Clear, very cold tonight, low 0 to 10 above; fair and cold tomorrow, high in 30s.

## LBI Judgment:

### Hanoi's Mood Still Hawkish

WASHINGTON (AP) — President Johnson says he would be willing to halt American bombing of North Vietnam if the Hanoi government agreed to "just almost any step" in return. Johnson fielded 11 questions and made one brief statement on his own. Most questions dealt directly with Vietnam. On other subjects, the President volunteered praise for the proposed U.S.-Soviet consular treaty, now facing an uncertain fate in the Senate, and sought to offset widespread opinion that FBI Director J. Edgar Hoover opposes the treaty. He predicted the new Congress will deal more harshly than last year's with administration proposals, but expressed willingness to compromise where necessary. Laid the Democratic National Committee and said some of its role in last November's election "have been using the committee as a kind of whipping boy." Expressed the conviction that the nature of the cold war is changing and that, despite such occasional friction points as the eight-year prison sentence ordered by a Czech court this week for an American convicted of spying, the American government should continue to strive for better relations with Communist East Europe. Johnson was asked what steps North Vietnam might take to persuade him to halt American bombings there. "Just almost any step," he quickly replied. Johnson said the United States would gladly explore any reciprocal action Hanoi might suggest. At the outset, Johnson said (See Page Seven)

### Ky Planning Speed-Up of Viet Election

AP Special Correspondent  
SAIGON, South Vietnam (AP) — Premier Nguyen Cao Ky said today he will speed up South Vietnam's presidential elections. He also said he regards corruption in government as a major problem in this country. Ky said in an interview he planned to speed the elections so that they will be held within three months of the adoption of South Vietnam's constitution which is being written by a constituent assembly and scheduled to be finished March 27. Ky said he is going to invite 1,000 reporters from around the world to witness the elections. He added U. S. Secretary of State Dean Rusk "wants to come, he can come too." The premier said it is important "to have a clean and honest election to give the future president true prestige." Ky, 36, indicated that a new land-reform program would be initiated under which 200,000 to 300,000 Vietnamese families would receive land which formerly belonged to absentee French owners. He estimated that it would take two American infantry divisions — 30,000 men — to clear the Mekong Delta and Viet Cong, one U. S. division, is currently moving into the area. Ky said he thinks that Hanoi is increasing its peace feelers because it doesn't want to deal with a democratically elected government and for that reason he wants to speed up the elections. "They are more afraid of an elected government than they are of us." (See Page Seven)

### Conrad Cancels Antarctic Trip

WASHINGTON (AP) — Max Conrad has called off for this year an attempt to circle the globe, pole to pole, in a small airplane. Friends here said the veteran pilot told them that in view of the Navy's refusal to provide him with refueling at an Antarctic station, he has decided to postpone the flight until next year. The Navy said it couldn't give him adequate help if he encountered trouble. Conrad was quoted as saying he would start making new flight arrangements as early as July, so that he could be sure of service at every planned stop. Widely known as the flying grandfather, Conrad already has made numerous trans-oceanic flights in small planes. Conrad had planned to start his journey last Monday from Washington in a twin-engine Piper Astec. He spent several days here following the Navy's (See Page Seven)

### Space Officials Await Private Moon Report

MANNED SPACE CENTER, with representatives of 30 or more of the nation's moon contractors had been asked to meet at the nation's moon program office today for a private briefing. Dr. Robert Gilruth, center director, and Joseph Shea, Apollo program manager, were expected to conduct the briefing. The spokesman would not say whether it would include an interim report from the board of inquiry probing the fire that killed Air Force Lt. Col. Virgil I. Grissom and Edward H. White II, and Navy Lt. Cmdr. Roger B. Chaffee. However, he said Maj. Gen. Samuel Phillips, who headed up the preliminary investigating team and who is in the Apollo program director, might attend. NASA has adopted a close-mouthed policy on the tragedy and the future of the American moon project. Investigators reportedly are far from drawing a conclusion on what sparked the fire. It was learned that telegrams had gone out to companies involved, asking their personnel to refrain from public discussion of the accident and its effect on the drive to the moon. The disaster, the first to cloud an American astronaut's life on the job, set the program back at least six months. A major redesign was ordered. A spokesman said about 50 engineers from NABA along (See Page Seven)

A full ammunition belt, hanging from the neck of this soldier of the U.S. 25th Infantry, readily shows the result of a search for Viet Cong in the mountain jungles of Binh Dinh. The unit is supporting the U.S. Cavalry's 1st Division in Operation Thayer II. (AP Photo/Fox)

### Zone 'C' Pounded Marines' Search May Follow B52s

SAIGON, South Vietnam (AP) — U.S. B52 bombers pounded war Zone "C" with three raids today in what could be the prelude of a new American drive to clear the Viet Cong from that long-time jungle redoubt along the Cambodian frontier. A triple blow against Communist positions 62 to 68 miles northwest of Saigon made a total of six strikes against the Viet Cong stronghold by the B52s since last Saturday. U.S. military headquarters also announced that an American ground force of at least 4,000 men has started a new search-and-destroy operation 29 miles northeast of Saigon in war Zone D. The multibrigade force began the drive, called Operation Big Spring, on Wednesday. So far, it has encountered only slight resistance. Commanders reported 24 Viet Cong killed to date in scattered, small skirmishes with U.S. casualties termed light. Taking part in Big Spring were the 13th Airborne Brigade and the 1st Brigade of the 9th Infantry Division, which arrived in Vietnam last December. U.S. headquarters said. In war developments, ground fighting was largely confined to the northern provinces of South Vietnam where U.S. Marines were reported killing 30 of the enemy last year, nearly 4.5 million South Korean troops, operating in the central coastal areas, reported killing 67 Viet Cong in (See Page Seven)

### FCC May Tune Out Walkie-Talkie Set

WASHINGTON (AP) — The Federal Communications Commission is considering plans to shift millions of toy walkie-talkies from their present frequencies used by government agencies, officials said today. The step is viewed by some as tantamount to eliminating the toy radios that clutter the airwaves after each Christmas. He said the secretary of defense said the toy units are still in the talking stage — the FCC would outlaw such radios in the citizens band and shift operation of the toy units to somewhere around 45 megacycles. The section of the 45-megacycle band being mentioned is allocated to the government. Until recently it was used by the Air (See Page Seven)

## Russians to Evacuate Families from Peking

### 'Tied Up by Courses' Scholar Doesn't Date, Prefers Astrophysics

NEW YORK (AP) — Frank Wilczek, 15, is a quiet scholar who prefers astrophysics to dates. He's one of 40 finalists in the annual Westinghouse Scientific Talent Search. While most teenagers are having fun on the weekends, Frank is engrossed in astrophysics, mathematics and philosophy. He relaxes by listening to classical records, his favorite pastime. "Once in a while I go to an occasional party," he says. "I'm tied up every Saturday taking courses in mathematics and astrophysics in Columbia University's science honors program." Frank will be 16 years old on May 15 and a few weeks later will be graduated from Martin Van Buren High School in Queens. He is graduating at such a young age because he is the third and eighth grade to attend the University of Chicago and study mathematics and physics," he says. "They both are interesting rather than both being related." While being a long-hair record collector, Frank doesn't want his hair long like most young people. "It's silly," he says, "and it's easy to object. I'm completely indifferent." The mood style of dress, he says, is "horrible. A kid they're trying to put over." Frank is 5 feet 7 1/2 inches tall and weighs 100 pounds. His talent search project that will take him into the fields in Washington in March was an attempt to relate semigroups and groups in the field of algebra. "I got really involved in mathematics," he says, "due to a certain teacher I had in my sophomore year. He got me very interested in it." Frank is the only brother of 10.

### Nightie-Clad Thief Sought

MIAMI BEACH, Fla. (AP) — Miami Beach police have been told: "Watch out for the woman in the peach nightie" she may be something new in local burglary circles. Albert Houwood of Detroit woke up in his hotel room yesterday and saw the woman crouching over his overnight bag. He chased her into the hall but she got away — with \$180 and credit cards.

