Rusty Knife Studied in Percy Probe

rusty knife found near the beach home where Valerie Percy, 21, was beaten and knifed to death is being studied by the Chicago police crime laboratory. The knife, with a three-to

four-inch blade, was found Tuesday on a bluff overlooking a public beach next to Charles H. Percy's private beach. Valerie was fatally beaten and stabbed to death Sept. 18 in the family's lakefront home. Percy is the Republican candidate for the U.S. Senate.

Police Chief Robert M. Daley expressed doubt, however, that the knife was used by the slayer. He said the girl's wounds appeared to have been made by a longer blade. Percy's public relations aide

> Now, this is advice that is highly praiseworthy if for no other reason than

Anyone who has ridden on a train in the last few years can hardly have failed to notice that methods of dissuading passengers from ever doing it again have ranged from simple failure to provide first-class service to heights of passenger inconvenience and discomfort that approach sheer genius. Admittedly, the railroads have been

riding rough financial roadbeds, and the problems they face are many and big. But one cause of steady dwindling passenger business that they often fail to mention is that in many, many instances passengers have practically been invited to stay off trains. Even the most dedicated train buff

Bring those big gas heat bills down to earth

SWITCH

Here, in our town, oil heat is cheaper than gas. And homeowners are proving it with the big savings they report after switching from gas to eil. You'd be surprised how little it may cost to switch from gas hesting to oil heating-with quality-controlled Mobilheat fuel oil. We'd like the chance to tell you how much money you can save by making the switch - and to explain how our heating service can give you dependable heat at the lowest possible cost. So, bring those gas heat bills down to earth. Call us.

managers have taken over!

This is a special week. We call it Managers Week.

They've taken over the store. They've planned a terrific thrift event. Storewide values that you'll recognize as "first-aid" for your ailing budget.

> Why this special week? First, to express special appreciation to you. Second, to honor our managers. Third, to give us a chance to prove "We Care".

If you've never shopped A&P, this is the week to test-shop A&P. When you see the savings on your total food bill, when you experience the warmth of being cared about, we think you'll come back time and time again. Millions do.

If you're a regular A&P customer, this week is for you.

Kiss of Death for Redhead Vote of confidence given to veteran New York Yan-kee announcer Red Barber by Mike Burke last week was actually the kiss of death. Burke, who assumed the role of president of the once powerful Yankee organi-mouth was a unanimous zation last week, gave the news to Barber, 58, over the choice as New England's breakfast table Monday morning in New York. It was No. 1 college football powjust a week ago that Burke,

just a week ago that Burke, head of the CBS syndicate that owns the Yankees, said all four broadcasters would be retained. Less than one week later he fired the No. 1 man of the fourman radio and teevee team. It is obvious, by Burke's first move, that he knows little, if anything, about baseball and baseball announcing. Barber, in this man's book, was the only one of the four-man Yankee crew big league in his broadcasting. The old redhead who first gained fame when he described the action on the diamond for the Brooklyn Dodgers at Ebbets Field from the cathird seat knows more inman, Phil Rizzuto and Joe Garagiola, the remaining Yan-

LEGAL NOTICE

Three will be a public hearing conducted by the Planning Commission of the Town of Bolton on the 5th day of October, 196 at 8 o'clock P.M., at the Community Hall in said Town of Bolton The purpose of this meeting is to repeal the present Section 10 of the Subdivision Regulations of said Planning Commission and estituting in lieu thereof the following:

SECTION 10-PROPOSED STREETS, CONSTRUCTION 10.1 All streets designated as thoroughfares, collector streets, or new openings and connections on the Pilot Pian of Development shall be paved to a width of 35 ft. measured width of 30 ft. similarly measured. Roadways shall hav a % per foot cross-slope.

Bituminous concrete berm curbs will be constructed of all roadways. Said curbing shall be 6" in height and 9" n width and shall have a crown radius of 2". 10.3 Concrete sidewalks, when required, are to have a mi mum width of 4 ft., a minimum depth of section of inches over a 6-inch bed of bank run gravel, or cinder with dummy joints every 4 feet and expansion joints every 20 feet, surface to have a wood float finish. Said sidewalk shall be located a minimum of 4 feet from the 10.4 Street signs shall be supplied by the Town at the develop edge of pavement

ers' expense. 10.5 Construction of Roads: 10.5.1 The entire area of the right-of-way shall be cleared and all trees not intended for preservation. 10.5.2 All loam and other yielding material shall be re

replaced with suitable material.

