

Middle East War Breaks Out

Court Voids Right To Inspect Homes

WASHINGTON (AP) — The Supreme Court today barred prosecution of householders who refused to admit municipal health, welfare and safety inspectors without a warrant.

Except in certain carefully defined classes of cases, a search of private property without proper consent is unreasonable unless it has been authorized by a valid search warrant, Justice Byron R. White said for a court divided 6 to 3.

The same guidelines were applied to owners of business establishments in a companion decision, also voted 6 to 3.

Justice Tom C. Clark, speaking for the three dissenters, said the decision "jeopardizes the health, welfare and safety of literally millions of people."

DAM PROJECT BARRED

WASHINGTON (AP) — The Supreme Court today barred immediate construction by a private power group of a major regulating dam on the Snake River between Idaho and Oregon.

The 6-2 decision directed the Federal Power Commission to reconsider its licensing order.

Justice William O. Douglas said the court is taking no position on whether the dam should be built by private or public groups — or whether it should be built at all.

State News

Two Youths Queried on Fatal Holdup

HARTFORD (AP) — Two youths, nabbed on stolen car charges, awaited questioning today by Massachusetts officials in connection with a holdup in which a 54-year-old woman was slain.

Hartford police arrested 16-year-old Ronald Vallee of Sturbridge, Mass., as he attempted to leap from an Oak Street apartment window Sunday. He was charged with theft of a vehicle in Framingham, Mass.

Alfred Therrien, 20, of Hartford, was picked up earlier in the day by police who combed woods in North Madison for both youths. He was charged with theft of a motor vehicle, aggravated assault and evading responsibility.

Therrien and Vallee first attracted police attention when the car they were driving southbound on Rt. 79 allegedly struck a young girl and proceeded without stopping.

570 Reds Killed

U.S. Marines Score Lopsided Victory

SAIGON (AP) — U.S. Marines shot down a Communist MIG17 with a gatling gun today over North Vietnam, an Air Force spokesman at Da Nang announced. It brought to 73 the number of MIGs shot down by U.S. planes in the war.

American pilots knocked down the 73rd and 74th MIGs Saturday while attacking a rail line running from Hanoi to Red China.

