group said Daniels was the 20th civil rights worker in the South to die violently since 1961.

The leadership conference asked itself, Rauch said, "is this thing going to continue? Have they seen the last of the judicial thing we saw in Hayneville?"

The conference agreed, he said, that "every assault with a racial purpose or effect should be made an act of aggression."

"The rights of fair trial are a major keystone to a stable society. If it isn't a question any more of a guy getting a vote, it's a question of whether he lives or not."

The federal court was just don't get judicial facts like we saw in Hayneville," he said. "Not all federal courts are perfect, but they certainly don't act like this."

The leadership conference unsuccessfully attempted to write similar provisions into the 1965 Voting Rights Act, Rauch said, and plans no legislative drive until next year.

"There's no ball ready yet," he said. "We know that this Congress is ready to go home and it's going to be very well received."

Democrats Swap GOP, Win All Offices but One

Hebron voters began a new chapter in their community's political life yesterday as the town went Democratic for the first time since the depression. Voters at the biennial town election were so solidly behind the Democrats that only one Republican won a contest.

The Democratic ticket was led by Ralph C. Boynton, who polled 584 votes out of 852 total cast, and ran 82 votes ahead of the highest vote getter, constable Robert K. Keefe.

Boynton so badly swamped his Republican opponent, incumbent First Selectman Richard S. Edwards (430), that he was not even a contender for re-election.

Boynton's opponent, incumbent First Selectman Richard S. Edwards (430), was not even a contender for re-election.

The victory went as much to the Democratic party as it did to any one candidate. The Democrats outpolled the Republicans across the board and turned in almost 100 more votes than the GOP.

Of the two Democratic-endorsed Republicans on the ticket, Town Clerk Mrs. Gladys T. Miner and Town Treasurer Hedley E. Hill, who were elected to their respective offices.

DEATH RULED NATURAL

HARTFORD (AP)—Medical Examiner Donald Hasten revealed today that Mrs. Adèle Martin, 54, who was found dead in her bed by a neighbor Sunday, died of natural causes.

Hasten said that bruises found on her back and ribs during a preliminary investigation were not indicative of foul play.

Board of Finance (Full Term)

Winners are Democrat Joseph Fournier (513) and Republican Albert Coudige (464). Although Coudige was outpolled by Democrat Ernest H. Brink (510), he was ruled to have won because of the large increase in the town's population.

South Windsor Democrats Edge In, Throw Is Mayor

A slim four-vote victory by William J. Thresher gave South Windsor Democrats a majority on the town council in yesterday's election.

The Democratic councilmen in turn elected James H. Thresher, incumbent councilman, as mayor.

Thresher squeaked by Republican candidate Richard C. Reeves, 1,791-1,787. If Reeves had won, the GOP would have retained a council majority.

The GOP had control of the nine man council for the last two years in a five-four split, with John J. Egan Jr. as mayor. The Democrats now elected a four-four majority.

Democratic candidates elected to the council are: James H. Thresher, incumbent; Del Mastro, Raymond F. Hollowell, Mrs. Barbara Murray and William J. Thresher.

Republican candidates elected to the council are: Richard C. Reeves, Frederick P. Maher, Daniel P. Cavanaugh and Edward E. Pitts.

In the contest for the board of education, three members from each party were nominated, with voters electing two members from each party. The board is bi-partisan.

Democratic candidates elected are James A. Arnold and Dr. Robert D. Laurie. Mrs. Shirley Little was elected to the Republican candidates elected to the board are Charles E. Lyons and W. Wendell Lewis. Mrs. Julia Durgin, incumbent, was defeated.

Democrat John K. Cutler defeated Richard Rothwell, Republican, in the race for town treasurer.

Charles N. Enez was re-elected to the post of town clerk after his nomination was made by both parties.

Everett J. Delaney, Democrat, and Royal E. Cowles and Richard I. White, both Republicans, were elected to the board of selectmen. Herman L. Goldstein, Democrat, was defeated.

Democrat Paul E. Ruppel and Republican Thomas B. Foxan, Jr. were elected to the town planning and zoning commission.

For the office of constable, each party nominated five candidates for nine openings for the office of constable. Five Democrats and four Republicans were elected.

Democratic constables are: Alexander C. Blonie, Roger D. Ericson, Frank G. Gravano, Michael Modugno and William S. Stewart.

Republican constables are: Donald M. Bennett, Stanley J. Biemkowski, Edward W. Kaehle and Arthur W. Snow. Charles T. Barker, Jr., Republican, was defeated.

