

Republican R's Are Inaugurated

A trio of Republican "R's" were sworn in as governors in key states yesterday. From left are Gov. Ronald Reagan of California, Gov. George Romney of Michigan and Gov. Nelson Rockefeller of New York. All three are being mentioned as GOP presidential candidates next year. Story on page 21.

Fiscal Battle Threatens In 'One-Party' Assembly

HARTFORD (AP)—There's a very important difference as Connecticut legislators prepare to attend opening sessions of both houses Wednesday — it's the first time in this century that Democrats control both chambers.

It may seem a pleasing prospect to Gov. John Dempsey as he begins his second full four-year term with an inaugural address at 2 p.m., but Dempsey may face a long battle with his fellow Democrats over spending. The governor has pledged that there will be no tax increase. But a major share of the legislators being seated at 10 a.m. are from the state's biggest cities, and they are reported ready to fight for a larger share of state revenues. Dempsey also has to deal with spending problems within his own administration. Budget requests from the various state agencies total well over \$1 billion.

The budget figure for the current two-year fiscal period ending June 30 was \$843 million, the highest in the state's history. In recent years Dempsey and Democratic leaders have had to reach agreement with Republican leaders of the lower house in order to pass almost every piece of major legislation. But court-ordered legislative reapportionment wiped out the system in which the lower house was made up primarily of Republicans from the state's smaller towns. The Nov. 8 election, first un-

der reapportionment based on population, gave the Democrats 117 house seats to only 60 for the GOP. The Senate lineup is nearly the same as the last General Assembly — 24 Democrats and 11 Republicans. One seat is vacant due to the recent death of State Sen. John J. Reihan of Bridgeport, a Democrat. A special election Jan. 26 will fill that district's seat.

In addition to the first meetings for the 1967 General Assembly, and Dempsey's inaugural address, an inaugural luncheon and a parade of legislators from downtown Hartford to the State Capitol will precede the 2 p.m. speech before a joint session of both houses. On Wednesday night the inaugural ball will be held in the nearby State Armory for an expected 2,400 celebrants, as the New Year also marks a new era for the state's Democrats.

Weekend's Road Deaths Show Drop

CHICAGO (AP)—Safety officials congratulated the nation's motorists today for a sharp decrease in traffic deaths during the long New Year weekend. The tally of traffic fatalities from 6 p.m. local time Friday to midnight Monday stood at 460, down sharply from last New Year's record toll of 564 deaths. The National Safety Council, which had estimated that motor vehicle accidents would result in between 400 and 540 deaths, said motorists were driving more safely and the toll "proves that improvement is possible."

"Drivers appear to be doing a better and safer job than would be expected on the basis of past performance," a council spokesman said. He said that although there was some snow and rain in scattered areas, weather conditions had little to do with the final toll.

The lowest highway death toll for any three-day New Year period since World War II was 289 in 1949. The all-time record for a long holiday weekend was set during last year's four-day Thanksgiving period when 748 persons were killed.

SIX STATE DEATHS BY THE ASSOCIATED PRESS
The New Year's weekend saw the deaths of six Connecticut residents. Three were victims of traffic accidents, two were killed in a fire, and one was killed in a freak accident. The two fire victims were Mrs. Stanley Longley of Wallingford and her son, Timmy, 6. They died when the home

20,242 VC Defected Last Year, Says U.S.

SAIGON, South Vietnam (AP)—U.S. officials announced today that a record 20,242 Viet Cong defected in 1966 with the biggest surge coming in the final two months of the year. A U.S. spokesman said the 1966 total was nearly double the 11,124 who left the Communist ranks during 1965 and was the highest number in the four years since South Vietnam began the Chieu Hoi — Open Arms — program to win over Viet Cong adherents. In combat developments, only minor ground skirmishes were reported. In the air there were more bombing strikes against North Vietnam, two raids by B52 heavy bombers in South Vietnam and a third in the demilitarized zone. Jubilant U.S. Phantom-jet pilots told a news conference in Saigon how they knocked seven of North Vietnam's fastest MIGs out of the skies north of Hanoi in less than 14 minutes Monday afternoon. "We outflew, outshot and outfought them," said Air Force Col. Robin Olds, 44, of Washington, D.C., the husband of former movie star Ella Raines, who led some 80 jet fighters and fighter-bombers in the biggest air battle of the war. Olds, a veteran of 2 1/2 years in World War II, said the dogfights "lasted no more than 12 to 14 minutes but covered at least 100 miles of that sky."

