Thursday, October 12

As Bolton Debates Its Concern

sion of the possibility that it might

make its symbolic contribution to "Prej-

ect Concern" by finding room in its

school system for a few children from

the North End of Hartford, perhaps

room with Bolton families for some of

these children to stay during the school

This is Bolton's business, not Man-

chester's. All we in Manchester can do

is point out that we had our own period

of wrestling with this issue, that we

brought to our controversy many varia-

tions of sentiment and instinct and

analysis, but much good conscience on

both sides of the issue, and that we re-

solved the issue positively after discus-

sion and debate which were, in the

main, a credit to the functioning of a

After our decision to participate in

Project Concern, there has been a divi-

sion of result. There has, on the positive

side, been whatever touch of good has

been done by the daily interplay be-

tween two communities, the one our

own suburban white, the other the North

End of Hartford. But there has, on the

negative side, been a lingering and

sometimes venomous backlash, in which

those who were closest to the extrem-

ist fringes on the issue have sought to

perpetuate the quarrel and give it side

entrance into many other phases of

But, even though the attainment of a

decision in Manchester, which now finds

the children of Project Concern in their

second year in our schools, has left divi-

sion behind it, both camps of Manches-

ter thought and policy had almost one

common thought this summer when

End of Hartford. Both Manchester

camps wondered, from their different

points of view, whether or not there had

been any relationship between Project

Concern and this summer's events in

Hartford. Both schools of Manchester

opinion wondered whether the busing of

school children had done any good. The

hope of those who had favored the bus-

ing was that perhaps there had been

some moment in the North End of Hart-

ford this summer - or would be some

moment in some future summer-when

some individual or family would react

differently to the opportunity to riot-

react differently just because there had

been this somewhat artificial and con-

trived lifting up contact with an outside

The downgrade judgment of those who

had opposed busing more probably was

that the evidence now seemed to be, did

it not, that things like busing did no

good, and that North Hartford's conduct

But neither camp could be sure.

Neither could escape wondering. There

is, of course, no absolute proof one way

or another in such matters of sociologi-

But it seems to us that, with our

American world threatening to fall in

on us all, it is somehow better to think

of reasons for debating possibilities of

doing something, and somehow better

to try to do some small concrete thing,

too, if a community can so decide, than

it is to think of all the readily available

be a somewhat far-fetched opportunity

or responsibility for one's community.

reasons for ignoring what may indeed

We honor those in Bolton who have

precipitated public discussion of the

possibility there is something Bolton could and should do. We hope Bolton's

debate of this possibility can proceed

with results as positive as those in Man-

chester. For, although there were bitter-

ness and wounds in the Manchester proc-

ess, not all ever healed, and some fester-

ing still, the overall result was that Man-

chester, soul-searching as never before,

did find some soul, and did elect to

stand and act, in its own modest and

troubled way, to provide some small

share of an answer to the greatest de-

mestic problem this nation has ever had

Who Isn't Fractured?

Hugh Scott of Pennsylvania, the frac-

free and responsible society.

of the war followed Senator Thruston

"First we had a former national com-

mittee chairman speaking as a dove now we have another former national

committee chairman speaking as a

"I am no hawk." Senator Scott re plied. "I just don't want to be a

Neither, for that matter, is Senator

Morton any real dove. He rests his position on the admission that he is a hawk

who nevertheless has sense enough to

see that the strategy of the hawk has

But from Scott to Morton to Romney

to Reagan to Percy to Tower to Kuchel

to Aiken to Dirksen the Republican sit-

uation has one consistency-its internal

division. The Republican party is a

house of so many Vietnam views there s some validity to the Democratic

charge that Republicans are willing to

run toward any view which will win the

This is a relatively new development

on the political scene-this present pro-

liferation of differing views among the

Republicans. But the biggest reason why

this gets such a warm welcome from

the Democrats is that they themselves

have been exhibiting, for many months,

a party division even more surprising

and serious than that of the Republi

cans. For the Democrats are afraid they

know who their candidate for President

in 1968 is going to have to be, and they

have therefore, a certain political com-

pulsion to try to keep themselves capa-

ble of supporting him with a straight

face. From Morse and Gruening to Mc-

Govern to Kennedy to Mansfield to Ful-

oright to Ribicoff to Stennis is a division

wider than anything in the Republican

camp and much the more shocking,

The truth is the war in Vietnam has

succeeded in shattering both political

This gives them small license to taunt

one another, and it gives any of the rest

of us small license to taunt the two of

them. For most of us, if we really look

inside ourselves, find the war has frac-

tured our own thinking and feeling, too.