The two questions on the ballot, the first on the charter revision and the second on the purchase of Spring Pond Park, were both approved.

The total vote on the charter revision was 1,205 yes, 313 no. On the Spring Pond question, total vote yes, was 1,422, no, 411.

Fifty-seven per cent of the eligible voters cast their ballot. A total of 4,000 voters are registered in the two districts in town. Of these, 3,677 voted.

District I with 2,083 registered, recorded 1,646 with 30 absentee ballots cast.

District II with 3,520 eligible voters, recorded 2,131 with 16 absentee ballots cast.

Democratic council candidates polled the following numbers of votes:

James Thresher, 1,840; Raymond Hollowell, 1,833; Mrs. Barbara Murray, 1,801; William J. Thresher, 1,791.

Republican candidates polled: John J. Egan Jr., 2,020; Frederick P. Maher, 1,820; Daniel P. Cavanaugh, 1,813; Howard E. Pitts, 1,792; Richard C. Reeves, 1,787.

Democratic candidate Edward Havens polled 1,668 votes.

LBJ Hints 'Big News' Later Today

(Continued from Page One)

This suggestion, made to several newsmen, set the White House press conference tonight with speculation about a possible major announcement.

Newsmen who asked what subject matter could come up, got conflicting and vague hints. No one in official capacity would say much that was revealing, but what they did say added to an air of anticipation.

One source, for example, said the appointment of a secretary for the new Cabinet Department of Housing and Urban Development was not involved. Another pointedly refused to commit himself on that point.

One indication of presidential travel, now or in a few days, may be involved. Another said it was a natural tendency among reporters to assume that some event of considerable magnitude was at stake.

Speculation was not dampened by the presence in the White House driveway Monday night of an impressive array of official limousines some hours after Johnson's return.

One chief source, Brownes said, is the fact that mentioned in "our chief" report against its own worst impulses and free to understand that there is only one supreme and infinite cause, the good that men call God."

Lecturer Heard At First Church

"Standards are not only highest in life, they must be the highest standards man can think of in order to uphold that which is worth living for," Martin Broome of Beverly Hills, Calif., a Christian Science lecturer, said last night at a lecture at First Church of Christ Scientist. The title of his talk was "The Standards of Christian Science." More than 100 members and guests attended the event.

The lecturer noted that the Ten Commandments are among the earliest standards ever held up for mankind, and even though they were adapted to a primitive stage of spiritual development, they still contain the same fundamental principles of right and wrong that man calls God.

From the air of mystery, there was a natural tendency among reporters to assume that some event of considerable magnitude was at stake.

Speculation was not dampened by the presence in the White House driveway Monday night of an impressive array of official limousines some hours after Johnson's return.

Rogers Gets Union Plan On Contract

A union package of proposals for a contract settlement at Rogers Corp. was made yesterday.

The contract between Rogers Corp., which has a plant on Hill St., and three locals of the United Papermakers and Paperworkers expired last Friday.

Hebert said he was hopeful of a new contract which would be made at next week's session.

Hebert said the three locals had agreed on the proposals contained in the package.

Pope Exhorts Man To Set Aside Arms

America, with President Johnson, and before the United Nations, he pressed the same urgent exhortation.

He also said, in brotherly intimacy, with Protestant, Orthodox and Jewish leaders, and both he and they pledged mutual labors in behalf of international reconciliation.

Then, some other departed, he stopped off at the World's Fair, and as fireworks lit the air, he prayed, "We have offered our prayers to Christ, whose message of peace and concord we have come to see is the only way to the world's peace."

Directors Will Face Heavy Agenda Today

A host of items, from sewers to the Nike site, from fire engine, from a heating system to an alcohol ordinance, from Union Pond to pension changes, will confront the board of directors when it meets tonight at the Municipal Building.

Union Pond may turn out to be the most controversial of these items. North End residents have renewed their demand for action on the pollution infested pond and its "mausoleum odor."

The contemplated solution to this problem is the construction of a sewage treatment plant that will process wastes from the main contractor of the pollution, the Colonial Bldg. Co.

The directors will hear a report on the possibility of including the treatment plant plus a cross-town sewer line in the city's comprehensive plan.

The ordinance to be allocated before the board a second time with a change that makes its enforcement less strict.

By making the law more specific, the town council has repeated the ordinance before the board a second time.

Although the purchase of a firehouse site at Manchester is back on the agenda, it appears that General Manager Richard Martin says that nothing will be done on it until the November board meeting.

