Winter Beauty at Greylock

More than a foot of fluffy snow was dropped on Mt. Greylock, highest peak in Massachusetts, over the weekend. Bright morning sun added to the beauty of the winter scene and brought Maurice Guertin out for a snowmobile ride atop the 3,490-foot mountain. (AP Photofax.)

Fair Exchange

PORT HARDY, B.C. (AP) — Bud Ditto got lost. Pat Taylor helped find him. Then Taylor got lost. Ditto helped find him.

This started last Wednesday when Ditto, 49, a prospector, was reported missing in the woods near this northern Vancouver Island community.

He was found the next day. Then Taylor, 21, a member of the search party, was reported missing.

Taylor was found Saturday after he had spent two days in eight inches of snow, wearing only rubber boots, blue jeans, a shirt and windbreaker. Ditto helped organize the 100-man party that searched for Taylor.

Bingo Law Shows Size Of Operation

HARTFORD (AP) — The new law that has brought bingo under the regulation of the state police is providing solid information for the first time on the amount of money that changes hands in Connecticut through this game of chance.

Until Oct. 1, organizations running bingo games received permits from local authorities. There was no way of knowing how much players in the state as a whole were spending for their recreation.

State Police Maj. Carroll E. Shaw said today that in the first three weeks of state control the gross receipts reported by the 283 organizations which ran games totaled \$120,000.

Prizes and expenses totaled about \$80,000, leaving the operators a profit of \$40,000, Shaw said.

On the basis of operations in these three weeks, he said, the yearly receipts may run to some \$2 million and the profits about \$880,000.

In addition to transferring control of bingo from local to state authorities, the new law permits cash prizes for the first time. Under the old law only merchandise could be given winners.

Sponsoring organizations may now award a combination of cash and merchandise not to

We Have Stopped Losing, McNamara Tells Newsmen

Grief shows in the eyes of a Vietnamese litter bearer as he walks down road at Michelin Rubber Plantation crowded with bodies of American and Viet soldiers. A Ranger battalion retook the ground after it had been lost to human waves of Viet Cong attackers. (AP Photofax)

Viet Force to Rise 'As Much as Needed'

SAIGON, South Viet Nam (AP) — Secretary of Defense Robert S. McNamara ended his visit to Viet Nam today by declaring that the United States would throw in as many fighting men as needed to wage the war against the Communists.

McNamara told newsmen at the airport after his fact-finding tour that his most dramatic impression is that "We have stopped losing the war."

He added, however, that the increased ferocity of Viet Cong and North Vietnamese attacks in recent weeks indicated "a clear decision by Hanoi to escalate infiltration and raise the level of the conflict."

He said these acts must be countered, adding: "The South Vietnamese government will further increase its military strength."

On the eve of McNamara's arrival, four Viet Cong battalions with North Vietnamese support troops handed the South Vietnamese one of their worst setbacks of the war. In an attack on troops holding an abandoned rubber plantation 45 miles northwest of Saigon, the Communists knocked out an entire government regiment as an effective fighting force. American advisers also perished.

It was feared the casualties, when finally totaled, might be the highest of the war to date.

McNamara declined to speculate on the total U.S. forces that will be required but his comments heightened speculation that he will advise President Johnson to increase American ground forces in Viet Nam from 165,000 to 300,000 men and step up air attacks on the North Vietnamese jungle supply routes.

These were believed to be the minimum requests of U.S. military commanders during their talks with McNamara during his whirlwind tour.

Before heading back to Wash-

Runaway Found in Bangkok

BANGKOK, Thailand (AP) — A news dispatch from the United States and a newsmen's memory reunited a worried American mother and her runaway 16-year-old daughter in Bangkok today.

The girl, Mary Wilson, had slipped away from the Encino, Calif., home of her parents, Dr. and Mrs. George Wilson, on working there for a week. He called the U.S. Embassy, by chance found Mrs. Wilson there and told the embassy where Mary was.

"I'm so thankful that she's safe and sound," said Mrs. Wilson after the reunion with her daughter. "She's a do-gooder and rather religious girl."

Two friends, Mr. and Mrs. William Shope, whisked the pair off to their home and refused to allow newsmen to see them.

"They're both distraught and need some rest and quiet," said Mrs. Shope.

Mrs. Wilson and Mary are expected to remain in Bangkok several days before turning to California.

A spokesman at the Pierra Foundation said Mary came to the institute last Tuesday inquiring about adoption of a child.

She was asked to wait until an official of the foundation could be located, but left before the official arrived.

She returned the next day with her luggage and after a conference with Dr. Pierra Vejabus, head of the orphanage, moved into the establishment.

MARY WILSON

Nov. 19. They believed she had gone to Bangkok to work for an orphanage.

Mrs. Wilson arrived in Bangkok early today to try to pick up her daughter's trail. Meanwhile, Alan Darby, a newsmen at the English-language Bangkok Post read an Associated Press dispatch about the girl's disappearance and recalled a recent article about the Pierra Foundation, a Bangkok orphanage.

Darby called the orphanage and learned that Mary had been

Indonesia's Aidit Reported Arrested

JAKARTA, Indonesia (AP) — Unconfirmed reports that Indonesian Communist party chief D.N. Aidit had been arrested in central Java swept Jakarta today.

There was no official confirmation. Nor was there any confirmation of a report by Tokyo's paper Asahi that Aidit had been shot and killed Oct. 22 while trying to escape over a prison fence near Surakarta, in central Java.

The reports in Jakarta were that Aidit, who vanished after the Sept. 30-Oct. 1 Communist-backed coup against President Sukarno collapsed, was seized in Surakarta.

Intelligence sources in Singapore, quoting information received from Indonesia, said Aidit's fate was still not known. But they added it was unlikely Aidit was dead.

Aidit took over the Indonesian Communist party in 1961 when it was at its lowest ebb—in disgrace after a 1948 takeover attempt that Sukarno put down with the army.

By the time of the coup, Aidit had built it into three-million strong party.

Defense Minister Gen. Abdul Harris Nasution warned that the party is preparing a counteroffensive against the Indonesian revolution and against Sukarno and his leadership.

In a message to the inauguration ceremony of the Jakarta branch of the Indonesian Movement, Nasution said although the coup has been foiled, its mastermind has not been entirely eradicated.

Wilson Cabinet Discusses Plan To Aid Zambia

LONDON (AP) — Prime Minister Harold Wilson held an emergency meeting of his Cabinet today amid reports Britain was ready to send a Royal Air Force squadron to Zambia bordering rebellious Rhodesia.

The meeting lasted 1½ hours. It was called suddenly after a midnight meeting of ministers, directly concerned with the Rhodesia crisis, broke up.

Wilson has shown wariness about sending British ground forces to meet black-ruled Zambia's request for troops to protect the Kariba Dam. The dam is jointly operated with Rhodesia and is the main source of power for Zambia's huge copper mines.

Sources said Britain would send a token RAF reconnaissance squadron to patrol the dam and its power lines.

Evangelist Chats with the Johnsons

Evangelist Billy Graham (left) chats with President and Mrs. Johnson following a service last night at Houston's domed stadium. The service, attended by the Johnsons, marked the end of a 10-day Graham crusade. (AP Photofax)

Power Unit Balky

CAPE KENNEDY, Fla. (AP) — The space agency said today that an electrical problem with a spacecraft power unit was not expected to delay Saturday's Gemini 7 launching.

A spokesman made the statement after engineers wrestled through the night with the trouble. First they installed a new power unit in the spacecraft, discovered it probably would cause the same difficulty, yanked it out and replaced it with the original unit.

"The problem is not completely solved at this time," the spokesman said. "Evaluation is continuing. But the situation looks good and we don't expect it will delay the launching."

Astronauts Frank Borman and James A. Lovell Jr. are to ride Gemini 7 into space for a 14-day endurance mission. Nine days later, Gemini 6 astronauts Walter M. Schirra Jr. and Thomas P. Stafford are to take off in an attempt to rendezvous within a few feet of Gemini 7.

The trouble developed Saturday during a flight rehearsal

Earth Shock Jars Slopes Of Vesuvius

NAPLES, Italy (AP) — A pre-dawn earth shock jarred villages on the lower slopes of Mt. Vesuvius today, and the director of the Vesuvius Observatory said a new eruption of the great volcano might be near.

