Marines Capture Third Viet Hill

SAIGON (AP) — The U.S. Marines took Hill 881 North today, the last of three border peaks that have cost the Leathernecks nearly 1,000 dead and wounded and the Communists an estimated 1,000 killed in 12 days of some of the hardest fighting of the Vietnam war.

U.S. officers in Da Nang announced that the Marines had captured the hill at 2:30 p.m. by a Marine company that met only "light resistance" in the final assault. This indicated that the North Vietnamese had pulled out of their entrenched positions, possibly slipping across the Laotian border just below the demilitarized zone.

Elsewhere in South Vietnam's northern sector, the South Vietnamese reported their second success this week in the Hue area 40 miles south of the demilitarized zone. A spokesman said a battalion of the Vietnam Army's 1st Division and a company of guerrillas into a vice with another government force.

Two days before government troops reported killing 150 guerrillas in an all-out battle northwest of Hue. Poor weather limited U.S. efforts to only 65 missions over North Vietnam Thursday. But U.S. Air Force planes returned to the Hanoi area to bomb the electrical transformer site seven miles north of the city again, and Col. Robin Olds, Washington, D.C., shot down his second MIG. It made him the 21st double series of at least seven dog-fights during the bombing of the transformer site, Olds' victim, a MIG21, was the 49th Communist plane shot down by American pilots in Vietnam.

The United States also lost (See Page Ten)

A napalm firebomb exploded on ridge leading to Viet Hill 881 as a Marine battalion moved along a ridge of hotly-contested border peaks, was finally captured today by the U.S. forces.

Air Force Makes Rescue Schooner Survivors Arrive at Da Nang

DA NANG, Vietnam (AP) — Seven survivors from the wrecked American schooner Dante Deo were brought to Da Nang tonight and the leader of a group said, "The ground crew found the schooner on a reef in the Purolo Islands about 200 miles east of this city on the northeast coast of South Vietnam."

U.S. Air Force amphibian plane flew to the islands, after distress signals were received, and made the rescue. Picked up were six adults and a child. First reports indicated they were the only persons aboard the Dante Deo when she ran aground.

All survivors brought to Da Nang appeared to be in good shape. The leader of the group, Thomas Kurth, 30, Milwaukee, Wis., joyfully tossed his key to the ground in this northeast coastal city "navo foods sold."

Barbieri to Scrap Plans For Dodd Testimonial

NEW HAVEN, Conn. (AP) — Arthur T. Barbieri, New Haven Democratic town chairman, today scrapped plans for a testimonial dinner for Sen. Thomas Dodd at what he called the "insistence" of the senator.

Barbieri said he received a letter from Dodd in which the senator requested that he drop the plans for the testimonial. "For the present," Barbieri said, "I am refraining from making further plans for the affair and hope that in the near future an opportunity will arise for me to confer with Tom and occur here said it was believed the seven brought to Da Nang since to sponsor the event."

Barbieri said his decision to stop plans for the dinner was motivated by "my fervent desire to help the senator rather than hurt him."

Dodd's letter to Barbieri said he was "deeply moved that you should make it impossible to continue."

Nonstop Kiss

BELFAST, Northern Ireland (AP) — Bryan Kelso pleaded guilty Thursday to a mile-long kiss and paid a fine of \$4.40 for driving without proper control.

A policeman testified that the 26-year-old salesman and a girl clinched a mile-long kiss while zipping across town in his sports car. A patrol car tailed them for a mile before cutting it off.

"It was very genteel of you not to interrupt my kiss," said Magistrate Phil Gorman. He also said that the girl's name.

State News New Trouble With Pickets, 21 Arrested

NAUGATUCK (AP) — Another picket line skirmish at the Uniroval Footwear Division resulted in the arrests of 21 persons today on breach of the peace charges.

The disturbance broke out, as it did Thursday, when striking pickets tried to stop office workers and management personnel from entering the plant.

Some 43 persons were arrested on similar charges in Thursday's incident. Four of them were arrested again today.

Two persons were reported hurt today — a woman who suffered a knee cut and a man who said he was kicked in the abdomen.

Three locals of the United Workers, representing about 4,500 employees at three Uniroval plants here, have been on strike since April 21 as part of a nationwide walkout. Local officials of the UAW represent the Footwear Division workers.

Relocating Costs 2,500 Unemployed

HARTFORD (AP) — Businesses and farms that must make way for state highway construction will be paid up to \$25,000 for the cost of relocating under a bill that cleared Thursday in the General Assembly.