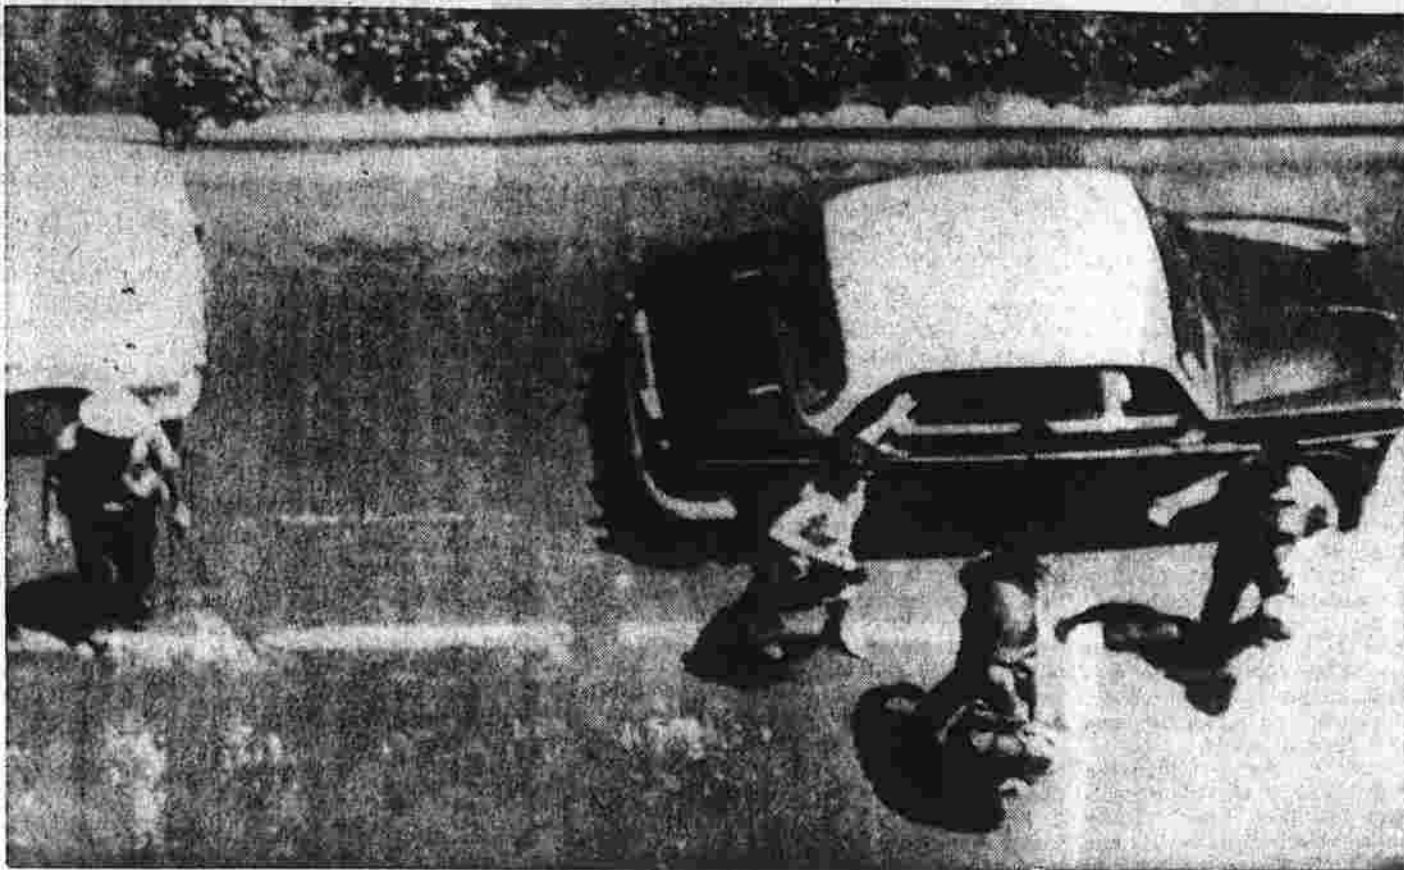

A flight of MIGs tried to intercept the raiding F105 Thunderchiefs. U.S. pilots shot two of the sweep-wing Red fighters out of the skies with missile and cannon fire within 90 seconds.

The U.S. has so far lost 20 planes in aerial combat.

Communist guerrillas were beaten off in a dozen attacks on isolated posts in the Mekong Delta Sunday night and this morning. U.S. helicopter gunships and the armed twin-engine transports known as Puff the Magic Dragon circled the embattled villages, helping local militia beat off the sudden rash of attacks. All the attacks were small.

U.S. military headquarters reported no significant ground fighting Monday although 19 major allied sweeps are under way throughout the country.

3-Day Roxbury Toll:

70 Hurt, 100 Arrested During Weekend Riot

BOSTON (AP) — Roxbury went back to work today after a weekend of rioting as stores reopened behind boarded windows and commuters drove to work along a street still lined with shattered glass.

Three nights of rock throwing, looting, arson and scattered sniper fire in the predominantly Negro section of Boston had left more than 70 persons injured, 100 arrested and property damage estimated in the millions.

A small cement company on Blue Hill Avenue, which bore the brunt of the violence, had broken windows despite a large hand-lettered sign in one window reading: "Caution! Please, I am your soul brother. Ruben Johnson."

Cohen's Furniture Store was a burned out shell across from the Roxbury Neighborhood Employment Center, spotless and untouched.

Down the street a few doors, Leonard Rudnick of Milton plucked through his discount store, reduced to rubble and twisted steel beams after a fire early Saturday morning.

"They were in and out of here for two days," Rudnick said. "We'd board it up and the minute the cops left the boards came down again. They took thousands of dollars worth of stuff out."

"I've been here for 20 years. What I did for these people down here!"

Rudnick said perhaps 20 to 30 per cent of the damage was covered by insurance.

A liquor store clerk, replacing bottles on shelves, said more than 100 bottles were stolen during the rioting.

Three state representatives from Boston Negro sections asked Republican Gov. John A. Volpe today to declare the riot-torn sector a disaster area to make loans and federal aid available to businessmen there.

"The people in this community are appalled at the violence, wanton waste, deliberate destruction of property, the loss of jobs held by people in the community and the unnecessary escalation of the problems in financing insurance and achievement."

Two Athens policemen were momentarily stranded on a small peninsula when a steel bridge across Trail Creek was washed away. They abandoned their patrol car and escaped across a foot bridge, which washed away moments later.

Main Battle Seen In Sinai Desert

JERUSALEM (AP) — For the third time in 20 years, war broke out today in the Middle East between Israel and its Arab neighbors. Gunfire sounded in Israel and in three of its Arab neighbors — Egypt, Jordan and Syria.

The Arabs, sworn to destroy Jerusalem, the Holy City divided between Jordan and Israel, were battling the Jewish state's forces on two fronts, at Israel's port of Haifa and Egypt's Sinai frontier and on the Syria and Jordan borders.

Each side accused the other of lighting the fuse for the explosion which, as in 1956, threatened to involve the major powers.

The main fighting today appeared to be in the Sinai Desert, across the frontier that United Nations forces guarded until Egypt's President Gamal Abdel Nasser ordered them out 18 days ago.

Artillery fire was heard in

Heavy Crowd At Opening N.Y. Fat-in

NEW YORK (AP) — All overweighters can now let out their belts a notch with a much lighter mind, for human obesity finally had its day.

The city's first "Fat-in" had a heavy turnout Sunday in Central Park.

Some 500 persons, including slim ones with smashing appetites, crowded the park's Sheep Meadow with plenty of snacks to celebrate the occasion.

Steve Post, 23-year-old chief announcer for WBAL-FM radio, said he organized the affair because he felt fat people were being discriminated against.

"People should be proud of being fat," Post said. "We want to show we feel happy, not guilty."

Post, who is 5-foot-11 and weighs 210 pounds, said he once weighed 200 and "I wish I did again."

Some of the fat folk carried banners reading "Fat Power!"

(See Page Ten)

U.S. Neutral

WASHINGTON (AP) — The United States is neutral in the present Middle East war, the State Department's spokesman announced today.

"Our position is neutral in thought, word and deed," press officer Robert J. McCloskey told a news conference.

LBJ Asks All Parties To Back UN Action

WASHINGTON (AP) — The White House called upon "all parties" today to support the United Nations Security Council in bringing about an immediate cease-fire in the Middle East war.