Land owned by the Community Baptist Church is being considered for a town before taking open space land for highways.

Tolland GOP Keeps Control; Voters OK Raffles Peace Aim

The Republican party retained control of Tolland in yesterday's local elections as incumbent Republican First Selectman Carmelo J. Ruffalo was re-elected.

Incumbent Republican Selectman Frank Kahra received 1,083 votes to become Second Selectman and Democrat Stuart Denzler with 723 votes will serve as minority representative on the board of selectmen.

Incumbent Democratic Third Selectman John Burrows took 806 votes, the Democrats' largest, in his campaign for the planning and zoning commission but was defeated by his Republican opponent.

Planning and zoning Republican candidates Robert V. Pitt and Thomas Shipp 865, Democrat John Burrows 806, Sam Lewis 767, zoning board of selectmen Robert Bueche 1,062, Democrat Walter Bueche 1,012, Democrat Walter Bueche 1,012, Democrat Walter Bueche 1,012.

Three candidates for the board of education are automatically elected to the board.

Republican Richard Swartz received 1,002 votes, Democrat Kenneth Rayner 785, Democrat Robert Bueche 785, Democrat Robert Bueche 785.

Republican Jesse Ryan 1,031 ran unopposed for a vacancy on the board, and has completed a six-year term on the board.

Connecticut's minority representation law turned a loose to a winning candidate for the job of assessor.

Pope, LBJ Talk Over Peace Aim

add write, until social justice is a fact for all people, until stock markets are headed and a better life is possible.

At the session with the five bishops, Johnson said that the Pope's visit to the United States is a historic event.

Johnson left the hotel 10:30 p.m. to go to the White House in time to watch a telecast of the Pope's address to the United Nations.

The directors, who have determined whether to purchase for \$450,000 the one-third acre gasoline station site at Woodbridge St. and E. Middle St., are now negotiating with the adjoining Community Baptist Church for about 20,000 square feet of its property.

General Manager Richard Martin has alerted the directors to the possibility that action on a site may have to be tabled.

Another Site Offered For Green Firehouse

Mayor Francis Mahoney revealed today that James McCarthy has offered a site to the town, free of charge, three lots, with a 60-foot frontage on Woodbridge St., for possible use for a Manchester Green house.

The site, of irregular shape, extends to the irregular leading back to the interior of the apartment building complex on Woodbridge St. and is part of the requirements of the Residence Zone A group dwellings.

McCarthy was granted a special exception on Feb. 17 from the Zoning Board of Appeals (ZBA) to construct 29 units, each with 600 square feet of space. The three lots, although vacant, fulfilled that requirement.

If the town were to accept the gift, McCarthy first would have to appear again before the ZBA for a variance to demolish the apartment - complex property. The town, if the variance were granted, could then go ahead with firehouse construction.

Mayor Mahoney said today that, before the town can even determine whether to purchase the site, McCarthy must first appear before the ZBA for a variance to demolish the apartment - complex property.

McCarthy's offer will be discussed tonight by the board of directors when the subject of a Manchester Green Firehouse site again appears on its agenda.

Dodgers 7 to 5 Favorites, Drysdale 11 to 10 in Opener Power Must Win It for Twins

MINNEAPOLIS - ST. PAUL (AP)—"Win It All, Twins," the signs here imply, but the feeling in Minnesota may not take a single game from the Los Angeles Dodgers, whose matches pitching may perpetuate a four-game sweep by the National League champions.

