U.S. Officials Remain Mum On Swap of War Prisoners

WASHINGTON (AP) — U.S. officials have declined comment on unofficial speculation that 19 prisoners captured in Vietnam... The U.S. command in Saigon disclosed July 2 that the United States had captured the sailors from torpedo boats involved in a Gulf of Tonkin naval engagement...

Trudge Through Linear Park Town, State Aides Take 'Space' Walk

Trials blazer Joseph Tarnaky, also town planner, led a band of about 35 hardened frontiersmen, some shod in boots, others in wing-tipped Franks... The official New Britain News Agency quoted President Liu Shao-chai as telling the demonstrators: "The Chinese people have made up their minds and have made every preparation to take such visitors at any time and in any place as the Chinese government and Vietnamese peoples deem critical and necessary for dealing with the U.S. aggression."

South Windsor Mayor Seeks Law to Curb Trucking Gravel at Night

Town Manager Terry V. Sprekel has asked the town council to pass an ordinance that would prohibit trucking of gravel material within the town between 5 p.m. and 8:30 a.m. daily... The General Statutes provide only trucks can haul gravel material from "sunrise to sunset," local ordinance is needed to further restrict the activity for reason of traffic safety, noise and nuisance factor, he said.

Marital Law Is Asked by Councilman

Police and 1,000 National Guardsmen patrolled the two-square-mile riot area where hysteria mounted... Nader never tried to find out what the council had said and Mother hen was his derisive term for the safety council.

Nader, Safety Council Dispute Accomplishment

WASHINGTON (AP) — Ralph Nader threatened to sue the safety council which he said was "a waste of money" because it had failed to prevent the deaths of 1,000 people in the United States last year.

Home Hits Work

WASHINGTON (AP) — The head of state police detectives says his department's job of protecting the people has become "nearly impossible."

Education Dies

BROOKFIELD (AP) — Henry E. Cotter, Sr., principal of Bristol High School from 1935 until his death last week, was a member of the Hartford Board of Education.

Navy to Explode Old Ammunition

WASHINGTON (AP) — The Navy next week will explode 300 tons of old ammunition near a mine beneath the surface of the Atlantic off the North Carolina coast.

Abim of Churches by Joseph Galarza

The Privilege of Wonder The luxury of naive wonder has been restored to human living by civilization's ventures into space, and a very precious thing it is to have back.

The Strategy Of The Weak In Vietnam the strategy of the strong confronts the strategy of the weak. The strong use material power to achieve impossible objectives.

INSIDE REPORT By Rowland Evans Jr. Robert D. Novak A Thought For Today Sponsored by the Manchester Council of Churches

It is no very wonderful we prefer to do things that are more than to analyze it; let the inevitable scientific and technical explanation of just how things are being done stay over the other craft, and remain in the headlines, and wait.

It is a natural part of our political system that the party out of power should develop sharp, spirited, challenging, far-seeing analysis of the failures of the party in power.

THE WHOLE ARMOR OF GOD—Ephesians 6:10-17 (cont.) The American soldier has been successful in every war because he is able to think for himself as well as follow orders from his superior.

Political, Sharp, Sound, Timely It is a natural part of our political system that the party out of power should develop sharp, spirited, challenging, far-seeing analysis of the failures of the party in power.

It is not until last month's Mississippi march that Grenada, a medieval in a poverty-stricken society, has been in a very powerful position to defy the kind of appeals and coercion that commerce officials are willing to employ.

Today in History Today is Friday, July 22, the 203rd day of 1966. There are 162 days left in the year. Today's Highlight in History On this date in 182, Wellington defeated the French at the battle of Salamanca.

Secondly, and more seriously, the Republican charge that President Johnson's "despite worsening conditions" made "no real effort" to seek help from the United Nations in the Vietnam crisis until February, when it was done in such a way that "our friends in the U.N. thought they were being used as pawns in President Johnson's much publicized peace offensive."

It is not until last month's Mississippi march that Grenada, a medieval in a poverty-stricken society, has been in a very powerful position to defy the kind of appeals and coercion that commerce officials are willing to employ.

Wants to Know People Guitar-Playing Pastor Learning to Water Ski

MATTITUCK, N.Y. (AP) — I find myself in trouble with my philosophy. The Rev. Robert L. Sullivan is learning to water ski and surf in the name of the Lord.

