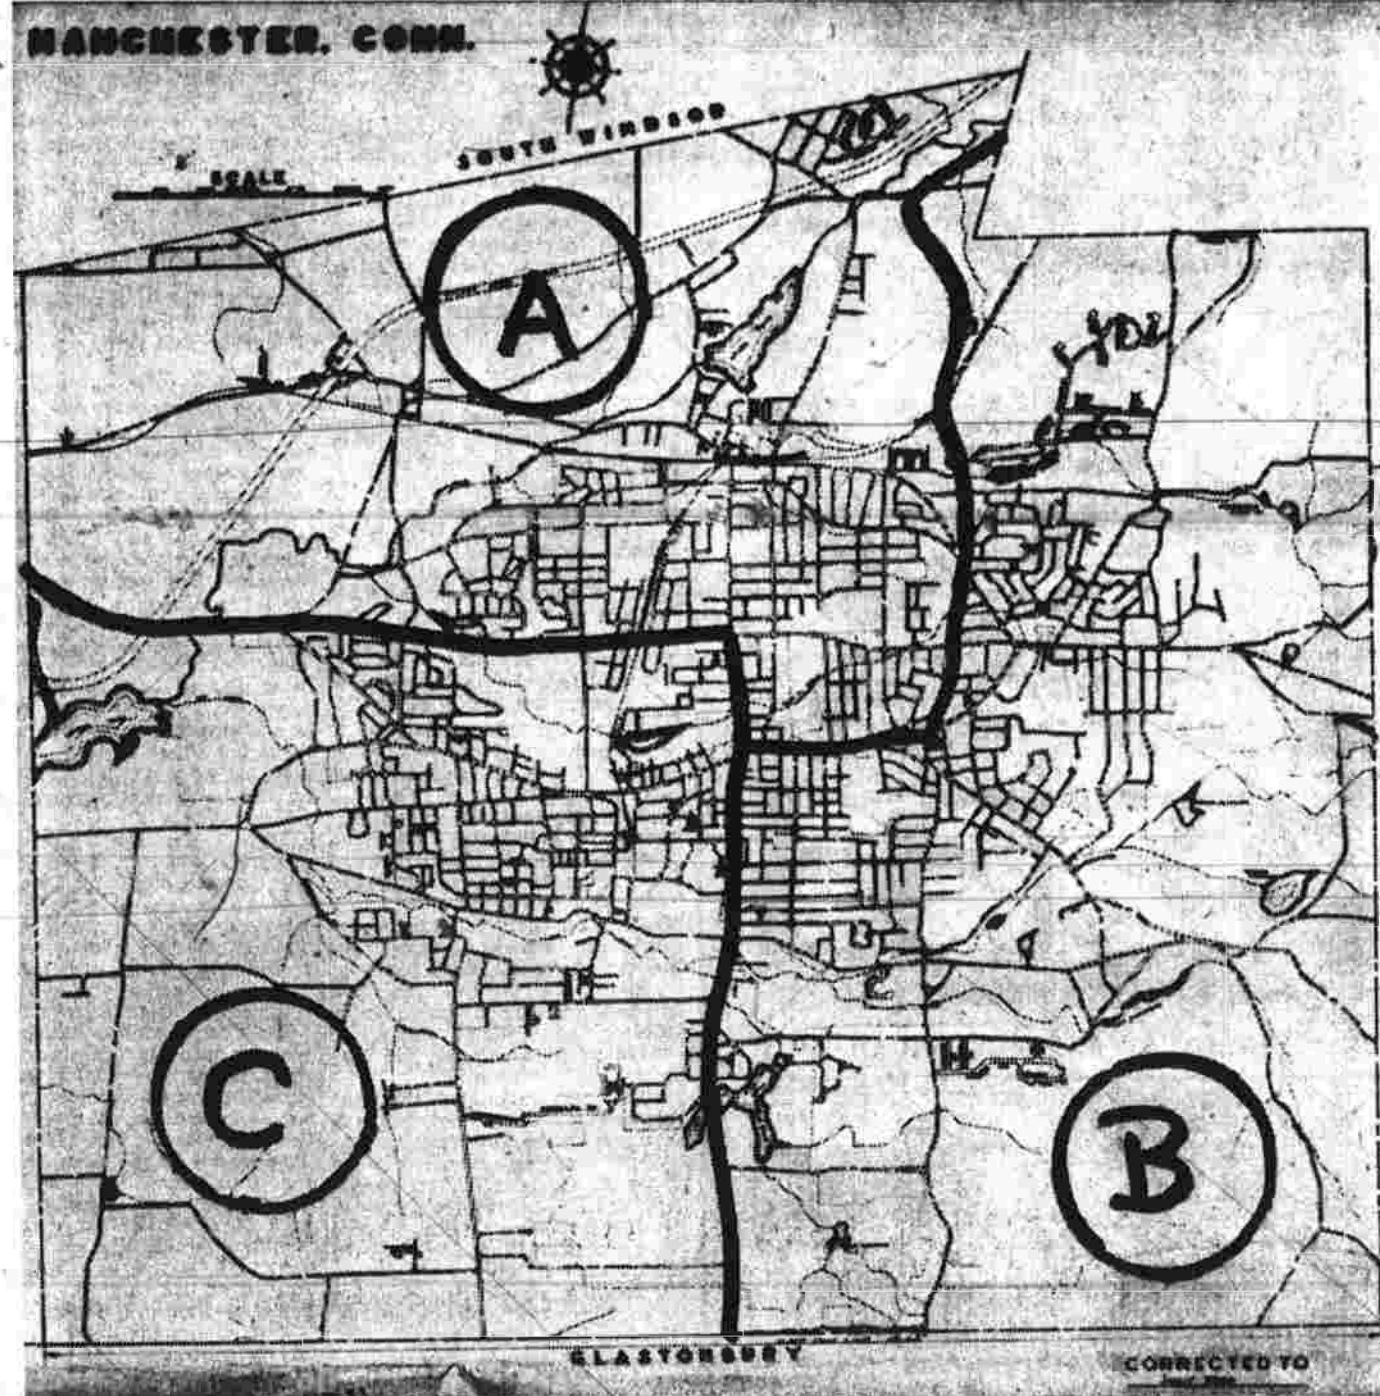

"We could more effectively reaffirm our fundamental belief that a man is to be judged and judged exclusively on his worth as a human being," the President said.

"The bill, he said, would maintain safeguards against undesirable and excessive immigration, require all immigrants to meet security requirements, and ensure that no immigrants "could contribute to unemployment in the United States."

It is a proposal that has been strongly in one of the first congressional commentaries on the President's proposal.

Sen. John McClellan, D-Ark., said, "I don't think I ought to let this country get

Successful Solution at Hand In Reapportionment Puzzle

Manchester's three assembly districts in the new reapportionment plan are outlined on the above map. District A comprises town voting district 4 and that part of district 3 north of W. Middle Pike; District B includes voting districts 5 and 1; and District C takes in voting district 2 and the remainder of district 3 south of W. Middle Pike. Candidates for the state House of Representatives must live in the district from which they are running.

Expect O.K. In Assembly On Monday

HARTFORD (AP)—A bipartisan reapportionment package will be introduced in the Senate today as the General Assembly's special session nears a successful climax.

The compromise measure is expected to win approval in both houses of the legislature on Monday.

Final agreement on the package was reached Tuesday just after it seemed that the battle of bipartisan bargaining over district lines would come to nothing after all.

Democratic National and State Chairman John M. Bailey put on his hat and overcoat after he and his Democratic colleagues left the conference room at 4:30 p.m.