Olds led 14 flights of F4C Phantoms and six flights of F105 Thunderchiefs against a sky full of MIGs above the major MIG air base at Phuc Yen, north of Hanoi. Pilots' reports indicated all the Communist planes shot down were the advanced-type MIG21s, the Soviet-designed delta-wing interceptors which can fly 1,500 miles an hour. Lt. Gen. William W. Momyer, commander of the U.S. 7th Air Force, said he believed the North Vietnamese air force of 75 to 100 jets lost about half its supply of MIG21s Monday. The bulk of the force are older, slower MIG17s.

"The weather was in our favor, the equipment was tuned up and the pilots were enthusiastic," said Momyer. "The time was right."

90 MPH Chase Ends in Death Of Youth, 16

UXBRIDGE, Mass. (AP)—A police chase from Providence to Uxbridge, Mass., ended early today with a 16-year-old Providence youth shot and a 13-year-old companion, believed to be his brother, taken into custody. The older boy is listed in good condition at St. Vincent Hospital in Worcester with bullet wounds in the upper back and shoulder.

Providence Police Capt. William E. May of the juvenile division said the 20-mile chase, at speeds up to 90 miles per hour, was one of the longest on record. Patrolman L. A. Bennett spotted the stolen car on Branch Avenue and pursued it to Route 146, where he was joined by a North Smithfield police cruiser. Officers fired four shots, finally bringing the car to a halt just over the Massachusetts line in Uxbridge.

The 13-year-old is being held by Uxbridge police, but a Providence officer has been sent there with a warrant to bring him back to Rhode Island. The older boy, who was reported driving the car, will be brought back to Providence when he is released from the hospital.

Mrs. Powell Ordered Off Federal Payroll

WASHINGTON (AP)—The House Administration Committee today ordered Rep. Adam Clayton Powell's wife removed from her \$20,500 job on his payroll.

The committee also issued findings of widespread irregularities in official travel. The findings, made by a subcommittee which held hearings on practices of the House Education and Labor Committee, of which Powell is chairman, were made part of an official House document which goes to the Justice Department as well as other government agencies. Chairman Omar Burleson, D-Tex., of the Administration Committee said there was no specific vote to send the subcommittee findings to the Justice Department. But he said that "when it is made a House document, it automatically under the rules goes to all government departments including Justice."

"Anyone can take it from there if there should be matter for a civil suit for recovery of funds or even possible criminal action." The committee action in ordering the firing of a person on a member's staff was described as unprecedented by Rep. Wayne L. Hays, D-Ohio, chairman of the subcommittee that conducted the hearings and made recommendations to the Administration Committee. Technically, the action applies only during the life of the 89th Congress, which ended at noon today, a few minutes after the committee made its recommendations public. But Hays said he would ex-

pect the order to be renewed if Powell should try to reappoint his wife, who was carried on his payroll under her maiden name of Mrs. Maryjean Fjorles.

Mrs. Powell, a \$4,000-a-year clerk at the time she married the controversial Harlem congressman seven years ago, failed three times to answer a subcommittee subpoena to appear at its inquiry. She lives in Puerto Rico, and the subcommittee has recommended that the full committee dismiss her for violation of a law that congressional aides work either in Washington or in their employer's district. Last summer, she was reported to have complained she was not receiving her congressional paychecks. It was disclosed they had been deposited in Powell's account with the House ser-

Vessel Cancels SOS After Wave Battering

NEW YORK (AP)—The oil tanker Fallaika, third victim of stormy Atlantic seas in a week, canceled today a distress call issued before dawn when an abnormal wave knocked most of her navigation equipment out of commission. The Liberian-registered tanker was reported resuming her course for Portland, Maine, at a slow speed, with arrival not expected before late this week.

A spokesman for the ship's American agents, Gulfmarine, said there was no danger to the ship or its crew of 35 Italian seamen, although the bridge was damaged and only the steering gear and magnetic steering compass were in use. The tanker's master, Aless Andriani, suffered a broken arm. Herbert S. Brewster, manager of Gulfmarine operations, said that was the only injury.