Currently, there is no provision for paying moving costs, except for occupants of housing where 20 or more units are to be taken.

The measure, which passed the House and was sent to the governor, deletes the 20 unit limit and provides \$250 in moving costs to all occupants.

The Weather

Fair, cool tonight, low 25-40; fair tomorrow, high in mid 60s.

37.9 Mill Tax Rate Adopted by Directors

In an atmosphere more reminiscent of a courtroom than a hearing room, the board of directors early this morning adopted a record-high \$10,620,126 General Fund budget for the 1967-68 fiscal year and voted a 37.9 mill tax rate.

The vote was 6 to 0, with the Republicans voting "yes" and the Democrats abstaining. The board of education is getting \$294,343 less than it requested but still \$420,899 more than its current appropriation.

The directors also by a 6 to 0 vote adopted the current budget for the 1967-68 fiscal year and voted a 37.9 mill tax rate.

The 1967-68 budget is \$706,277, 7.1 per cent above the current budget of \$658,800 from Town Manager Robert Weiss' recommended budget and \$106,277 above the 1967-68 budget of \$597,918 from Town Manager Robert Weiss' recommended budget and \$106,277 above the 1967-68 budget of \$597,918 from Town Manager Robert Weiss' recommended budget.

The board, still by a 6 to 0 vote and still with the Democrats abstaining, adopted a \$10,620,126 General Fund budget for the 1967-68 fiscal year and voted a 37.9 mill tax rate.

The largest item in the budget is the board of education's \$294,343. Both are repeats of this year's figures and both were recommended by Weiss. Each \$1,000 in assessment in this District will produce \$6 in revenue.

And, again by a 6 to 0 vote with the Democrats abstaining, the board adopted a \$17,914 budget for the Town Water Department and a \$283,242 budget for the Town Sewer Department, following Weiss' recommendations.

The 1967-68 General Fund budget will be financed by estimated revenues of \$8,200,838 from property taxes; \$1,861,500 from educational-related taxes; \$1,250 from fees; license and permit; \$58,340 from other agencies; and \$27,890 from non-educational-related state aid.

No surplus is anticipated (See Page Fourteen)

Bingham Quits College Board Executive Post

HARTFORD (AP) — Dr. Harold J. Bingham resigned today as executive secretary of the State College Board, attacking the board for "offering me a deal at a cost of \$6,000 to the taxpayers of Connecticut."

In a prepared statement to newsmen, Bingham said "I am resigning from the position of executive secretary of the State College Board."

Bingham, under fire from his board since early March, said the board's action to resign as executive secretary.

He said: "The chairman of the board advised that I could not otherwise secure a public hearing."

Rail Excursions Set for May 14

Connecticut Valley Chapter of the National Railway Historical Society will operate a steam-powered railroad excursion, May 14, from Hartford to Derby, via New Haven and Danbury, returning to Hartford by way of Waterbury. The train will leave Hartford at 9:45 a.m. and return at 8:30 p.m.

ECHS Twirlers Win Trophies

East Catholic Majorettes won four trophies in twirling contests last week. They were first place for a military routine and second place for a dance and twist routine in competitions Sunday, April 23, at Ocean Beach Auditorium, and Saturday at Sherburne Junior High School, Longmeadow, Mass.

Missionary Unit To Hold Confab

The Christian and Missionary Alliance will have its annual General Council May 15 to 22 in Hartford. A two-day missionary conference will be held May 15 and 16 at the Hartford Hilton Hotel for more than 100 missionaries now

home on furlough from overseas duties. The General Council session will convene Wednesday, May 17 at 7:30 p.m. in the Ballroom Memorial Auditorium, Hartford.

The Alliance, Dr. Nathan Bailey, its president, says, is the largest Protestant missionary organization in the world. It is an evangelical Protestant body which has made foreign missionary work its major objective since 1844.

Now totaling more than 1.5 million, the Alliance has 200 United States and Canada, the Alliance has 75,000 actual members, counts its constituency of members and adherents in the churches at about 320,000 persons.

Alliance missionaries have lived and worked for many years in some of the world's "hot spots" of tension and war. Dr. Bailey, said. In Vietnam, he added, the Alliance has a missionary force of 140 men and women, and for many years was the only Protestant mission in the area. Three missionaries of the Alliance and Missionary Alliance, he said, kidnapped by Viet Cong guerrilla warriors in 1926, are still in the hands of the Communists.