Bailey had to catch a 5 p.m. plane for Washington and had made it clear that there would be no agreement if none was reached by the time he was scheduled to leave the capitol. While Bailey was preparing to leave the building, Republican leaders continued to confer among themselves.

Then Republican State Chairman A. Searle Finney appeared in the doorway of the conference room and asked Bailey and the other Democrats to come back inside.

A few moments later, Finney and Bailey came out of the room and walked toward the office of Gov. John Dempsey.

"I would say that we have agreement of the leadership of the legislature and the leadership of the conference room and asked Bailey and the other Democrats to come back inside."

"I am very grateful to you," Dempsey told the leaders. "This has been the toughest job you have undertaken."

"We can certify that," said Finney.

"You have risen to the occasion," continued the governor, "and I am grateful for the long hours and the hard work that you have put in. This will be a historic occasion."

Had the conference Tuesday broken up in disagreement, the General Assembly would almost certainly have failed to meet a Jan. 30 deadline imposed by a three-judge federal court for redistricting of the Senate, reapportionment of the House and the summoning of a constitutional convention.

Failure would have meant acceptance by the court of a standby plan being drawn by a court-appointed special master.

An earlier special session ended in failure last September. The second session was summoned for the legislature one more chance to redraft both its house in accordance with the U. S. Supreme Court's "one-man-one-vote" ruling.