The shock was felt at 4:46 a.m. in villages of the vineyard-rich lower slopes of the volcano which almost 2,000 years ago wiped out the Roman pleasure resort city of Pompeii.

A communique issued by the Vesuvius Observatory said the shock undoubtedly was caused by a result of a cave-in of part of the hardened lava floor in the center of the big crater.

Prof. Giuseppe Imbo, director of the observatory and head of the Institute of Terrestrial Physics of the University of Naples, warned that it might mean a new eruption was near.

"The phenomenon this morning," he said, "comes without doubt in the category of those activities which warn that a return of volcanic activity of Vesuvius is not far away."

The great conical volcano quit smoking after the World War II. The last eruption, in 1944, was blamed by some at the time on a bomb dropped into the crater in an Allied air raid.

Prof. Imbo said this morning's earth shock was similar to shocks registered in 1910 and 1912, each time preceding new eruptions of the volcano.

Britain Again Hit By Wintry Weather

LONDON (AP) — Blizzards, gales, rainstorms and floods raked Britain today, piling snowdrifts up to 18 feet that isolated hundreds of farms in northern England and Scotland.

Most of Europe reported generally miserable conditions, with colder weather predicted.

Drifts blocked deliveries of fodder to snowbound cattle in northern Britain and farmers compared conditions to the winter of 1947, when many cattle perished.

For the first time in many years, British Railways canceled their cross-channel ferry at Newhaven as gale winds swept the coast.

Torrential rain brought flooding in south and west England, Wales and east Anglia.

On the Continent, stormy seas battered Italian coasts for the sixth straight day.

Rain and high winds swept Paris. Considerable damage was reported in French provinces because of the wind. Power poles were blown down at Rennes and sections of a roof of a post office near Lille were ripped off.

Bitter cold gripped Denmark, with temperatures below zero and predictions of snowstorms.

Well before the opening of the Alpine weather season next month Swiss authorities warned of the danger of snowslides after 20 inches fell over the weekend.

In Germany, snow slowed traffic south of Munich but the rest of the country reported generally mild conditions.

Temperatures rose slightly above freezing in Moscow to melt snow accumulated since an early cold spell that broke an 80-year-old record last Thursday.

Rain and clouds covered north and central Spain but the southern parts of the country were sunny and mild.

Stewart in Moscow

MOSCOW (AP) — British Foreign Secretary Michael Stewart arrived in Moscow today for talks with Soviet leaders on Viet Nam and the nonproliferation of nuclear weapons.

The Communist party organ Pravda said it hoped Stewart's four-day visit would contribute "to the normalization of the international situation." But British sources here held little hope of major results.

Accompanied by Lord Chalfont, Britain's minister for disarmament, Stewart was scheduled to meet with Soviet Foreign Minister Andrei Gromyko Tuesday. Stewart also was expected to meet with Premier Alexei N. Kosygin and Communist party Secretary Leonid I. Brezhnev.

The result of the talks will be a main topic when British Prime Minister Harold Wilson meets with President Johnson in the United States next month.

Observers said Stewart would try to get a clearer idea of the Soviet price for a treaty to stop the spread of nuclear arms. The Soviets have said no agreement is possible unless the United States abandons its proposal for a multilateral nuclear force for the North Atlantic Treaty Organization. The Soviet Union maintains this would give West Germany access to nuclear arms.

There have been signs of American and British flexibility on the treaty question.

Britain has indicated it considers a nonproliferation agreement more important than a NATO nuclear force.

The United States has proposed a consultation committee that would give other Atlantic alliance nations some participation in nuclear policy. Some observers say the committee proposes

(See Page Seven)

Marches Not Convincing

WASHINGTON (AP) — A leader of the weekend peace march on Washington, in which thousands protested American involvement in the Viet Nam war, said today that "a demonstration doesn't convince anybody."

Despite this, Sanford Gottlieb said in a telephone interview, more demonstrations are being considered by the National Committee for a Sane Nuclear Policy — SANE.

Gottlieb is political action director of SANE, which sponsored Saturday's march and picketing of the White House in protest of U.S. policies in Viet Nam. March officials estimated the turnout at 40,000 to 50,000; police placed it at 25,000.

"We were definitely pleased with the turnout," Gottlieb said, "despite the bus drivers who wouldn't drive people from New York and also from Baltimore."

Future marches are being considered, he said, because "at a time when a dramatic event is needed to publicize your point of view, there's nothing like a large demonstration."

"But a demonstration doesn't convince anybody," Gottlieb said.

March leaders issued a leaflet

Bulletins

NEW ROYAL HEIR
TOKYO (AP) — Japan's Crown Princess Michiko gave birth to a boy Tuesday morning and both are doing well, a palace spokesman announced. Prince Akihito and the Princess Michiko have a 5-year-old son, Prince Hiro. The princess, 41, entered the Imperial Household Hospital Monday evening.

BOSCH HELD OVER
HARTFORD (AP) — Cuban exile leader Orlando Bosch of Miami, who was arrested here last week on federal extortion charges, is expected to leave for Florida Tuesday after a removal hearing before a U.S. commissioner. Bosch has been free on \$5,000 bond since Saturday.

Bolton

Manchester Civic Orchestra has settled on the program for its first concert of the season, slated for Jan. 8. The first half will be classical in content, while the remainder of the program belongs to the romantic school.

Opening the program will be Verdi's "Ave Maria" and original in which Michael Johnson will be featured as horn soloist. In the second half, the orchestra will present a program of much smaller scale and tone. It got its name because in the time of Elizabeth I it was much in vogue among young ladies who could afford the instrument. It was so small and light in weight that it could be held in the lap and was usually played in that position, although sometimes it was rested on a table and played. It hasn't seen a playable version since the 17th century. I assume the part will be played on a harpsichord, or possibly on a piano.

Then we shall hear a symphony by Karl von Dittmer, who was a precursor of Mozart, in many respects, but the commission received from the town of Bolton. Nevertheless his music is very enjoyable, and much easier to perform than Mozart's. We shall also hear a suite taken from Handel's "Water Music" which comprises some forty-odd numbers, some of which were played at the concert.

After the interval we shall hear the "Serenade" for Wind Instruments, written when the composer was only 17 years of age. This is very seldom performed; in fact, it is an excellent example of the early style of the symphonic ensemble and a true chamber ensemble and too small to be played in a symphony orchestra.

My sincere congratulations to Mr. Brewster! Speaking of orchestras, the Emperor of Austria failed utter-

Acceptance of New Roads Goes Before Town Tonight

The planning commission will convene tonight to discuss the recommendation to the town of Bolton regarding the acceptance of new roads. The commission will meet at 7:30 p.m. in the town hall to discuss the recommendation to the town of Bolton regarding the acceptance of new roads.

People In The News

Laci Johnson
JOHNSON CITY, Tex. (AP) — Laci Baines Johnson flies today from the LBJ Ranch to Washington to resume her nursing studies, while her steady court, Patrick J. Nugent, reports for Air Force duty.

Nugent, 23, from Waukegan, Ill., was a guest at the ranch for the Thanksgiving weekend. He reports at San Antonio, Tex., for a six-month tour of duty as a sergeant.

Laci is studying at Georgetown University. Nugent has worked in a minor government job in Washington since graduating last June from Marquette University.

The President's daughter and Nugent reportedly asked the Johnsons recently for consent to marry. The President is said to have urged them to wait until Laci finishes her nursing course.

Margaret Truman
NEW YORK (AP) — The former Margaret Truman, who had her trials and tribulations as the daughter of President Harry S. Truman, Sunday night refrained from giving the girls now in the White House any uncollected advice.

Now Mrs. Clinton Daniel, she was asked to comment on Laci Johnson's widely publicized romance. At a dinner of the Zionist Organization of America, Mrs. Daniel said: "I'll do for her what nobody did for me. I'll say it's none of my business."

Of Laci and her older sister, Lynda, Mrs. Daniel added, "I think they're both doing very well and will continue to do so."

Mrs. Daniel said Sunday she had hurt her back in a riding accident while shooting action scenes in France, she is in a London nursing home.

Patrick Wayne
BOLLYWOOD (AP) — Marriage is on again for Patrick John Wayne, 25, son of movie star John Wayne, and socialite Peggy Hunt, 25, it was announced Sunday.

Last year wedding invitations were sent to 300 guests. Two weeks before the scheduled Oct. 27 rites, cancellation notices were sent and gifts were returned. The wedding is now set for Dec. 11.