Press secretary George Christian said in a statement that "tragic consequences will flow from this needless and destructive struggle if the fighting does not cease immediately."

He said this country will devote all its energies to ending the fighting and beginning programs "to assure the peace and development of the entire area."

President Johnson was notified at 4:40 a.m. of the outbreak of hostilities between Israel and Egypt. His special assistant for national security affairs, Walt Rostow, awakened him then and the President kept in continuous touch with developments, the White House said.

Two separate crisis meetings were called. Johnson summoned Secretary of State Dean Rusk, Secretary of Defense Robert S. McNamara, Rostow and Christian to an 8:30 a.m. conference. This is the same group that meets at least once a week on the international situation.

Rusk and McNamara briefed congressional leaders on Capitol Hill shortly after their conference with Johnson. Neither would comment to newsmen before or after the briefing.

Congressional leaders also said they had been cautioned against commenting on what they had been told at the session. Chairman J. W. Fulbright, D-Ark., of the Senate Foreign Relations Committee said he was not told anything new about the situation.

The presidential conference with Rusk and McNamara broke up just as the secretaries were due at Capitol Hill at 9:30 a.m.

But the presidential session lasted an hour, breaking up just as Rusk and McNamara were due at the congressional briefing.

Johnson, walking the sec-

Columnists' Rebuttal

Dodd Lives Like King Despite Poverty Plea

HARTFORD (AP) — A newspaper columnist whose writings sparked the investigation of Sen. Thomas J. Dodd-D-Conn., have scoffed at Dodd's claim that they attacked him because of his anti-communism stand.

Drew Pearson and Jack Anderson replied that Dodd is not the only anti-communist in the Senate but is the "only one to make a profit out of anti-communism." They claimed he charged as much as \$2,000 for speaking appearances and grossed a total of about \$40,000 from his speeches on the subject.

They also said Sunday that Dodd "lives like a millionaire" despite his claims of financial difficulties caused by the expenses of his office.

Anderson and Pearson appeared on a taped television interview on WVIC-TV to reply

(See Page Fourteen)

Power Failure Hits Much of Eastern Coast

NEWARK, N.J. (AP) — A giant power failure hit the East Coast from New Jersey to Maryland and Delaware at mid-morning today.

An hour later electricity trickled back in scattered areas, including parts of Philadelphia, northern Delaware and Maryland, southeastern New Jersey and Elizabeth, a city in northern New Jersey.

But much of the four-state area — which had escaped the great Northeastern blackout of November, 1965 — was still without power after noon. Railroads said evening commuter schedules were threatened.

New York City and other areas hit by the 1965 blackout

This was the scene on a street in the Roxbury section of Boston after night's rioting, looting, arson and sniper fire. The predominantly Negro area was reported quiet today—the first time since Friday. (AP Photofax)

Bulletin

CHAIR FOR SPECK

PEORIA, Ill. (AP) — Richard Speck, 25, was sentenced to die in the electric chair Sept. 1 for murdering eight young nurses in his Chicago dormitory last year. Speck stood with his hands clasped at his stomach and remained motionless as Judge Paschen deliberately read the names of each victim and ordered that "the defendant be remanded to the custody of the sheriff of Peoria County for removal to the Illinois State Penitentiary at Joliet until the day be on the day put to death by electrocution." Paschen noted that "an appeal to the Illinois Supreme Court is automatic in capital punishment cases."

"THE WAY I HEARD IT"
by John Gruber

Let me run down the musical events so you will know what to expect. Things start with the seven lively acts which in cases you can't recall them are: Architecture, art, dance, literature, music, sculpture and theater. All will be represented in the Constitution Plaza area from June 14 through the 26. And everything is free!

Plans were originally established to celebrate the opening of Constitution Plaza in 1964 and has been considerably exceeded this year as more and more business and individuals have joined in making financial contributions to the enterprise. N. William Knight of CPT, whom everybody in Manchester knows as "Bill" Knight, is general chairman this year and he must have assembled in order to provide the contributions needed to provide the variety of entertainments to be viewed during the period I mentioned.

Notably Tim Intervened in the musical events and there is something doing every evening on the Plaza. I can't say that the Plaza is not adapted to the "frisco" concerts. If the weather allows as well as the orchestra, represents only one of the 7 acts, so when you think of the concert, remember that there is a wealth of excellent material available if you will go in and wander around.

South Windsor
Summer School Classes
Will Start on June 26

Summer school classes will start June 26 and continue until Aug. 4. Classes will meet: Monday through Friday between 8:15 and 10:15 a.m. and from 10:30 a.m. to 12:30 p.m. at the high school.

Pupils desiring credit courses must attend a minimum of 20 class sessions. Regular completion of hours assignments is required. Students may take either one or two courses. Fees for each course is \$30 with the exception of the driver training course which is \$30. Fees are payable upon registration.

Out-of-town residents must pay \$25 per course. Town students are not taken a course at another summer school if it is offered at South Windsor High School. No buses will be run and students are required to provide their own transportation.

Registration will be held at the high school office from 8:15 to 5 p.m. daily from June 12 to June 23. Fees for the courses must be paid when students register and will be refunded only in case of course cancellation with a full description of the classes.