Hebron Red Cross Swim Program Will Be Held at Amston Lake

Mrs. Janet Berry, Hebron PTA president, has announced that the Red Cross swimming program will begin at Amston Lake.

All children who will enter Grade 12 this fall through those entering Grade 12 are eligible to take swimming lessons.

Mrs. John Ryan of Wall St. and Mrs. Adrian Cheney of Hope Valley Road are co-chairmen for the project.

Applications for a Red Cross qualified water safety instructor are being accepted at the present time and may be sent to either of the co-chairmen.

The Hebron Boy Scouts for Troop 28 will hold their regular monthly planning meeting Sunday at 8:30 p.m. in the Town Office, Building. All persons interested in promoting the scouting program in town are urged to attend.

The newly re-organized troop under Scoutmaster Adrian Cheney had 29 boys attend the third meeting last Saturday. Boys between the ages of 11 and 14, who are interested in scouting, are welcome to join the troop. They meet weekly on Saturday mornings at 9:30 at the Hebron Elementary School.

The boys recently formed four patrols. They are the Wolf patrol with H. Clay Osborn as leader; the Thunderbird patrol with George Rose as leader; the Hawks with Laurence Rose as leader, and the Flaming Arrow patrol with Mark Balone as leader.

It is Kindergarten

Ray E. Gardiner, principal of the Hebron Elementary School, reports that 72 children are registered for the kindergarten session this fall.

According to the estimated enrollment records and the enumeration figures, it is anticipated that 74 children will enter kindergarten. To date there are still some 10 families who have not registered children and this does not take into account new families that may move in before the opening of school. In three words, we're still growing.

The annual independent finance campaign in Hebron for the Blackledge District of the Charter Oak Council of Boy Scouts is scheduled for this weekend with Herbert L. Johnson as area finance chairman. The steering committee for Hebron is Howard Lant, Warren Smith, William Johnson and Richard Cahill.

Canvassers will visit local residents soliciting contributions for the council which aids and supports troop 28 and cub scout pack 23.

Tour of Houses

Hebron Historical Society has announced plans for a tour of old houses in the Burrows Hill section of town on June 4.

The tour will include Burrows Hill School, believed to have been built in the 1700's. It is the only old school building still belonging to the town. The schoolhouse contains old, double wooden desks, the master's desk, wooden blackboards and a curved ceiling.

Additional information will be available as plans progress.

Town to Conduct Panel On Use of 'Open Space'

The Town of Manchester, on May 17 at 8 p.m. at the Senior Citizens Center at Linden and Agyle Sts., will conduct a panel discussion on "Open Space Utilization."

The program, in the form of a panel discussion, was initiated by GOP Town Director David Golegrod.

The public is invited to attend and invitations have been extended to the Board of Directors, the Town Planning Commission, the Town Conservation Commission, the Advisory Committee, the Citizens Advisory Committee and the League of Women Voters.

Medical School Fund Up Hartford (AP)

Another \$2.5 million has been authorized for allocation toward the building of the State Medical Dental school in Farmington by the State Bond Commission.

The new authorization Thursday increases the total earmarked for the construction of the school to \$35 million. Construction is expected to start this summer, and it may require five to seven years to complete.

Andover 1-Mill Hike In Tax Rate Seen Certain

Due to rethinking on budget items since the public hearing of April 17, it now seems fairly certain that there will be a one-mill increase in the tax rate over last year, from 63 to 64 mills.

What is not so certain is how citizens of the town will react to the action of the Board of Finance, by a majority vote, in reducing the item number 214 in the Board of Education budget. "Other Instructional Staff" from \$12,500 to \$9,700.

In effect, what the finance board is telling the education board is that they will have either a one-half time music teacher or a one-half time art teacher but not both. The board of education believes strongly that it is its responsibility to pay what the education program should be.

The people who attend the annual budget meeting scheduled for Saturday afternoon, May 13, in the elementary school will be making the decision. Eligible voters are those who pay property taxes on property valued at \$1,000 or more.

Hearing Set By CRPA at Vernon High

Details of the Capital Region Planning Agency's proposed Open Space Plan will be aired at a public hearing for towns in the eastern part of the region May 15 at 8 p.m. The hearing will be at Rockville High School located on Loveland Hill off Rt. 85, Vernon.

Manchester area towns included in the eastern section of the region are Manchester, Vernon, Tolland, Bolton, Andover, Hebron, Ellington, Glastonbury, Somers and Marlborough.

