Dodd Asks More Time To Prepare Defense

(Continued from Page One) Johnson, accompanied by his wife Lady Bird, spent Oct. 28, 1963 in Connecticut and was the featured guest at a series of fund-raising events for Dodd's breakfast, luncheon, a cocktail party and a dinner.

The Senate ethics committee, in recommending that Dodd be censured, said the proceeds of the "Dodd Day" events were part of the \$110,000 in which called political funds used by the senator for his personal benefit.

In denying the bipartisan committee's charge, Dodd has maintained that the proceeds of the testimonials were gifts he could use as he saw fit rather than campaign contributions. "Long's memorandum made no reference to Dodd's letter to Johnson, but it said Dodd had conceded that 'some of the language used by some of his supporters in organizing the testimonial dinner affair in October, 1963 unfortunate.'"

Long said the ethics committee had recommended that Dodd be censured for what he did with the money. "But it is not terribly unfair that I should be asked to prepare the letters involved," Dodd said.

Four More in Prison 50 Americans Reside In Communist China

TOYO (AP) — About 50 American prisoners live in Red China today and possibly double that number of Chinese who fled from South Korea to acquire U. S. citizenship. In Japan in 1952. Peking announced four Americans are to be held in Communist Manchuria, was tried, as a spy, and sentenced to life in the Chinese prison.

Peking's official press says most of these voluntarily living in the country helped China by Mass., another U. S. civilian espionage agent. Mao Tse-tung in play aboard the same plane his struggle with his rivals. Some painted wall posters. Others applauded Mao in interviews. Some criticized President Lin Shao-Chi and other anti-Maoists.

Several Americans work for Communist China's propaganda networks, including Radio Peking.

Prominent among the Americans is Anna Louise Strong, a native of Seattle, Wash., a pacifist who became disillusioned with life in the United States and moved to Peking in 1952.

She became acquainted with Mao on earlier visits and would not be able to go again because of her age and financial condition. Peking was last visited by his mother in January 1953.

Miss Strong spends most of her time writing and traveling in China and nearby countries. She issues a monthly newsletter, "Letter from China," which discusses international politics with usually a condemnation of U. S. policy.

She occupied a three-room apartment in a building where an organization takes care of food preparation and cleaning. Occasionally she attends cocktail parties. She once wrote classmates at Oberlin College that her life was more relaxed, adding: "I think my life expectancy has increased by living in China."

Several of the Americans are married to Chinese and most of them are said to live in limited comfort. Many were living in China when the Communists defeated the Nationalists in 1949.

Several years ago, two Americans were reported working as secretaries for Madame Sun Yat-sen in Peking, the widow of the founder of the Chinese Republic. They were a missionary, Taithe Dietrich, and Gerald Tammanbaum, a former Marine captain. There have been no recent reports on them.

Some of the Americans have had occasion to visit the United States but fear the State Department will not allow them to return to China.

There have been reports that she has renounced her citizenship, but U. S. officials in Tokyo say they have nothing to confirm the reports.

One American has been adopted by a Chinese family in Hsien, 57, a physician from Buffalo, N. Y. He went to China in 1950 and lives in Peking. He is known as Ma Hai-Tei.

Also in Red China are the last two Korean War turncoats, the prisoners were convicted of spying.

The turncoats are Howard G. Adams of Corsicana, Tex., and James G. Venable of Hawthorn, Pa. They were among 21 U. S. prisoners of the Communists in the Korean War who decided to go to Red China. Both are reported to have married and are said to be attending Peking University.

Of the other 10, one died in Communist China and the others returned to the United States or settled in other countries.

Two of the four prisoners are serving life sentences and two 20-year prison terms.

Many believe the 20-year terms imposed in 1950 on Chinese Catholic Bishop James E. Walsh will end in his death. The bishop, 76, has been reported to be falling health in his Shanghai cell. He is from Cumberland, Md.

The three other prisoners, last reported in better health, are: Hugh F. Redmond, 47, a bus driver from Yonkers, N. Y., arrested in Shanghai in 1951, he was sentenced to life imprisonment in 1954 on charges of hour.

Members here have worked maintaining contact with U. S. old contract expired Dec. 31, 1967.

John T. Downey, 37, Wallingford, Conn., a U. S. Army civilian employee lost aboard an aircraft carrier from South Korea to acquire U. S. citizenship. He was sentenced to 20 years in prison in 1954.

Richard G. Fetescu, 39, Lynn, in the country helped China by Mass., another U. S. civilian espionage agent. Mao Tse-tung in play aboard the same plane his struggle with his rivals. Some painted wall posters. Others applauded Mao in interviews. Some criticized President Lin Shao-Chi and other anti-Maoists.