Dedication Set For New School

The 118-year-old parish of St. Bridget in Manchester dedicates its first school and convent building this month in a ceremony presided over by the Most Rev. Henry J. O'Brien, archbishop of the Diocese of Hartford.

The dedication on Sunday, Dec. 12 will culminate almost twelve months of construction on the new three-part structure, which is to house classrooms for about 200 students, a large air-conditioned multi-purpose auditorium and a convent. Actual physical construction is expected to be finished by the end of this week.

Much of the exterior of the sprawling structure is composed of off-white brick and a type of wood similar to that of tobacco sheds, all to form a harmony with surrounding buildings. One feature of the construction is the mobility of the auditorium; not only will it be the site of athletic and social events but also it will serve as a hall for the celebration of Mass.

The two-story school consists of five classrooms, a laboratory and a large recreation area which can be subdivided into three more rooms if necessary. It is expected that actual class sessions will start in the fall of 1966 with Grades 6, 7 and 8. Dedication ceremonies will include the blessing of the building by the archbishop followed by a benediction of the blessed sacrament in the auditorium.

Passes Sought
BERLIN (AP) — West Berliners began applying today for passes to cross through the Berlin wall to visit relatives in the Communist half of the divided city over the Christmas holidays.

People began lining up at 4 a.m. at the 16 offices set up to handle the applications. The doors opened six hours later. East German and West Berlin representatives reached a pass agreement last Thursday. The East German news agency ADN said West Berliners could make two one-day visits from Dec. 18 to Jan. 2 — one on a holiday and one on a weekday.

This is the third year of the holiday visits since the Communists built the wall in 1961. Last year, there were 62,118 visits by West Berliners during the holiday period.

Strikes Off
LONDON (AP) — Britain's bakers union called off its guerrilla bread strikes today but only for a week.

The union said that unless the bakers by Dec. 7 give an interim wage increase of \$2.50 a week and a promise to discuss its bigger claim, it will call off all its 22,000 members.

The bakers are demanding a minimum weekly wage of \$42. The present minimum is \$22.50, but overtime and bonuses bring take home pay to \$56.

Last week a series of lightning strikes hit major towns, bringing long queues for bread.

Fishermen Safe
TAIPEI, Formosa (AP) — Fifteen Chinese fishermen returned to Formosa today after escaping death at sea and possible capture by the Chinese Communists.

They were washed overboard when the 22-ton fishing boat Hai Lung Hing capsized Nov. 12 in the South China Sea. For eight days they kept themselves afloat with lifejackets and driftwood.

Then they were picked up by a British freighter and learned it was bound for Shanghai. But the Filipino captain was sympathetic and refused for a Chinese Nationalist warship. It raced out and took the fishermen aboard.

Color TV Relay
MOSCOW (AP) — A color television program was relayed from Moscow to Paris today by the Soviet communications satellite Molniya 1, the Soviet news agency Tass said.

The French Secam 3 system of color television transmission was used for the experiment. The Soviet Union agreed earlier this year to adopt the French system.

Area Weather
WINDSOR, LOCKS (AP) — The U.S. weather bureau says the breeze coming to Connecticut for the next few days will bring air somewhat more directly from the cold air mass in central Canada.

While pressures remained low over the Great Lakes in the past couple of days, the winds reaching the state from the west took a more southerly course and were modified.

Winds will feel sharp today even though the temperatures will be just moderately colder than Sunday. This will be due to the cold, dry air.

Varying patches of cloudiness are expected today and will produce some snow flurries, especially in western hills. During the night, snow stuck on higher elevations around Chanaan and Litchfield as a result of snow flurries there.

Five-Day Forecast
Temperatures in Connecticut Tuesday through Saturday are expected to average below normal, with cool temperatures most of the time. A slow upward trend in the middle of the week will be followed by clear weather during the weekend.

Some normal temperatures for this time of year are Hartford, 42 and 23; New Haven, 46 and 29; Bridgeport, 48 and 30. Precipitation may total less than one-tenth of an inch occurring as occasional snow flurries.

BUY'S PLANTATION
ALEXANDRIA, La. (AP) — J. D. Cobb of England, A.F.S. purchased Rosalie Plantation, one of the few central Louisiana showplaces that escaped ravages of the Civil War, for \$200,000.

Real estate dealers said the previous owners, Mr. and Mrs. Homer H. Harris, retained the 148-year-old home with about five acres of land. The plantation consists of 810 acres.

be equally hopeless and deluded and dangerous. Sanity has to be somewhere in between, but has no organizers, no holders of high office, no easy, super-simplified slogans, no power to commit people first and persuade them later. But it must be waiting somewhere.

A Defense Of Hurricanes
A fervent, grateful salute should go out to an expert who has found it within his conscience and daring and wisdom to ask the kind of question that hardly ever gets asked any more. And he asked it in a fascinating, yet down to earth context.

The expert is Robert D. Hendrick, of the Travelers Research Bureau, Inc. He asked his unorthodox, but pertinent question down at Miami the other day, at the fourth annual scientific technical conference on hurricanes and tropical meteorology.

And the historic, forgotten kind of question he asked. "Not what can we do, but what ought we to do?" For longer than sanity finds it easy to remember, our civilization has been proceeding on the basis that everything it can do it must and should do.

But the other day this Mr. Hendrick asked the novel question: "What ought we to do?" Mr. Hendrick was asking this question in the face of another of those great morose consensus assumptions of ours.

Campbell-Leavestrom

The marriage of Miss Joyce Ann Leavestrom of Manchester to Roger Clarke Campbell of Glastonbury took place Saturday morning at St. James' Church.

The bride is a daughter of Mr. and Mrs. Joseph C. Leavestrom of 565 Hackmatack St. The bridegroom is a son of Mrs. Lester J. Campbell of Glastonbury and the late Lester Campbell.

The Rev. Thomas Kenmette of St. John the Baptist Church, New York City, performed the double ring ceremony. Mrs. Ralph Macaroni was organist and soloist. Bouquet of white gladioli and chrysanthemums were on the altar.

Given in marriage by her father, the bride wore a full-length gown with long tapered sleeves, scoop neckline, sheath skirt and bouffant overcoat with chapel-length train. Her bouffant train-length veil of illusion was attached to a double lace crown trimmed with crystals. She carried a cascade bouquet of white roses.

Mrs. Virgil D. Lloyd of East Hartford was the matron of honor. Bridesmaids were Mrs. Edward L. Bancroft of South Windsor and Miss Brenda White of East Hartford.

Lester Campbell of North Litchfield, N.Y., served as his brother's best man. Ushers were Robert Campbell of Arlington Va., brother of the bridegroom; and Victor Sokolowski, Ozono Park, N.Y.

The attendants were identical in dress in floor-length gowns with ruffled bodices and vanilla crepe skirts. The gowns were fastened with three-quarter length sleeves and empire waistlines, and back panels attached at the waist.

They were matching ruffled, feather headpieces with circular veils. The matron of honor carried a cascade bouquet of red roses accented with stephanotis while the bridesmaids carried cascade bouquets of red roses.

Mrs. Leavestrom wore a pink beaded crepe sheath with pink accessories and a white orchid corsage. The bridegroom's mother wore a royal blue silk dress with velvet trim, blue corsage and a white orchid corsage.

A reception for 150 was held at Schaub's Restaurant, Warehouse Point. For a motor trip to the Pocono Mountains, Pa., Mrs. Campbell wore a cherry-colored knit suit with black accessories and a white orchid corsage.

The couple will make their home at Cumberland Rd., East Hartford, after Dec. 5. Mr. Campbell is a graduate of Manhattan College, New York City. He is attending Rensselaer Polytechnic Institute Graduate Center, South Windsor, while working as an electrical engineer in the experimental engineering department of Pratt and Whitney Division of United Aircraft Corp., East Hartford.

She is employed as a secretary in the engineering department of Pratt and Whitney. BUDGET EQUALS 45 FIRMS WASHINGTON — Total U.S. government spending equals the combined annual sales of the 45 largest U.S. corporations.

Mr. and Mrs. Frank Gliha of 460 Hilltown Rd. celebrated their 25th wedding anniversary Saturday at a party for 85 at Salem's.

Guests attended from Forest City, Pa., Gliha's home town; Cleveland, Ohio; Rochester, N.Y., and towns in Connecticut.