Copies of the proposed Open Space Plan are available in the office of the Capital Region Planning Agency, 100 State St., Hartford.

The plan proposed the retention of open space areas to serve the recreational and conservation needs of the region.

It outlines proposed park plans for each of the member towns, which would complement and strengthen a regional park system eventually forming "greenbelts" in the region.

The long-range plan is designed to preserve open space and recreation areas in the region.

The CRPA has no power and makes only recommendations to local state officials. The plan carries recommendations to be implemented in the region through the year 2000.

All interested residents of the area are invited to attend the hearing, as well as officials of the towns in the region.

The hearing will be held at 8 p.m. at the Vernon High School, 100 State St., Vernon.

Marines Capture Third Viet Hill

U.S. intelligence sources have said there are six North Vietnamese army regiments — about 12,000 troops — just across the Cambodian border in the area of the monsoon season. The monsoon season is expected to last about five months.

Ky's government announced again last week that Viet Cong defectors had captured 200 Viet Cong soldiers and 400 arms program. There were 400 Viet Cong soldiers and 400 arms program. There were 400 Viet Cong soldiers and 400 arms program.

The battle for the three peaks, which form a triangle, broke out April 24 when a 20-man Marine company crossed a North Vietnamese force of about the same size. Both the Marines and the North Vietnamese kept pouring in reinforcements until a major battle broke out.

It is believed the Marines do not plan to hold the hilltops for long. Both the Marines and the North Vietnamese are expected to be in the area by the end of the month.

John Langin, of London, Ohio, commander of the 3rd Marine Regiment and his men were identified as:

Sidney Shaw, 31, Lafayette, La.

Rod Ivison, 23, Sydney, Australia.

Malcolm Braddon, 20, a British subject whose home is in Hong Kong.

Ed Johnson, 26, of Toronto, Canada.

William Forster, 27, Devon, England.

Three persons had left the Dan Deo at Singapore last week.

"The ship went down just before we were going to fight for coconuts," Shaw said. "The ship went down with the boat."

The survivors were picked up by an amphibian plane piloted by Col. Alan R. Vette, Gulfport, Miss., the commanding officer of the 37th Air Rescue Squadron, based in Da Nang.

2,500 Unemployed Young Journal Trib Folds in New York

Deaths here of four metropolitan districts with circulations ranging from 300,000 to 800,000 newspapers, a loss of more than 6,500 newspaper jobs.

Thirty-six years ago, the city had 12 metropolitan dailies. Four years ago there were 10. Saturday there will be three. At one time, Hearst had had three dailies in New York.

At the time of its death, the World Journal Tribune was in negotiations with 10 newspaper unions.

Lengthy negotiations had led to a settlement between the printers union and the New York Daily News, expected to be announced in the next few days.

News called the settlement the most expensive in its history. Actually formed March 21, 1966, the World Journal Tribune was a member of the union since its formation in 1930.

The newspaper claimed a circulation of about 700,000 daily and more than 800,000 on Sundays.

The management of the newspaper met behind closed doors, 23 Main St. in New York, last week.

"The World Journal Tribune statement to the staff said: "It is with a real sense of personal regret that I must tell you that the World Journal Tribune is permanently ceasing publication with today's issue."

"Your employment must terminate at this time."

"We deeply appreciate the services that so many of you have rendered, and I will cherish the memory of our collective but unsuccessful effort to bring New York the kind of evening and Sunday newspaper we feel it deserves. MMH Figures In Survey Story

Manchester Memorial Hospital's staff, facilities and progressive Patient Care system, pioneered here 10 years ago as featured in an article on state medical care which will appear tomorrow in The Herald's monthly magazine supplement, "Connecticut Life."

Entitled, "Hypo Needed for Medicine," the article discusses the nation's rising shortage of hospital workers and increasing hospital costs as they relate to Connecticut and explains how Manchester Memorial and the state's other hospitals are trying to meet them.

The article is accompanied by several photographs of Manchester Memorial in action and of its modern self-care wing. Mrs. Lyle Moore, R.N., of 207 Spring St., is pictured on the magazine's cover.

State News Roundup

Police acted up early today in what police called an "annual disturbance."

New Haven and Yale police said they had everything under control as the students held rallies, rang alarm bells, camp buildings and tossed firecrackers.

No injuries were reported. Gates to the campus were locked, police said, to prevent demonstrators from entering a cave-in and an explosion.