The General Assembly has (See Page Fifteen)

Inaugural Security Seen Best in History

WASHINGTON (AP)—Lyndon B. Johnson will be the best protected president in modern history on his inauguration day.

That much is agreed by all concerned with the ceremonies of next Wednesday, but the Secret Service security screen is so dense that it has blocked reports of access to most of the details.

Among the protective measures known or understood to be planned, to prevent any would-be assassin's attempt to duplicate the tragedy in Dallas 14 months ago, are these:

— Agents with rifles, as well as Army television cameras, will keep watch from Capitol rooftops on the throngs massed to see and surround the Capitol Plaza where Johnson will take the oath of office and deliver his inaugural address.

The newly rebuilt and re-armed presidential limousine, with a glass bubbletop 3 1/2 feet thick, is expected to be used for the inaugural parade. It permits good visibility.

— Building-by-building inspection of windows overlooking the parade route will be made in advance by teams of police and Secret Service agents.

— A low wall of quarter-inch armorplate, topped by a bullet-proof glass window, will guard the President as he views the bands, marchers and floats from his reviewing stand in front of the White House.

A contractor was installing other sections of glass Tuesday.

Quad Dies Town Allotted Three Seats In New House Redistricting

KENOSHA, Wis. (AP)—A girl member of the Kenosha Memorial Hospital died early today.

A hospital spokesman said the child had had respiratory trouble since birth.

The mother, Joyce Grace, 22, was described as "crushed" by the loss of the child but was in good physical condition.

The other babies, two boys and a girl, were doing well in incubators, the spokesman said. They were born about six weeks premature.

Mrs. Grace and her husband, Robin, 23, have twins, a boy and girl who will be a year old Saturday, and a son, Martin, 3.

"My heart's just been going around in circles, haven't even been able to think of names for the babies. I was just so happy they were all right. I guess I won't realize until I start taking care of them," Mrs. Grace said Tuesday.

Her husband had spent his day trying to sort out his duties and make plans at the family's 40-foot trailer home.

'Buccaneer' Shorts Make Appearance Skirt, Pants Fashions Vary

NEW YORK—Take an idea, any idea, and out of 100 persons there will be 100 ways of developing it.

Takes the idea of putting women in pants, short skirts, and short blouses. Fashion editors looking at the spring fashions of the American Designer Series saw some clever variations on this theme in the collection of sportswear that Paris designer Castillo made for Zacari.

No doubt the cleverest of the terry cloth down the sides of white tennis shorts (to give the player something to wipe her hands on). But there are others of a purely aesthetic nature.

Pants are out perfectly straight, and one pair of pants has a yoke front and back, with little pockets that are called in Paris "cowboy pockets."

It was explained that this is the way Frenchmen think cowboy pants look, and this is one pair of hip-hugging pants that gives the effect without showing below the waist.

Knee-length pants appear below many tailored jackets where a skirt would be just as suitable. There is a group of Norfolk jackets of dacron and cotton whipcord, the famous Norfolk belt along lower than tradition has through a back panel. This would be at home at a British club, except that the knee-length shorts make it more appropriate for a chic resort.

"Buccaneer shorts" are Bermuda-length but flared at the bottom with small side vents. They go with short, double-breasted brass-buttoned jackets that look as if they were all the Spanish Main.

The fabrics for one beach and patio come from all over the world, including India. Castillo has persuaded the Indians to make madras in more vivid colors than usual. He has made shifts in some exotic fabrics from Italy and France, and a luxurious Indian tussah. Some coats are cut like a rajah's, and the models show off what were matching turbans by Adolfo.

Now for another view of the designer's picture. And General (See Page Fifteen)

Two U.S. Aircraft Downed over Laos

WASHINGTON (AP)—Two U.S. Air Force jet fighters were shot down over Laos today, the Defense Department announced.

The announcement, read to newsmen, said:

"A U.S. F105 airplane and a U.S. F4U airplane were shot down in central Laos today by ground fire."

"One pilot has been recovered."

"Search and rescue operations to recover the other pilot are continuing."

The incident occurred during daylight hours, newsmen were told by Arthur Hays Sulzberger, press chief at the Defense Department.

Sulzberger said he had no further details.

The two planes shot down today brought to six the total of U.S. Air Force and Navy planes shot down during reconnaissance missions over Laos which started last May.