All four have been permitted in most years to receive Christmas packages through the International Red Cross, and have been visited by relatives. Bishop Walsh told his brother at the end of a 1962 visit in the Chinese prison hospital: "We can't see Anna Louise Strong, a native of Seattle, Wash., a pacifist who became disillusioned with life in the United States and moved to Peking in 1952.

Redmond has been visited by his mother and a brother several times in the United States at times, Downey has been permitted to see his mother, but she said after a visit in 1963 she would not be able to go again because of her age and financial condition. Fetescu was last visited by his mother in January 1963.

Little is known of how the prisoners live, but they have 30 minutes scheduled morning and afternoon for studies and sports. They are allowed to go to a canteen and eat, but they are not permitted to receive visitors except read, think and pray in their cells.

Each one being permitted to receive a 22-pound food parcel each month from home.

Pet Pussycat Prefers Perch; That's Her Will

MIAMI, Fla. (AP) — The fattest cat in town is doing nicely, thank you, on a diet of ocean perch and salmon.

But her lawyer and adopted mother, Mrs. M. Mathelin, 69, is worrying that a ringer might try to take over the good life.

"Toots even turns her nose up at chicken now," said Genevieve Herborn, "since I quit giving her cat food and started cooking for her, you have no idea how snooty Toots is."

Mrs. Herborn is a supermarket clerk who won free rent in the house left to Toots, a registered Siamese, in the will of her mistress, Hazel Kurus Mathelin, Mrs. Mathelin, 69, died April 8.

The will, which dated April 8, gave Toots the house and a \$50,000 trust, including Mrs. Mathelin's home and her portfolio of blue chip stocks.

Attorney James W. Pritchard, executor of Mrs. Mathelin's will, said he will file the will, that Toots be named executor of the estate.

"When Toots dies, the cat will be buried on the property and the bulk of the estate will pass to Mrs. Mathelin's relatives in St. Louis."

Pritchard said he had wondered how long it would take to get the will actually was dead as certain, with evidence administered in court, that no substitute had taken over.

"All Siamese cats look like a Siamese," Peking said, "but I lived on a farm where we noticed the ears of the cat would stand still in the wind."

"The thing to do," said Mrs. Herborn, "is to get her to a veterinarian and try to put some mark on her."

BUILDERS, MASONS SIGN NEW HAVEN (AP) — The new England Road Builders Association and the State Conference of Bricklayers, Masons and Plasterers have signed a new three-year contract.

The contract provides a wage increase of 80 cents an hour during the three-year period and welfare and pension improvements. Wages now average about \$4.68 or \$4.70 an hour.

Union members have worked without contract since the old contract expired Dec. 31, 1967.

Simple Ceremony Amid Splendor

Father Shaw calls roll of seniors as Bishop Hackett awards diplomas.

In simple, unadorned commencement ceremonies marked by the splendor of Hartford's St. Joseph Cathedral, 276 East Catholic High School seniors were graduated last night before a near capacity throng of 1,200.

Members of the Class of 1967, the third to be graduated from the school, were awarded diplomas by the Most Rev. John F. Hackett, D.D., auxiliary bishop of Hartford, as the seniors were presented to the congregation by the Rev. Charles E. Shaw, principal.

The sermon, following presentation of the certificates, was delivered by the Right Rev. Msgr. Edward J. Reardon, pastor of St. James Church, Manchester, who administered the sacrament of Holy Communion. The measure of man's goodness was the measure of how well man uses his unique personality and natural endowments to the honor and glory of God.

Comprising students from Manchester, Wapping, South Windsor, Glastonbury and East Hartford, the class was larger by 12 members than last year's, but smaller by eight than the Class of 1966, the first to be graduated from East Catholic High School.

Before the ceremony, the night, the sky gazing brightly, almost gave promise of dampening the crowds of parents, relatives and well-wishers motoring in from the suburbs for the occasion.

The threat of showers proved an idle one, and as an organ prelude swelled and the lights were raised, the ceremony promptly at 7:15, the skies began to brighten, too, illuminating the stained glass windows.

Most of the audience were seated well in advance of the scheduled 7:30 starting time, and the procession sounded on the door of 7:20 as the seniors began filing slowly down the center aisle.

Then the reverential stillness gave animated as the congregation stood to whisper and strain for a view of the seniors marching to the altar—girls in white cap and gowns on the left and boys, bleached, to the right aisle.

Members of the National Honor Society could be identified during the 10-minute ceremony by their special achievements.

Through it all, that unique commencement phenomenon, the Amateur Photographer stalked the solemn seniors, looking for the perfect shot. The camera's shutter clicks and exploding flashes among the windows.