Vernon Court Bill Is Approved

The State Senate approved a bill yesterday to locate a courthouse in the renewal section of Vernon. The bill was passed last week by the House.

It provides \$120,000 for planning and rental of a courthouse, built by a private developer. It also provides that at the end of 15 years the state will have an option to purchase the property.

After Gov. John Dempsey signs the bill, the Public Works Department will ask for rent bids from developers.

Mrs. McGarry Named

Mrs. Sheila McGarry of 16 Ridgewood Dr. was elected to the position of vice-president of the University of Connecticut Student Union Board of Governors.

The 18-member board advised the student union manager on cultural, social and recreational activities.

Litter Program

The Tolland County delegates to the Connecticut Conference Against Litter in Hartford in January have been active the past few months planning a litter day program for their town.

They have been attempting to involve all youth groups, civic organizations, and public officials in their program.

The delegates will meet Saturday morning at 10 at the Tolland County Agricultural Center in Rockville to review plans for the program.

Litter Day is scheduled for May 20.

House Passes Bill on Lutz

Senate Bill 1361, which would permit Manchester and area towns to contribute to the operation and maintenance of Lutz Museum and to other statewide, non-profit museums, was passed in the State House yesterday.

The permissive measure had previously passed in the Senate and now awaits the governor's signature to make it law.

Speaking for its passage yesterday was Manchester State Rep. Henry Becker.

Until now, towns have contributed to Lutz Museum on the basis of services rendered.

EXPO 67 IS THE ABBREVIATED TITLE OF THE UNIVERSAL AND INTERNATIONAL EXHIBITION OF 1967. . . THE ONLY ONE OF THE "FIRST CATEGORY" EXHIBITIONS AUTHORIZED IN THE AMERICAS BY THE INTERNATIONAL EXHIBITIONS BUREAU (ONLY 2 OTHER FAIRS HAVE MERITED THIS RATING—PARIS IN 1958 AND BRUSSELS IN 1958).

The site is magnificent, unique . . . two islands and a peninsula in the middle of the mighty St. Lawrence River . . . ONE THOUSAND ACRES! More than 70 nations (compared to New York's 25) are participating in this significant event—part of the year long celebration of Canada's 100th Anniversary of Confederation.

Paris had the Eiffel Tower and New York its Unisphere as a theme. Montreal has no structure. Instead it has an idea—MAN AND HIS WORLD. Every pavilion, in its fashion, relates its presentation to the overall concept of Man and his biological, cultural, scientific, relationship to his environment. See them all! Man the Explorer, Man the Provider, Man the Creator, Man in the Community, Man the Producer and Habitat 67.

EXPO affords every conceivable type of dining—everything from the good old American Hot Dog to buffet meals to luxurious dining and food to delight the palate of the most discriminating gourmet. Just as variable as the food are the prices—30 cents for a Hot Dog to \$200 for a full course meal, with price levels in between available.

AN ESCORTED TOUR TO EXPO IS THE BEST WAY TO GO! Settle back in a comfortable air conditioned, side-mount coach and leave the worries of driving to us. Arrive refreshed, assured of fine accommodations, and well informed. Your tour conductor is a professional dedicated to ensuring your vacation enjoyment. He'll tell you all about EXPO, THE METRO (Montreal's brand new 214 million dollar subway system), and the CITY OF MONTREAL itself.

Students Get Music State For All-States

It truly may be said that next fall's combined All-Connecticut Band, Orchestra, and Choral Concert will be well represented by many students. The Music Department of MHS recently was notified of those candidates accepted to participate in the outstanding musical groups from throughout the state.

Additional for All-Connecticut were made on a signed to test the general total quality and technical skill of the players. Students accepted to the Orchestra include Cyrus Stevens, '68, violin; Margaret Kelly, '69, cello; and Kenneth Hickey, '69, soloist. Barbara Kelly, '69, cello, and Kenneth Hickey, '69, soloist, were named to the Choral Concert.

Mike considers history his favorite subject because "there are no set rules to history; history changes from day to day." One change in history he would like to make is to stop the fighting in Vietnam and Southeast Asia. Also, he'd like to see all people getting along.

Earlier this spring, auditions were held also for All-Connecticut Chorus. The auditions were held also for All-Connecticut Chorus. The auditions were held also for All-Connecticut Chorus.

