## Best Friend

By BOB THOMAS

BOLLYWOOD (AP) — Las-sie's best friend may well be William Beaudine, who has di-rected the talented pooch through 76 chapters of the long-run series and appears ready to direct 75 more.

Big Bill knows just how to wring the right emotion from Lassie and — just as importantly — how to bring the films in on budget or under.

"I've never gone over a shoot-ing schedule in my whole career," the director says proudly.

And what a career it has been! At 75 Bill Beaudine claims to have been a director longer than anyone else in Hol-

"I directed my first picture starting on Oct. 12, 1915," he recalled. "It was a one-reel comedy called — get this — "Minnie the Lion."

"I don't know of anyone who started before I did. Raoul Walsh? He was still an actor for D. W. Griffith. Jack Ford was an assistant for his brother Francis. George Marshall was an actor."

For over a half-century,
Beaudine has pursued his
proudest of two Mary Pickford

"Long ago I quit thinking that every picture I did was going to be an academy award contend-er," he said. "I'm a commercial director; I know how to save money and get something on the screen. I let those arty guys shoot the scenes through chansoliers or from behind a wine lass. That's not for me.

'T'd like to see a George Stevas or a William Wyler shoot a assie in three days, the way I do. Hock, they'd be three days rying to make up their minds bout the first shot.

Beaudine is a big, cheery man with a pointed mustache. He gures he has turned out 200-250 television shows — "Naked Olty," "Rin Tin Tin," "Racket quad," "Walt Disney Presents," etc. He receives from \$1,200 to \$1,500 for a half-

#### LUCILLE BALL HOURS

NEW YORK (AP)-CBS will bring back some of those hourlong comedy programs starring Lucille Ball, Desi Arnaz, Vivian Vance and the late William Frawley to replace "Coliseum" in early June. The programs were made close to a decade ago and have been rerun before. Old comedy shows apparently never even fade away.