He also played the guitar in church and used visual aids to make his services more meaningful for the congregation. "I sold the horse and buggy when I received word of my new assignment," he said.

Now, the Rev. Mr. Sullivan has moved on to become pastor of Mattituck. He will be in charge of a church that has 800 parishioners, and a Sunday school enrollment of 200 children.

Events in World

Persons Non Grata TOKYO (AP) — Red China declared the Dutch charge d'affaires in Peking persona non grata today in retaliation for the expulsion of its Chinese consular staff from the Netherlands.

Trade Surplus BALTIMORE, Md. (AP) — Rhodes has reported a \$1.6-billion trade surplus in the first six months of this year despite the economic sanctions against Britain's rebellious colony.

Poland Opposes UNITED NATIONS, N.Y. (AP) — Poland took issue today with the World Court's refusal to consider the question of re-annexation in South-West Africa.

Consumer Price Increase Fails to Set Off Alarm

WASHINGTON (AP) — The June increase in consumer prices — three-tenths of 1 percent — was not enough to set off alarm bells in Washington, even though it contributed to the largest six-month rise in living costs since 1952.

Tightrope Walker CHARLES BLONDI was the assumed name of a famous French tightrope walker, Jean Francois Gravelle. Blondi made the trip across Niagara Falls on a tightrope many times.

Not All Flyers Not all birds fly when they have a considerable distance to travel. There are exceptions, for example, the mountain quail of California make their annual migrations up and down the mountains by foot, according to the Encyclopedia Britannica.

Businessmen Still Investing In Overseas Enterprises

WASHINGTON (AP) — American businessmen are investing in foreign enterprises at an increasingly rapid pace despite the hard-line tax laws in some countries, notably France and Canada, of economic nationalism.

25 Years Ago Postmaster Thomas J. Quish announces that his recommendation that Clerk Thomas F. Moriarty be promoted to foreman of mails at the local office has been approved by first assistant postmaster general at Washington, D.C.

10 Years Ago This date ten years ago was a Sunday; The Herald did not publish.

No Mistakes MADRID — A new international language called Franco, has been invented by a Spaniard, Alonso de Quiroga. He says Franco, which has five vowels and 12 consonants, is simpler and more logical than Esperanto.

Science Tries To Duplicate Body Nerves

By STEPHEN M. AUG... WASHINGTON (AP)—Science is striving to duplicate the functions of the human nervous system. It is possible that some day science may be able to duplicate the functions of certain nerves in human bodies.

Astronauts' Wives Tense but Excited

By STEPHEN M. AUG... Manned Space Center, Houston, Tex. (AP)—"He looked so great," said an exuberant Mrs. Michael Collins after watching on television as her husband stepped safely onto the deck of the USS Guadalupe.

Democrats Hint Backing Wallet

The Manchester Democratic Town Committee indicated Tuesday night that it will not name a candidate for judge of the Probate Court in the Nov. 8 election and that it will, in all probability, endorse Republican Judge John J. Wallet for a new four-year term, to begin January 1, 1967.

80% of Bread Enriched

MENNEAPOLIS—About 80 to 90 per cent of all the bread made in this country is enriched. This means that iron and three of the B vitamins are added to white flour in amounts equal to those found in whole-wheat flour.

Mother, Three Children Found Dead in Locked Car

MANCHESTER (AP)—Mrs. Dolores M. Kelley, 38, and her three children got into the car in their garage, she started the engine. At about 7 o'clock Thursday evening, they were found dead by their landlord, Theodore Potter.

Medical Examiner: Ralph L. Olman Said Death was Caused by Carbon Monoxide Poisoning

Medical Examiner Ralph L. Olman said death was caused by carbon monoxide poisoning. There were no signs of violence, Olman said.

Gengras Urges Probe Of All State Agencies

FAIRFIELD (AP)—The creation of a 60-man citizen task force to make a thoroughgoing examination of all state agencies was called for by Republican gubernatorial candidate Clayton Gengras in a speech Thursday night.

Senior Advisors New Weapons, Tactics In Use Against Cong

SAIGON, South Viet Nam (AP)—The target was the Yen Bai military complex 50 miles northwest of Hanoi. From airbases in Thailand, U.S. jet bombers swept across North Viet Nam to the Red River valley.