Attlee Made History Too

As Winston Churchill symbolized the

greatness and courage and glamor of

eadership which gave Britain glory and

empire, so Clement Attlee was almost

a cartoon version of the mild but dog-

ged little man who, through the cen-

turies, did the essential work and most

Only, when Churchill and Attlee

flourished in the same span of historical

time, the great game of glory had just

about played itself out, and the mild,

dogged little fellow had finally made up

his mind to swap in some of the glory

and some of the empire for a little liv-

So it was that, almost the moment

Churchill had so gloriously preserved

the empire, and not, he himself pro-

claimed, merely in order to preside over

the political process to snatch every-

thing except the glory of the victory

away from Churchill, and start sharing

and dispensing the freedom, the privi-

lege, the comfort, the dignity that vic-

tory had protected. He dispensed it to

the colonial peoples abroad and to the

colonial people at home as if they were

suddenly rulers, and such, to their im-

One has to give Churchill his credit.

He would have led the British people to

their victory even had he known, for

sure, they were to turn from him to

Attlee and Attlee's untraditional pur-

poses the moment the victory had been

And one has to give Attlee his credit.

Where Churchill served his King, Attlee

served the ordinary Britisher, the some-

times insignificant little fellow who had

previously existed merely to serve and

cheer the Churchills of history, but

without whom no Churchill would ever

What may never be realized is that

the determination of Attlee was, in real-

ity, just as heroic, just as grim as that

of Churchill, and that it may have had

an even greater impact on the history

Our Poisonous Snakes

A six-year-old boy in East Lyme bit-

ten by a copperhead is reported doing

well after receiving emergency care

and hospital treatment with anti-venom

serum in time. The youngster's cat had

cornered the snake against a rock and

when the lad stooped to pick up a stone

the reptile bit him on the palm of his

The incident which will have, it is

hoped, a happy instead of a tragic out-

come, reminds us that Connecticut has

two poisonous snakes, the copperhead

and the timber rattler. They are not

very numerous but they are very dan-

on its head which futs out from the

body. It has narrow crossbands on its

back which are broader on the sides.

Its venom is worse than that of the

rattlesnake, but it doesn't have as much

venom. The copperhead is frequently

found in swampy areas. The timber

warning, is found most commonly in

rocky, wooded areas.

rattler, a banded anake with its own

Connecticut's other snakes are not

lethal and the blacksnake is the farm-

er's friend, useful in keeping down the

population of fieldmice. The more

venomous snakes are seldom found

With our growing Suburbia encroach-

ing on the habitats of the copperhead

and timber rattler, people, particularly children, ought to be taught to recog-

nize hem and stay clear of them, and

know what to do until help comes, or to

get help, if bitten. - ANSONIA SEN-

> Little, Schendel Deny Forming **Political Party**

Wilber Little, president of the Manchester Property Owners Protective Association (MPOPA), and former Pelice Chief Herman Schendel, its treasurer, last night denied what they called "accusations" that they are using the association to form a new political party. Little, a member of the GOP Town Committee and until re-cently Republican chairman of Voting District 7, addressed an MPOPA membership meeting of about 150, meeting at Waddell

He said the association is nonpartisan and will support for office "anyone working for the Fish' in Bolton Area Awaits Call for Help Republican-endorsed candidate Little, last November, was the munity help-thy-neighbor effort known by the Christian symbol "Fish" is all organized and ready to receive and answer ready to calls for aid, according to the coordinating committee. WHO SAYS YOU'RE TOO OLD TO LEARN?

Don't let anyone tell you that you can't get a better job after 40 or 50 or even 60.* Even though you have no shop experience, you may be trained to do important shop operations, and you will receive traditionally high Aircraft wages while learning. So don't stay stuck in a low-paid job-no matter what your age. After as little as two weeks training, you can have a high-paying job with plenty of extra benefits and a real chance to earn even more in the future. Come in and talk it over right now. New classes are being formed, and there may

be a place for you in the training program at Pratt & Whitney Aircraft! FREE TRAINING COURSE WITH PAY . Interested applicants may be given 80 hours of instruction and training in the

operation for which they have been hired. . Instruction will be in our own training school . You earn the high Aircraft rate of pay while you learn.