### Solberg Given One to Ten Years For Blackmail

LITCHFIELD (AP) — Harry A. Solberg, whose retrial in the slaying of a 30-year-old housewife ended last week with the dropping of a murder charge against him, was sentenced to prison today for blackmail. Superior Court Judge Douglas B. Wright, who presided at the 21-year-old Solberg's second murder trial, imposed a sentence of one to 10 years. On Jan. 26, Wright notified the first degree murder charge against Solberg in the slaying of Mrs. Dorothy Thompson of New York. Solberg had turned out to be had as those they replaced. The state gave up the attempt to convict Solberg, an East (See Page Ten)

### Army Quells Maoist Riot; 250 Are Hurt

TOKYO (AP) — Wall posters in Peking today reported that 250 persons were injured this week in fighting among supporters of Mao Tse-tung in a suburb of the Chinese capital. Official Maoist mouthpieces also disclosed continuing resistance in Shanxi and Kweichow Provinces. Coupled with the reported clash in Peking, they indicated Mao's hold on at least some of the areas his forces claim to have seized from supporters of President Liu Shao-chi is by no means secure. In Moscow, the Soviet foreign ministry announced it would begin evacuating wives and children of Soviet Embassy personnel from Peking Saturday, following a week of riotous demonstrations outside the Peking Embassy protesting the treatment of Chinese students passing through Moscow on their way home. So far there was no report that any of the approximately 300 out of the official in Peking were being recalled. Wall posters reported by the Japanese newspaper Asahi Shimbun said the Maoist "rebels" who stormed into the capital's police headquarters Jan. 30 to take over Mao's name had turned out to be had as those they replaced. The reports said on Monday, when Maoist mobs sought to prison with them in suburban Shijingshan, fighting broke out, 100 police were thrown into the fray, 260 persons were hurt — 50 of them seriously — and 40 Red Guards were arrested. Premier Chou En-lai had to intervene and troops of the Peking command took over the police headquarters temporarily, the posters said. Hsieh Fu-chih, public security minister, apologized for the police action, calling it "a com- (See Page Ten)

### Proxmire Scores War Cost Planning

WASHINGTON (AP) — Congress the original budget figures for the year ending next June 30 did not necessarily represent the final defense costs and that supplemental appropriations would probably be needed. "What responsibility do you feel you have to secure accurate figures from the Pentagon?" Proxmire asked. Conceding, "There is no simple answer," Schultz said the Budget Bureau works earlier and more closely with the Defense Department than with others and "it's accept whatever responsibility comes out of this procedure." He said he thinks McNamara was right in deciding originally to estimate costs only through fiscal 1967 because at that stage the country was only "in the beginning phases of a rapid buildup" and the ultimate requirements could not be known. "We failed to cut spending as we might have done and as I would have advocated. The high interest rate developments followed." Schultz argued that Secretary of Defense Robert S. McNamara and others repeatedly told (See Page Ten)

### CTA Measure Would Allow NHRR Purchase

HARTFORD (AP) — The executive director of the Connecticut Transportation Authority said today that legislation that would enable it to purchase the New Haven Railroad by use of power of condemnation. Samuel Kanell said a bill filed by State Sen. Frederick Pope Jr., R. Fairfield, and William F. Hickey Jr., D. Stamford, would empower the CTA to condemn the bankrupt railroad in order to purchase it. He stressed that the CTA would prefer to lease rather than buy the railroad's facilities but that the prospect of the state acquiring the line is "always a possibility." One major reason for equipping the CTA with authority to buy the New Haven, Kanell said is that it "will be helpful to have this power during negotiations." Kanell declined to elaborate. It was indicated, however, that the power of condemnation could be helpful when the CTA starts negotiating for lease of the New Haven's passenger service between New Haven and New York City. The CTA already has the power to buy the line, but not through the power of condemnation. Kanell says the CTA is pre- (See Page Ten)

### Cold Follows Northeast Storm

BOSTON (AP) — Sharp cold followed on the heels of a snow storm in the northeast today. The storm moved out over the Atlantic after delivering 10 inches of snow at Portland, Maine, and seven inches at Eastport. A foot or two of snow covered much of northern New England as increasing northerly winds caused blowing and drifting there. An arctic front, which ended a balmy springlike interlude for the northeast and Atlantic coastal sections, dropped temperatures far below zero during the night along the Canadian border of New York. Massena, on the St. Lawrence Seaway, had 24 as did Postdam, Watertown, N.Y., had 18. Unofficially, a 24 was reported in Cray-Falls, a hamlet near Postdam. In New York City, there was a 35-degree contrast between Thursday's unusually warm high mark of 48 and an overnight low of 22. Snow, hail and rain doused Connecticut Thursday night. Some areas recorded 1 to 2 inches of snow. Small-craft warnings were up on Long Island Sound. A cold front moved across Maryland Thursday and abruptly ended the unseasonable warm weather. The snow fur- (See Page Ten)

Even Rehearsals Fail to Interrupt 'Bubbling' Jan Patchford didn't let a little thing like a violin concerto interrupt bubble-blowing. This scene is at a rehearsal of a Chattanooga, Tenn., junior high band. Classroom Linda Diekoff is on right.

### Bulletin

WOODBURGE (AP) — The body of an unidentified man, with two bullet holes in the head, was found today in a parked car. Police said he had been dead since Thursday. The body was discovered in the back seat of the car, and police said there were signs of a struggle inside the vehicle. The body was taken to Yale-New Haven hospital for autopsy.

### Vernon Staff and Books Move Back To Rockville Library Feb. 11

Moving day for the staff and books of the Rockville Public Library has been set for Feb. 11. The move will be accomplished with the assistance of the Vernon Jaycees and the use of town equipment. Approximately 1,200 to 1,400 cartons of books will be moved across Union St. to the refurbished library. Additional assistance may be provided by the Eagle Scouts or several Rockville High School clubs.

The Jaycees undertook the program after learning the move would cost about \$700 on commercial bids.

Mayor McCusker, who last week offered the town's help to open the library has, along with public works director Andrew Trickett, agreed to use the town equipment to facilitate the move.

The moving back into the Rockville library will be considered a major step in the town's involvement in the town's library, as Mrs. Lawrence Salsala, Mrs. Mary Joyce, Mrs. Peter Foster, Mrs. Joseph Walden, Mrs. Corina Cantor, Miss Pamela Pare and Mrs. Russell Hartmann.

Service clubs of the Rockville High School will cover areas not assigned to captains.

Vernon's percentage contributions has always been high, and is a tribute to the people of the town, Mrs. Tuppeny said.

She predicted a larger contribution throughout the year due to the more thorough coverage. The drive will be held in February.

Opening lead-king of clubs.

Wilder's partner, Los Angeles Bridge expert Don Kraus, opened the king of clubs from the West hand. Declarer won with dummy's ace and promptly led the king of trumps from dummy.

In this situation many a defender would take the ace of spades first and think about it later. He should East then try to get the lead to his partner.

If East leads a spade, declarer wins, clears the queen of clubs, trumps out of the way and returns to his hand with a spade. If he bids anything else, you plan to bid two notrump.

Copyright 1967 General Features Corp.

A more careful defender might cash the ace of diamonds before leading spades. "What would signal with a high diamond and continue with the plan of drawing trumps and developing the clubs.

Wilder wanted to hear from his partner, so he gave him a chance to speak. He refused the first trump trick but won the second. His partner was "not a pub" when Kraus signaled with the ace of diamonds.

Now there was no need to worry, highway congestion and guess. Wilder led a low diamond.

### Brig. Holz To Conduct SA Service

Brig. Richard E. Holz, division commander of Southern New England with headquarters in Hartford, will conduct a special National Youth Week observance Sunday at 5 p.m. at the Salvation Army Citadel.

His troops are expected to contribute to the observance with a display of their own work, and is a tribute to the people of the town, Mrs. Tuppeny said.

She predicted a larger contribution throughout the year due to the more thorough coverage. The drive will be held in February.

Opening lead-king of clubs.