Pupils may also register by mail by sending a completed registration application with the full fee to the director of the summer school at the high school, 161 N. Main St., West Windsor, N.J. 07081. Pupils are expected to conform to basic disciplinary standards and rules. Regular school clothes must be worn to all classes. No slacks, jeans or shorts are permitted. Smoking is not permitted in the school building or on the school grounds.

Courses available to present eighth graders for enrichment include English I, Algebra I, and Latin. Pupils are expected to conform to basic disciplinary standards and rules. Regular school clothes must be worn to all classes. No slacks, jeans or shorts are permitted. Smoking is not permitted in the school building or on the school grounds.

Little League Scores
Current Little League scores are:
Major League: Colts 8, Dodgers 6; Colts 7, Dodgers 6; Colts 6, Dodgers 5; Colts 5, Dodgers 4; Colts 4, Dodgers 3; Colts 3, Dodgers 2; Colts 2, Dodgers 1; Colts 1, Dodgers 0.

Minor League: Colts 8, Dodgers 6; Colts 7, Dodgers 6; Colts 6, Dodgers 5; Colts 5, Dodgers 4; Colts 4, Dodgers 3; Colts 3, Dodgers 2; Colts 2, Dodgers 1; Colts 1, Dodgers 0.

King Constantine
ATHENS (AP) — King Constantine and his Danish-born queen, Anne-Marie, appeared before the Greek parliament today to accept the throne of Greece.

The royal couple drove to the newly opened Panathenian Stadium for their suburban palace to attend an afternoon festival. They received a standing ovation from a crowd of 60,000 persons as they entered the stadium and departed.

Battle High was happy if the opponents get to three or more hearts, but with an easy trick the trump suit would be sure trump. Declarer overruled with dummy's ace of trumps, got back to his hand with the king of spades and led his last club.

At this stage South had a losing club and a losing diamond. West held the top trump and the top diamond, while dummy held a low trump and a low diamond. Nevertheless, West could not shut out dummy's low trump.

If West ruffed dummy would discard the diamond and take the last trick with the trump. If West discarded his diamond, dummy would ruff at once to take declarer's tenth trick.

Gov. John Volpe
AMHERST, Mass. (AP) — Gov. John A. Volpe, speaker at the University of Massachusetts commencement Sunday, drew applause with a suggestion that MIT introduce a program to pay the tuition of graduates who served in the armed forces.

Gov. Volpe, who is a member of the Massachusetts State Bar, said that MIT should consider a program to pay the tuition of graduates who served in the armed forces.

Counsel Asks Freedom for Army Captain
COLUMBIA, S.C. (AP) — Attorney for Capt. Howard B. Levy, an Army doctor sentenced to three years in prison on charges of disobedience and insubordination, said today that he would file a writ of habeas corpus to free his client.

The 30-year-old Brooklyn, N.Y. doctor was sentenced to three years in prison on charges of disobedience and insubordination. He was arrested in 1964 after he refused to follow orders to return to his post in Vietnam.

Prince Andrew
LONDON (AP) — Prince Andrew, 19-year-old son of Queen Elizabeth II and Prince Philip, is confined to Buckingham Palace with the measles.

The prince is recovering from the illness in a private hospital. He was diagnosed with measles in early June.

Linda McGill
DOVER, England (AP) — Linda McGill, 20-year-old Australian girl who says she plans to swim the English Channel in a topless swimsuit, was cleared Sunday by the Channel Swimming Association.

A spokesman at Dover said, "As far as we are concerned, she is a swimmer with no costume at all."

Theater Party Set by Women
The Women's Club of Manchester will have a dinner and theater party Wednesday night. A social time will be held from 5 to 6 p.m. at the Steak House, and dinner will be served promptly at 6.

After dinner, private cars will transport members to the performance of "Showboat" at the Fox Theatre, Farmington. Curtain time is 8:15.

Those needing transportation to the theater will be accommodated from the eating place.

Mrs. Andrew Lindberg and Mrs. George Hochstadt are in charge of arrangements.

Sheinwold on Bridge
FRENCH EXPERT EXECUTE COUP

By ALFRED SHEINWOLD
A bridge play known as the "coup en passant" was executed, appropriately enough, during the tournament held in Paris to select the French team for the world championship just concluded. The coup enabled declarer to win a trick when he had nothing left but losing cards.

Opening lead—jack of hearts led and a spade to dummy's queen. East's heart discard revealed the bad news. Declarer ruffed another heart and led a club. West discarded a heart since otherwise he would waste his trump trick while dummy played low.

Dummy's ace of clubs won, and declarer ruffed a third heart and gave the lead to West. East returned a diamond to the king, and South led a fourth round of clubs.

Battle High was happy if the opponents get to three or more hearts, but with an easy trick the trump suit would be sure trump. Declarer overruled with dummy's ace of trumps, got back to his hand with the king of spades and led his last club.

At this stage South had a losing club and a losing diamond. West held the top trump and the top diamond, while dummy held a low trump and a low diamond. Nevertheless, West could not shut out dummy's low trump.

If West ruffed dummy would discard the diamond and take the last trick with the trump. If West discarded his diamond, dummy would ruff at once to take declarer's tenth trick.

South Windsor
37,600 Population Estimated by 1985

A comprehensive planning study being conducted by the firm of Brown, Donald and Donald as part of the 1961 federal government program shows a population estimate of 37,600 persons in South Windsor by 1985.