"We have a message from the ship," Brewster said. "He said he was hit by an unusual sea. All the crew is OK." Brewster said the Fallaika was bound from Nigeria to Portland, Maine, with crude oil, and will continue to its destination. "There was considerable damage, but nothing too serious," he said. The Coast Guard: x x x 4th graf. The Coast Guard spokesman said the magnetic compass is subject to a variety of mistakes and is not as reliable as the electrically operated gyro compass which was put out of commission in the very heavy sea and winds about 600 miles east of New York. The 780-foot, 29,230-ton tanker, built in Quincy, Mass., by the Bethlehem Steel Corp., in 1952, was reported proceeding under its own power. The tanker was "first spotted

Latin Exile Force Held; 50 Escape

KEY WEST, Fla. (AP)—A Cuban exile said today that a vest pocket invasion of Haiti, designed to eventually lead to a war against Cuban Prime Minister Fidel Castro, was squelched by the arrest of a heavily armed band of Latin exiles and American adventurers.

However, the chief of operations, Rolando Masferrer, controversial former aide of ousted Cuban dictator Fulgencio Batista, said 50 commandoes got away in a boat before customs agents made the arrests in a raid at a beachfront home in the middle of the Florida Keys Monday night.

But one of the company commanders said he escaped the roundup by crawling away in the darkness and hitching a ride to Miami. The commander, Aton Constanzo Palau, later detailed the battle plans, which he said involved about 75 Cuban exiles, 30 Haitian exiles and 28 Americans.

He said 20 exiles had already been sneaked into Haiti and were supposed to attack and seize the airport at Cape Haitian this week. A fledgling air force of five planes — a B25, a B36, a DC3 and two P51s — would then use the airport as a base to bomb the garrison palace at Port au Prince, Constanzo said.

The remainder of the little army was to land at Fort au Prince, rally the rebels already in Haiti and replace dictator Francois Duvalier with Father Jean Baptiste Georges, Constanzo said. Within 30 days the invaders hoped to build an army strong enough to strike across the narrow Windward Passage and overthrow Castro, Constanzo said. Masferrer, one of the 70 arrested in the raid, was bitter at the United States for stopping his foray against Haiti, which also ended his plans for fighting Castro. Many of his followers obviously considered Haiti only a stepping stone to Cuba.

CITIES NEED HELP
HARTFORD (AP)—The Connecticut Council of Mayors told Gov. John Dempsey today that cities need more help from the state in order to cope with urban problems. However, the chairman of the group, Mayor Richard C. Lee of New Haven, said the mayors and first selectmen would not offer their own legislative program. The executives will take stands on proposed legislation in the areas of education, highways, pollution, welfare, and industrial development. Lee said at the meeting of the governor and several of the states mayors.

Surgery Stills Woman's Voice

Muffled Phone Appeal Fails
Fire Claims Cancer Victim

HOLLAND, Mich. (AP) — Janet Meunwen, 55, recently underwent surgery for throat cancer. Still recovering, she could barely talk. As smoke filled the little house in this western Michigan town where she and her husband lived, Mrs. Meunwen picked up the telephone and tried to call for help. The telephone operator on duty when the call came at 7:18 a.m. Monday was Mrs. John Van Dam, 22. "Her voice was muffled and I had a lot of trouble understanding her," said Mrs. Van Dam, who kept asking her to repeat what she said. But even then I couldn't understand her because she sounded like she was coughing in the background."

Mrs. Van Dam did understand the word "police." "I called the Holland police and they listened in on the call," she said. "But we couldn't make out the address." Five policemen fanned out through the West side. But they didn't know it was a fire they were looking for and had to walk the residents of "each house. It was a slow process. "I stayed on the line," said Mrs. Van Dam. "I didn't know what was wrong. Then the phone sort of ticked and I kept saying 'Hello, ma'am, hello, ma'am.' Finally she must have dropped the phone in the cradle because we were out of it."

While police checked about 20 houses, Mrs. Van Dam started to trace the call. By 8:06 a.m. she gave officers the address. Then she tried to call the house. "I kept calling every half minute or so, but no one answered," said Mrs. Van Dam. Smoke kept pouring from entering the house although the fire, which, apparently started in a living room chair, had extinguished itself from lack of air.