> EXTRA BENEFITS AT THE AIRCRAFT Hospital and surgical insurance . Life insurance

> Nine paid holidays . Up to four weeks vacation Sick leave with pay . Largest credit union in U.S.

seventh and deciding game with the St. Louis Cardinals.

"I saw the ball all the way and I knew I was going to go

end the way it should—our best for home," Jones said. "Sure, against their best," Boston slug- I saw Pop, but I'd have broken

ger Carl Yastrzemski said after my ankle if I had tried to stop.

days' rest, Williams admitted he would prefer that the lanky right-hander have another day.

"However, I'd rather have

Lonborg than any other pitcher

in baseball, even with two days rest," Williams said of his 22-

game winner. "He certainly de-

serves the Cy Young award."

The Red Sox, seeking to become the fourth team in history

to lose three of the first four

games and come back to win a

world championship, unloaded a 12-hit barrage, forcing the Car-

dinals to call upon eight pitch-

ers, in squaring the Series. Rico Petrocelli broke out of

a slump with a pair of homers

and Yastrzemski and Reggie Smith contributed one apiece. Then, after St. Louis tied the

score at 4-4 on Lou Brock's two-

Planners' Parley: An Area Appraisal Vactor Lopez Albaro Blaw to bus planticed outside a repair shop Thursday with the key in the Ignition. The man drove it nowey and attarted the statement of th

Test tube birth, planned cities, all leisure and no work and the role of the individual in the year 2017 were topics in the air at the 50th anniversary meeting of the American Institute of Planners in Washington, D.C., last week.

Two men from the area who attended talked this week of what they had learned and how they could relate it to the area's concerns. The two were Joseph Tamsky, Manchester's planning director, and Robert Black Caucus Young of Bolton, executive director of the Windham Regional Planning Agency. Both termed it "unique" in planners' conferences because the scope was broad and far-reaching. The theme was "The Next 50

to the 3,000 planners and their guests. Subjects ranged from the

ing urban planning.

Speakers included Gunnar Myrdal, the Swedish social philosopher; Claude Brown, the young Negro novelist and politician, a civil rights march tonight into and Buckminster Fuller, architect of the U.S. exhibition in Mont-West Hartford.

The group, which calls itself The technician's ability to do almost anything society wants the Black Caucus, confirmed its

was agreed to by most speakers, the local planners said. But what to do with that ability gave more trouble. Corp. brain, explained to the planners the irony of the technician and society. The technician can do just about anything, but "society doesn't know what it wants them to do," he said.

Vietnam Issues Debated

asking him to open the border point around the clock.

"Dear Mr. President," said the letter ,"we know you have problems all over the world. We want your attention a moment to tell our problem."

The letter told Johnson that the solution.

The letter told Johnson that the solution and the solution are proposed was an "indispensible the solution."

The solution and the clock.

"The only words that have been heard from Hanoi are policy speeches.

A self-declared "dove", history professor Harry Bends, said the man expired."

The only words that have been heard from Hanoi are border the U. S. presence and committed to the Assembly first after the policy speeches.

The Asian members held a closed-door meeting late Thurston," he said.

Los Algodones has no fire proposal was an "indispensible department. When there is a first step" toward a Vietnam the solution.

The closed gate," self-declared "hawk", said the U. S. presence and commit the U. S. presence and

support for the U. S. position in has contributed 6,000 men to the Vietnam, It says, however, that allied force in Vietnam, "is firm Poet Laments Day's Events quarter, the biggest advance in

You say you got out of bed on the wrong side today?

Your boss was grumpy and called you a shirle?

You got your pay, shot full of deductions? Went home and found your army induction? You ate your cold supper, sat down with TV? The color was blurred and the sound was NG?

Your kide were noisy, your wife was in tears, The day was a nightmare—your thoughts in arears. And then you remembered the date for today?

It was Friday the 13th-what more can you say?

'Old War' of Sabotage Plagues Israel

copper industry.
Officials said earlier the Ford strike meant a \$2 billion trimming of the GNP rate during the third quarter. The advance, even more bullsh than government economists anticipated

six quarters.