Mrs. Stanley Graskowski of Avon, sister of Mrs. Gliha and a bridesmaid at her wedding, attended the party.

The couple married Nov. 23, 1940, at St. Ann's Church, Hartford, and have lived in Manchester about 18 years. They have two children, Donald Gliha, a sophomore at Upper Iowa University, and Mrs. Carol Grundman of Rochester.

Mrs. Gliha is a member of Hilltown Grange. Ladies of Assumption and Women's Auxiliary to Manchester Hospital. Her husband is a group leader at Pratt and Whitney Division of United Aircraft Corp., East Hartford, where he

Rogers-Rizza

Miss Joyce Lee Rizza of Manchester became the bride of John James Rogers, also of Manchester, formerly of Constable, N.Y., on Saturday morning at the Church of the Assumption.

The bride is a daughter of Mr. and Mrs. Lucien S. Rizza of 814 Center St. The bridegroom is a son of Mr. and Mrs. Leon J. Rogers of Constable.

The Rev. Ernest J. Coppa of the Church of the Assumption performed the double ring ceremony and was celebrant at the nuptial high Mass. Paul Chetelat of Manchester was organist and soloist. Vases of white chrysanthemums and pompons were on the altar.

The bride, given in marriage by her father, wore a full-length gown of peau de sole trimmed with beaded Venetian lace. The gown was designed with fitted bodice, bell-shaped sleeves, A-line skirt and detachable cathedral train.

Her bouffant elbow-length veil of illusion was arranged from a double crown of seed pearls and crystals. She carried a crescent-shaped bouquet of white gypsophila and carnations accented with ivy.

Mrs. Richard Vitale of Everett, Mass., cousin of the bride, was the matron of honor. Bridesmaids were Patricia Scalfani of Watertown, Mass., cousin of the bride; and Mrs. Kevin Donohue of Woodside, N.Y., sister of the bridegroom.

Francis Rogers of Constable served as his brother's best man. Ushers were Donald Rogers and Harold Rogers, both of Constable, brothers of the bridegroom; Frank Rizza of Manchester, brother of the bride; and Richard Vitale of Everett, cousin of the bride.

The matron of honor wore a full-length empire-style gown with brown velvet bodice and beige crepe skirt. She wore a matching brown velvet cabbage rose headpiece and carried a crescent-shaped bouquet of yellow and bronze pompons accented with yellow roses and green foliage.

The bridesmaids were dressed in gowns styled to match the honor attendant's designed with seaweed green velvet bodices and beige crepe skirts. They wore matching seaweed green cabbage rose velvet headpieces and carried crescent-shaped bouquets of yellow and bronze pompons and green foliage.

Mrs. Rizza wore a beige satin dress with matching broad-collared coat, matching accessories and a bronze orchid corsage. The bridegroom's mother wore a blue and green knit suit with matching accessories and a white orchid corsage.

A reception for 200 was held at "Fiano's Restaurant, Bolton. For a motor trip to northern New England and Canada, Mrs. Rogers wore a cream-colored knit suit, antique music coat and matching collar and matching brown leather accessories.

Mr. and Mrs. Charles E. Hochman Mills for 34 years. They then moved to Moonup where he continued working with textiles and retired in 1959 from Brunswick Worsted Mills. They came to Manchester when he retired.

The Whelans have six children, Charles P. Whelan, Mrs. Loretta Savionis and Mrs. Rita Kopeck. All of Manchester; Walter Whelan of Windsor; Mrs. Dorothy Ehes of East Hartford and Lt. Col. Raymond Whelan of Arlington, Va. They also have 14 grandchildren and Rockville in 1950, where Whelan 5 great-grandchildren. (Herald photo by Sisterns.)

Mr. and Mrs. Hugh L. Blackwell of Hosiandale, Mass., were St. Joseph's Church, Boston, Mass. Blackwell is retired from the Purvis Whitney Co., Ltd., a home of their son maritime shipping. Besides their daughter-in-law, Mr. and Mrs. Eugene L. Blackwell, 111 Baldwin Rd., Another son and daughter-in-law. Mr. and Mrs. Robert H. Blackwell of Bennington, Mass., were co-host and hostess.

Guests included Mrs. Blackwell's nine brothers and sisters. LAKE MOUNT BOTH LEAD GENEVA, Switzerland — Europe's largest lake, Lenawee, is in this city near the highest. Blackwell's nine brothers and sisters.

South Windsor

The town council will meet at 8 p.m. Wednesday in the high school to fill a number of appointments and to take two actions to facilitate new sidewalk construction in town.

Appointments are Town auditor, for a two-year term; seven members of the sewer commission; one alternate to the zoning board of appeals; to fill an unexpired term ending in October 1967; and a constable to fill an unexpired term to October 1967.

Also on the agenda are discussion and consideration of proposed sidewalk specifications and appointment of a traffic committee member to the new town sidewalk committee.

Improvements Committee Edward R. Eichen has been named chairman of the town's capital improvements committee. Joseph O'Hare of Highland Dr. will succeed Joseph O'Hare of Highland Dr.

The committee will meet with the fire department, library board of directors, public works department, park and recreation department and public building commission.

Zone Appeals The zoning board of appeals will hold a public hearing at 8 p.m. Dec. 2 at the Wapping Elementary School to consider four applications. They are:

William J. Jurgels, a variance to have three lots with less than the required frontage on property west of Kent Rd., bounded on three sides by land of Paul LaFrance, and in a R Rural zone.

Mildred B. Smith, a variance for a building lot with less than the required frontage and area at 298 Foster St., in a R Rural zone.

William Krasnick, 2241 Ellington Rd., Wapping, a variance for a lot with less than the required frontage and area at Sand Hill and Ellington Rds., in a R Rural zone.

Frank Drusa, 39 Grove St., Rockville, a variance for a two-story building for a retail store on property west of Kent Rd., bounded on three sides by land of Paul LaFrance, and in a R Rural zone.

The Avery School PTA will not meet in December because of the holiday season. The regular meeting will be on the first Tuesday in January.

Chaperones are needed to ride the buses to the children's concert series. Buses will not serve schools where chaperones are not available. Parents may contact PTA presidents to volunteer as chaperones.

AL AUXILIARY The Al Auxiliary of the American Legion auxiliary will hold a regular meeting Wednesday at 8 p.m. at the 205 St. John St. Hall. Miss Sherry Strohm will speak on the "American Field Service" Miss Strohm is a junior at the South Windsor High school and is a member of the current affairs club.

St. Peter's Services Services will be held tomorrow at St. Peter's Episcopal Church in observance of St. Andrew's Day. Holy Communion will be celebrated at 9:30 a.m. and 1:45 p.m. The regular evening prayer service will be Wednesday at 7:45 p.m.

Nine Die in State Highway Deaths Set Thanksgiving Record

Thanksgiving observed changed to grief for many as the 10-day holiday weekend ended at midnight with a record number of persons killed on the nation's highways.

The final count was 593. The previous high for a Thanksgiving weekend was 564, recorded last year.

The leader among the 50 states and the District of Columbia was New York with 60 dead. The next highest counts were logged in California and Texas, both with 25 dead.

The Associated Press tally started at 4 p.m. Wednesday. Although most of the traffic deaths were single fatalities, scattered multiple-death accidents helped boost the final count.

A collision Sunday resulted in the death of three members of the Norman, Okla., family and a teenage girl riding in their auto as they drove to church. Three persons were seriously injured in the mishap.

A collision Saturday near Radcliff, Ky., killed two brothers and their sister on their way to the funeral of a relative.

Three persons lost their lives Thanksgiving night near Punta Gorda, Fla., in a head-on collision. The same day near Dayton, Tex., five persons were killed in a crash.

Snow made driving conditions hazardous in some parts of the nation over the weekend. Traffic fatalities over a four-day Thanksgiving weekend ranged from a low of 42 in 1960 to this year's new high.

Two Fire Deaths Connecticut counted nine dead as a result of accidents during the long Thanksgiving weekend: two in a fire and seven in traffic mishaps.

Victims of a fire at their Williams home Saturday were a 3-year-old Cynthia Pietrowski and her 4-year-old brother, Robert. Their mother, Mrs. Thomas Pietrowski, and four other children escaped without serious injury.

The traffic victims were: Mrs. Shirley Bloise, 51, of Wallingford, killed Saturday night on the Wilbur-Cross Parkway in Meriden.