### Sheinwold on Bridge

EAR IS VALUELESS UNLESS YOU LISTEN BY ALFRED SHEINWOLD

There's no great advantage in having a good ear if you don't listen to what is said, and if you want to play your best at the bridge table you may have to wait until you have something to listen to. The point is illustrated in a hand defended by Billy Wilder, famous writer-director, who has one of the best ears in the motion picture business.

Opening lead-king of clubs.

Wilder's partner, Los Angeles Bridge expert Don Kraus, opened the king of clubs from the West hand. Declarer won with dummy's ace and promptly led the king of trumps from dummy.

### 30 North Viet Prisoners Freed by South, Two Stay

DEMILITARIZED ZONE, South Vietnam (AP)—South Vietnamese government freed 30 North Vietnamese prisoners of war today, two of the soldiers chose to remain in the south.

Several hundred spectators cheered the pair as they walked away from their comrades at a ceremony three miles south of the Demilitarized Zone between North and South Vietnam.

An hour later, the 28 returnees walked across the bridge over the Ben Hai River to return to their Communist homeland.

As they crossed the midway point on the bridge—the divid-

ing line between the warring states—they stopped on the sport shirts, blouses and sandals the South Vietnamese government had given them on their way to the muddy river. This is their usual practice.

The release of the prisoners was a unilateral South Vietnamese action on the occasion of the Tet, the lunar new year festival that begins Feb. 8. The Hanoi government holds several hundred American flyers as prisoners.

The 30 North Vietnamese, taken from prisoner of war camps in Pleiku, Hanoi, Laos and Da-Nang, were taken to Dong Ha.

This morning, Vietnamese army trucks took the 28 prisoners to a camp near the international Commission compound for the amnesty ceremony.

The Canadian, Indian, Polish and other nations took part in the ceremony.

While several hundred civilians and as many soldiers shivered in the past few days, the prisoners were placed in a corrugated tin shed to await the arrival of official music.

Shortly after noon, the 30 men were led out, lined up in three ranks, and told why they were being released by Information Minister Nguyen Van Tri.

Tri welcomed any of the prisoners who wished to remain in the south, and two walked up to the platform and embraced him. Both said they were from Ha Noi.

They were taken to the return to North Vietnam because he had found all of the information he had been given about the war in South Vietnam to be false.

It was the third time the South Vietnamese government had freed North Vietnamese soldiers captured in combat in Roman Catholic provinces.

On the day of shame—July 20, the anniversary of the 1954 signing of the Geneva convention dividing Vietnam—16 were offered their freedom and three chose to remain in South Vietnam. The first release was in January 1966, also on the occasion of Tet, when 20 prisoners were freed. Three decided to remain in the south.

Authorities announced last week that some 1,200 of the 2,000 prisoners being held in camps in South Vietnam were North Vietnamese soldiers. The others are local Communist guerrillas.

### First Rabbi Joins Fordham Pupils Don't Imagine Jews As 'Home on Range' Types

NEW YORK (AP)—Students at Fordham, a Jesuit university, cheered as they gave a warm welcome to their first Jewish faculty member, Rabbi Irwin M. Blank.

Blank, 41, who has been the spiritual leader of Temple Sinai in Tenafly, N. J., for 10 years, tries to encourage the students to look at their own images of Jews.

The Rev. Christopher F. Moore, chairman of the theology department, at Fordham, explained that hiring Rabbi Blank was an expression of the ecumenical spirit touched off by the Second Vatican Council.

"Much of the controversy among Protestants, Catholics and Jews in the past has grown out of ignorance and misunderstanding. We want to create a new atmosphere where people of all these traditions can talk to each other in a spirit of charity and friendship," he said.

A Lutheran church historian will be added to the faculty next fall, he said.

Blank joined the faculty as the first Jewish theology faculty member at 139-year-old Fordham.

"Let's talk about that concept in theology," he said, referring to the "Jewish cowboy" concept. "I want you to analyze that image and tell me what's incongruous about it," he said, pointing to the blackboard.

There was a moment's pause in Theology 166, "Contemporary Jewish Movements and Thought." The 35 students, all Roman Catholics, so far as is known, laughed.

A girl said, "well, Jews traditionally have been urban." A young man said, "in the Napoleonic era the Jew was thought of as a businessman—a moneylender."

"Yes, good," said the rabbi. He wrote "businessman" and "moneylender" on the board.

"The cowboy in the last row spoke up. 'The cowboy is sort of an easygoing type while the Jew is well, not easily kept in the background.'"

"You're being polite. You're trying to say he's pushy," Rabbi Blank said quickly.

He wrote "pushy" on the blackboard.

Then the rabbi told the class: "While a simplified stereotype has built up over the ages, there is a good deal of historical validity to it. But it is only true because of what has happened to the Jew. And, of course, the qualities you have described were culturally determined, not genetically determined."

WOMAN DRIVER CLEARED HARTFORD (AP)—A New Britain woman motorist was absolved Thursday of criminal responsibility for the traffic death of a six-year-old New Britain boy two months ago.

Coroner Louis W. Schaefer said Cally A. Case of New Britain was blameless in the death of Nicholas Tarello, who was fatally injured by her car when he was crossing a street.

### Quits Reported 'Satisfactory'

NEW YORK (AP)—The four surviving infants of quintuplets born to Mrs. Lionel Harris were reported in a satisfactory condition today.

A spokesman for Brooklyn Hospital said there was no change in their condition. The spokesman said a team of doctors and nurses was with the infants throughout the night.

The father of the children has named the boy Lionel Jr. The three girls have been named Louise, Infanta and Talitha.

The infants are given a good chance to survive.

The father, a 31-year-old postal clerk who makes \$106 a week, is apartment hunting.

"We'll need to get a bigger apartment," he said.

The children were the first for the Harris couple. Mrs. Harris, who is 31, had been taking a fertility drug.

Students at Yale Donate \$650 for Viet Medical Aid

NEW HAVEN (AP)—A Yale University student group has forwarded a \$650 check for medical aid for the area of Vietnam to the American Friends Service Committee in Philadelphia.

The same group had collected \$600 during a three-day drive in October, but the U.S. Treasury Department limited direct aid to \$500.

The spokesman for the Yale group said the money sent Thursday will help reimburse the Quaker group's \$5,000 contribution last fall to the Canadian Friends Medical Aid Account.

The money was intended for medical supplies for North Vietnam, South Vietnam, and the National Liberation Front, the political arm of the Viet Cong.

PLANNING GRANT OK'D WASHINGTON (AP)—A \$16,468 grant to the Southeastern Connecticut Planning Agency in Norwich was approved by the Department of Housing and Urban Development Thursday.

The money is to help finance a \$21,944 urban planning project for an area including New London County and the New London, Groton and Norwich metropolitan areas.

COUPONS REPLACE ADS

LONDON—Under cigarette advertising restrictions in Britain, coupon premiums have replaced television and radio appeals. Half the packs sold contain coupons. About nine-tenths of the coupons are redeemed.

The waiting lists will be maintained on a 24 hour a day basis.

Police on the midnight shift had covered the area by police cruisers rather than on foot for a trial period.

"Apparently the only thing some people in the area are interested in is force," he said.

The board of the Police Department therefore has to use force."

Board of Tax Review

The board of the Review will meet with taxpayers tomorrow in the Memorial Building from 10 a.m. to noon, and from 2 to 4 p.m. to hear grievances on the 1966 property assessments.

### Tolland School Board Head Is Wary Of Finance Board Proposal

Several proposals which would affect present town government structure were proposed and debated at last night's meeting of all town board members and commissions.

Among the proposals were creation of a board of finance, proposed by First Selectman Carmelo Zanghi. Reservations on the proposal were expressed by board of education chairman David Cook.

A proposal to hire a professional assessor was made by straighten out the problem. Zanghi and assessor Stuart Tinkham. Tinkham suggested the professional also could serve as building inspector and zoning agent.

He further proposed the hiring of a professional engineering expert to examine the town government's structure and submit recommendations for improved communications and coordination.

Tinkham cited the close relationship between the board of assessors, the building department, zoning commission and the non-profit boards, appeals, as well as the health director and the industrial commission.

While communications between them have improved somewhat, a void still exists, he said, due in large part to the rapid growth of the town.