Sulzberger was silent on the reconnaissance flights, one of which have been reported by the Communist Pathet Lao supported by North Vietnamese forces during the important Phou Khe battle. Laotian Premier Souvanna Phouma asked for the return of the planes.

There have been Communist charges of strafing and bombing of Red positions by U.S. planes.

Sulzberger declined to answer questions about the types of mission being flown by the two planes.

Such aircraft are capable of flying either secret or reconnaissance missions.

(See Page Ten)

Poland Brands Airman Spy, Orders Him Out of Country

WARSAW, Poland (AP)—Involved in the same incident, the Polish government has accused the U.S. air attaché in Warsaw, Col. George F. Carey Jr., of photographing an air base and ordered him to leave the country within two weeks.

Diplomatic sources said U.S. Ambassador John M. Cabot was charged against him "for espionage without proof whatsoever."

The Polish Foreign Ministry press office said it had no information about the matter.

Diplomatic sources said Carey was charged with photographing a military installation, refusing to show his documents to the proper authorities, running away from an airfield and reversing his overt to disclose his appearance.

Presumably the United States now expel the Polish air attaché in Washington, the customary procedure in such cases.

Stuart F. Pla. (AP)—The Internal Revenue Service has filed tax liens totaling more than \$25 million against James R. Rand Jr., founder of Remington-Rand Corp., and two corporations with which he is now connected.

The largest lien, for \$23,154,222 in corporation taxes, was placed against the Remington-Rand Corp. The liens were secured by a policeman. He showed no comment.

(See Page Eight)

Remington-Rand Founder Served With Tax Liens

WASHINGTON (AP)—Two U.S. Air Force jet fighters were shot down over Laos today, the Defense Department announced.

South Windsor 2 Petitions Protest Changes in Zoning

Two petitions protesting some changes were presented to the planning and zoning commission last night at a public hearing.

The first petition containing signatures of 24 residents who objected to a change from R-40 to A-30 on Main St.

The second petition of 30 names objected to a change of zone from CX to CR on Sullivan Ave.

Atty. James Throve representing Paul LaFrance requested the commission to change the zone on Main St. Twenty-six acres of land are involved and with the zoning change the zoning would be changed to R-40.

Atty. Throve said the lot would run between 3,000 square feet and 4,000 square feet.

He indicated that the price range of the houses would be between \$12,000 and \$40,000. None of the houses would be less than 1,000 square feet.

On a schematic drawing presented to the commission the first four on the houses face the street, the rest were situated around a loop. The road into the property would be an easement and exit to the subdivision.

Atty. Throve noted that a general outline pattern of the houses would be maintained. He emphasized that the houses would continue to be a residential flavor to Main St. which, he said, is in danger of encroachment from the R-40 industrial area.

Mr. Milton Newberry presented the petition objecting to the zoning change. The residents are within approximately 500 feet of the zone change area.

A large turnout of Main St. residents objected to the zoning change on the grounds that it might set a precedent for the Main St. area and that it might allow "a foot in the door to encroachment of like nature."

Main St. residents also pointed out to the board that a planning firm had just been hired by the town and they were opposed to any changes until the firm had reviewed the town's present zoning.

It was also noted that Main St. was one of the few rural areas left in town where residents could have a tract of land that was a historic district and might be restored to its original use as a residential area.

The second petition objecting to the zoning change on Sullivan Ave. in the shopping center on Sullivan Ave.

The attorney presenting the petition and who represented George Mellon said most of those objecting lived on Hillside Dr. He noted that Sullivan Ave. already had three gas stations in the near vicinity and that provision for the CX zone in the CX zone there is a provision

Police Foil Plan to Glue School Doors

NEW YORK (AP) — Police have uncovered what they describe as an elaborate master plan for closing George Washington High School next week-end in an unusual way: With glue.

New Officers Elected

The Ladies Auxiliary of the South Windsor Volunteer Fire Department recently elected the following officers: Mrs. Albert Gagg, president; Mrs. William Lanning, vice president; Mrs. Larry DeBee, secretary and Mrs. Thomas Lawton, treasurer.

The regular meeting of the auxiliary will be held tomorrow at 8 p.m. at Firehouse 1, Billington Rd.

Briefs

The Republic Town Committee will meet tomorrow at 8 p.m. in the Community Room of the South Windsor Bank and Trust Co., John Pith Blvd.

The annual town report is available to the public in the town manager's and town clerk's offices at the town hall, next Sunday night and police said the boys also admitted to cut classes.