Peter Z. Jurina, 46, of Hartford, and 3-month-old Susan Crowley of East Hampton, killed Friday on Route 2 in Glastonbury.

Peter Cabral, 17, of Greenwich, killed Saturday on River-street Road in Greenwich. Bruno Costello, 60, of New Britain, killed Thursday on Corbit Avenue in New Britain.

William Juchimowicz, 28, of Wallingford, killed Saturday night on the Wilbur-Cross Parkway in Meriden.

Peter Z. Jurina, 46, of Hartford, and 3-month-old Susan Crowley of East Hampton, killed Friday on Route 2 in Glastonbury.

MRS. ROGER CLARKE CAMPBELL

Gliha Mark 25th Anniversary

Mr. and Mrs. Frank Gliha of 460 Hilltown Rd. celebrated their 25th wedding anniversary Saturday at a party for 85 at Salem's.

Guests attended from Forest City, Pa., Gliha's home town; Cleveland, Ohio; Rochester, N.Y., and towns in Connecticut.

Mrs. Stanley Graskowski of Avon, sister of Mrs. Gliha and a bridesmaid at her wedding, attended the party.

The couple married Nov. 23, 1940, at St. Ann's Church, Hartford, and have lived in Manchester about 18 years. They have two children, Donald Gliha, a sophomore at Upper Iowa University, and Mrs. Carol Grundman of Rochester.

Mrs. Gliha is a member of Hilltown Grange. Ladies of Assumption and Women's Auxiliary to Manchester Hospital. Her husband is a group leader at Pratt and Whitney Division of United Aircraft Corp., East Hartford, where he

Stock Boom Fizzles To Ho-Hum Finish

NEW YORK (AP)—The uncertainties that plagued the stock market, has ignored all market after the summer upturn. The golden profits reports and surge. But as usual, some of the predictions of a bigger boom ahead to end up November sided the stocks of favored in about where it was in the middle of October.

Example: A big damper on "That is, the ups and downs of general speculative enthusiasm the popular stock averages have been the buildup of the war about canceled themselves out in Viet Nam. Traders change But a number of individual their mind from week to week companies and some industries as to whether this might get big down on price increases in all-equipment in the recession of 1958.

The government's clamp 1957 meant a surplus of idle what also worries some trad- ers. They are trying to figure out what this may mean to the

stocks to go on rising. Compe- boom — and more specifically, per cent ahead of a year ago and year end extras are becom- ing common. But all this is ages may seem stuck on dead based on past performance. center.

China's Strength Less
NEW YORK—The combined armies of the free world out- number Red China's—about 2.7 million men to 2.5 million. China has 500 jet warplanes, the free nations have twice China's number.

Youngsters, huddled under store awnings, stood, dripping in rain coats, or sat in cars parked along the parade route. Local and state officials and parade marshals were in enclosed cars, identified by large signs hanging from car doors.

Frank remarked that about 20 floats "made the parade" by their many antics. One of the features in the abbreviated event was an antique "olow car", which was reconstructed with two front ends and two steering wheels.

Cloves walked along the parade route, handing out the candy shipped from small, wet hands, and was carried by rapid waters in the gutters.

First prize in the float competition was awarded to the Trinity Lutheran Church of Prospect St. for a float entitled "Christ Is Christmas in All Lands." A float sponsored by the Burroughs Corp., of Tolland was second, and an exhibit, Christmas in Ireland, by Ann Macy's Dancing School, was third.

Saturday's parade was the fifth sponsored by the area chamber. The last year's parades were all upset by weather conditions: In 1963, high winds literally ripped the floats off trucks; last year, freezing temperatures hampered participants and spectators.

More than 300 telephone calls were received at the chamber office and police headquarters inquiring about the parade on Saturday.

On hand were a number of Vernon police officers. "I've got a boat full of water," one said after the parade.

The parade introduced Santa Claus to local children. Santa's house in Central Park looked, Santa held court in the chamber office.

Some traders are afraid that profit margins, which have been getting fatter this year, are due to shrink as production costs rise.

Yet all of the hesitancy hasn't bothered some industries in the last few weeks. Standard & Poor's compilation of stock prices shows these groups doing better than the market as a whole: makers of television and radio sets, railroads, coal companies, machine tools, electronic, aerospace, electrical equipment, publishing and metal fabricating.

In many cases prices haven't advanced as fast as they did during the summer upturn. But

Despite Saturday's Rain, Rockville Still Loves a Parade...

Vernon
Chamber Christmas Parade Falls Victim to the Elements
A heavy rain washed away most of the town's annual Christmas parade Saturday, but the hardy children and adults who braved the elements were entertained by the floats and marching units that took part. The parade, scheduled as a "rain or shine" event, lasted about 30 minutes.

Youngsters, huddled under store awnings, stood, dripping in rain coats, or sat in cars parked along the parade route. Local and state officials and parade marshals were in enclosed cars, identified by large signs hanging from car doors.

Frank remarked that about 20 floats "made the parade" by their many antics. One of the features in the abbreviated event was an antique "olow car", which was reconstructed with two front ends and two steering wheels.

Cloves walked along the parade route, handing out the candy shipped from small, wet hands, and was carried by rapid waters in the gutters.

First prize in the float competition was awarded to the Trinity Lutheran Church of Prospect St. for a float entitled "Christ Is Christmas in All Lands." A float sponsored by the Burroughs Corp., of Tolland was second, and an exhibit, Christmas in Ireland, by Ann Macy's Dancing School, was third.

Saturday's parade was the fifth sponsored by the area chamber. The last year's parades were all upset by weather conditions: In 1963, high winds literally ripped the floats off trucks; last year, freezing temperatures hampered participants and spectators.

More than 300 telephone calls were received at the chamber office and police headquarters inquiring about the parade on Saturday.

On hand were a number of Vernon police officers. "I've got a boat full of water," one said after the parade.

The parade introduced Santa Claus to local children. Santa's house in Central Park looked, Santa held court in the chamber office.

Education Board Board to Meet Informally To Discuss Pioneer Park

The Board of Education meets with the Manchester Education Association tonight in the fourth of a series of discussions in the negotiations procedure. The meeting is scheduled for 7:30 in the board room of Bagnot Junior High School.

Since only one more meeting between the board and the MEA is scheduled before the Dec. 6 deadline for the negotiations, it is expected that a large portion of the contract proposal would be discussed tonight, including the salary scale. Last Monday's meeting, which lasted about three hours, covered only three articles of a 26-point proposal.

Last week's meeting touched on the basic negotiations procedure, a complete system of presenting grievances and maximum class sizes. The board then decided against using outside arbitration in the case of unresolved grievances, opened the door to all individuals and minority teachers groups in a proposal that the board be in a constant, positive relationship with the MEA even after the signing of a contract.

Road Connector Put on Agenda
The board of directors at its Dec. 7 meeting will take the first positive step for the construction of a connector between Parker and Oakland Sts. when it considers a \$2,500 allocation for payment of engineering work.

The proposed new road would run from the vicinity of Parker St. and Mitchell Dr. to either N. Main St. or N. School St. at Oakland St.

The proposal has been approved by the Town Planning Commission and by Director of Public Works Walter Fues. Both have said that the new connector may eliminate the need for the relocation of Park-lonal Board, and that it will open up a landlock area to potential industrial use.

The Planning Commission, in recommending that an outside engineering firm be retained, has said that the town's engineering department has insufficient personnel and time to do the work itself.

McCarthy Firehouse Offer Awaits Dec. 20 ZBA Ruling

Acceptance of a free offer from developer James McCarthy of a two-lot parcel at Lawton and Weaver Rds. for a town firehouse site hinges on the results of a hearing before the Zoning Board of Appeals (ZBA) at its Dec. 20 meeting.

The town has filed an application with the ZBA requesting a variance to diminish the size of McCarthy's interior apartments parcel off Lawton Rd.

Under town regulations, each apartment unit in Residence Zone A is required to have a minimum of 1,000 square feet, and the lots which McCarthy has offered to the town are filled those requirements.

Town Counsel Irving Aronson will represent the town at the ZBA hearing, which will have to prove need by reason of exceptional topography, exceptional shape or other exceptional reason.

He will also be required to prove that the granting of a variance will not impair the integrity of the town's regula-

The proposed site's 100-foot frontage includes the old Harry England dwelling, which would have to be razed by the town. A third proposal, the expenditure of \$40,000 for the purchase of the one-third acre site at the corner of Woodbridge St. and E. Middle Tpk., has been pushed into the background, pending the results of the other two considerations.