This figure is a 161 per cent increase over the town's 1965 population of 14,500 residents. The report notes the high rate of increase on population figures since 1960 with particular attention paid to the fact that South Windsor is the fastest growing town in a 29-town capital region area.

Major reasons for the rapid growth of the town, the report says, include location within the Hartford metropolitan area; sufficient land available for nearby industry; availability of public water; employment of town residents at nearby industrial locations and the easy accessibility to other areas by highway routes within the town.

Statistics on the age composition of the town's population are young "by any standard, particularly so in relation to the capital region area."

The town's median age for residents is 26 years with three quarters of the household heads under the age of 45. South Windsor is the only town in the Capital Region in which a majority of families have children under the age of 18.

A comparison study of the 1950 and 1960 United States Census data on age indicates that the town is growing rapidly in residents age levels. In 1960, some 39 per cent of the population was under 15 years of age. This compares with the 1950 census which shows 28 per cent of the population under 15. The portion of the town population aged 65 years and over showed a decrease from 10.7 per cent in 1950 to 5 per cent in 1960.

Population Forecast
The population forecast made by the planning service projects a population of 19,300 residents by 1970; 24,600 by 1975; 30,700 by 1980, and 37,600 by 1985.

The preliminary report given by the planning agency analyzes past trends, current conditions and future character of the town's population.

"It is axiomatic to say that each of these three factors is contingent upon the other and that all are extremely important for planning purposes," the report notes.

The form and tempo of past growth within the town are determining factors on the current composition of the town. Current and future population characteristics are the basis from which all planning must be done for necessary expansion of community facilities, land use, industrial development, traffic circulation and anticipated needs, the report says.

"This relationship is perhaps most important in the case of facilities related to the needs of the young and the elderly," the report said.

Projections of future school enrollments are the background against which proposed school construction must be viewed.

The elderly, on the other hand, present unique problems in terms of income and housing. In all areas, a study of the town's population will form an essential part of planning for the town's future, the report notes.

An essential part of the planning for the town's future development depends on a study of South Windsor's population. A background study of the town shows that between 1920 and 1960 the town grew by an increase of 340 per cent.

However, only a small portion of this growth occurred in the first 20 years of this period. From 1920 to 1960, the available figures show an increase of only 64 persons, or 52 per cent of the total population.

Growth Slow in 30's
The major population increases of the town were felt in the urban core of the capital region, Hartford.

An analysis of residential construction in the town between 1950 and 1960 shows an average of 160 new dwelling units per year. It is assumed that new dwelling units equal the amount of new migration of new residents to the town.

Matcheater Evening Herald, South Windsor correspondent, Ann Lyons, tel. 644-8083.

Formed from Territory
Five complete states—Indiana, Illinois, Michigan, Minnesota and Wisconsin—and a part of Minnesota were eventually formed from the Northwest Territory.

"This relationship is perhaps most important in the case of facilities related to the needs of the young and the elderly," the report said.

Projections of future school enrollments are the background against which proposed school construction must be viewed.

The elderly, on the other hand, present unique problems in terms of income and housing. In all areas, a study of the town's population will form an essential part of planning for the town's future, the report notes.

An essential part of the planning for the town's future development depends on a study of South Windsor's population. A background study of the town shows that between 1920 and 1960 the town grew by an increase of 340 per cent.

However, only a small portion of this growth occurred in the first 20 years of this period. From 1920 to 1960, the available figures show an increase of only 64 persons, or 52 per cent of the total population.

Growth Slow in 30's
The major population increases of the town were felt in the urban core of the capital region, Hartford.

An analysis of residential construction in the town between 1950 and 1960 shows an average of 160 new dwelling units per year. It is assumed that new dwelling units equal the amount of new migration of new residents to the town.

Verplanck PTA
Installs Slate

Mrs. Robert Larson of 88 S. Adams St. was installed president of the Verplanck School PTA Saturday night, at a meeting at the school before the annual variety show.

Others installed are Mr. and Mrs. Kenneth Gibson, first vice president; Mrs. John W. Verplanck, second vice president in charge of room mothers; Mrs. John Weerden, secretary; John Funke, treasurer; Mrs. Philip Uzzano, M. F. Hellstrom and Miss Carolyn Morton, delegates to PTA Council.

Also, Mrs. Horst Kniekenhauer, hospitality; Mrs. Thomas McKerns, publicity and entertainment; Mrs. Joseph Mader, library; Mrs. George Lager, first vice president; Mrs. Richard J. Lufkin and Mrs. Nathan Agostinelli, membership, and James Murphy, legislative.

The slate was installed at 7:30 p.m. at the school before the annual variety show.

Don Adams, Lucille Ball, Monkees Win TV Emmies

HOLLYWOOD (AP) — Don Adams won his fifth Emmy as a comedy actor in a supporting role in a drama; Lucille Ball got her first Emmy in 15 years at the television academy's 19th annual awards.

In a season banded by many critics as an outstanding award for outstanding comedy series went Sunday night to "The Monkees," the weekly series of four Beatlelike musicians. NBC claims their "mod clothes and long hair" reflected the "new attitude of today's teen-age generation."

At televised ceremonies in Los Angeles and New York he wrote the National Academy of Television Arts and Sciences chose also among winners for 1966-67.

Variety series: "The Andy Williams Show."

Dramatic series: "Mission: Impossible."