1. Stealing and selling "late-out passes" which allow students to cut classes.

2. Stealing the December mid-term examinations in American history and selling some copies, "mostly to dumb kids."

3. Writing letters to prominent citizens might with petty larceny and discipline at the school was too harsh.

All five were charged Tuesday night with petty larceny and conspiracy to obstruct the work of education — by using glue to shut down the building.

Detectives Pat Toomey and Louis Blaque summarized the boys' master plan this way: Sunday, 8 p.m. Boys meet at school, enter with the boys stolen Jan. 7 from Principal Frank Mack, glue up the outside doors — except for one they

Columbia Registrars, Justices Are All Sworn in

The registrars, their deputies and the ten justices of the peace, all elected in November, have now been sworn in according to Mrs. Margaret Dilworth, town clerk.

The registrars, both of whom qualified several weeks ago, are Mrs. Grace Fringle, Republican, her deputy, Mrs. Ermina Lawson and Mrs. Laura Saegia, Democrat, and her deputy, Edward Potlter.

Justices of the peace are Kenneth Wilson, Elizabeth D. Hutchins, William Jacobus, Reginald Lewis and Stewart Tibbits, Republicans and John Lester, Frances Malek, James Marmad, Paul Merrick and George Peters, Democrats.

Mrs. Dilworth noted that the names of the committee members as printed in the annual report are now in error, due to the many part resignations. She added that the only way the records of the change is through an official notice in writing from committee chairman to the town clerk.

Gas Hits Mind First

CHICAGO — Inhaling carbon monoxide — the deadly odorless, tasteless gas that leads from automobile mufflers — affects the mind before it affects the body, a study indicates. Ability to think through simple problems is impaired at a low level of inhalation.

Don't be embarrassed by loose false teeth slipping or irritating your gums. You can get relief with **Weldon** denture adhesive. It's the only adhesive that's safe, strong, and easy to use. It's available in **Weldon** Drug Company, 901 Main St., 643-5371.

MR. AND MRS. WILLIAM JOHN KOSKI

Miss Suzanne Mary Koski was Donald G. Chankoff of Coventry became the bride of William John Koski of Hampton Saturday afternoon, Jan. 2, at Immanuel Congregational Church, Hartford.

The bride is the daughter of Mr. and Mrs. Robert Scrimm, Twin Hills Dr. The bridegroom is the son of Mr. and Mrs. William T. Koski, Hampton.

The Rev. Robert L. Edwards of Immanuel Congregational Church performed the double ring ceremony.

The bride, given in marriage by her father, wore a full-length gown of white silk organza with appliques of peach orange lace, designed with ruffled necklines, elbow-length sleeves and Watteau panel chapel train accented with a bow and matching lace. Her elbow-length veil of lace trimmed illusion was arranged from a lace pillow, and she carried a white orchid with stephanotis.

Mrs. William Niemi of Unionville, a cousin of the bride, was matron of honor. She wore a floor-length gown of yellow taffeta, and carried a bouquet of bronze chrysanthemums.

Miss Susan Weir of Manchester was bridesmaid. She wore a floor-length gown of green tulle and carried a bouquet of yellow chrysanthemums.

Richard L. Barber of North Carolina was best man. Utah.

Omar Shriners To Pick State

Omar Shrine Club will have its annual meeting on Friday, Jan. 22, at Manchester Country Club. A social hour starts at 6:30 p.m. and dinner is at 7:30.

Newly elected Sphinx Temple divan officers will be among the guests attending. They will have been elected two nights earlier at the Sphinx annual meeting in Hartford.

In addition to selecting officers, Omar members will take action on revised bylaws proposed at the November meeting.

Directors of Omar will meet tonight at 7:30 at the home of club president Hal Turington, 10 Berkeley St. It will be the final meeting of the board before the annual meeting. The Omar degree team will have a rehearsal after the meeting in preparation for its visit to Friendship Lodge of Masons Thursday, Jan. 21. Lodge that night will open at 6:30 at the Masonic Temple and will recess after the first session to a dinner in the lower hall of the temple.

Remington-Rand Founder Served With Tax Liens

(Continued from Page One)

Research, Inc., of Stuart. It covered the years from 1963 to 1962. Laurie W. Tomlinson, head of the Internal Revenue Service division at Jacksonville, Fla., said the lien challenges the tax-exempt status of the foundation, which is listed as a nonprofit corporation under Florida law. Tomlinson declined further details.

A second lien for \$10,911.52 in income taxes from 1955 through 1961 was filed against Rand and his former wife, Evelyn H. Heerman of Palm Beach, Fla.