COIN COLLECTION LARGE MADRID—The National Archeological Museum here has proved that the granting of a variance will not impair the integrity of the town's regula-

Second Accident Result of First

A police cruiser and six other vehicles were involved in two accidents on Broad St. yesterday. One of them a result of the other.

The crashes occurred near Chambers St. shortly after 1:30 a.m.

The first mishap took place, according to police, when an unidentified vehicle came out of Lockwood St. John Weir, 210 Woodland St., stopped to avoid in turn hit a police cruiser hitting it. Harold R. Lawson which Patrolman John H. Jr., 36 of 146 Woodland St., Hughes Jr. had parked to investigate the original accident.

In doing so he hit a parked car which in turn hit another parked car. Both parked cars owned by Oliver S. Goughberg of 90 Broad St.

While the accident was under investigation, Dennis W. McConnell, 23 of 44 Lewis St., applied for a \$50,000 contract to study the effects of commercial and home processing on pesticides.

Storm Hits Italy

ROME (AP)—Storms lashed the Italian coast today for the sixth day, keeping shipping double-anchored in ports and wrecking beach resort cabins.

Anchor chains snapped on light freighters in Naples harbor, and crews struggled to St. Beach facilities were wrecked at Marina di Pisa, the shore resort of leaning tower city.

Firemen trying to save furnishings in the waterfront buildings narrowly escaped being swept out to sea by high waves.

Obituary

Anthony Dvorak Sr. — An obituary for Anthony Dvorak Sr., 74, of South Windsor, died Saturday at Hartford Hospital. Survivors include his wife, two daughters, two brothers, two sisters, seven grandchildren and two great-grandchildren.

The funeral will be held tomorrow at 10 a. m. from the Albers Funeral Home, 1460 Main St., East Hartford, with a solemn high Mass or requiem at 11 a. m. at St. John's and Methodist Church, Hartford. Burial will be in St. Catherine's Cemetery, Broad Brook. Friends may call at the funeral home tonight from 7 to 9 p. m.

Mrs. Maria Z. Levechuk — Mrs. Maria Z. Levechuk, 80, of 115 Bissell St., died suddenly yesterday at her home. She was the widow of Demetri Levechuk.

Mrs. Levechuk was born in Austria — Hungary and was a resident of Manchester 42 years. She was a member of the Ladies of St. James.

Survivors include a sister, Mrs. Sophie Sokolowski of Plainville, and two nieces, Mrs. Evelyn Horvath of Brookfield and Mrs. Mary Slavich of Plainville.

The funeral will be held Wednesday at 10 a. m. from the Holmes Funeral Home, 400 Main St., with a solemn high Mass of requiem at 11 a. m. at St. James Church at 9 a. m. Burial will be in East Cemetery.

Friends may call at the funeral home tonight from 7 to 9 p. m.

Runaway Girl, Mother United in Bangkok

(Continued from Page One)

Mary had used her older sister's birth certificate to get a passport.

A letter and a cable arrived from Tokyo, adding to the mystery.

In the letter, Wilson said Mary apologized for using her mother's credit card and promised to repay her mother from her earnings as an orphanage worker.

The cable, signed simply "Mary," told the Wilsons she was returning and not to worry. "She had little or no money. A \$64 check of hers is being cashed. All she had was her mother's credit card," said Wilson.

"We just don't understand it," he added. "This came completely out of the blue. Mary is charming, pretty, cooperative and an excellent student."

Wilson said a physician who was treating Mary for a type of thyroid condition theorized "her disease had altered her basic reasoning and logic" and perhaps led her to seek adventure.

Wilson Cabinet Discusses Zambia To Aid Zambians

(Continued from Page One)

The question of troops for Zambia threatened to split the cabinet. British political parties have maintained in face of Rhodesia's seizure of independence.

Zambia's demand was brought to Wilson Sunday night by Malcolm MacDonald, Britain's special representative in east and central Africa.

"Some sources said the demand amounted to an ultimatum for 25 years at Pratt and White's request."

The National Aeronautics and Space Administration spokesman said the primary guidance system immediately look over Zambia and corrected the situation.

He said officials are confident the same correction could be made under similar circumstances during the actual launching.

He added that when the new power unit was installed, it became apparent that it could seriously damage the guidance system if the decision was made to return to the original unit because it had been tested more thoroughly.

There was a possibility, however, that officials will want to thoroughly retest a new Gemini 7 power unit before flight, because of the necessity of having everything in perfect working order so that Borman and Lovell can remain aloft for two months.

Borman and Lovell planned today to practice in a spacecraft simulator several phases of their marathon flight.

The astronauts devoted several hours Sunday to learning housekeeping chores they will have to perform to maintain a tidy capsule in space.

During the eight-day Gemini 5 mission, astronauts L. Gordon Cooper Jr. and Charles Conrad III reported they were "up to eye-balls in waste paper and equipment and everything else."

Viet Force to Rise 'As Much as Needed'

(Continued from Page One)

of transit visas to the United States. The Viet Cong announced over the weekend that the two men — Sgt. George B. Smith of Chester, W. Va., and Spc. 4 Claude H. McClure of Chattanooga, Tenn., had been freed.

The Communists captured another American Sunday, the pilot of a Navy F7H Crusader shot down over North Viet Nam about 15 miles north of Thanh Hoa on an armed reconnaissance mission. The pilot ejected and was seen landing in an open field near a small village.

Search and rescue aircraft failed to find him, and he was presumed to have been captured. Another Crusader was shot down in the same area earlier Sunday. But the pilot was rescued.

An Air Force F4U went down near Pleiku, in South Viet Nam, the control highlands, apparently because of Viet Cong snipers. The two crewmen ejected and were picked up.

The Air Force planes and Vietnamese Skyriders splashed heavy bombs and machine-gun fire on a large Viet Cong force in Tay Ninh Province northwest of Saigon, the spokesman said.

Six Air Force Super Sabres jets hit three Viet Cong compounds trapped in Kine Ho province, 15 miles north of Pleiku, with bombs and rockets, the spokesman reported.

In the desperate fighting for the French-owned Michelin rubber plantation Saturday morning, a South Vietnamese force of 2,000 to 2,500 Communists overwhelmed 1,200 government troops.

The Reds split the 7th Regiment in two with a withering barrage. The Vietnamese regiment in the air in response to a loud-speaker appeal to surrender. The Communist attack came in a road inside the plantation which had been abandoned by its French owners last month.

The initial Communist fire sounded like a volley of a huge rifle squad," a U.S. general adviser said.

Sweeping in from three sides, the Communists cut through the regiment, overwhelming the headquarters unit and two center battalions.

U.S. spokesmen said the Communists executed the attack with precision and fearlessness in an apparent attempt to average a government assault on a Viet Cong unit in the last week.

In the confusion of battle, the Viet Cong hailed off their dead. The government official estimated that they lost as many as 400 men.

Beckers Mark 25th Anniversary

Mr. and Mrs. Louis Becker of 44 Oakwood Rd. were feted at a surprise 25th anniversary party at the Division of United Aircraft Saturday, Nov. 20, at their home, East Hartford, and is a former Girl Scout leader.

Mr. Becker, the former Hel-

Cuba to Cleanse Souls, End Boozing with Work

HAVANA (AP) — Cuba's Communist regime is hoping to wipe out alcoholism — by keeping everyone busy and happy.

The viewpoint is expressed in an article about the Department of Rehabilitation of Alcoholics.

The writer, Ramon Beal, said it would work like this: "A person who proclaims his own sobriety and builds a better future gives us the hope of a generation which will be sound and clean of body and mind."

He cited statistics showing that 68,000 men and 3,800 women in Cuba are alcoholics. That's about 3 per cent of the island's approximate population of 7 million.

"A great part of the absenteeism in our work centers has its origin in alcoholism," the article said.

The article is given on an outpatient basis because of a lack of facilities for hospitalizing them. The article declared the road to excessive drinking and alcoholism is paved with the revolutionary activities of the creative forces of the country, will wipe out forever the unfruitful mark of these intemperate persons."

Wilson Cabinet Discusses Zambia To Aid Zambians

(Continued from Page One)

The question of troops for Zambia threatened to split the cabinet. British political parties have maintained in face of Rhodesia's seizure of independence.