Single dramatic program: "Death of a Salesman."

Musical program: "Brigadoon."

Howard Morris, a co-performer in the Chester special and Reiner's one-time first sergeant in the Army, said: "I feel like I'm in a dream."

ABC, moving out of third spot for the first time, was next with NBC, which usually saws in the lead with CBS, trailed with 10.

Other top awards included: Outstanding children's program: Jack and the Beanstalk; Gene Kelly, producer.

The show's Frances Bayler won a supporting actress award in the comedy-series category, clutching her third Emmy and tearfully told the audience: "I really don't know what I say except thank you very much."

South Windsor in 1960 had a non-white population of 74 persons or 8 per cent of the total population of the town.

An analysis of residential construction in the town between 1950 and 1960 shows an average of 160 new dwelling units per year. It is assumed that new dwelling units equal the amount of new migration of new residents to the town.

Percy Urges U.S. to Help Open Aqaba

HARTFORD (AP) — U.S. Senator Charles Percy (R-Ill.) has called on the U.S. to take whatever steps are necessary to defend Israel's "right" to use the Gulf of Aqaba.

"Israel's ships are already excluded from the Suez Canal. Their right to use the Gulf of Aqaba must not be abandoned, nor can Israel itself be abandoned," Percy said.

In a Sunday commencement speech at Trinity College the senator found fault with the major world powers for the Arab-Israeli feud which has continued ever since the state of Israel was established.

While trading close to international action in the Middle East, the potential Republican presidential candidate said he thinks the U.S. has "unilaterally undertaken too much in Asia."

"Increasingly, the war in Vietnam is an American war, not an Asian war, rather than an Asian effort with American help," he added.

Our commitment in the Far East, the senator concluded, "has an adverse effect upon our position in Europe and the Middle East."

Percy was one of eight persons receiving honorary degrees from Trinity. The college awarded 222 baccalaureate and 88 graduate degrees.

Yale Receives \$2 Million Gift

NEW HAVEN (AP) — Yale University announced today receipt of a bequest of about \$2 million from the late Susan Dwight Bliss with which it will establish a new scholarship and three new professorial chairs.

Yale said the scholarship and one of the professorships will be named for Susan Bliss. The other two chairs will be named for Dr. Vaughan Huscock Professor and the John Fordman Paul Professorship, in honor of two emeritus members of Yale's faculty.

All three chairs will be in the Department of Epidemiology and Public Health.

The announcement said an allocation of \$100,000 will be made for the establishment of the scholarship. The remainder of the bequest will be divided into three equal parts to endow the new professorships.

Yale President Kingman Brewster Jr., in announcing the bequest, said Miss Bliss had taken an active interest in the university's public health program since the 1890s.

Area Weather
WINDSOR LOCKS (AP) — The U.S. Weather Bureau says that sunny skies and warm temperatures will continue today and most of tomorrow. Temperatures will reach into the 80s this afternoon over inland areas but cooling southerly breezes will spread inland by late afternoon.

Some patchy fog will develop over our region during tonight, giving way to sunny conditions tomorrow. The bright blue of the sky the past few days will take on a more hazey appearance during the next 36 hours.

Five Day Forecast
Temperatures from Tuesday through Saturday are expected to be above normal with daytime highs averaging from the high 70s to the mid 80s and overnight lows from the mid 50s to the low 60s. Generally warm cool about Friday or Saturday.

Precipitation may total 1/2 inch in scattered showers and thunder showers toward the end of the week.

Amherst Grad
Mother H. Neill Jr., son of Dr. and Mrs. Mother H. Neill of 87 Boulder Rd., was graduated cum laude with a Bachelor of Arts degree during commencement exercises June 2 at Amherst College.

He is a 1963 Deerfield Academy graduate. At Amherst, he served as vice president of Theta Delta Chi fraternity and was elected to the Lord Jeff Society. He earned a variety letter in soccer there.

Neill plans to study medicine in the fall at the College of Physicians and Surgeons, Columbia University.

Plane Crash, Accidents Take Four State Lives
BY THE ASSOCIATED PRESS
Traffic accidents and the crash of a military jet plane took four lives in Connecticut over the weekend.

In East Granby, two 16-year-old boys were killed Saturday night when a pickup truck struck a car on its side, careened into a tree and rolled over three times.

Dead in the mishap were John B. Collins and Craig Colgate, both of Granby. A third occupant, Richard Edmond, was critically injured and taken to Hartford Hospital.

In East Lyme, a jet plane crashed in thick woods Saturday at the Stone's Ranch Military Reservation while taking part in a simulated bombing maneuver. The pilot, Capt. Stephen J. Perlin, 28, of Rocky Heights, N.Y., a Marine reserve pilot, was killed. He was alone in the A4B Skyhawk jet.

In Milford, five-year-old Donna, the daughter of Mr. and Mrs. Walter Gilford, died in Milford Hospital about two hours after the crash.

Yale Reserve Pilot Killed
EAST LYME (AP) — A Marine reserve pilot killed here in a jet plane crash Saturday morning has been identified as Capt. Stephen J. Perlin, 28, of Rocky Heights, N.Y.

Perlin was alone in the A4B Skyhawk jet when it crashed into thick woods while taking part in a simulated bombing maneuver at the Stone's Ranch Military Reservation.