A third, against Falmouth, Ltd., of Stuart, asked \$1,000.01 in corporation taxes from 1955 through 1961.

Tomlinson said all figures included interest and penalties. Rand, who headed Remington-Rand for 21 years before retirement, now lives at Freeport on Grand Bahama Island. He could not be reached for comment. Neither could his former wife.

Rand, inventor of the dial telephone, lately has headed Colonial Research Institute at Freeport, which specializes in studying the dangers of the use of pesticides on vegetables.

A spokesman for Public Health Foundation said none of its officers would have any comment on the liens.

Rand's father, a former railroad telegraph operator, founded the Rand Ledger Co. in 1893 and patented many office filing devices.

Later, father and son formed the Rand Kardex Co. and in 1927 it was consolidated with the Remington Typewriter Co. and several other firms in the organization of Remington-Rand.

The younger Rand was chairman of Remington-Rand from 1928 to 1962 and president from 1962 to 1964. The firm later became Sperry-Rand and Rand remained a director until his resignation in 1964.

Born near Niagara Falls, N.Y., Rand grew up near the home of Thomas Alva Edison. While he was a student in electrical engineering at Harvard, he worked out the principle of the dial telephone.

12th Circuit Court Cases

ROCKVILLE SESSION. A former Rockville man sought since last August, was presented before Judge Simon S. Cohen yesterday.

Stanley Long, 28, now of Somers, told the court he was arrested in Maine last summer and spent "almost six months in jail" charged with robbing a stolen car.

Long had been declared in forfeit of a \$250 bond for his local appearance to answer to a charge of operating a motor vehicle while his license was under suspension. He was also presented as a probation violator.

Judge Cohen reinstated the bond and sentenced Long to 30 days in jail for the license violation, suspended after 15 days, and revoked Long's probation, and ordered that he serve a three-month sentence imposed July 27 on a probation charge. The sentences are to run concurrently.

A Somers man who was married Dec. 21 had bond of \$1,000 set yesterday.

Charles M. Weston, 25, originally of Southbridge, Mass., is charged with breaking and entering and larceny. The charges are part of a series of similar charges against Weston brought in Massachusetts. They stem from a series of break-ins in both states, and he is reported to be under \$5,000 bond in the Bay State.

Weston had been detained at Tolland County Jail but was released yesterday afternoon after posting the bond.

A Rockville man who backed a refuse truck into the Lake Street Elementary School and caused \$2,100 damage the day before Christmas, pleaded guilty to a charge of evading responsibility and was fined \$75.

Robert W. Smith, 46, of 30 Brooklyn St., told the court that he didn't report the truck incident because "I didn't want to upset my employer the day before Christmas."

Poland Brands Airman Spy, Orders Him Out of Country

(Continued from Page One)

"We were invited to get into a police car. We refused because they would not say if we were under arrest. There was an argument for an hour and five minutes."

The two airmen were taken to the police station, Carey said, where they were questioned for 30 minutes. Then "an officer apologized for the rough handling by the police. We got the impression that they were not sure of their footing."

"They asked us if we had cameras and we said we had none."

Carey, who has been in Warsaw for 29 months, said he and his wife, Muriel, will leave Jan. 25.

The tall colonel is one of the most closely shadowed Westerners in Poland. He is often seen being followed by one or two police cars.

Airlines advanced less sharply but the group was consistently higher.

Selective strength elsewhere in the list helped the averages to substantial gains. A 2-point point advance by Dkt. Point were features.

In the list as a whole, however, there was scattered softness among some "big" stocks including General Motors, U.S. Steel and Radio Corp., which lost fractions.

Aerospace issues continued lower also, but kept their weak-

ness within fractional limits. Most of Douglas Aircraft's recovery covered about a point.

The Associated Press average of 60 stocks at noon was up 1.4 at \$297 with industrials up 1.4, rails up .4 and utilities up .4.

The Dow Jones industrial average at noon was up 1.39 at \$27.25.

Strength in the drugs was ascribed again to President Johnson's health proposals and to the fact that many issues were "behind the market" in 1964.

The airlines continued to benefit from high traffic figures, accentuated by the current dock strike which some thought might improve their earnings.

Steels, cigarette stocks, rubbers and motors were narrowly mixed.

Prices were generally higher in active trading on the American Stock Exchange.

Corporate bonds were mixed. U.S. government bonds were

lower also, but kept their weak-

ness within fractional limits. Most of Douglas Aircraft's recovery covered about a point.