Legion of Honor

If it's summer, a good place to look for Kaye Rank is the beach. If it's fall, she's probably at a football game. Other times she could be horseback riding, sewing, reading, water-skiing or listening to records. She is one of the many girls of this week's female legionnaire.

As further proof of her versatility, Kaye plays the piano, and is active in many activities inside and outside of school. She is a member of the National Honor Society, and is in National Honor Society, AFS Club and her church choir. Being a Sunday School teacher and the treasurer of the Hillelodge at her church completes a full schedule of extra-curricular activities for her.

AV Group Visits N.Y.

The ever-busy Audio Visual Club was active during the recent spring vacation. On Thursday, the 27th club took its annual trip to New York City. The group of 12, chaperoned by Mr. Kenneth Skinner, A.V. Co-ordinator, left Hartford on the 7:02 a.m. train and arrived at Grand Central Station in New York about 9:30.

The general schedule for the day was attending a show at Radio City Music Hall, and visiting the American Museum of Natural History. The first part of the show at Radio City was the 20th Century Fox musical "Two For the Road." The rest of the program consisted of various acts including a magic act and a ballet all celebrating Canada's 100th anniversary.

Hung Jury at Mayor's Law-Day Trial

In observance of Law Day, a mock-trial was conducted for the benefit of the juniors at MHS last Tuesday. The court was opened by Mr. John Armantino, the clerk, who presented a charge of traveling 65-68 mph in a 40 mph zone against Mayor Nathan Agostinelli.

The proposed legislation, which has received a favorable committee report, would place the drug dependent person under the supervision of the Commissioner of Mental Health.

The plan would be jointly administered by the Commissioner of Mental Health, the Department of Consumer Protection, the latter retaining the present supervisory and control of drug traffic.

The "radical new plan," as described by King, is the result of considerable research and study. He predicted "a long, and possibly rocky road" to the governor's office, but he is confident of success.

Details of Plan
Under the proposed plan, most addicts or drug dependents would be treated as sick people rather than as criminals.

Wide latitude would be given prosecutors and the courts to decide the drug dependent person to the Adult Probation Department rather than having him stand trial for a crime or prison sentence.

He would then be placed under the supervision of the Commissioner of Mental Health, who would have equal say in the treatment of the addict, and would be able to release him or to return him to a treatment center if necessary.

An additional feature of the plan would allow the drug dependent person to receive treatment in his own community. If treatment center was available there, and to resume a somewhat restricted version of normal living.

Sponsors of the plan originally asked for an appropriation of \$1,000,000 for the first two years, and urged the program not be tried at all unless the state was appropriate. King said. The final approved budget provides a total of \$900,000 in requested funds.

"The public at large may be expected to reserve judgment," he said, "on the plan, King said. "Yet the hour is late and we as a responsible society, have no real choice."

Drug addiction has become one of our most serious social ills, King said. Estimates of the number of addicts through out the nation range up to 2,500,000 with one out of three under 21 years of age.

The personality crisis facing the addict, devastating as it is to him, is not society's most serious problem, King said. Invariably, the user of drugs must turn to theft and other crime to get money to support the habit," he explained.

"New York City authorities attribute 40 to 50 per cent of the city's crime to this source, with a loss in stolen property alone of one billion dollars annually. While the nation's addicts and resulting crime are concentrated in New York City, no section of the country is free of the problem."

Attempts have been made to locate addicts through the federal government's center at Lexington, Ky. Experience there has shown that over 90 per cent return to the habit upon release. The Lexington facility is to be closed, and a bold new approach has to be found," King concluded.

Forum Will Discuss Idea of Youth Jury

Howell Cheney Technical School, Mitchell Cohen and Brian Rogers (both '68) from MHS.

Additional speakers will include Judge Ronald Tills, from Hamden, N.Y., who supervises and operates a youth jury in the City Court there. William Glenon, a 19-year-old student at Glennon College in Erie, Penn. A member of the Board of Directors of National Youth Jurors, Inc., who has been active in the aspects of operating a youth jury. An important topic which will be discussed is the need for a better season than last year. The team is looking forward to a better season than last year. Ducks Elect Tri-Captains For 1967-68

The 1966-1967 victorious swim team of MHS has elected new tri-captains for next season. The team will be headed in '67-68 by Ed Keiderling, Brad Miller, and Tom Cheek, all '68.

Ed has been swimming the 100-yard backstroke. On the team are also participants in both English, U.S. History, math IV, and Gregg Northend. He will be participating in both English and Gregg on Saturday mornings.