Area Weather

IOH Holds Its Graduation Ceremony

Miss Luanne Heck of 297 Henry St., surrounded by a heart shaped formation of swimmers was one of the features of the instructors of the Handicapped (IOH) water show, "Out of Darkness," last night at Manchester High School. Pool. There also was a graduation of 25 members representing Bolton, High, East Catholic High, Manchester High and West-ward High. A torch with the names of all graduates.

Manville Estate Robbed; Cash, Jewelry Taken
CHAPPAQUA, N.Y. (AP) — The Westchester County estate of millionaire Tommy Manville has been robbed by three masked bandits who bound and gagged Manville's sister-in-law and made off with cash, jewelry and a diamond necklace.

Manville, 72, was in Doctors' Hospital in New York. His 11th wife, Christina Erdien, was with him. She refused to place a determination to establish the value of the stolen articles.

Robert Carr, leader of the Conservative aviation group in the state, said he would urge a drive for worldwide safety.

Newspapers called for action. "With the grief there must be determination to establish the full facts of these appalling crashes," said the Daily Express.

Two other DC4s have crashed this year, killing 37 persons. Chartered flight companies in Britain must conform to the same safety rules as BOAC and the sister line, British European Airways. But BOAC and BEA have rules of their own more strict than the minimum required by law. The state Dept. for example, do not permit pilot hand passengers at an airport which he has not visited.

Pacifics Arrested
HARTFORD (AP) — The wife of a man mounted on a draft evasion charge with five other pacifists was arrested today in a demonstration outside the state jail in Hartford.

Charles Stephens, 24, was one of a man mounted on a draft evasion charge with five other pacifists. James Byrd of Airways, But BOAC and BEA have rules of their own more strict than the minimum required by law. The state Dept. for example, do not permit pilot hand passengers at an airport which he has not visited.

CRPA's Lavitt Says Area Ignored by Highway Dept.

"Northeastern Connecticut has been ignored by the State Highway Department in the construction of new highways," according to newly elected CRPA chairman Seymour Lavitt of Vernon.

Lavitt's comments, made at last week's annual meeting of the Capital Region Planning Agency (CRPA), are born out by the statistics of the organization's recently released proposed transportation plan for the region's 29 member towns.

The report rates several stretches of the Wilbur Cross Highway in East Hartford, Manchester and Vernon, as having from poor to tolerable traffic levels at present.

The findings are no news to the thousands of commuters who daily sit in bumper to bumper traffic on the highway. Rt. 6 and 44 is rated as poor through Manchester, Bolton and Andover, as is Rt. 195 in Tolland and Rt. 83 in Vernon.

An extensive network of state highways in South Windor are all assigned a poor rating. Rt. 85 in Hebron is rated tolerable.

The report defines a "tolerable rating" as a road "approaching an unstable traffic flow with acceptable delays."

This general traffic condition results in the speed and maneuverability of a car traveling the route, being more controlled by the volume of traffic than by the volume of the driver.

The lower limit of this range means temporary interruptions in traffic flow during which drivers have little freedom to maneuver or select desired driving speeds.

The upper level of the tolerable rating results in more frequent traffic flow interruptions and greater restrictions on driver freedom at 815 at the W. P. Quish Funeral Home.

The six are: Robert E. Slavov, Dem., of Vernon; Henry T. Becker, Dem., of Manchester; Edwin A. Lakeman, Dem., of Wallingford; Mrs. Jean T. Thornton, Rep., of Glastonbury; and George W. Hannon Jr., Dem., of East Hartford.

To make a pretty good color icing with a luscious flavor, use the juice from mandarin oranges instead of milk as the liquid in powdered sugar icing.

House Passes Tribute to Ren. Genovesi

The State House of Representatives Saturday, in a standing and silent vote, unanimously adopted a resolution expressing sympathy to the family of Republican State Rep. Vincent A. Genovesi of Manchester, who died late Friday night in Newtonington Veterans Hospital.

The resolution was sent to the State Senate, where it was to be acted upon today.

A copy of the joint resolution will be sent to Mr. Genovesi's widow and his children.

House Speaker Robert Tushnet has appointed an honor guard of six state representatives to the funeral to be held tomorrow morning at 11:15 at the W. P. Quish Funeral Home.

The six are: Robert E. Slavov, Dem., of Vernon; Henry T. Becker, Dem., of Manchester; Edwin A. Lakeman, Dem., of Wallingford; Mrs. Jean T. Thornton, Rep., of Glastonbury; and George W. Hannon Jr., Dem., of East Hartford.

Shriners Came to Town in Colorful Array

The fun-making Shriner parade was slightly injured when one of the midge cars of the Motor Patrol hit a hole in the road, the operator lost control and the car spun into the crowd. The patrol member and the youngsters were treated at the hospital for minor cuts and bruises.

About 2,000 Shriners led their way from South Terminal

Hebron Town Residents to Act On New Budget Tonight

The annual town meeting and special town meeting will be held tonight to receive and act upon the budget for the town and the schools for 1967-68. The meeting will begin at 8 p.m. at the Hebron Elementary School.

The Board of Finance estimates that if the budget is approved as recommended, the tax rate will increase by one half a mill. The tax rate is presently 4 1/2 mills.

The voters may accept the budget, make further cuts, or reject it entirely and send it back to the Board of Finance. The recommended budget may not be increased at the town meeting.