But no one seemed to mind, least of all the light-battered camera operator, who prelates seated, steadily before the congregation, studiously the youth in the son of Atty, and the camera's glaring eye.

South Windsor Town Urges PUC to Weigh Water Franchise Transfer

Town officials yesterday urged the State Public Utilities Commission (PUC) to consider transferring the Connecticut Water Co. to turn over its franchise to the Metropolitan District Commission (MDC) if improved water conditions are not effected within a reasonable time.

The proposal was advocated by Mayor James Throve, Councilman John Egan Jr. and Town Manager Terry Sprengle at yesterday's public hearing before the PUC. A bill passed by the Legislature would permit South Windsor to join the MDC.

Talking and Acting Like Pennant Contenders R Sox Continue to Surprise

BOSTON (AP)—The Boston Red Sox, talking and acting more like pennant contenders than their latest, conventional baseball finish, headed today for Washington and a two-night road trip.

Manager Dick Williams and his players were still buzzing about Tony Conigliaro's two-out, 11th inning home run turned impending defeat into a big triumph on a game which also ended with a 2-1 victory over the Chicago White Sox Thursday night.

The pennant talk around Fenway Park is a novelty, but the Red Sox are making more and more believe.

Even Chicago Manager Eddie Stanky, before game, revealed his pre-season estimate of the race to include the Red Sox.

Tremendous, Tremendous Latest Red Sox Win Like Thomson's Feat

BOSTON (AP)—To Dick Williams it was 1951 and the Polo Grounds once again—only this time he was on the winning side.

The rookie Boston Red Sox manager, who took over the reins for the Brooklyn Dodgers when they lost the National title, was talking as though they were back in the Polo Grounds on Bobby Thomson's season it could look like a big inning home run.

Who Tony Conigliaro turned into a home run, it was a 2-1 triumph over the Chicago White Sox Thursday night, Williams recalled that "Tremendous, tremendous."

Williams kept repeating in the clubhouse, "It really reminded me of 1951 when I was standing on the dugout steps at the Polo Grounds. I know what it's like to lose a game like that, and it's good to be on the other side."

Jim King to White Sox As Trade Deadline Ends

Relief pitcher Claude Raymond can change his to his traveling team tonight without leaving town.

Raymond was traded by the Atlanta Braves to the Chicago White Sox before Thursday night's game.

It might not take Raymond long to get a chance to pitch against the White Sox. He is expected to make his debut against the White Sox on Saturday night.

World 100-Yard Dash Mark Tied by Nebraska's Greene

PROVO, Utah (AP)—Charlie Greene tied the world 100-yard dash record and refused to talk about it. Gerry Lindgren, who has opposition in the 100-yard run and scouted at the altitude factor.

Those were among surprises Thursday night in the opening round of the 46th annual NCAA Track and Field Championships at Brigham Young University.

Another surprise was the decision of two world record-holders, not to try for double victories.

Jim Flynn of Kansas, the 200-yard dash champion, easily won a qualifying heat and then repeated the half-mile, 1,000 and 2,000 yard races.

Greene might have been selected for the 100-yard dash, but he decided to run only in the 200. He also had entered also in the 100 and 400 but said he did not want to risk an injury.

Ryan also said he was not through the qualifying in form, but some darkhorses also were in the race. Lennox Miller, a Southern California sophomore who ran the 100 in 12.3 seconds, was a contender.

Miller's fine 100 heat came just minutes before Greene, wearing the 14th round, but couldn't knock out the courageous Welshman.

Flanagan weighed 125 pounds. "I'm looking forward to a nice holiday in Europe," Said-var said.

Orioles Now Fifth After Latest Loss

NEW YORK (AP)—Big Frank Robinson is seeking to stir up a hornet's nest, but the slumping Baltimore Orioles are being stirred in their way in the direction of the American League's second division.

The peppy Kansas City A's buzzed around the bases like bees in the eighth inning Thursday, scoring five times to overcome a 5-0 deficit and then beat the Orioles 6-5 in the 11th.

The Red Sox play four games at Washington against the last-place Senators and three in New York against the eighth-place Yankees before returning home.

Williams named right-handers Gary Bell 3-5 over-all but 2-0 with Boston and Darrell Bunde 2-6 with tonight against the Senators, who were expected to counter with Joe Coleman 3-4 on Friday 6:30 or Bob Humphreys 1-1.

Triforce fly brought in another. Then Kansas City went to work on Baltimore starter Tom Phoebus in the eighth, tying the score on five hits and an error.

Phoebus was hit with the 11th with a triple and after a hit to a batsman and an intentional walk, Jackson's single scored.

Tony Conigliaro, Mickey Mackay and Harmon Killebrew were hitting the ball real good Thursday where we belong.

Earlier in the day the stuffer was gone so saying there was some jealousy on the team.