Deliberate Rocket Blowup Advances Safety Program

JACKSON FLATS, Nev. (AP)—They were that close to a non-nuclear explosion of conventional fuel in one of the Saturn rockets being developed to take men to the moon.
Twelve miles away, at the boundary of the Atomic Energy Commission's atomic testing grounds 90 miles northwest of Las Vegas, the white cloud of radioactive particles blown southwest by the wind passed over the little community of Lathrop Wells.

Engaged

The engagement of Miss Joyce A. Gilman of Boston to E. Lawrence McKay of Manchester has been announced by her mother, Mrs. Pauline Gilman of Portsmouth, N. H.

Cameras

Dr. Keith Boyer, director of the Los Alamos Scientific Laboratory, said a first nuclear test was completely safe 1 1/2 miles away from the plant.
Dr. Boyer said that the reactor destroyed was a prototype called Kiwi after the flightless New Zealand bird, and engines being developed to power manned flights to the moon.

Events in World

VIENNA, Austria (AP)—Seventy old masters which went untroubled for almost two centuries will go on exhibit in the new picture gallery in Prague.
The paintings, which include important works by Vermeer, Titian, and others, were found in an ancient Czech castle three years ago.

Health Spending Gains

NEW YORK—Americans are spending more to take care of their health. One dollar in 25 was enough in 1960, and a decade ago health's share was 4.7 percent, but in 1964 it was 6.5 percent, said a report by the Social Security Administration.

Indians Build Up Early Margin, Ram Steamroller Tack First Loss on Platt, 54-46

By PETE ZANARDI
Banking on a 10-point cushion built in the opening minutes, Manchester High stomped Meriden Platt's CCLL win streak at six last night defeating the visitors, 54-46. A crowd of 1,400 watched as the Indians withstood two Platt comebacks to notch their 17th victory against three defeats at the Arena.

Canterbury 54, Central 54.

Duke Hutchinson's five consecutive baskets in the first quarter put the visitors at a disadvantage they never could overcome. The Red and White were the aggressors, being outscored in the second half.

Second place Manchester hit on 16 of 35 shots from the floor and 47 from the line in chipping a half game off Platt's CCLL lead. The Indians scored 100 points and were outscored only 54-46.

Coach Richard P. Kelly was a happy man in the locker room after the game. He praised the team's effort, especially the defense.

Manchester Coach Phil Hyde was a happy man in the locker room after the game. He praised the team's effort, especially the defense.

Duke Hutchinson Drives in for Early Manchester Break in CCLL Victory

The after scoring as the Indians went to the locker room with a 20-10 halftime advantage. Coach Hyde said the team was in control from the beginning. He noted that the defense was particularly effective in the second half.

Replacements Do Job As UComs Roll Along

Sophomore sensation Wes Bialosuknia says he'll be ready to play when the University of Connecticut meets Rhode Island in a critical Yankee Conference basketball game Saturday night.

The situation faced at Storrs was also looking somewhat bleak at Yale. The Bulldogs, playing what was possibly their best basketball of the season Tuesday, lost to Dartmouth 87-85 to leave Dartmouth all alone in the Ivy League tournament.

34 DEPOT SQUARE MANCHESTER

Ellington Nets Win, Ties for League Lead

Squaring their season record at 500, Ellington High maintained its perfect pace in the North Central Conference standings last night with an easy 59-42 decision over Granby. The Purple Knights tied for the lead with 22-33.

W. L. Pct.

Ellington	50 0 1.000
Granby	49 0 1.000
South Windsor	47 0 1.000
East Windsor	44 0 1.000
Sturbridge	42 0 1.000
Plainville	41 0 1.000
Windsor	39 0 1.000
Woodbury	38 0 1.000
Glastonbury	36 0 1.000
Windsor	35 0 1.000
Middleton	34 0 1.000

Height told the story with the big men both leading the way. Tom Zablanski and Johnny Purpure totalling 30 of the points led the team. The triumph was the second straight.

Converting a foul shot in the final seconds, Ken Goodwin emerged the hero and gave South Windsor, 89-80, to nip Coventry 84-83 and advance a week streak to eight games.

Winning only four of 32 matches, Manchester High's wrestling debut was spoiled 2-0 yesterday afternoon at the 16's.

Coach Guard came close to a shining spotlight but couldn't quite put it off. Ahead twice by 17 points, the Celtics frittered their lead away and finally lost to Northampton, 82-80.