10.5.3 The roadbed of any proposed road shall be brought to grade 16 inches below the finished grade and npacted with a self-propelled roller weighing not less than 10 tons. Where unusual subsoil or other conditions are encountered special designs shall be prepared by the developer at his cost a expense based upon other engineering scales and practices and submitted to the First Selectman or the Town Engineer for their approval before pro-

ceeding.

10.5.4 The subbase for the entire width of the road shall consist of 8 inches of well-compacted bank run gravel. Compaction shall be by a self-propelled oller weighing not less than 10 tons. 10.5.5 The base course for the entire width of road shall be 4 inches of processed stone or processed gravel consisting of clean, hard, durable fragments of rock of uniform quality throughout, with a filler of sand, crushed stone or crushed gravel. The filler shall be of round, tough, durable particles containing not more than 3% of silt or dust by weight. AASHO Method T-11), and shall be so grade that 100% will pass a %" sieve and that 70% o more shall be retained on the No. 50 sieve. The gravel or stone shall be placed and compacte to a 4" depth by a roller weighing not less than 10 tons. The filler shall then be applied and worked

into the voids by brooming and flushing with water. Rerolling and application of the filler shall con-

10.5.6 The pavement of the street shall consist of 4 inches of bituminous concrete constructed in two courses and spread by machine. The composition and mi:: State Highway Department's Standard Specifica-

10.5.7 No travel shall be allowed to pass over the new surface until the payement has had time to set

Stamford's Mayor Mum On Housing

STAMFORD (AP) — Three families living on the street, Yawgoo School Mayor Thomas B. Mayers | House Road, were unable to declined comment today on drive in or out after the lock charge of "riot-provoking demagoguery" leveled by the spokesman for propplan for building low-income housing throughout Stamford.

The spokesman, Michael Sal- UN Council tis, suggested Wednesday night that Mayers be impeached. He represents a coalition of 12 neighborhood groups opposed to the scattered-site housing plan advocated by Mayers. questioned Tuesday night in a (AP) — The .U.N. Security ing the week ending last May to 315,000, the U. S. command speech whether "a moral issue" Council at a meeting today was 21, when 146 U. S. troops were said, just 2,000 less than the might be involved in the opposi- expected to discuss prospects of killed and 820 wounded, a total strength of the regular South

might be involved in the opposition to his housing plan.

Opponents of the scattered-site plan insist they are not motivation to his action to his housing plan.

Opponents of the scattered-site plan insist they are not motivation or of agreeing on somebody to as South Vietnamese losses.

Of 966.

American casualties last week were nearly three times as high name remained at 283,000.

The latest figures increased to the scattered site of plan insist they are not motivated by racial prejudice, but only by a concern for property values and neighborhood stability.

They say they object to downzoning tracts of land in well-to-do neighborhoods is order to put up the two-or-three story garden apartments in scattered areas.

Saltis took issue Wednesday night with Mayers' having raised the question of a "moral issue" being involved.

The 15-nation council scheduled a private meeting to approve its annual report to the General Assembly. But a council member said he was accurately interesting as South Vietnamese losses.

South Vietnamese losses.

South Vietnamese command said.

The highest American death rate in one week came last November when 240 were killed, and the matter of the secretary-general today. He said it had postponed the meeting two weeks ago because it did not want to talk about it then.

South Vietnamese losses.

The latest figures increased to 5,272 the number of Americans killed in the Viet Nam war and brought the wounded total to 19,372. Since Jan. 1, 1966, the number of Americans killed in the Viet Nam war and brought the wounded total to 19,372. Since Jan. 1, 1966, the number of Americans killed in the Viet Nam war and brought the wounded total to 19,372. Since Jan. 1, 1966, the number of Americans killed in the Viet Nam war and brought the wounded total to 19,372.