However, Manager Hank Bauer explained, "I think Frank won't have a poor choice of words. I think the right word is jealous. Last year we always had two men in the line-up who were hitting the ball real good. This year we have only one."

For a while, the Orioles were hitting the ball real good Thursday night. They jumped on the A's Jim Nash for five runs in the ninth. They scored three runs, and Etchebarren and Brooks. Cleveland's Cleveland in runs, and Etchebarren and Brooks.

Yanks in Position To Challenge Top

WASHINGTON (AP)—Mel Stottlemyre and Mickey Mantle have put the New York Yankees in a position where a reasonably sizable winning streak could put them in the thick of the American League pennant race.

Stottlemyre has hit in 11 straight games and has four doubles. He posted a 7.5 record with the Astros in 1966. The 27-year-old Blasingame is 1-0 this year, and was 3-7 with a 5.29 earned run average last season.

The White Sox had broken a scoreless tie in the top of the 11th, and led 3-0. The Red Sox were down their last out with a runner on first. Conigliaro ran the Polo Grounds. I know what it's like to lose a game like that, and it's good to be on the other side."

Amateur Sets Pace After First Round

SPRINGFIELD, N. J. (AP)—Arnold Palmer, who had said the amateur couldn't win the U.S. Open, is in pursuit of one today with two strokes to go.

Palmer, the golfing midget, is 166 PGA Champ Dave Marr, one of the established stars of the game, and George Archer, who was lightly packed into a compact group at 69.

They included Gary Player, the little South African who was the 1965 U.S. Open champion, and Billy Casper and rookie pro Deane Beman.

Big Changes at Stafford
The Herald Angle
By PETE ZANARDI
Assistant Sports Editor

Big League has to be the adjective for the new Stafford Speedway, at least from a spectator's point of view. The newly paved half-mile oval has attracted nearly 8,000 racing fans in its first two meets.

The adjective applies to several familiar names. Downstate drivers, including Del Stacks, Dickie Watson and Hank Stevens are now at Stafford. They have switched over, as has Dave Humphreys. The latter pilot on midgets as well as stock cars.

These drivers and many more will probably be at Stafford July 4 when the 100-lap "National Championship" event will be run. Besides double points for national standing, the event will feature a \$3,000 purse with \$1,000 going to the winner.

Adding drive to that race will be a 33-car, Indy style start—11 rows of three cars.

Stafford has carried over a number of procedures to Stafford. The new management must do something about clearing the track faster after a race. Motion interviews drivers before race time and then plays race time and then plays race time, during breaks in the racing.

Even the most dedicated fans don't get a chance to see the work. It might not be amiss for the management to see about speeding up the clearing and emergency trucks.

NEW YORK (AP)—Jim Wynn put one and one together and solved the problem of the Houston Astros' huge dimensions. His solution surprised everyone, including Wynn.

\$50-Million Sports Complex To Be Erected in Chicago

CHICAGO (AP)—A \$50-million football and basketball—would open the facilities but if not, Chicago's Loop is being planned around the site of the city's center.

The Cubs moved into Wrigley Field in 1916. The park, owned by Arthur W. Armour, was built on the site of the old Union Stock Yards. It was the first stadium in the city to have a grandstand.

It will consist of a baseball park with seating capacity of 46,000 in an enclosed arena for basketball and hockey with 10,000 seats, and a football and soccer stadium with about 60,000 accommodations.

Alyn Jones, who heads the Chicago Bulls, hopes the Chicago Bulls, Chicago Bears and Chicago Bulls—baseball, 600 to 11,000 autos.

Flemke's Streak Intact at Stafford

Stafford Speedway tonight hopes to present the best racing in the East starting at the 8:15.

There will be qualifying heats and consolation events plus a 30-lap main event. On the half-mile track, paved over the modified and sportman cars are turning lap times under 2:30 seconds and going down the straights at better than 110 miles per hour. Saldivar Retains Crown In Featherweight Division

CARDIFF, Wales (AP)—Victor Saldivar retained his European title today, his world featherweight boxing title intact after a blinding defense Thursday night.

Wynn's Homer Spree Feature at Astrodome

NEW YORK (AP)—Jim Wynn put one and one together and solved the problem of the Houston Astros' huge dimensions. His solution surprised everyone, including Wynn.

Wynn also said he was not through the qualifying in form, but some darkhorses also were in the race. Lennox Miller, a Southern California sophomore who ran the 100 in 12.3 seconds, was a contender.

Miller's fine 100 heat came just minutes before Greene, wearing the 14th round, but couldn't knock out the courageous Welshman.

Flanagan weighed 125 pounds. "I'm looking forward to a nice holiday in Europe," Said-var said.