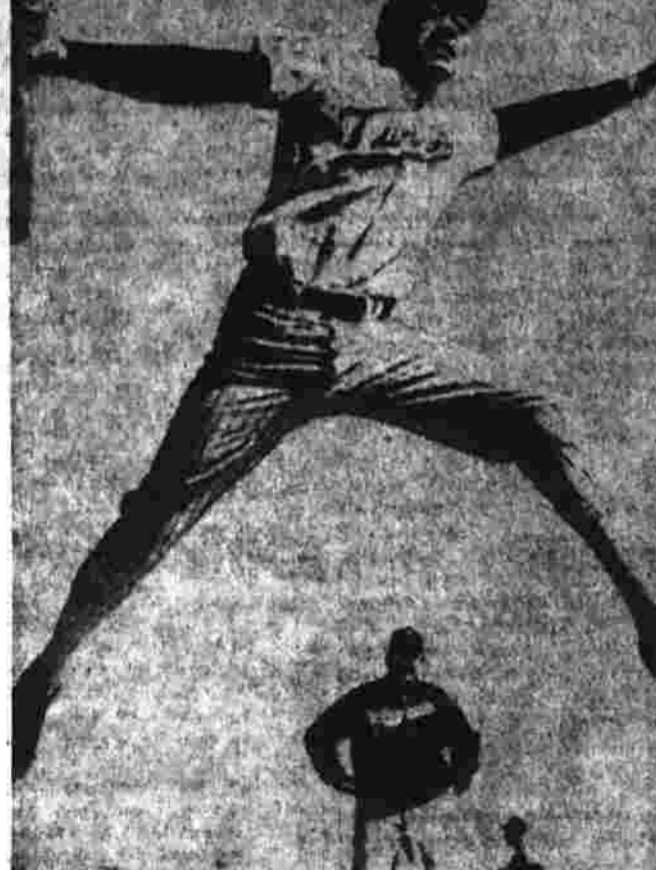

In 1967, the same Dodgers behind the dazzling pitching of Sandy Koufax and Tom Seaver, stomped the New York Yankees in four straight games. Koufax and Drysdale are still around, more menacing than ever. Podres has been replaced on the Big Three by another southpaw, Claude Osteen. Osteen's 15-15 record on the campaign is a modest one com-

pared to Koufax' 26-8 and Drysdale's 23-12, but Dodger Manager Walter Alton is mindful that when Osteen pitched for Washington in the American League, he defeated the Twins six times without a loss.

Minnesota's Jim (Moose) Grant, Jim Kaat and Camilo Pascual do not exactly comprise a sticky trio but not even the most avid American League fan would put them in the same class with K. D. and O. Pitching, as everybody knows, is 70 per cent of the game. In the Dodgers' case, it is 80 per cent. Since good hitting, it would not cause too much of a stir if the Dodgers won in the shortest time possible.

The Series, then, between the rival league champions, opened Wednesday with Drysdale opposing Grant. The 26-year-old ace of the Twins' staff posted a 2-1 record during the regular season. Professional odds-makers have put up the right-handed Drysdale as the favorite to win the Series and give 15 to 1 against a Dodger sweep in 1968 was 27 to 1.

Power must win it for the Twins. Manager Sam Mele will rely on the heavy hands of Harmon Killebrew, Tony Oliva, Jimmie Hall, Don Mincher, Bob Allison and Earl Batt to offset the Dodgers' superiority in speed, defense and pitching.

Big Question Before Series: Who Has More Zip? Speed One of Main Factors Twins Wound Up Winning

MINNEAPOLIS - ST. PAUL (AP)—There's little doubt that the Los Angeles Dodgers have the edge in pitching and the Minnesota Twins have the edge in power but the big question as the World Series approaches is: Who has more zip?

The Twins, who stole only 46 bases in 1964, doubled that total this year with 167 for the Dodgers. More than half of that will be credited to Willie Mays, who stole 78 bases in 1967. The Twins do have speed in their lineup. In fact, they have more stolen bases than any other team in the American League.

Grant was the AL's top runner with a 21.7 record but his ERA was 3.30. East, 19-11, was best among the big three for the Twins at 2.83. Pascual, 20-10, had a 2.83 ERA and a 93 record and a 2.83 ERA.

Jews Mark Yom Kippur

Yom Kippur, the Day of Atonement, will be observed by members of the Jewish faith beginning this evening at sundown, and continuing through tomorrow afternoon at sundown.

Services will be held at Temple Beth Shalom tonight at 7 p.m. (Kol Nidre) and tomorrow beginning at 7:45 a.m. and continuing through the day. Yisrokor (memorial service) will be held at 8 p.m. The Shofar (ram's horn) will be sounded at 7 p.m. to mark the end of the penitential season.

The Day of Atonement is the most sacred and most solemn day in the Jewish calendar. It culminates the period of the Ten Days of Repentance which began on Monday, Sept. 27, New Year's Day. The day is observed with a 24-hour fast during which the people abstain from food and drink and from all bodily pleasures. The prayers in the synagogue stress man's sinfulness and his need for repentance and atonement. Throughout the evening and the following day, liturgies are recited containing confessions of possible sins and transgressions committed during the year. On the Day of Atonement, only those sins which are committed against God and are sincerely repented, are forgiven. The sins committed against man are not forgiven until the proper amends have been made.

The highlight of the evening service is the Kol Nidre, an ancient chant expressing the hope that all vows and promises which one was unable to keep, and all sins committed under duress, will be forgiven.