Other proposals for governmental and service changes included the possibility of town-wide refuse pickup by town employees, proposed by Zanghi as a means of prolonging the life of the present dump, and re-activation of the town Civil Defense system.

Ambulance Service  
William Bridges, president of the Tolland Volunteer Ambulance Association, announced that free ambulance service will be available on weekends and holidays from 8 p.m. to noon daily on a 24-hour basis on weekends and holidays. Morning coverage, from 8 to noon, will begin in April, he said.

The association has 35 available men to cover the hours from noon to 8 p.m. Fifty ambulances are available and aid courses offered by the association, and there is a "backlog" of residents interested in the training program.

### Church School Classes Will Be Held In New Building

apple upside down cake with topping; Thursday — Frieded meat loaf with green beans, pickled beets, mashed potatoes, bread and butter, sliced peaches; Friday — Tuna loins, carrot sticks and pickle; potato chips, vegetable, chocolate pudding.

Church school classes will be held in the new building beginning Feb. 12. Pre-school children and first graders will attend classes on the lower level of the building, off the parking area to the rear of the church. Second-grade through high school will attend classes on the upper level.

Churchgoers have been requested to use the new parking lot behind the Christian education building.

The move is being made as a result of opening of the new Christian Education Building, which will be dedicated in special ceremonies Sunday afternoon at 2:30.

### Covestry New Town Net Grand List Shows Rise of \$1,790,000

The town's net grand list of taxable property as of Jan. 31, 1966, shows an increase of some \$1,790,000 over last year's perfect list, according to Assessor Samuel P. Allen.

The assessor's records, compiled on Jan. 31, show a net list of \$26,400,416, subject to change by the board of tax review when it completes its work this month.

Allen's compilation shows the net list to be made up of real estate valued at \$22,620,450; motor vehicles at \$1,208,235.

The gross figures of \$27,336,260 have 888 applicable exemptions totaling \$885,785. Gross figures show real estate at \$25,440,730 with a total of 724 exemptions of \$812,280; motor vehicles at \$1,888,530 with 138 exemptions of \$65,180; and personal property at \$1,121,580 with six exemptions of \$4,320.

The breakdown of gross figures is comprised of the following: 2,646 houses valued at \$13,918,038; and negotiations with sheds, garages, etc., classified as outbuildings, valued at \$974,415.

Also, 8,610 house and building lots valued at \$4,159,075; 40 business buildings at \$566,980 and 18,875 autos at \$1,515,025.

The 4,419 motor vehicles comprise the total on the gross list of \$2,688,950.

The personal property gross list follows: Machinery and water power valued at \$147,545; 73 horses at \$33,725; 81 cattle at \$7,150; poultry at \$245; commercial vehicles at \$2,750; farm tools at \$3,800; mechanics tools valued at \$3,800; goods on hand of manufacturers at \$11,925; goods on hand of merchants and traders at \$195,085; cables, conduits, etc. at \$561,880; boats at \$70,270; all other at \$72,635, and the total at the 10-per cent penalty at \$11,975.

### President Sees Hanoi's Mood Still 'Hawkish'

The United States would welcome almost any kind of Vietnam peace talks.

"This might be the Geneva conference, or any other generally acceptable forum," he said.

"We would participate in preliminary discussions which might open the way for formal negotiations. — Or there could be preliminary discussions to see whether there could be an agreed set of points which could be the basis for negotiations."

Johnson said the administration is studying very carefully all public statements made by others that bear on Vietnam, "and all the views which we receive from or through other governments."

Even as he emphasized repeatedly that he has yet to get any serious peace signals from Hanoi, Johnson said he was diligent in our search for the possibility of a breakthrough.

Johnson was asked if he would be willing to participate in a summit meeting with the leadership of North Vietnam.

Dodging, the chief executive responded, "Where would that talk, who would talk, what we would talk about are all matters that could be worked out between the two governments in an appropriate setting."

Replying to another inquiry Johnson acknowledged that he does not have to compromise in any negotiation.

He said "any peace agreement will involve understanding by both parties and certain concessions by both parties."

Johnson was asked if he would be willing to participate in a summit meeting with the leadership of North Vietnam.

Dodging, the chief executive responded, "Where would that talk, who would talk, what we would talk about are all matters that could be worked out between the two governments in an appropriate setting."

### Ky Planning Speed-Up of Viet Election

South Vietnam has a stable, stronger and official government with all the prestige and support from the population.

On corruption, the premier said that the National Conference, chief of the joint general staff, and Nguyen Van Vy, chief of the armed forces joint staff were making a systematic investigation into conditions in all four military corps areas.

"In the last 19 months," Ky said, "we have eliminated many bad people. We have made progress but we must keep at it. We must not only eliminate the corrupt commanders, but bring justice to the good ones who have been victims of the system."

He said the two generals would conduct a vigorous nationwide anticorruption probe.

### Space Officials Await Private Moon Report

NASA has alternatives to minimize the impact should a major redesign not be required.

First, a double of the Apollo 1 spacecraft is available, though it would require several months to prepare it for flight. It was put in storage several weeks ago when NASA decided to cancel one of the program's earth orbital missions.

The twin, however, has been placed at the disposal of investigators who could use it for comparison with the lunar module, possibly to the point of even stripping it side-by-side, piece-by-piece with the fatal vehicle.

NASA could use it for the flight up to 14 days in earth orbit, but the plan for Apollo 1, ironically, says a flight was its original purpose, before officials decided to do away with a virtual repeat of the Apollo 1 flight.

Secondly, NASA could skip the Apollo 1 mission completely and move on to the second on the night schedule — a more complex rendezvous mission between the three-man Apollo ship and a lunar landing module in earth orbit. This flight now is scheduled for September or October.

A decision on what course of action to take no doubt will be made until after investigation reports complete their probe, which would take several weeks.

When he failed to arrive at checkpoints along the way, Cape Kennedy technicians are some of the people expressed in the process of removing the charred debris from inside, though for a hint of what might have happened.

Board members gave Robert C. Seamans, NASA's deputy administrator, the go-ahead to report Thursday, then continued the first time a light plane had gotten the world from pole-to-pole.

But the Navy blocked his take-off after receiving a letter from the admiral commanding Navy operations in the Antarctic. The letter said severe weather conditions and limited visibility made it impossible to permit the flight.

### FCC Pondering 'Walkie-Talkie' Frequency Shift

Force for so-called ham radio amateur communications.

In scatter communication, high-power transmitters send out a signal in all directions, but only the good ones who have been victims of the system.

He said the two generals would conduct a vigorous nationwide anticorruption probe.

### Conrad Cancels Antarctic Trip

refusal to permit the flight, then returned to Lock Haven, Pa., home base for the plane.

The Navy's action caused confusion among people involved in the project in New Zealand and other points along the planned route. They had assumed Conrad had begun the flight that day.

When he failed to arrive at checkpoints along the way, Cape Kennedy technicians are some of the people expressed in the process of removing the charred debris from inside, though for a hint of what might have happened.

Board members gave Robert C. Seamans, NASA's deputy administrator, the go-ahead to report Thursday, then continued the first time a light plane had gotten the world from pole-to-pole.

But the Navy blocked his take-off after receiving a letter from the admiral commanding Navy operations in the Antarctic. The letter said severe weather conditions and limited visibility made it impossible to permit the flight.

### Guest Speaker

Joseph P. Dyer, Jr. of 48 Fairview St. will speak Sunday at 6:30 p.m. at a meeting of the mission study group at Community Baptist Church. He is director of the Connecticut Office of Economic Opportunity, a facility which oversees private programs in the state.

A native of New London, Dyer graduated from Providence (R. I.) College in 1956 with a bachelor of philosophy degree.

He served in the State Labor Department 26 years before assuming his present post 7 years ago.

He is also on the board of directors of the Connecticut State Welfare Conference and a member of the advisory committee for state technical schools and institutions, including the Hartford Skill Center and Cedarhurst Hospital.

Candidates "more support and more assistance and more effort than we have given in any period in our history."