When firemen arrived with gas masks they found Mrs. Meunwen in a rear bedroom and her husband Dennis, 56, in a front bedroom. They were unconscious, officers said, and died before they reached a hospital. "I just feel bad that we couldn't understand the number," said Mrs. Van Dam. "Maybe if we could have understood it they might still be alive."

11 Accidents On Weekend

Police investigated 11 accidents over the three-day New Year's weekend. Six persons were injured as a result of the mishaps, according to police, and one was admitted to Manchester Memorial Hospital. No arrests were made, though several written warnings were given.

Police investigated two accidents yesterday, one in the morning and one in the evening. Yesterday evening shortly after 9, a car driven by James J. Seaver Jr., 18, of New London, rounded a curve on Hartford Rd. near Route 276, lost control completely around and hit a car driven by James E. Arthur, 24, of East Hampton, police say. The Arthur car had left rear damage, and the Seaver vehicle had damage to the right rear. Neither car had to be towed away, and no injuries were reported, police say.

Yesterday morning, a car driven by Lawrence R. Seretto, 19, of 276 Parkside St. went through a puddle which had begun to ice over on Tolland Tpke. near Melville Rd. and struck a car driven by William R. O'Brien Jr., 28, of Hartford, police say. The O'Brien vehicle was traveling in the opposite direction.

Minor damage was done to both cars, and no injuries were reported to police.

New Year's Day, Sunday, began badly for several drivers, as police investigated four motor vehicle mishaps.

Two persons were taken to Manchester Memorial Hospital after a car driven by Jefferson F. Weir, 46, of Simsbury hit a car driven by Harold R. Colby Jr., 41, of South Windsor.

Neither driver was injured, police say, but two passengers, Innocence Colby in the Colby car, and Doris A. Weir in the Weir car, had visible signs of injury and were taken to the hospital, police say. Hospital officials say neither was admitted.

Police say the Colby car was heading east on New Street and stopped before entering Buckland St. The Colby car then proceeded and was hit by the Weir car. Both cars had to be towed away, police say.

Sunday shortly before 7 p.m., a car driven by Otto F. Senkbell, 65, of 278 School St. hit a car driven by Ronald E. Shunkus, 23, of 27 Huntington St. on Autumn St. near Porter St., police say.

Police say the Shunkus car was turning left on Autumn St. and was struck in the left rear door by the Senkbell car. Both cars were driven from the scene, police say.

Both drivers received written warnings, Shunkus for making an improper left turn and Senkbell for driving after drinking.

A car driven by Joseph F. Liegl, 18, of 21 Blythe Rd. backed into a car driven by Wayne L. Paterno, 25, of 18 Blythe Rd. as the Paterno car was parked, police say. Slight damage to the left side was reported to the Paterno car, and no damage was done to the Liegl car, police report.

Thomas N. Bavler, 19, of East Hartford got a written warning for driving after drinking after the car he was driving went out of control on N. Main St. early Sunday morning and hit a mail box. The front of the Bavler vehicle was damaged, police say, and no injuries were reported.

On Saturday, four persons were taken to Manchester Memorial Hospital as a result of a three-car accident on Tolland Tpke. about 9:30 in the evening.

Taken to the hospital were Barbara Flipp of Rockville, and William Bray, 40, of Coventry, who police say had visible signs of injury. Both were passengers in a car driven by Philip M. Buckley, 23, of Rockville. Buckley was not injured, police say.

Earl Smith, 16, of West Willington, a passenger in a car driven by Frederick H. Johnston, 16, of West Willington, also had visible signs of injury, he lost control of his vehicle and so did Johnston, police say, and hit the parked car.

A third car involved in the mishap, one driven by Roger Bedard, 19, of 142 Ridgely St., sustained minor damage and neither the driver nor his passenger were reported injured.

Police say the Buckley car was heading west on Tolland Tpke., and the Johnston car was traveling east, when Johnston made a left turn into a marker and finally came to rest in front of 71 Charter Oak St. Saturday morning. Police did not see the Buckley car coming. The Buckley car hit the Johnston car in the right front, and the Bedard vehicle hit the rear of the Johnston car, police say.

Johnston received two written warnings, one for driving after drinking and another for violation of public act 276, possession of liquor in a motor vehicle by a minor. According to Johnston's father, his son was treated at the hospital for a cut chin, and Smith suffered a head injury.

