THE MULTIPLE LISTING SERVICE
 OF
THE MANCHESTER BOARD OF REALTORS

The Manchester Multiple Listing Service is an integral part of the Manchester Board of Realtors. Just as the stringent and enforceable Real Estate Code of Ethics must be referred to as the spiritual soul of the Board, so the Multiple Listing Service may be called the functioning, physical body. The plan is simple. Instead of you, as the seller of property, effecting an exclusive right to sell contract with one Realtor, a uniform Board Listing Contract is used. The Realtor then forwards to the board secretary a typed copy of your listing giving all pertinent data together with a glossy print of a picture of your property—these are combined into one sheet for easy reference and within a matter of days your listing is in the hand of ALMOST 60 REALTORS AND SALES-PEOPLE! It is as simple as that. The exposure is broad and comprehensive, yet all appointments and responsibilities are channeled thru the Realtor of your choice. There is only one commission paid, regardless of which Realtor firm sells the property.

Multiple Listing DOES give you the combined... and yet diverse... talents of the local and area Realtor firms. Their clientele lists, facilities, employees and other assets are yours at no extra cost. (Incidentally, it is possible to have copies of your local listing also sent to the Hartford Multiple Listing Service. This, too, is at no extra cost. Ask your listing Realtor about this.)

Multiple Listing is so effective that not only has practically every Realtor firm in Manchester, of their own volition, become members, but an ever-increasing number of Realtors from out of town have joined. It is so effective that not only are the great majority of homes for sale listed therein, but also commercial and business property and farmland are finding their way into the Service.

In short, the Multiple Listing Service of the Manchester Board of Realtors is a proven, time-tested success.

THEREFORE...
 be sure you list with a member of the Manchester Board of Realtors — your dedicated real estate counselors. Only a Realtor may belong to the Multiple Listing System.