### Almost to Play Music of Bach

David L. Almond, organist and choir director of Concordia Lutheran Church, will present a program of Bach music on the organ Sunday at 8 p.m. at the church. The program is part of a series of Abendmusik (evening music) presented during the year of the Reformation.

A free will offering will be taken at the end of the concert.

The chief executive also found it difficult to justify the bombing of North Vietnam. He said such missions were undertaken to make Hanoi pay a much heavier price for its support of the Viet Cong and other forces.

He said "any peace agreement will involve understanding by both parties and certain concessions by both parties."

Johnson was asked if he would be willing to participate in a summit meeting with the leadership of North Vietnam.

Dodging, the chief executive responded, "Where would that talk, who would talk, what we would talk about are all matters that could be worked out between the two governments in an appropriate setting."

### Woman Attacked By Pet Snake

Mrs. Cecilia DeVaux of 801 Elm Street, Manchester, was bitten on the hand by a pet snake, a cobra, which she had brought home from India. She was taken to the hospital yesterday after her pet snake attacked her with claws and teeth.

The cobra, which she had brought home from India, was kept in a cage in her home. She was bitten on the hand when she was cleaning the cage.

Mrs. DeVaux said she was not hurt by the bite, but she was in pain. She was taken to the hospital for treatment.

Don't Stay Home

the air could be too dry. Air that is too dry is bad air... bad for drying out cherished possessions... bad for maintaining good comfort... and air that is too dry may cause some health problems.

Advertisement for Pen-An-Co. featuring a humidifier and the slogan "Where Good Ideas Come Naturally For The Home".

Margin Of 6 Among 112 Of 470

A meeting of Manchester teachers voted, Wednesday, by a tally of 59 to 53, to reject the salary schedule negotiated and recommended by the bargaining team for the Manchester Education Association.

Nader A One Man Band

What the automobile industry gets from Ralph Nader is, perhaps, something it deserves, for the six it committed when one of its member giants made the mistake of putting detectives on Nader's trail in a silly effort to discredit his sensationalism about automobile safety by digging up some sensationalism about his private life.

Inside Report

By Rowland Evans Jr. Robert D. Novak. Wallace's inauguration was not the Wallace motif of defying the Federal government. Instead, the theme was the gallantry of U.S. fighting men in Vietnam.

Herald Yesterdays

25 Years Ago. With less than eight weeks' work effort, Manchester residents, manufacturers and business houses purchase more than \$26,375 in defense bonds.

Two-Car Crash Results in Fight

John W. Dougan, 39, of Hutchinson Dr., was charged with breach of peace early this morning after he was involved in a fight with a passenger of a car which collided with his.

EX-LEGISLATOR DIES

G. Case, a former state representative who served in the House of Representatives from 1921 to 1924, died Saturday in Granby.

The Infiltration Numbers Game

Confusion, both unintentional and willful, compounds confusion in the matter of "infiltration" statistics in Vietnam. But it is not as humorous as it ought to be. It is a matter of high policy importance.

Aiding Police

On March 13 a Stamford policeman tried to break up a fight in an all night diner. The combatants turned on him and, outnumbered three to one, he was in trouble. A civilian in the diner came to his aid. The batter was brought under control.

Fischetti

When a civilian comes to the aid of the police he is only doing his duty but he should not expect a penalty for doing his duty, if it can be avoided. The mayor is right in asking that Mr. Fischetti be reimbursed and the representatives should act favorably on his recommendations.

Solberg Given One to Ten Years For Blackmail

Richard resident after the judge refused to admit as evidence a statement made by Mrs. Wright which Solberg had not advised of his right to legal counsel.

Solberg pleaded guilty the same day to a charge of blackmail which was based on a threatening letter to Mrs. Thompson's husband, Armin, three days after the June 18, 1965 slaying.

The anonymous writer of the letter said he had killed Mrs. Thompson and was also going to kill her baby daughter.

Solberg had been free in \$500 bond during the week between the end of the murder trial and his sentencing for blackmail.

The defendant had been in jail for 10 months.

The first trial for the murder of Mrs. Thompson was held in Litchfield Superior Court last year. It ended with the jury unable to agree on a verdict.

Tolland County CABE Unit Picks Slate

Region 2 of the Connecticut Association of Boards of Education (CABE) met Wednesday night in Windham High School in Windham to elect officers for next year.

Mrs. Cecelia Bagdonis of Manchester was elected president, succeeding Harold Porcherson of Bolton, who has served as president for the past two years.

Mrs. Marion Ahern of Windham was elected vice president, succeeding Mrs. Dorothy Logan of Mansfield. Mrs. Harold Colgan of Rham was re-elected secretary.

Two legislative delegates were chosen for the first time. Mrs. Patricia Kowalski of Andover and Frank Carr of Willington.

The panel discussion was led by Dr. Maurice Ross, chief of statistics and finance, state department of education, who presented a run-down on proposed bills.

Manuscript state representative and board of education member Foster Richards spoke on existing bills.

Harvey Olson, new executive secretary of CABE, spoke on the bill being promoted by CABE to limit the number of school districts in the 13-town region.

Runaway Wheel Damages House

A tire and wheel from a 1958 Dodge sedan was damaged yesterday afternoon by a runaway wheel which spun off on Wadsworth St.

Police said the driver of the car, Joseph P. Noyes, 56, of 138 1/2 Wadsworth St., was driving south at 5 o'clock when the left wheel veered left into the house.

The house and five cars were damaged by the runaway wheel. No injuries were reported.

The car, driven by Ernest G. Kirkpatrick, 41, of 44 Peachtree Lane, South Windsor, knocked over a stop sign at 4 p.m. yesterday while turning from Porter St. to Monroe St., police said.

The street sign was knocked over at 8:15 p.m. yesterday by a car driven by a Coventry motorist.

Police said the motorist, Sandra J. Pierson of Wall St., was driving east on Plymouth Lane and knocked over the sign while rounding a curve on the snow-covered road.

A two-car collision occurred at 10:20 p.m. Wednesday on Porter St., 125 feet south of School St.

Police said a car driven by Roger E. Ammirati, 25, of 37 Lenox St., struck an unoccupied car owned by Marian L. Kelley, 49 Pond Lane.

The delivery van was driven by a Manchester teen-ager struck a telephone pole last night.

Police said the teen-ager, John C. Hughes III, 17, of 27 Dudley St. was running a car on Conroy St. at 8:25 when he lost control on the slippery road.

The crash occurred yesterday at 8:15 p.m. in a private parking lot at Lenox and Center Sts. Police said a car driven by Dorothy Tedford, 25 Putnam St., backed into a parked car owned by Edna B. Beppell, of Camp Meeting Rd., Bolton.

Russians to Evacuate Families from Peking

Other wall posters said Premier Chou had attacked Peking's military commander, Yang Yun, on Jan. 31 for criticizing the army's chief commander, Gen. Hsiao Hua, and said this threatened army unity.

The posters also said Chou accused Liu Chih-chien, deputy chief of the army's general political department, of preventing the army from participating in the cultural purge in October.

Liu attacked the original order of the party central committee's military commission had ordered it to do so, Chou said.

Peking Radio reported the difficulties Mao's forces have run into in Shanai. It said the "revolutionary rebel daily" Tzu-yuan complained that since the takeover by Maoists on Jan. 21, the provincial government's "underlings started on generalizing, spread false rumors, and attacked the revolutionaries."

Mrs. Lu had tried to kill herself but gave no details. Wall posters Thursday reported that Chou En-lai had denied the report.

The family suggests that those wishing to do so make contributions to a Thomas Bloodgood Memorial Fund at St. George's Church, Riverside Beach, Conn.

The family suggests that those wishing to do so make contributions to a Thomas Bloodgood Memorial Fund at St. George's Church, Riverside Beach, Conn.

Body Found in Garage, Lab Test Result Waited

The body of Mrs. Cecelia Sullivan, 38, of 54 Woodside St., was discovered by two children and a neighbor yesterday afternoon lying slightly under the front bumper of a 1946 graduate of Gladstone High School, and moved to Manchester 10 miles north of Hartford.

The body was found in a garage door was open, police said, and the car motor was running.