Zambia's demand was brought to Wilson Sunday night by Malcolm MacDonald, Britain's special representative in east and central Africa.

"Some sources said the demand amounted to an ultimatum for 25 years at Pratt and White's request."

The National Aeronautics and Space Administration spokesman said the primary guidance system immediately look over Zambia and corrected the situation.

He said officials are confident the same correction could be made under similar circumstances during the actual launching.

He added that when the new power unit was installed, it became apparent that it could seriously damage the guidance system if the decision was made to return to the original unit because it had been tested more thoroughly.

There was a possibility, however, that officials will want to thoroughly retest a new Gemini 7 power unit before flight, because of the necessity of having everything in perfect working order so that Borman and Lovell can remain aloft for two months.

Borman and Lovell planned today to practice in a spacecraft simulator several phases of their marathon flight.

The astronauts devoted several hours Sunday to learning housekeeping chores they will have to perform to maintain a tidy capsule in space.

During the eight-day Gemini 5 mission, astronauts L. Gordon Cooper Jr. and Charles Conrad III reported they were "up to eye-balls in waste paper and equipment and everything else."

Stamp Bust May Hit German Philatelists

FRANKFURT, Germany (AP) — Stamp collecting, a favorite hobby, has developed into a "miniature stock market" in West Germany.

That is the description of a Frankfurt expert who warns of an impending "crash" for thousands of investors.

Some stamps have increased in value up to 60,000 per cent within a few years, says Arnold Ebel, a man who has been in the business for 46 years.

Ebel, who recently held a \$750,000 stamp auction here, says that speculation with considerable stockpiles soon will try to cash their profits, and the market will not be able to stand it.

"Part of the postwar issue is in a very dangerous price-bracket," he comments. He predicts that postage stamps issued in the last five years will be first hit in the crash, as speculators have been buying up new issues by the stamp firms since 1960.

The situation has been aggravated by the stamp firms that advertise philately as a worthwhile capital investment and "a hobby that relaxes and brings in big profits," he says.

Ebel says children who take up stamp-collecting are more interested in the profits they can make than in the fascinating nature of the stamps themselves. Trading of stamps is a regular business at markets throughout West Germany.

The children — and probably a good number of adults — are under some illusion as to the real value of stamps, says Ebel.

For dealers are not always discussing the increasing value of stamps at the market prices, under the public "Night Must Fall," presented by the Little Theater of Manchester LYMA, will be held Wednesday, Thursday and Friday at 8 p. m. in the basement rooms of the former technical school, 39 School St. Tryouts are open to the public. "Night Must Fall" is a mystery by Enlyn Williams. It has a cast of four men and five women. Copies of the script will be available at tryouts.

The Baby Has Been Named...

Richard, Matthew Peter, son of Paul (in South View Nam with the Marines) and Jane Brookes Richard, 35 Bigelow St. He was born Nov. 23 at Manchester Memorial Hospital. His maternal grandparents are Mr. and Mrs. Leslie Brookes, 35 Bigelow St. His paternal grandparents are Mr. and Mrs. Norman Richard, 30 Edgerton St.

Dorinda, Tamme Marie, daughter of Marvin and Roberta Vendrillo Dorinda, 24 Center St., Tolland. She was born Nov. 18 at Manchester Memorial Hospital. Her maternal grandparents are Mr. and Mrs. Balv Vendrillo Sr., 67 Alton St. Her paternal grandparents are Mr. and Mrs. William Dorinda, Lake Rd., Andover. She has a brother, James Paul, 14 months.

Van Oudenhove, Jill May, daughter of John O. Jr. and Geraldine Grindle Van Oudenhove, Ellsworth Falls, Maine. She was born Nov. 14 at Rockville General Hospital. Her maternal grandfather is the Hon. J. Edgar Hoover, Washington, D.C. Her maternal grandmother is Mrs. John Van Oudenhove Sr., Rockville, She has a brother, John III, 3 1/2 years.

Schwebel, Robert Todd, son of Abbot and Marilyn Schwebel, 24 Center St., Rockville. He was born Nov. 16 at Manchester Memorial Hospital. His maternal grandfather is Mrs. Gladys Schwebel, Rockville. His paternal grandparents are Mr. and Mrs. Morton Schwebel, Stamford. His paternal great-grandmother is Mrs. Henrietta Schwebel, Stamford. He has a sister, Mrs. Henrietta Schwebel, Stamford.

Jensen, Timothy Alan, son of Wayne and Imelda Vinick Jensen, Montauk Dr., RFD 8, Vernon. He was born Nov. 9 at Hartford Hospital. His maternal grandfather is Mrs. Charles Vinick, 35 Greenwood Dr. His paternal grandparents are Mr. and Mrs. Erling Jensen, Schenectady, N.Y. He has two brothers, David, 7 1/2, and Steven, 5; and a sister, Susan, 6.

Odegard, Heidi Louise, daughter of Paul and Polly Walker Odegard, 151 Hollister St. She was born Nov. 14 at Hartford Hospital. Her maternal grandparents are Mr. and Mrs. Harrison Walker, Glastonbury. Her paternal grandparents are Mr. and Mrs. Arthur Odegard, Melrose, Mass.

Lavigne, David Allen, son of J. Norman and Theresa St. Louis Lavigne, 87 Union St., Rockville. He was born Nov. 13 at Rockville General Hospital. His maternal grandparents are Mr. and Mrs. Arthur St. Louis, Vernon. His paternal grandparents are Mr. and Mrs. Adair Lavigne, Talcottville. He has two brothers, George, 8, and Ronald, 5; and three sisters, Norma, 7, Ann, 6, and Dorothy, 2.

Twyon, Janet Marie, daughter of Tom and Jean Harris Twyon, 62 East St., Rockville. She was born Nov. 14 at Rockville General Hospital. Her maternal grandparents are Mr. and Mrs. Richard Harris, Greenfield, Mass. Her paternal grandparents are Mr. and Mrs. Milton Twyon, Turners Falls, Mass.

Ray, Raymond, son of Joseph K. and Geraldine Marzosa Ray, 118 Brook St., Wapping. He was born Nov. 10 at Manchester Memorial Hospital. His maternal grandparents are Mr. and Mrs. Alfred Marzosa, Brooklyn, N.Y. His paternal grandparents are Mr. and Mrs. Roy Meridian. He has three brothers, Rene, 5, Mark, 4, and Robbie, 2 1/2.

Davidson, Bruce Neil, son of James and Barbara Fuller Davidson, Mile Hill Rd., Tolland. He was born Nov. 17 at Manchester Memorial Hospital. His maternal grandparents are Mr. and Mrs. Everett M. Fuller, Wethersfield. His paternal grandparents are Mr. and Mrs. James P. Davidson, Wethersfield. He has a brother, James, 1, and a sister, Bonnie Louise, 5 1/2.

Olsen, Jill Metcalf, daughter of Eric B. and Linda Nelson Metcalf, 4029 Montrose Park Court, Fremont, Calif. She was born Oct. 29 at Washington Township Hospital, Fremont. Her maternal grandparents are Mr. and Mrs. G. Milton Nelson, Cheney Lane, Coventry. Her paternal grandparents are Mr. and Mrs. Eric B. Olsen Sr., Worcester, Mass. Her maternal great-grandmother is Mrs. Hamilton Metcalf, 59 Pleasant St. She has a sister, Carolyn, 3.

Avarista, Gina Ann, daughter of Salvatore Jr. and Diana Capraro Avarista, RFD 2, Maple St., Vernon. She was born Nov. 12 at Rockville General Hospital. Her maternal grandmother is Mrs. Maria Silvestro, Vernon. Her paternal grandparents are Mr. and Mrs. Avarista Sr., Providence, R.I. She has a brother, Salvatore III, 4; and a sister, Darlene, 3.

Events In Capital

WASHINGTON (AP)—President Johnson thinks the government is paying too much to borrow money. Do not get carried away, anybody? No, says a leader of last weekend's Washington demonstration.

Peace, nuclear disarmament and moon pacts are on the menu for the White House Conference on International Cooperation.

Interest Crackdown
LBJ: President Johnson is reportedly ready to crack down on the high interest rates the nation's lenders are charging the government. The White House says that since 1961 the cost of short-term bonds now cost 1 per cent more.

The nation's bankers and money managers have been getting along surprisingly well with Democrat Johnson, but there are some indications that Johnson believes they make too much money.