Brad's event is the breaststroke which he has performed as a two-year member of the team. His course of study includes English, U.S. History, algebra, chemistry, and crafts.

Steve swims the 50 and 100 yard free style for the empirical dual. His courses include English, German II chemistry, math IV, and computer programming. He is also a member of the MHS Chess Club, and is a member of the MHS Chess Club, and is a member of the MHS Chess Club.

Teepee Tales

The MHS Baseball Team hit the winning strike last Monday when they trounced Maloney of Meriden 14-4. This victory was the first victory for new coach Mr. Parks.

In the bottom of the third inning, the Indians erected a brief 3-0 nothing lead. Maloney came back and tied the score. From then on, the Indians' hard hitting was too much for the visitors. The two big blows for the Indians were the long home runs belted by Ken Ough, '68, and Steve Banna, '67. Fine hitting runs were made also by Tim Coughlin, '67, and Ron Koyers (all '68), all of whom had two hits. The first really warm day of the season also seemed to have an effect on the Indian pitchers.

Bill Hillis '67, turned in a fine performance showing excellent control. Tim Cummings '68 turned in an impressive relief performance when Hillis came up with a sore arm. The victory now leaves the Indians' record a 1 win, 3 losses. With the teams hitting so well, it can be expected throughout the rest of the season.

Spirit of '67

Right about now, each dollar is looking at the big dollar sign and outstretched hand of each senior commencement representative, and with a righting into his empty wallet. Well, cheer up.

The Commencement Committee realizes the strain on the pocketbook, and by extending payments for senior week activities, this burden is hoped to be eased somewhat. All in all, you are guaranteed that your money is invested in the right place, so senior week is definitely worth the wait.

With graduation set for Thursday, June 22, the committee found the Wednesday, the 21st had no scheduled activities. An idea came up that we hold a dance on Wednesday, and give everyone a chance to sign Somebody's and get together as a class before graduation. Plans are also being made to have the color film of the picnic developed by that time and shown at the dance. This idea has been greeted enthusiastically, and with a righting into his empty wallet. Well, cheer up.

Hawkins Jig Keeps 'em 'A Hollerin'

Daisy Mae, Lil Abner, Merry-go-round, and Ma and Pa Youvan all came a-runnin' down to you of Manchester High School on Friday evening, April 28. The cafeteria was converted into a rambling barn for the Sodie Hawkins' Dance.

It went without saying that for that evening the guys were to relax, have a good time, and leave the driving to the women folk. To insure this, moves were sold only to the weaker sex. (This editor disagrees with that last assertion but I label it as it is.)

Some girls felt that their beaux were worthy of a courage competition. Pieces of cabbage, carrots, celery, and onions, but for the more conservative, paper flowers were just as suitable.

Old fashioned overalls, patches of jeans, work shirts, checked shirts, etc., as well as blouses, ties, pipe, straw hats, wide ties, jugs, pigstails, buttons, bows, feathers, frockies and jollies were the "in" attire for the dance.

Ye Ol' Jug band—the invaders—provided six exciting musical numbers for the swigging rockin' and rollin' yobs and hollers until the women folk decided to hop back behind the bar to get a drink. The boys came on 'em 'A Hollerin'.

Girls Shadow At Hospital

MHS students interested in nursing were invited recently to participate in the Shadow-Nurse Program at Manchester Memorial Hospital.

The girls arrived at the hospital at 8:00 a.m. After changing into white gowns, they were introduced to Mrs. Blain, Director of Nursing Service, who guided them to the Self-Service wing. She gave a brief orientation. She spoke about the hospital staff, gave a general sketch of the hospital territory, the history of MHS and the history of the Self-Service wing.

Mrs. Blain then discussed nursing as a career, the kinds of nurses, and the types of preparatory programs. When she described the duties of a nurse, she mentioned the duties of a nurse in 1887, which included lighting the kerosene lamp and bringing in enough food to keep the patient's stomach from becoming unmanageable.

After a tour of the hospital ward, the girls returned to the shadows, reported to Mrs. Blain. They rotated at the end of an hour and a half and went to lunch at 12:00. By 12:30 the girls were on their feet and they changed again at 1:30.

At 2:30 they thanked the nurse who had been so co-operative and friendly.

Everyone agreed that the day was worthwhile. It gave each a chance to see the patient and staff required.