Dr. John Prignano, assistant medical examiner, said today it appeared from an autopsy performed last night at the Connecticut State Medical Examiner's office that Mrs. Sullivan died from carbon monoxide poisoning.

Dr. Prignano said he is awaiting a blood test report from the state laboratory in Hartford before rendering his findings.

Two rabbits, one dead, were found in a cage on the premises where the body was found, Dr. Prignano said today.

Friends may call at the funeral home tomorrow from 7 to 9 p.m. in the funeral home at 7 to 9 p.m.

Cold Follows Northeast Storm

Forecasters mostly were mixed with rain, but Garrett County got 1 1/2 inches of snow.

The temperature climbed to 80 degrees in Philadelphia Thursday to a record set in 1933. The mercury then dropped to 10 degrees in the city.

Despite the poor weather, Navy fliers from three aircraft carriers in the Tonkin Gulf attacked cargo barges along the coast.

Next Saturday a race is expected to take place between the Navy pilots also claimed damage or destruction of five bridges.

Air Force planes attacked a variety of targets in North Vietnam last night, the military said.

The World Journal Tribune published the material in its 11 a.m. edition.

The suit, which was joined in Manchester, claimed that the newspaper violated a right because the material appeared the night before the trial.

Herbert Kamm, executive editor of the World Journal Tribune, said Thursday "We are not aware that the World Journal Tribune violated any embargo or any other limitation on the publication of news."

Herbert Kamm, executive editor of the World Journal Tribune, said Thursday "We are not aware that the World Journal Tribune violated any embargo or any other limitation on the publication of news."

The suit seeks \$1 for what it terms such "infringing" copy of the newspaper sold that day.

The magazine said that copies of the current issue of the magazine were either modified or deleted by Look.

The German publication agreed last week to delete passages in the future as a person's gesture to Mrs. Kennedy.

Carpenter Scores Again As Hero of Vietnam War

SAIGON, South Vietnam (AP) — Capt. William C. Carpenter, West Point's "honorable and football star," died it again this week.

The paratrooper from Monmouth, N.J., carried an injured Air Force pilot to safety in a damaged transport plane after it made an emergency landing at Saigon's Tan Son Nhut Air Base, the U.S. Air Force reported today.

Carpenter last June won his second Vietnam Star and a Medal of Honor nomination when he called air strikes down on a company to prevent it from being overrun by a larger enemy force.

Carpenter, 29, and 38 other men except the injured officer boarded another plane and took off for their original destination.

Carpenter won his first Vietnam Star as an adviser to a Viet-United States Army paratrooper brigade for destroying a Viet Cong position with a hand grenade in December, 1964, although a bullet had smashed into his right arm.

Carpenter volunteered for a second tour in Vietnam so he could command an American paratroop company.

After calling in the air strike of honor nomination when he on his own position last year, Carpenter was transferred to Saigon for six months as an aide being overrun by a larger enemy force.

## Bruce Watkins Will Head Revised Slate at Firm

R. Bruce Watkins was elected local store. Active in town and civic projects, he is associated with the Chamber of Commerce, Manchester Savings Bank, Manchester National Bank, Manchester Memorial Hospital, the Town Park Authority, and the Kwanan Club.

Richard W. Johnson was elected vice president of the corporation. He is a former member of the Jaycees.

Other officers re-elected are William Rush, treasurer; and Herbert W. Swanson, secretary. Philip S. Rush was made a director of the corporation.

Rush, 48 Brookfield St., is a grandson of one of the founders, the late Clarence G. Watkins. He is general manager of the Hartford Mutual store at 241 C. Elmore Watkins, who was elected to the newly created position of chairman of the board.

Rush is a native of Manchester and a graduate of Tufts University. He served in the Army Engineering Corps during World War II and is now a lieutenant colonel in the Army Reserve, retired, and a member of the Hartford Rotary Club.

Johnson, of 33 Sunset St., is a native of Manchester and a graduate of local schools. He was an Air Force gunner and served in World War II and saw action in the South Pacific.

## Chaminade Sets Program Theme

"Music for Children" is the theme of a program of the Chaminade Musical Club meeting Monday at 8 p.m. in the Federation Room of Center Congregational Church.

Mrs. Marie Stephens is chairman of the program. The event is open to all interested women.

Music, both traditional and modern, written with children in mind, will be performed. This will include folk music, modern arrangements of familiar songs, classical and other forms by Mozart, Brahms, Schumann, Beethoven, Tchaikovsky, Diak, Debussy, Humperdinck and others.

Club members appearing in the program are Mrs. Howard Chase, Mrs. David Comp, Mrs. Jerry Conroy, Mrs. George Hunt, Mrs. Robert Ingersoll, Mrs. John Porcherson, Mrs. Norman Slade, Mrs. D. D. Stewart, Mrs. Cyrus Tompkins, Mrs. Russell Vennart and Miss Stephens.

Mrs. Headley Willes is chairman of a refreshment committee.

## Three Churches Ask Plans For Pond, River Cleanup

The social action committees of three Manchester churches, two of which own property in the North End, have called on the town directors and the 8th District directors to reveal their plans for cleaning up Union Pond and the Hookanum River.

The churches are St. Bridget and St. Agostinelli, the North End, and Center Congregational, which has "more than an altruistic interest."

In a joint letter to Mayor Nathan Agostinelli and 8th District president Victor Swanson, they recommended a \$3.7 million program to be done by the construction of a secondary treatment sewage plant and by the construction of additional sewer trunks in the northeast section of town. His advice was recently corroborated in a Metcalf and Eddy study report, recommending a \$3.7 million improvement program, to be shared proportionately by the town and the 8th District.

In addition, the State Water Resources Board has set a 1971 deadline for local completion of secondary treatment facilities if the town and District are to qualify for state grants.

Fuss, if the April report, had recommended a four-step stop-gap program for Union Pond, to be incorporated into long-range plans.

The program, at a \$100,000 estimated cost, is awaiting an appropriation for fulfillment. The \$100,000 item had been part of the proposed \$2.5 million package bond issue scheduled for Nov. 8 referendum, but was removed from consideration at the last minute.

The four recommendations were:

1. To reconstruct a sewer line from the Lydell Brook culvert in Robertson 221st program, to the Union Pond Dam.
2. To fill the low land abutting Union Pond to the north and east of the Lydell Brook culvert outfall to the north and east of the filled area.
3. To provide for a general cleaning up of the pond shoreline, including removal of the sludge blanket for 20 to 30 feet along the shore.
4. In addition, Fuss had recommended town purchase of land in the 10,000 to 20,000 population area, to be used for a recreation area.

The issue in an April 6, 1966 referendum.

## IOH Fashion Show at Concordia on Sunday

Miss Laura Oskowski of 655 W. Middle Tpk., left, and Miss Barbara Lynn of 88 Wedgewood Dr. are among 14 members and volunteers of the Handicapped (IOH) modeling in a Spring Fashion Show Sunday at 2:30 p.m. at Concordia Lutheran Church. The show will benefit the IOH Pool Fund. Miss Oskowski is wearing a cocoa brown quilted dress, designed sleeveless with rolled collar. Miss Lynn is garbed in an abstract print tent dress in shades of blue, yellow, chartreuse and white. Clothes are from the Mam Seale Shop in Tri-City Shopping Plaza, Vernon. IOH hopes to build a special pool for retarded and handicapped children at a cost of \$278,000. They now have about \$26,000 in the pool fund. The fashion show is open to the public. Tickets may be purchased at the door. (Herold photo by Starnia.)

## Town Report Wins Award

Glastonbury's report tied with that of the first place in the 10,000 to 20,000 population class. The report is dedicated to service for the Connecticut Public Expenditures Council, a successor of a general manager, Richard Martin, former mayor of Glastonbury.

The award was made in a contest conducted annually by the Institute of Public Service at the University of Connecticut.

The top winner this year was Waterbury Republican-American, which placed second in the contest. The Manchester report, compiled by a Brandeis student and the town.

