

Truce in Viet Is 'Bloodiest'

SAIGON (AP)—U.S. officials today called the allies' New Year cease-fire "the bloodiest of all" Vietnam war truce attempts after a Viet Cong force of 2,500 men broke the stand-down and smashed into an American outpost, killing 23 infantrymen and wounding 103.

The guerrillas' 9th Division, augmented by North Vietnamese replacements, lost 348 men in its attack on the base camp in the shadow of Black Virgin Mountain, 40 miles north-west of Saigon and eight miles from the Cambodian border, U.S. officials said.

Johnson Evaluating Hanoi Peace Report

By FRANCIS LEWINE
Associated Press Writer
SAN ANTONIO, Tex. (AP)—President Johnson says the administration is carefully evaluating reports that North Vietnam might enter into peace discussions if the United States were to unconditionally stop the bombing of that country.

Johnson said at a news conference Monday at the LBJ Ranch that he was familiar with newspaper reports quoting North Vietnamese Foreign Minister Nguyen Duy Trinh to that effect.

Hanoi Radio broadcast a statement Monday saying that North Vietnam "will talk" when the United States has "unconditionally stopped its bombing and all other acts of war" against the North.

Britain's New Poet Laureate Is Putting News into Verse

By MICHAEL CODELL
Associated Press Writer
LONDON (AP)—Cecil Day-Lewis, Britain's new poet laureate, puts news events into verse and writes subtle mystery books under another name. He has said his nomination as court poet would not guarantee he'd write court poetry.

"I wouldn't be able to write court poetry," the 63-year-old laureate once said. "I'm not disloyal to the royal family, but I couldn't write that sort of thing. You can only write things that move me."

Things that have moved Day-Lewis have been Sir Francis Chichester's round-the-world solo sail, the landslide disaster at the Welsh village of Aberfan and last year's wreck of the oil

Peaceful New Year for Lori

The New Year was all peace and contentment and only 20 hours old for Lori Lata as she and her mother put on a "Happy 1968" pose for Herald readers this morning at Manchester Memorial Hospital. An unruffled Lori kept the stork circling until 2 yesterday afternoon before deciding she would become the hospital's first new citizen of the year and the first child of Mr. and Mrs. Theodore R. Lata of 70 Prospect St., East Hartford. Upon arrival, 20½-inch Lori weighed in at seven pounds even. Lori's mother, Barbara, is a Pawtucket, R.I., native who moved to East Hartford as a girl. Her dad, an East Hartford native, met the future Mrs. Lata while both were attending East Hartford public schools. He is employed as a house painter by his brother, Richard Lata. Americans to Guard Dollar Under LBJ's Payments War

By JOSEPH R. COYNE
Associated Press Writer
WASHINGTON (AP)—The Johnson administration's declared war on the widening gap in the balance of payments would press every American into the defense of the dollar—if Congress goes along.

President Johnson pegged higher taxes as the keystone of a New Year's program he described as "firm and decisive." It incorporates the first mandatory controls in U.S. history on American investment abroad and an appeal to Americans to travel only in this hemisphere if possible.

The investment controls were imposed under existing law. Congress will reconsider later this month Johnson's 10 per cent income tax surcharge proposal.

Second Transplant Done in Capetown

CAPE TOWN, South Africa (AP)—Dr. Christian N. Barnard and a team of surgeons performed another successful heart transplant today, replacing the damaged heart of a 58-year-old Cape Town dentist with that of a man who collapsed and died from a brain hemorrhage.

Dr. Christian Barnard

Groote Schuur Hospital announced the transplant took more than five hours and termed it successful. They said the patient's condition was satisfactory.

Barnard performed the world's first human heart transplant Dec. 3 on Louis Washkansky, 63, who lived 18 days with the new heart before dying of pneumonia.

MONROVIA, Liberia (AP)—Vice President Hubert H. Humphrey attended a military parade today of virtually the entire armed forces of Liberia.

Movingest Party

SEATTLE (AP)—One of the movingest New Year's parties was held aboard the ferry Illahee. The party, complete with noise-makers, paper hats, confetti, food, drink and tape-recorded music, was held by eight commuters who sit together throughout the year on the 35-minute trip from Bainbridge Island.

Roof Caves In

Cupola atop roof of the Five Seasons Restaurant toppled as roof caves in during early morning fire at Easton, Mass., Saturday. Fire fighters from six communities fought the blaze hampered by frozen water mains. Manager Robert Maseo estimated damage at \$200,000. (AP Photofax).

Ammonia Ignites in Rail Crash

DUNREITH, Ind. (AP)—Ammonia-filled tanker cars exploded with a thunderous roar when two freight trains collided in this east-central Indiana town Monday night.

Two businesses and several homes were set afire. The 296 residents evacuated safely.

Three firemen suffered minor injuries, including one knocked from his fire truck. A policeman, who had his coat shredded by the blast, also had minor injuries.

The Editorial

To the Editor,

At the public hearing Dec. 15, I gave a report about a school in Enfield, which is about completed.

Here are the comparative figures which were presented at the hearing: Center Park School, cost of preliminary plans, \$29,480.00; Enfield School, \$4,800.00.

Maintenance free, all corridors and toilets ceramic tile from floor to ceiling \$4,000 worth of books in the library...

As president of The Manchester Property Owners Assn. I shall make every effort to see that our tax dollars are spent wisely.

Regarding the Center Park school we should not appropriate a cent more at this time than is necessary for preliminary plans.

"Serious Choices" To the Editor, Some pretty serious choices face our nation this year. It is important that every citizen be heard.

In Connecticut, government is by representation, and representation is only for those who use their full voting rights.

We urge everyone to enroll in a party. Time is short. Enrollment sessions must be held on January 12th.