Tolland County King Supports Drug Addicts Bill

Drug addicts will be treated as sick people rather than as criminals, under the provisions of new legislation sponsored by the State Bar Association, according to State Rep. Robert D. King of the 48th District.

The legislation will change the legal attitude toward drug addiction, providing treatment rather than jail terms.

Present laws have put the addict in the category of a criminal. When sentenced they serve time in our jails and prisons at tremendous cost to the state. They comprise about 10 per cent of the state's jail and prison population, he added.

The proposed legislation, which has received a favorable committee report, would place the drug dependent person under the supervision of the Commissioner of Mental Health.

The plan would be jointly administered by the Commissioner of Mental Health, the Department of Consumer Protection, the latter retaining the present supervisory and control of drug traffic.

12th Circuit Court Cases

MANCHESTER SESSION
Howard McConnell, 57, of 221 N. Main St. was given 15 days for intoxication. A rearrest warrant was issued for him several days ago and served yesterday. Unable to post a \$25 bond, he was taken to jail to await appearance in court yesterday.

Garnaldo Pattavina, 29, of Rockville, was found innocent of failure to grant the right of way to the Hartford Hilton when he was charged on April 24 and a trial was held yesterday.

The charge against him came when police said he cut in front of a police cruiser which was on its way to investigate a car accident. The patrolman driving the car said he copied the license plate number of Pattavina's car and telephoned his later. Pattavina appeared shortly at the police station where he was issued a summons, police said.

Raymond Jackson Jr., 21, of East Hartford pleaded solo contumacious to a charge of larceny and was given a 30-day suspended sentence and put on probation for one year. He was arrested by Manchester police on April 7.

Post Office Bids Barred, No Plan Now for Station

When will the North End another one in the same area, have a contract station? It is up to the local postmaster to decide, said Donald Steele, director of the regional Post Office in Boston.

Two bids which were turned in for a contract station in the area were recently turned down. Steele said the post office was not ready to bid the location for the station was down.

Square Dance Set Tomorrow

The Manchester Square Dance Club will hold an open dance tomorrow from 8 to 11 p.m. at Weddell School.

Paul Johnston of Vernon and Mrs. Russell White will be the featured dancers.

Committees for the evening are Mr. and Mrs. Martin Keiderling, door duty; Mr. and Mrs. David Keiderling, refreshments; and Mrs. William Kime and Mrs. Mrs. Walter Kime.

The club is going on a "Roadtrip Trip" on May 13th to the Connecticut State Fair at Keene, N.H. A bus will leave Weddell School at 4 p.m. The caller will be Skip Smith.

Coffee Names

Most coffee is named for the region in which it is grown or the port from which it is shipped. Thus, Santos coffee, shipped from the port of Santos, Mocha, whose port is Mocha; and Java, a bean grown in Java.

Steele said the local postmaster would act if there was enough interest shown "through a petition or requests from businessmen."

When the announcement was made by the Post Office that the old "Station A," Oakland St. facility serving the North End was to be closed, citizens, town officials and businessmen did protest against it. But the station was closed according to schedule.

Shortly after, contracts were let out for the establishment of a new station in the area.

Confab Held On Teaching

More than 100 educators interested in Connecticut's developing system of community colleges attended a conference in Hartford Tuesday to discuss how best to train the two-year community college teacher.

Guest speaker for the session at the Hartford Hilton was Dr. Roger Garrison, a staff associate of the American Association of Community Colleges, who took the gathering that the role of the community college teacher needs to be better understood both by the teachers themselves and the institutions that prepare them for the classroom.

The teacher, he said, should have both a scientific and liberal arts background, plus ample opportunities to pursue graduate courses geared to his subject matter, especially in order to further his professional advancement.

The conference, entitled, "The Preparation and Professional Development of Connecticut's Community College Faculty," was chaired by Robert H. Penn of 83 Cornwall Dr., associate professor of science at Manchester Community College.

During a panel following Garrison's talk, discussants agreed to call for more graduate teaching opportunities at the University of Connecticut and at Northwestern Connecticut State College, and at the University of Connecticut and at the community college level.

Also speaking to the group programs at the community college level were James Tatro of 20 Stone St., assistant professor of history at Manchester Community College; Dr. Regina M. Durkin, associate professor of education at the University of Connecticut; and Dr. Carl Arner, the community college teacher, instructor in business administration at Norwich.

Strongly in favor of more graduate teaching opportunities at the community college level was Dr. Theodore Powers of 20 Stone St., executive officer of the State Board for Community Colleges.