Smith was admitted to the hospital with a head injury, and Barbara Flipp and Bray were treated at the emergency room and discharged, hospital officials say.

A car parked by Gustave A. Arendt Jr., 25, of 54 N. School St. was towed away after it was hit by a car driven by Mark A. Gibson, 19, of 46 Turnbull Rd. on Galloway St., police say. The Arendt car was parked on the north side of Galloway St. near N. School St. with no one in it. Police say Gibson was heading west on the street when

Devaney Seconds Claim of Bryant That Crimson Tide Should Be No. 1

Nebraska Coach Joins Alabama Bandwagon

NEW YORK (AP) — they played today," Devaney said in the wake of Alabama's 17th straight triumph and second bowl victory in two years over the Cornishers.

"I think we could have beaten Notre Dame today," said Kenny Stabler, the southern passer who combined with All-American receiver Ray Perkins to flatten the Huskers in the opening period.

The Tide, who wound up 11-0 for the season, were ranked No. 1 behind Notre Dame and second in the nation's No. 1 Michigan State — in last month's final Associated Press poll of sports writers and broadcasters.

"I talked to the kids for three or four weeks about beating the Crimson Tide," Devaney said. "I told them to try to win the Sugar Bowl."

Alabama's 25-year-old Orange Bowl rushing leader, Steve Van Buren, scored 143 yards for the Tide in their 34-7 victory over Georgia Tech.

Southern Cal missed a two-point conversion try with 2:28 to go in the game, but the Tide won the game on a 19-yard Troy Winoway pass to Steve Van Buren.

Alabama's 10 pass attempts before settling down to finish 14:30 for 163 yards.

"Steve's arm was a little sore, but that wasn't his main problem," Coach Ray Graves said of his brilliant quarterback. "He has been under a lot of pressure and had all kinds of distractions because of his awards, and he missed a lot of practice."

Stabler, Alabama's current successor to Harry Gilmer, Bart Starr, Joe Namath and Steve Watson, had no trouble juggling the ball during the game.