## Anton Elected To Head SPEBS

Richard F. Anton of 171 Brent Rd. recently was elected president of Manchester Chapter of the Society for the Preservation and Encouragement of Barber-shop Quartet Singing in America, Inc. (SPEBS).

Others elected are Robert W. Sherman, D. London, political party has many pictures and photographs as well as statistical reports on municipal operations. It theme is the past, present, and future of the town.

### Town Workers to Meet On Pension Plan Changes

All Manchester municipal employees have been invited to a meeting on Feb. 14, to hear the town directors' explanation of the pension ordinance, to submit suggestions, and to commendations to the State Legislature.

The mass meeting will be at 3:30 p.m. in the Bentley School Auditorium on Hollister St.

The proposed amendments to have been up for public hearing and consideration Tuesday, at the board of directors' meeting, but have been removed from the agenda, pending possible incorporation of any suggestions made on Feb. 14.

The Pension Board will meet Monday at 4 p.m. to prepare its recommendations to the employees and to complete its 1967-68 proposed budget.

The Pension Board will recommend changes which would provide for vesting after 10 years town employment and at age 40; inclusion in the program of the town treasurer, the registrars of voters, and permanent, part-time employees who work a minimum of 20 hours a week; retirement benefits for policemen age 55, and improved disability payments.

Town Manager Robert Weiss and Controller Joseph C. Brennan have been pressing for vesting rights after 5 years town employment, and have been backing of department Steiger, treasurer; Charles Loehrs, director; Justin Cammarata, director; and Robert J. Emmons, bulletin editor.

The group meets each Monday at 8:15 p.m. at Bunce City. Officers of the group are: President, Sanford Hirschauer; Vice President, Austin C. Loomis; Secretary, Robert C. Loomis; Treasurer, Charles Loehrs; Director, Justin Cammarata; Director, Robert J. Emmons; Bulletin Editor, Robert J. Emmons.

# Overtime Session Needed As Eagles Down Puaski

By RICH DYER  
Overtime action was needed to settle the one-two punch of Doug Meloy and Greg Turek spelled the difference for East Catholic High last night as the Eagles kept their HCC

dominance alive and squashed by an inspired Puaski High, 52-74, in New Britain. The thriller marked East's fourth straight conference victory and set its record at 12-1 overall. The Eagles return to New Britain, Conn. Saturday afternoon to face South Catholic at 4 o'clock with all the marbles in the HCC at stake.

## THE Herald Angle

By EARL YOST Sports Editor

### Winter League Experiences

Winter baseball is for anyone but Tom Kelley, at least in Valencia, Venezuela. The local right-handed pitcher, who will report later this month to the Cleveland spring training camp in Tucson, Ariz., will never go back to Venezuela, even though the parent organization insists, as it did this winter. He's had his fill.

Hardcore fans who won four of 12 decisions last year were all three pitching decisions. Winter baseball is for anyone but Tom Kelley, at least in Valencia, Venezuela. The local right-handed pitcher, who will report later this month to the Cleveland spring training camp in Tucson, Ariz., will never go back to Venezuela, even though the parent organization insists, as it did this winter. He's had his fill.

Kelley was finally used as a starter. When Kelley reports at Hill Corbett Field, he'll have to recall his teammates about his experiences in Venezuela. He's had his fill. Kelley was finally used as a starter. When Kelley reports at Hill Corbett Field, he'll have to recall his teammates about his experiences in Venezuela. He's had his fill.

On the field of battle, Kelley had a decent jump shot and a lay-up back-to-back in the opening minute. The momentum was enough to get the outscored by the honer five 14-4 in the overtime.

Battling with over 50 per cent accuracy, East sank 21 of 36 from the floor and 15 of 31 at the free-throw line. Puaski was the only Eagles to find field goals and 12 for 20 on charity tosses, placed a quartet in the two column bracket.

The hosts, going 29 for 55 on field goals and 12 for 20 on charity tosses, placed a quartet in the two column bracket. The hosts, going 29 for 55 on field goals and 12 for 20 on charity tosses, placed a quartet in the two column bracket.

Ken Wood outshot a field of 16 top local competitive shooters in winning the first Club Championship Tournament. Wood fired a fine 738 X 800 to better Allan Archibald by two trigger squeezes and Art Shorts by three points.

Wood must be commended for his real pressure-packed, count-from-behind win. Using a trademark rifle, also considered a handicap, Wood fired his first 10 shots in the prone position dropping an unbroken string of seven points. Shots, realizing the trouble this super shooting was having convinced Wood to go back to his own rifle. He did and fired a perfect 10 for his next 10 shots.

When the cuff awards are being passed out to Connecticut high school basketball coaches, one fellow who rates highly is Mel McGinnis, coach of East Windsor High. The former UConn hooper gets the job done with a minimum show many seasons.

One of the best younger officials in the Central Connecticut State Association Basketball Officials is Cy Menchel, former UConn star. Tom Maloney, in his 10th year of coaching at the college level, has a point per game scoring average with Assumption College this season after the first dozen games in which he played in 11 Springfield's so fired a point shy of 100 in the sitting state.

Clay and Terrell were Archibald and winning class B, defeating many senior hotshots, was junior shooter Jan Jacobs, Newcomer Ed Curtis, firing in his first competition, fired a laudable 688, only nine points from winning Class B.

Wood, 738, Archibald, 726, Shultz, 705, Ptas, 692, Buck, 688, Gallagher, Jr., 684, Jackson, 680, Jacobs, 677, Rothwell, 675, Timreck, 660, Carns, 660, Sullivan, 649, Rzeuski, 648, Heimel, 627.

Four junior members will represent Manchester in the Annaparran and Mexican Pedro Rodriguez in 12-cylinder National Championships this weekend at the Middlefield Rifle Club in pack.

# 5th Straight Win Indian Goal Tonight

By PETE ZANARDI  
It's a season of surprises at Manchester High. The Indians go after their fifth straight win and ninth in 14 starts tonight against CCIL at Bristol Central.

A pair of neighborhood battles share the area spotlight. There's a record here on Tom, Tom's 15 goals against Hall. Manchester topped Central, 63-39 in Bristol. It ought to be as easy as breathing. Manchester 70, Central 42. Cheney has had its trouble. Through the first six starts, the Bruins were a 3-3 record. They dropped seven of their last eight, including a 60-49 decision to Bolton High. Bulldogs have remained around the 500 mark all season and developed two fine shooters in Dave Southerton and Charles Chazotte.

Back to 500 for the Bulldogs. Bolton 68, Cheney 55. The Bruins will be out to prove the 111 points in Glastonbury were no fluke and make it two in a row. Billington, which has won the last two outings, including a 77-45 outing in the Windy City this season, is fighting back on a surprising football team last fall, is now the pace-setter for the hoopers. His record-breaking 36 points last Tuesday against Maloney brought him over the 200 mark to 212 and upped his average to 16.3.

It's the year, a Manchester squad stopped a 10-game losing streak against CDC foes. In fact, the 61-54 win over Bolton by night was the best of the four quarters. Nasiff's had the figure performance of Dave Hasset (13), Ron Nio (12), and Erwin Nash (10).

Turning Point  
"That week was a turning point," said Coach Phil Hyde.

Showing a strong floor game, Peck Lumber downed the Hawks, 44-41 last night. Mike Kelly (17), Brian Maher (10) and Jeff Marney (8) paced the winning effort while Dick Marsh (11) and John Hull (10) scored double figures for the losers.

Nasiff Arms rolled over Pagans 52-26 in the nightcap. Coming on strong in the third and fourth quarters, Nasiff's had the figure performance of Dave Hasset (13), Ron Nio (12), and Erwin Nash (10).

Leading by three points at the end of the third quarter, the Patriots allowed 93 points in Colchester. Bacon 90, Coventry 70.

## WEST SIDE PERFORMERS

League leading Herford Angels, led by Jim McNickle (11) and John Farrand (8), pulled away from the Army & Navy Club in the last quarter for a 27-17 victory last night. The Newspapermen panned in baskets at a terrific pace to insure their hold on the league lead. Marty Johnson also played well. Harvey Caswell (6), Dan Smacetti (4) and big Jim Danby, were the big guns for the Vets.

