How Treat Our Finest Land? We applaud all the cautionary signs the Board of Directors seems to be erecting in front of itself as it meets tonight to consider the question of a second access road into the new Com-munity College site at the old Nike site. One caution should be for the possible effect of such a road to serve the Community College, a new institution and prospective great community asset, on the Manchester Country Club, an exist-

ing institution, and, in its own almost

irreplaceable way, as big an asset to the

community as a college. Another even greater caution should be for the future care and character of the whole southern area of Manchester. We have it now almost totally unspoiled by either haphagard ugliness or planned ommercialism. We should be most thoughtful and hesitant about what inroads we proceed to make upon itwhat traffic lines we propose drawing across it-what prespective uses we envision for it-what defacements we are oing to permit there what noise and fume and dust we are going to license

Something, not likely to be particuy pleasant or attractive, is bound to open to the northern edges of this es when Route 6 draws its eventual and breeds its eventual gasoline, stors and to zoners.

One way to treat the prospective innce of Route 6 would be to consider irregistible, and so prepare to let it ag all the rest of Southern Manchesdown with it. Another way to react the same prospect would be to coner that it heightens the necessity for e town to be on special guard'to evaluate properly and protect adequately he kind of values and the kind of oprtunities it has in Southern Manester now, but cannot buy again, at

Banning Motorcycles Governor Dempsey has been asked by Dr. L. A. Chotkowski, medical examiner offer protection to the rider or riders in

case of accident.

mendation after investigating the death of an 18-year-old cyclist. The incident moved him to make a drastic proposal To many autoists the motorcycle i a prime cause of annoyance. Some soom in and out of lines of traffic, "gunning" the engine as the decibels soar along with the autoist's blood pressure. Ofter the cyclist sways and weaves while riding two and three abreast, impeding normal traffic. Others appear to be playing some type of a reckless game as they dart in and out of travel lanes at the big shopping area parking lots.

But many others, and we believe these

We doubt that Governor Dempsey even if he had the power, would yield to the well-intentioned recommendation of the Berlin medical examiner, Motorcycles and the lighter motor bikes are recognized and licensed by the state. Dr. Chotkowski cannot be challenged on his statement that motorcycles provide no protection to the occupants in accidents. Accidents don't happen, they are caused. There is a young element in our society bent on recklessness, careless-ness and disregard of the right of others. Some drive cars, others motor Liberal party. racial imbalance and poverty?

I sincerely think and believe so.
A more practical and moral solution should directly involve our adults. We have basicly a parental problem. The color of the skin doesn't matter to little children!

May I suggest adult participation in this wise.

For Patient (Continued from Page One)

DeBakey said the artificial Dies at 98 heart was performing satisfac-torily when DeRuder died. The hospital's advisory sevelt New Deal and the Tru-

Tests during the removal of chest fluid indicated McCans' heart condition had improved sufficiently to assume normal function without assistance of the pump and with no evidence of heart failure, the hospital stated. The device therefore was removed, it said. McCans and DeRuder required operations to replace different major heart valves. Both McCans, who entered the hospital May 8, and DeRuder, who died April 26, were de-scribed as 'high risk' cases with long histories of heart ail-The artificial heart includes a

plastic pump about the size of a tennis ball and two tubes about

tennis ball and two tubes about six inches long and an inch in diameter. The pump remains outside the chest with the tubes implanted. It can be removed at any time without major surgery.

The hospital would not confirm that DeBakey performed the McCans operation. It referred only to a "cardiovascular team" which is known to include DeBakey and others capable of performing the surgery.

those teeing off.

However, Arnold Palmer and Jack Nicklaus, two of golf's biggest names, were not competing. Palmer has an ailing back, while Nicklaus decided to pass up the Colonial.

But Gentile also is the example of the baseball player who gets a reputation and never loses it. The result is a constant feeling of insecurity.

"I can't afford a bad year,"
Gentile said. "If I sit on the Sanders, who has won three tourneys this year and pocketed \$54,550, loomed as the player to Hard-to-Handle

Bob Goalby, Kel Nagle, Jim nors. They all say I'm a hot-Ferree and Don Massengale all head, hard-to-handle. broke par in the pro-am. Goalby fired a three-under-par 67 over the 7,123-yard Colonial Country Club Course.

Nagle, Ferree and Massengale had 69s. Four others, including the 1964 Colonial champion, Billy Casper, equaled par.

Head, hard-to-handle.

"I thought I was set with Baltimore, but they signed Hank Bauer to manage and he's got his own ideas about the kind of player he wants, so he trades me and gets Norm Siebern, a steady, quiet guy, to replace me.

"I'Then the world state on the bench. So I lost 20 pounds. That helped. Then Grady Hatton (Astros manager) told me what he expected and I worked on his suggestions all spring. They were just tips on my batting form that he picked out.

Seven Wins In 10 Tilts **Under Houk**

DETROIT (AP)—Mana-ger Ralph Houk said he was more than satisfied with his New York Yankees' performance on the road trip which ended with a 7-2 victory over the Detroit Ti-gers Wednesday night.

The triumph was the seventh in 10 games since Houk took over from Johnny Keane. Houle will make his first home appearance in his second term as nanager when the Yankees play Minnesota in New York riday night. "We won or split every series

But we've got to keep on our foes. Minnesota and California have been coming right along and they are the teams we ply

they needed Wednesday night in the first inning, with the help of two Tiger errors which led to three unearned runs. It marked opening inning.

Lolich was a contributor with

a wild throw, and singles by Joe Pepitone, Roger Maris and Lou Clinton brought in the runs. Tigers to five hits, including a two-run homer by Bill Freehan in the fourth inning.

Maris suffered a sprained knee when he crashed into Freehan while trying to score in the first inning, and he left the came in the third.

Club Had No Choice

and Roger said it was all right, at first," Houk explained. "But later he said it felt sort of funny so I took him out. No use taking