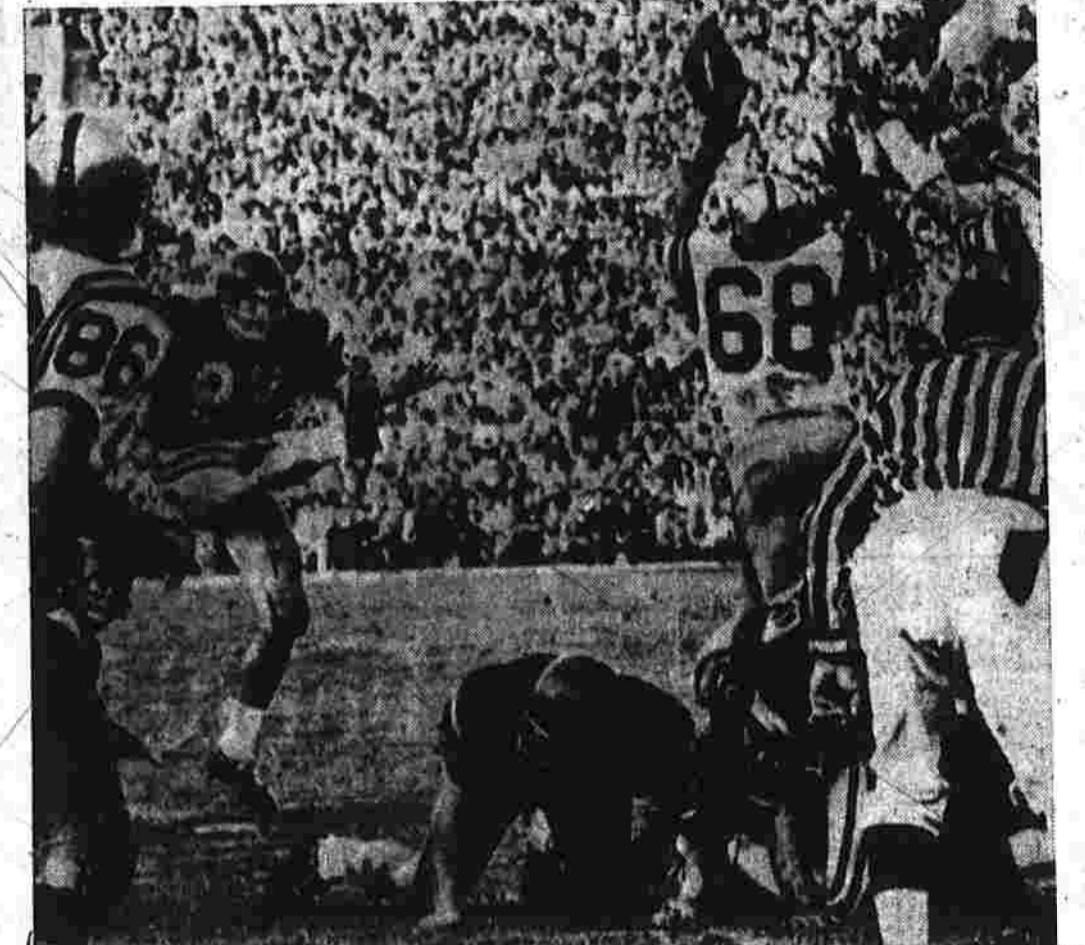

McCull's one-yard TD bid was capped by a Trojan march that tied it 7-7 at the half and Winoway's payoff toss to Stabler, triggered a 68-yard bowl touchdown drive in the second hour later at Miami.

The Purdue-Southern California battle drew a crowd of 45,500, while 82,000 watched Alabama's Orange Bowl night game.

The nationally televised game began at 8 p.m. EST, with the Sugar Bowl kickoff and ended 5% later at 11:15 p.m.

Rose Bowl: Purdue 14, USC 13

Gamble Falls Short In Final Minutes

PASADENA, Calif. — Purdue and Southern California, undistinguished throughout the season, remained consistent to the end, playing an undistinguished 60 minutes before Purdue's 14-13 victory over USC Saturday night.

Purdue won 14-13 but USC provided the dramatic Monday night scoring with a 23-second drive going for a two-point conversion, only to miss and the game ended.

Purdue Coach Jack Mollenkopf, who led his team to a 10-1 record in the Rose Bowl, said: "This was my most satisfying victory."

But at the same time, Mollenkopf conceded: "We have moved the ball better."

Purdue, with state quarterback Bob Grise failing to battle the rugged USC defense, compiled only 24 yards in total offense. Grise led for 10 of 18 passes and 129 yards, but four completions came on a first-quarter drive stopped on the USC five-yard line.

Grise later directed Purdue touchdowns marked by 37 and 37 yards, and fullback Perry Williams plunged across from the one and two yard lines.

Purdue came to Pasadena with an 8-2 record, including losses to the two outstanding teams it faced — Notre Dame and Michigan State.

Michigan State dominated an abnormally weak Big Ten, but the Spartans were here a year ago and Big Ten teams are ineligible to repeat in the Rose Bowl.

Southern California lost three of its last four regular season games, clinching the year with a 5-6 humiliation by Notre Dame. The Trojans' 14-7 loss to UCLA cast a shadow on their bid, granted because USC had

Superstar Perkins Spoiled Two Trips

NEW ORLEANS (AP) — Alabama's star player, Super Bowl MVP Steve Van Buren, spoiled two trips to the Sugar Bowl for the Crimson Tide.

Van Buren, who scored 143 yards in the game, was the Tide's leading rusher with 107-10 yards.

Guerin Shows Team How As Hawks Trip Detroit

DETROIT (AP) — Coach Paul Guerin showed his team how to win in Detroit by leading the Hawks to a 23-0 victory over the Detroit Pistons Sunday night.

Guerin, who coached the Hawks to a 10-1 record in the Rose Bowl, said: "This was my most satisfying victory."

But at the same time, Guerin conceded: "We have moved the ball better."

Ray Graves Knows 'Gators in Big Time'

MIAMI, Fla. (AP) — Coach Ray Graves says Florida's football team finally has proven it belongs in the big time, and the Gators have a young halfback who should be able to keep them there for the next couple of years.

The Gators have had only one losing season in seven years, passing five yards for a touchdown in 1965.

Graves, who coached the Gators to a 10-1 record in the Orange Bowl, said: "This was my most satisfying victory."

But at the same time, Graves conceded: "We have moved the ball better."

Chiefs Still in Clouds After Convincing Win

KANSAS CITY (AP) — The Kansas City Chiefs were beginning to come down out of the clouds today, but still were savoring the way they grabbed the American Football League championship.