Activity in the Y Wednesday Night Bowling League ended tonight as the points out of respect for the late Willie Krasz.

CAA Enters Vote Stage on Big Items

AAU Feud, Grid Scouts Spotlited

CHICAGO (AP)—The National Collegiate Athletic Association enters the voting stage in ending its 59th annual convention today and legislation on its biggest current controversial items—the feud with the AAU and moonlighting by football coaches—has dramatic attention.

McKinley Retires For Broker Post

NEW YORK (AP)—Chuck McKinley's decision to swap his tennis racket for an attaché case won't help America's dim prospects for recapturing the Davis Cup in 1965 but it may speed the development of future U.S. Cup stars.

Howard Stuck with Problem, Signs \$35,000 Senator Pact

Frank Howard probably isn't as happy as he looks to be in Washington and the Senators, who also traded away Chuck Hinton, their best hitter, for a pitcher they value at \$35,000.

Pressure on Hornung Chandler to Packers For Future Draftee

GREEN BAY, Wis. (AP)—The Green Bay Packers have acquired kicking specialist Don Chandler, and in so doing raised the question of whether they were putting pressure on National Football League glamour boy Paul Hornung to get him some help.

DOWNTOWN SALE DAYS

THURSDAY - FRIDAY - SATURDAY, JAN. 14-15-16

Sponsored By Retail Division
MANCHESTER CHAMBER OF COMMERCE

About Town

Marine Reserve Officers interested in the formation of a Marine Corps Reserve Officer's Association chapter will meet tonight at 7 at the Training Center, Reserve Rd., Hartford. The purpose of the meeting is to determine if sufficient interest exists in the Greater Hartford area to warrant starting a chapter.

Omar Shrine Club directors will meet tonight at the home of the club president, Harold E. Turkington, 15 Berkeley St. The club's degree team will also attend for a final rehearsal before its appearance Thursday, Jan. 21, at Friendship Lodge of Masons.

The Central Neighborhood Girl Scout leaders and troop committee members will meet tonight at 8 at St. James School cafeteria.

Hi-League of Emanuel Lutheran Church will meet Sunday at 8:30 p.m. at Luther Hall. The youth group of Bolton Methodist Church will be guests. A movie about African youth, "Rahambee," will be shown. There will also be a social hour and refreshments.

Cadet A. Bruce Badger, son of Mr. and Mrs. F. W. Badger, of 63 Grand St., will be among the regiment of cadets of the U.S. Merchant Marine Academy, Kings Point, N. Y., at the Inaugural Parade for President Lyndon B. Johnson on Jan. 20 in Washington, D. C. A 1965 graduate of Manchester High School, Cadet Badger is a first-classman at the academy majoring in marine engineering.

Mrs. Jane Smith, a founder and past royal adviser of the Community Y, has been postponed until next Wednesday at 6:30 p.m. The class is sponsored by the Manchester YWCA.

The executive board of the Junior Century Club will meet tomorrow at 8:30 p.m. at the home of Mrs. Lawrence Decker, Jr., 189 Laurel St., Wapping. Mrs. Burton Hilton III will serve as co-hostess.

The fine arts and home life and youth committees of the Junior-Century Club will have a combined meeting tonight at 8:30 at the home of Mrs. Frances Carter, 15 Hilltop Ave., Vernon.

Golden Age Club will meet tomorrow at 2 p.m. at the home of Mrs. F. W. Badger, 63 Grand St., Hartford, to pay respects to

The opening session of a class in ballroom dancing is scheduled for tonight at the Community Y, has been postponed until next Wednesday at 6:30 p.m. The class is sponsored by the Manchester YWCA.

The executive board of the Junior Century Club will meet tomorrow at 8:30 p.m. at the home of Mrs. Lawrence Decker, Jr., 189 Laurel St., Wapping. Mrs. Burton Hilton III will serve as co-hostess.

The Lamplighters Club will meet tomorrow at 8 p.m. at the home of Mrs. Joseph Greeley, 717 Tolland St., East Hartford.

GENOVA, Italy — Christopher Columbus had calculated from a study of the Bible that the earth's course had only 100 years to run. This caused the sense of urgency that was at least partly responsible for his four voyages.

Dryer in Right Spot? — What are the most labor-saving locations for your washer and dryer? In a corner at right angles to each other. United States Department of Agriculture housing specialists find: Put the dryer on the right and the washer on the left they advise. Leave a work space three feet deep and four feet wide in front of the washer. Allow one foot between the appliances.