The President's first move could come early next year when he names a new member to the Federal Reserve Board in Washington. C. Conly Baldwin is expected to retire around Jan. 11. But William McChesney Martin, Federal Reserve Board chairman, still has more than four years to go on his present 14-year term. Some critics have blamed Martin for high interest rates.

Conference Opens
Conference: A White House Conference on International Cooperation opens today and one of its first recommendations advises President Johnson to seek international agreement on a code for human activity on the moon. Other suggestions include urging the United States to undertake a \$100-million annual program to help other countries carry out birth control measures. A \$10 billion is lost to American producers increase their food production.

The conference was greeted by Vice President Hubert H. Humphrey, who said, "We need big blueprints and ideas." Humphrey, conference chairman, said that the nuclear arms race under control. Thirty committees have been formed by conference officials, each to report on a particular area.

Planning Board Approves Zoning, Subdivision Rules

The planning and zoning commission today approved public hearings on proposed zoning and subdivision regulations as presented, effective Nov. 27. A copy is on file at the town clerk's office.

The proposed zoning regulations and zoning map have been approved effective Nov. 1. Zones on the map and incorporated in the regulations are the Amazon Lake zone, South Central business zone, West Central business zone, North West business zone, and Central industrial zone, as proposed at the hearing. The effective date does not apply to the South West industrial zone, the decision on which will be postponed until Dec. 13.

Central industrial zone: The course is being developed to integrate special class pupils with sending them to other classes, where possible, to help the pupils' adjustment to school.

Central business zone: The course is being developed to help the pupils' adjustment to school.

Central industrial zone: The course is being developed to help the pupils' adjustment to school.

The commission voted that all land in the town not included in any business plan should be in residential use.

AMA Asked to Approve Loosening Abortion Laws

PHILADELPHIA (AP)—The American Medical Association has been asked to approve a proposal for liberalizing abortion laws, and sterilization laws throughout the country under certain conditions.

AMA's policy-making House of Delegates received such a report Sunday from the organization's Committee on Human Reproduction at the opening of AMA's 116th clinical convention.

"It is an historic statement," said Dr. Percy R. Hopkins, Chicago, chairman of the Board of Trustees. He presented the report on abortion, contraception and sterilization, which the trustees had endorsed.

The report asked that the AMA go on record as recommending amendments to state laws concerning sterilization, abortion and sterilization "as to reflect medical conscience and public opinion."

AMA was requested to support "legislative proposals under certain conditions," and favor move to "regulate volume of sterilization and abortion for the purpose of the art of gynecology. It was translated into English, French, German and Latin, and remained the definitive work on the subject more than a century.

Heavy Snowfall At Great Lakes

Manchester Evening Herald
Hebron correspondent, Miss Susan Peabody, tel. 628-4454.

Manchester Evening Herald
Hebron correspondent, Miss Susan Peabody, tel. 628-4454.

By THE ASSOCIATED PRESS
Snow continued piling up today along the eastern and southeastern shores of the Great Lakes, while freezing temperatures were reported from the Rocky Mountains to the Appalachians.

At Conneaut, Ohio, 90 miles northwest of Cleveland, nearly a foot of snow had fallen. Other cities with heavy accumulations were Erie, Pa., and Buffalo, N.Y., both with eight inches, and Grand Rapids and Traverse City, Mich., with seven inches.

The U.S. Weather Bureau described the snowfall as a seasonal phenomenon, resulting from arctic air passing over the warmer lake waters.

The northern Plains again experienced a morning of temperatures near the zero mark. Aberdeen, S.D., reported the early morning low, 3 degrees.

The early morning high was 72 at Key West, Fla.

Parts of the Gulf states were dampened by rain showers. The Far West had mostly clear traffic conditions on the highway skies.

Dog Is Killed, Owner Collapses After Robbery

GRANSTON, R.I. (AP)—A dog was slain Saturday night while defending his master's home against a burglar who got away with \$300.

When finding the dog shot through the head, his owner, Alexander Somerville, 74, collapsed and died of a heart attack.

Somerville and his wife returned home from a Grange function at about 11 p.m., when the discovery was made.

7 Volumes on Florence
FLORENCE, Italy—Florence is proud of its artistic glaze, so when a Florentine sat down in 1812 to write a book on the art of glassmaking it ran to seven volumes. It was translated into English, French, German and Latin, and remained the definitive work on the subject more than a century.

Butkus, Butkus Too Much

First Year Bear Stars Stand Out

NEW YORK (AP)—Gabe Sayers, the white-haired former Kansas, and Dick Butkus, the Illinois blockbuster, threaten to make the Rookie of the Year race an all-Chicago Bears' battle.

Sayers set a record for rookie Sunday by scoring two touchdowns in a 20-14 romp over the New York Giants, bringing his season total to 24. The old mark of 13 was set by Green Bay's Billy Howton in 1952.

Butkus, who was named All-America linebacker a year ago, intercepted a pass, recovered a fumble and returned all over the field in a performance that averaged 62.933 fans at Yankee Stadium.

George Hales, the owner-coach of the Bears, had been comparing Sayers with George McAfee and Red Grange from his own golden past. It was obvious that Old Papa Bear knew what he was talking about from the way Sayers performed against the Giants. McAfee, incidentally, was the head lineman in the game.

Sayers had his best day in pushing back yards in 13 carries, including touchdown runs of 45 and 15 yards. He also passed two passes for yardage and returned two kickoffs for 41 yards and ran back two punts for 25 and 20 yards.

Sayers' most spectacular play was not included in the final statistics. He kicked with a 60-yard left-handed pass to Dick Gordon that would have been a touchdown if the Bears' defense had been caught holding in the end zone.

The next time Sayers was given the ball on a similar play on Oct. 24, he was intercepted by the Giants' Willie Davis. Sayers' most spectacular play was not included in the final statistics. He kicked with a 60-yard left-handed pass to Dick Gordon that would have been a touchdown if the Bears' defense had been caught holding in the end zone.

Clutch Play—Del Stofner of the Giants falls into end zone to score despite the Bears' Richie Petitbon's grip on his shirt in third quarter. (AP Photo/af)

CLUTCH PLAY—Del Stofner of the Giants falls into end zone to score despite the Bears' Richie Petitbon's grip on his shirt in third quarter. (AP Photo/af)

Del Stofner of the New York Giants fell into the end zone to score a touchdown for his team in the third quarter of a game against the Chicago Bears. The play was a result of a fumble by Stofner, which was recovered by Bears player Richie Petitbon. Petitbon was seen holding onto Stofner's shirt as he fell.

Machinery' Rolls When Warmed Up

Brown on TD Spree

NEW YORK (AP)—A full game's work for most of the yardage machine that wears numbers 32 and 33 and carries out of the Cleveland Browns' backfield is like any other piece of complicated machinery. It takes time to warm up.

So Jimmy Brown spent the first 30 minutes of Sunday's National Football League game against Pittsburgh doing nothing but warming up. He didn't get into the game until the second quarter, when he scored a touchdown on a 67-yard punt kick.

By the time he was on the field, he was in full command of his machinery. He scored three more touchdowns in the game, including a 67-yard punt kick in the first quarter.

Howe Nets 600th Goal of Career

In National Loop

Gordie Howe keeps picking on Camp Worsley and Worsley keeps taking it out on Howe in the National Hockey League.

Howe scored his 600th career goal in a game against the Montreal Canadiens. The goal was scored on a power play during the second period of the game.

Bronco Horvath Triggers Rochester Six To Maintain Long Hockey Winning Streak

The Rochester Americans, and Andre Pronovost first scored on a 67-yard punt kick.

Rochester's Andre Pronovost scored a touchdown on a 67-yard punt kick in the first quarter of a game against the Buffalo Bills. The kick was set up by Bronco Horvath.

Lakers in Rally To Down Pistons

For 42 minutes of the National Basketball Association strategy game Sunday night, Detroit and Buffalo blanked Cleveland.

The Los Angeles Lakers rallied to defeat the Detroit Pistons in a game on Sunday night. The Lakers were down for most of the game but came back to win in the fourth quarter.

Holovak Apologizes For Pats' Victory

Death of a Close Friend

NEW YORK (AP)—Mike Holovak needed a victory. And he got it.

So he apologized to the New York Jets' coach, Sam Wyche, after his team's 20-14 victory over the Jets on Sunday. Holovak was the quarterback for the Jets in the game.