"We'll meet this afternoon to look over the Buffalo game," said Coach Hank Stram. "A study of that 21-7 victory for the title is necessary because the Chiefs must shape up for the Super Bowl against Green Bay Jan. 15."

There were some mistakes in the Buffalo game, and Stram said at the time the errors galloped 18 yards for another touchdown.

The waiting period is over. The Chiefs can't afford mistakes against the Packers. The Packers plan to start workouts Thursday and start until Monday to go to the West Coast.

The Chiefs won't dally the long. "We'll leave for Long Beach Wednesday morning and work out Wednesday afternoon at Veterans Field," Stram said. "I've talked to George Allen (Los Angeles Rams' coach) and he says the facilities there are just as good as the ones here."

The Chiefs are all in good shape except Fred Arbanas, who missed the game last week. Arbanas is expected to be set for the Packers game.

White Green Bay had to fight off the determined Dallas Cowboys for a 34-7 victory and the NFL title Sunday.

The Buffalo Bills gained only 40 net yards rushing and were not inside the Chiefs' 48 in the second half.

Packers Think Green After Latest Success

GREEN BAY, Wis. (AP) — The Green Bay Packers, apparently sound of wind and limb after winning their fourth National Football League championship in six years, relaxed today amid the whitewash of Wisconsin's winter wonderland.

But the thoughts of some members were green.

Connecticut—most disappointing of the state's college basketball teams a few weeks ago—has become the most promising after a pair of convincing wins in its own post-Christmas holiday tournament.

Kuhnly Out Front In Scoring Derby

Area basketball passed the first quarter mark last Friday night with Rockville High's Barry Kuhnly in firm command of the scoring lead. Coach John Cannavari's 6-10 senior has a total of 190 points and a 26 point per game average.

Included in Kuhnly's total are two 30-point games. Kuhnly must share the top game performance however with East's Greg Turek, who earned 30 against Newington High.

Almost nine points separates Kuhnly from his nearest rival, Cheney Tech's mighty mouse, Mike Chemielecki, who has 166 points and a 17.6 average.

Turek joins Chemielecki and Kuhnly in triple figures, scoring an even 100 points for a game.

Central Connecticut lost to St. Michael's by one point in the finals of its own holiday tournament, and now has a 3-4 record.

Wesleyan and Trinity suffered through the holiday tourneys at Central Connecticut and American International, respectively.

Each won only one of three games. The Cardinals now have a 4-4 mark and Trinity is 3-5.

Other records so far: New Haven College 6-4, Hartford College 5-4, Danbury State 4-4, Sacred Heart 3-4, Quinnipiac 4-7, Coast Guard 1-5, and Williamam State 1-6.

Tonight's games are Yale at Tulane, New Haven at Worcester State and Quinnipiac at Sacred Heart.

Three R's Inaugurated; One Won't Finish Term

Rockefeller Romney Reagan

ALBANY, N.Y. (AP)—Gov. Nelson A. Rockefeller's inaugural address revived speculation today that he might still entertain presidential ambitions.

The 55-year-old Republican, who insists he has forsaken all White House hopes, affirmed fresh comment on his national future Monday by projecting a concept he called the "Just Society" in the speech that formally launched his third term in office.

The phrase invited comparison with President Johnson's "Great Society" programs, which the governor criticized in his address.

Rockefeller repeatedly has renounced the aspirations that marked his tries for the presidential nomination in 1960 and 1964.

But the "Just Society" concept was capitalized in the distributed to the press. Rockefeller offered the concept at the close of his address, saying that New York had provided leadership for the nation by showing other states how common problems could be solved.

"And," he said, "I sense purpose—high purpose—in my life. I have full faith in our common resolve with God's help to build the dream of a society where:

"Government is courageous, power is benign, justice is abundant, property is general, order is serene, law is honored, compassion is practiced and brotherhood is lived."

He said the people "feel the stifling consequences of over-managed, conformity-maintained, consensus and arbitrary unchecked power, whether public or private."

In a sharply pointed attack on the "Great Society," Romney said the people "recognize the futility of their efforts to improve the lives of men and their society by material means alone."

He said the people "feel the stifling consequences of over-managed, conformity-maintained, consensus and arbitrary unchecked power, whether public or private."