Other items on the agenda include election of a member to the Board of Education of Regional District 8 for a term not to exceed three years beginning July 1, 1967.

The town will also receive and act upon a request from the Hebron Volunteer Fire Dept. which is requesting that it be granted custody of the 1957 Ford Fire Truck for non-emergency use.

The reports of the town officers will also be received and acted upon.

New Pulpit Bible The Hebron Congregational Church Council has voted to purchase a new pulpit Bible to replace the one presently in use.

The present Bible is an 1870 edition which was one of only three articles saved when the church was burned to the ground in the Hebron fire of 1882. The present church was rebuilt later in the same year and first used in February, 1883.

The council has asked that anyone who would like to give a Bible or share in its purchase as a memorial gift, contact Deacon Albert Coolidge.

The church plans to purchase a Revised Standard Version of the Bible. The old Bible will be repaired and placed in the historical archives of the church along with a Bible given in 1883 by the Gilbert family.

Baseball Game The Little League Bears will play the Lions at the Little League Field at 6:15 p.m. today.

Manchester Evening Herald Hebron correspondent Mrs. Marjorie Porter, tel. 228-8116.

Judge Orders Nourie To Remain in Prison

A motion was denied today to mitigate a 12-year state's prison sentence imposed last March 27 on Ronald Nourie, 24, for his part in the Nov. 8, 1966 robbery of a Vernon bank.

The motion, made by Nourie's attorney, Robert P. Volpe of Hartford, was denied by U.S. District Judge T. Emmet Clark after a lengthy argument by Volpe and Chester Circuit Court 12 June 25.

Two teen-agers each were charged at 10:45 p.m. Saturday with passing in a no passing zone. They are Lawrence J. Bouchard, 17, of Hartford, and James E. Dieterle, 18, of 35 Breton Rd. Police said Dieterle, driving a motorcycle, and Bouchard, driving a car, traveled over double yellow lines at Center and Broad Sts. while passing each other.

They are scheduled to appear in Manchester Circuit Court 12 June 25.

Stanley F. Kawalec, 43, of Vernon Ave., Rockville, was charged at 1:40 p.m. yesterday with disregarding a stop sign at Broad and Woodland Sts. Nourie did not hold or possess any weapon during the \$24,334 holdup.

And he pointed out that \$5,300 of his client's \$12,000 amount of the holdup cash was recovered by FBI agents when they arrested him in Times Square hotel room 10 days after the robbery.

The lawyer also pointed out that no one was injured in the holdup and that Nourie cooperated with FBI agents and told them where and how he spent his share of the cash.

Atty. Volpe had entered motions Feb. 29 to have Nourie examined by psychiatrists and to change his client's plea from guilty to innocent.

The findings of the doctors, however, showed that he was mentally competent at the time of the holdup. The lawyer withdrew his motion to change the plea and his client was sentenced to State of Connecticut, Carroll J. and Grace Barrett, property on Mt. Noho Pl., 18 years in prison Feb. 20 for his part in the robbery.

Peter E. Benson Jr. and Ann M. Benson, property on Mt. Noho Pl.

State of Connecticut with Patrick J. and Joan L. Humphrey, property on Carter St.

W. Harry England, Ludis Upenleke, Elmar Ruppner and George E. Halsey to the Rogers Corp., building and land off Hilliard St. for five years commencing May 1, 1967, with a five-year option for rental and a 10-year option for purchase.

Attachment Styliarum, Inc. against John J. Lappen, property at 66 Baldwin Rd., \$1,000.

Building Permit Nutmeg Homes Inc., 117-120 Nutmeg Ave., 117-120, used obscene language. He is 000.

Atty. Volpe also maintained that when his client was asked to participate in the holdup, he was hiding in Coventry woods and under extreme pressure.

Nourie, of Manchester, had escaped from Hartford State Jail shortly before the robbery, with disregarding a stop sign at Broad and Woodland Sts. Nourie did not hold or possess any weapon during the \$24,334 holdup.

And he pointed out that \$5,300 of his client's \$12,000 amount of the holdup cash was recovered by FBI agents when they arrested him in Times Square hotel room 10 days after the robbery.

The lawyer also pointed out that no one was injured in the holdup and that Nourie cooperated with FBI agents and told them where and how he spent his share of the cash.

Police Arrests

Francis J. Head, 42, of 418 N. Main St. was charged at 1:20 a.m. today with three motor vehicle violations.

They are improper use of motor vehicle registration plates, operating a motor vehicle without a license, and operating an unregistered motor vehicle.

Police said he was stopped on N. Main St. He is scheduled to appear in Manchester Circuit Court 12 June 19.

Marjorie C. Lebrun of 487 Center St. was charged at 2:40 p.m. yesterday with operating a motor vehicle without a license and operating an unregistered motor vehicle.

She was stopped at E. Center St. and Plymouth Lane, police said.

William Osofsky, 56, of RFD 10, Tolland was charged at 7:15 p.m. Saturday with breach of peace. Police said he caused a disturbance on Kerry St. and into the river May 3 from the Gold Star Memorial Bridge.

fourth as much heat as filament lamps.

GIRL'S BODY RECOVERED GROTON (AP) — A body removed from the Thames River Sunday was identified as that of Katherine J. Huntington, 20, of Katherine J. Huntington, 20, play the Lions at the Little League Field at 6:15 p.m. today.