The confessions throughout the day are recited in the plural indicating the mutual concern and responsibility which people must have for each other.

State Law Under Fire By Negroes

HARTFORD (AP)—Four civil rights leaders charged with inciting a riot in Hartford, Conn., during the course of the meeting at a city hall, as well as statements attributed to them prior thereto.

The complaint of the civil rights leaders said the arrests were made as a result of "verbal abuse" during the course of the meeting at a city hall, as well as statements attributed to them prior thereto.

The four were arrested on the night of a rally in Hartford's North End section Aug. 31, shortly after the Los Angeles riots. The rally was billed as a demonstration of sympathy for Los Angeles Negroes.

Mercury Hits Record Lows

WINDSOR LOCKS (AP)—The temperature dipped to a frigid 26 degrees today—a record low for the date.

The U.S. Weather Bureau recorded the new low at 4:30 a.m. The previous low for Oct. 5 was 28 in 1965.

BOSTON (AP)—The mercury tumbled to 26 degrees and set record lows for the date in parts of New England early today but the weatherman predicted a warmer trend tonight.

The temperature dipped to 27 in Windsor Locks, Conn., setting a new record for the date. The record was set in 1958.

The U.S. Weather Bureau said the temperature was the lowest ever recorded there this early in the fall. The previous record was 27, set Tuesday.

Poland Reported Likely Target For Papal Visit

VATICAN CITY (AP)—The impact of Pope Paul's visit to the United Nations strengthened a growing impression here today that the next foreign trip will take him into the Communist world.

The handshake and animated conversation the pontiff had with Soviet Foreign Minister Andrei A. Gromyko at the United Nations has added to this impression.

Poland appeared the Red country most likely to receive the Pope.

When he returned from New York Tuesday, the Pope vowed he would "continue to work as much as possible for world peace."

Observers took this to mean that he would also continue to travel, personally carrying the gospel of peace wherever he felt it would serve mankind.

Many in Vatican circles are convinced that Pope Paul's three flights outside Italy have smoothed the way for a personal peace pilgrimage into a Communist world.

Many Homes Covered By Wind-Blown Sand

THOUSAND PALMS, Calif. (AP)—A sea of wind-blown sand is engulfing this desert community of 600 homes 20 miles east of Palm Springs.

Sons of a town has more "for sale" signs than any other in the state. Scores are moving away, after a heroic battle. One predicts Thousand Palms will become a ghost town.

"We eat and drink sand," says Leo Miller, Thousand Palms resident. "We sleep in sand, cough and sneeze it."

Miller told newsmen that keeping his home from being inundated has cost him \$1,000 a year. He just spent \$500 to have truckloads of sand moved from his yard.

"I've come to the end of the road," said Miller. "My wife, four children and I have had to leave our home."

Founded in the 1920s and once called a paradise, Thousand Palms has been suffering from the sandy blizzards since 1961. No one seems to know exactly what started the phenomenon, but several have theories.

Sand has drifted 10 feet high over Miller's back fence. Sand is up to the roof of the house next door.

"Sometimes it blows sand into a hole without letting up," said another resident, Charles Pierce. He says a day's blow dumps two feet of sand in his yard.

The town's streets resemble those of a mid-winter scene, but the glistering surface is sand, not snow. It will not melt.

"Every home in our town has been damaged in one way or another by sand," says Dorothy Johnson, president of the Blow-sand Committee, formed a month ago to seek federal aid.

Boy's Spirits High, Condition Good

MEDINA, Ohio (AP)—A 15-year-old boy was stuck head-first in a cave today, hungry and cold, but reported still in good condition nearly 24 hours after he was trapped.

Rescuers called in cave experts to try to figure out how to get the boy out. The youth, Morris Baetzold, from the cavern where he was wedged waist tight while on an outing.

The boy is caught in a narrow tunnel of a small cavern known as Wildcat Cave near Hickley, about 12 miles north of here in southeastern Ohio. He had crawled around tunnels leading off the main cave, went around a big snag of rock, then slipped into a V-shaped crevice where he is held fast.

"I've never seen a boy with as much guts in my life," said Jim Lea, 28, a member of the rescue squad.

"He hasn't complained. I've been trapped myself and I know what a weird feeling it is."

An Akron nurse, Evelyn Pettit, spent three hours in the cave with Morris early today and reported him in good condition.

"I talked to him and tried to keep his spirits up," she said.

She tried to slip a rope and automobile seat belt around the boy in an effort to pull him out, but failed.