WEST SIDE MIDGETS  
Regal's Falcons downed Dea's Drive-In 48-40 in a foul-infested game. The Falcons moved into first place in the Central Billiards.

Paced by Big Sam Verhovcen (24) and Jerry Santora (11), the Formalis broke open a tight game in the third quarter to win going away. Mike Landry played a fine floor game for the victors.

Dea's leading by a slim margin by virtue of dropping in 10 for 16 foul shots. On out of gas at the end of the game, the Formalis broke open a tight game in the third quarter to win going away. Mike Landry played a fine floor game for the victors.

Dea's leading by a slim margin by virtue of dropping in 10 for 16 foul shots. On out of gas at the end of the game, the Formalis broke open a tight game in the third quarter to win going away. Mike Landry played a fine floor game for the victors.

## Brooks Robinson Satisfied With Reported \$75,000 Pact

BALTIMORE (AP)—Brooks Robinson, whose early-season hitting helped carry the Baltimore Orioles to the 1966 American League pennant, has signed his 1967 contract for about \$75,000.

Robinson said he was "very satisfied" with the deal, which is the highest in the league. He had 19 home runs and 100 RBIs last season.

Robinson was named the 1966 American League MVP. He was also named the 1966 American League All-Star.

## Collegians Win Easily With Balanced Attack

Anxious to post a .500 record in its first season of play, Manchester's Community College basketball team won its opening game, 81-57, over Middlesex Community College last night.

The attack at the Clarke Arena were four double-figure scorers. Pete Harding and Vito Grieco were the top scorers.

The success was the fourth in 10 starts for Coach Nick Costa. Next game will be at home against Holy Name College of West Hartford.

Popular Irish was the big man in the second half and he played a key role in the win. He scored 18 points and had 11 rebounds.

Dea's leading by a slim margin by virtue of dropping in 10 for 16 foul shots. On out of gas at the end of the game, the Formalis broke open a tight game in the third quarter to win going away. Mike Landry played a fine floor game for the victors.

# Warriors Slow Wilt, Defeat 76ers

Bill Sharman Claims Wilt Move Illegal

NEW YORK (AP)—San Francisco Warriors, who used a \$16,000 video tape machine Thursday night, slowed down Wilt Chamberlain and beat the Philadelphia 76ers.

Still unsettled, despite the win, is Warriors Coach Bill Sharman. He claims the use of the video tape machine was illegal.

But putting Chamberlain on tape apparently unsettled the National Basketball Association.

His former Warrior teammate and understudy, Neil Armstrong, worked eight of Wilt's shots, dominated both halves with 22 rebounds and scored 16 points in San Francisco's 117-101 victory.

Chamberlain only managed 16 points. He was fouled out in the fourth quarter.

It was only the eighth loss of the season for Philadelphia, which has lost only four games in the Eastern Division. San Francisco led the Western Division.

In the night's only other contest, Cincinnati's Oscar Robertson led the league with 40 points in a 108-97 win over the Los Angeles Lakers.

Robinson was named the 1966 American League MVP. He was also named the 1966 American League All-Star.

## Misunderstood

"The language barrier was the toughest," Kelley said. "They called me into the office after the fourth day and I thought they said I was free to go. As we walked up to a golf course, I went out to a golf course. As I was walking up to the eighth hole, three or four policemen came running over. You should have seen my caddy run. I thought they were after me, but it was me."

"It was odd to jail again for two days. Manager Johnny Lipon and the ball club got the matter straightened out when the woman who was hit by the car was found to have been intoxicated."

"I couldn't get out of there fast enough and head back to the states," he added.

A calcium deposit formed on the right elbow but after getting daily treatment at Manchester Memorial Hospital, Kelley was able to go back to work as an American League umpire.

Just how far he can go this spring remains to be seen. New manager, Joe Adcock has gone on record as saying Kelley, not necessarily a relief man, may find himself in the bullpen if needed.

## Top Starters

The Cleveland starters considered the best in the league are Sam McDowell, Luis Tiant, Gary Bell, Sonny Siebert, and Steve Hargan. A pretty tough crew to crack unless someone develops arm trouble as McDowell did last summer and Mass. college.

## MODEL MAKERS MOTOR DESIGN ENGINEERS

We are offering the following to the people who qualify. Exceptionally high salary and bonus, unlimited growth potential. All Fringe benefits paid by the company including vacations, holidays, Blue Cross, CMS and retirement plan.

Brand new modern single story plant in a beautiful country setting. Small company, approximately 200 employees, with the typical small company friendly atmosphere. Well managed, company requiring only 40 hour week. Good location, only 20 minutes from Hartford.

Excellent professional recognition and rewarded. All promotions made from within. Large paved parking lot with individually assigned spaces. Excellent employer relations.

Over 25 years of highly successful electrical appliance manufacture. Send resume to Manchester Herald, Box CC.

Our people know of this ad. All replies will be treated with strict confidence.

## Rifle Club Event Won by Ken Wood

Ken Wood outshot a field of 16 top local competitive shooters in winning the first Club Championship Tournament. Wood fired a fine 738 X 800 to better Allan Archibald by two trigger squeezes and Art Shorts by three points.

Wood must be commended for his real pressure-packed, count-from-behind win. Using a trademark rifle, also considered a handicap, Wood fired his first 10 shots in the prone position dropping an unbroken string of seven points. Shots, realizing the trouble this super shooting was having convinced Wood to go back to his own rifle. He did and fired a perfect 10 for his next 10 shots.

When the cuff awards are being passed out to Connecticut high school basketball coaches, one fellow who rates highly is Mel McGinnis, coach of East Windsor High. The former UConn hooper gets the job done with a minimum show many seasons.

One of the best younger officials in the Central Connecticut State Association Basketball Officials is Cy Menchel, former UConn star. Tom Maloney, in his 10th year of coaching at

About Town

The Rev. Richard Dupes of South Methodist Church will conduct a service Sunday at 8:15 a.m. on radio station WINF.

Sunset Rebekah Lodge will meet Monday at 8 p.m. at Odd Fellows Hall.

The Fellowship Club of Manchester Lodge of Masons will meet Monday at 7:30 p.m. at the Masonic Temple.

Sunset Council Degree of Pechontas will meet Monday at 7:30 p.m. at Tinker Hall.

Mrs. Anna Chmielicki, great-granddaughter of the late Mrs. Peabodias, will pay an official visitation.

The Rt. Rev. Magr. Byrnes, president and rector of St. Thomas Seminary, Bloomfield, will speak Monday at 7:30 p.m. at a meeting of the Holy Name Society of St. James' Church.

Mrs. Kathleen Perry, daughter of Mr. and Mrs. James Perry of 211 Hollister St., is currently receiving psychiatric nursing experience at the Institute of Living, Hartford, for 12 weeks.

Clement-Kmiec

The marriage of Miss Laurie Ann Kmiec of Manchester to Edward Gregory Clement Jr. of Yonkers, N. Y., was solemnized last Saturday morning at St. James' Church.

The bride is a daughter of Mr. and Mrs. John Kmiec of 283 Highland St. The bridegroom is a son of Mr. and Mrs. Edward G. Clement of Waterford, N. Y.

The Rev. Vincent J. Flynn of St. James' Church performed the double ring ceremony and was celebrant at the nuptial Mass. Bouquets of chrysanthemums, carnations and gladioli were on the altar.

The bride was given in marriage by her father. She wore a full-length gown of peau de soie with accents of Alencon lace, jewels and seed pearls.

Miss Karen Peterson of Wethersfield, cousin of the bride, was maid of honor. Bridesmaids were Miss Norma Peterson of Wethersfield and Miss Lorna Steinhilf of Taunton, Mass., both cousins of the bride.

They were dressed alike in full-length gowns, designed with wine colored velvet, empire bodices, scooped necklines, long flounced sleeves, pink crepe sheath skirts and back panels.

Robert Clement of Waterford served as his brother's best man. Ushers were Thomas Clement, Raymond Clement, Dan Clement, all of Waterford, and all brothers of the bridegroom.

MRS. EDWARD GREGORY CLEMENT JR.
