# SPIRITED WAY TO CHEER THE SEASON

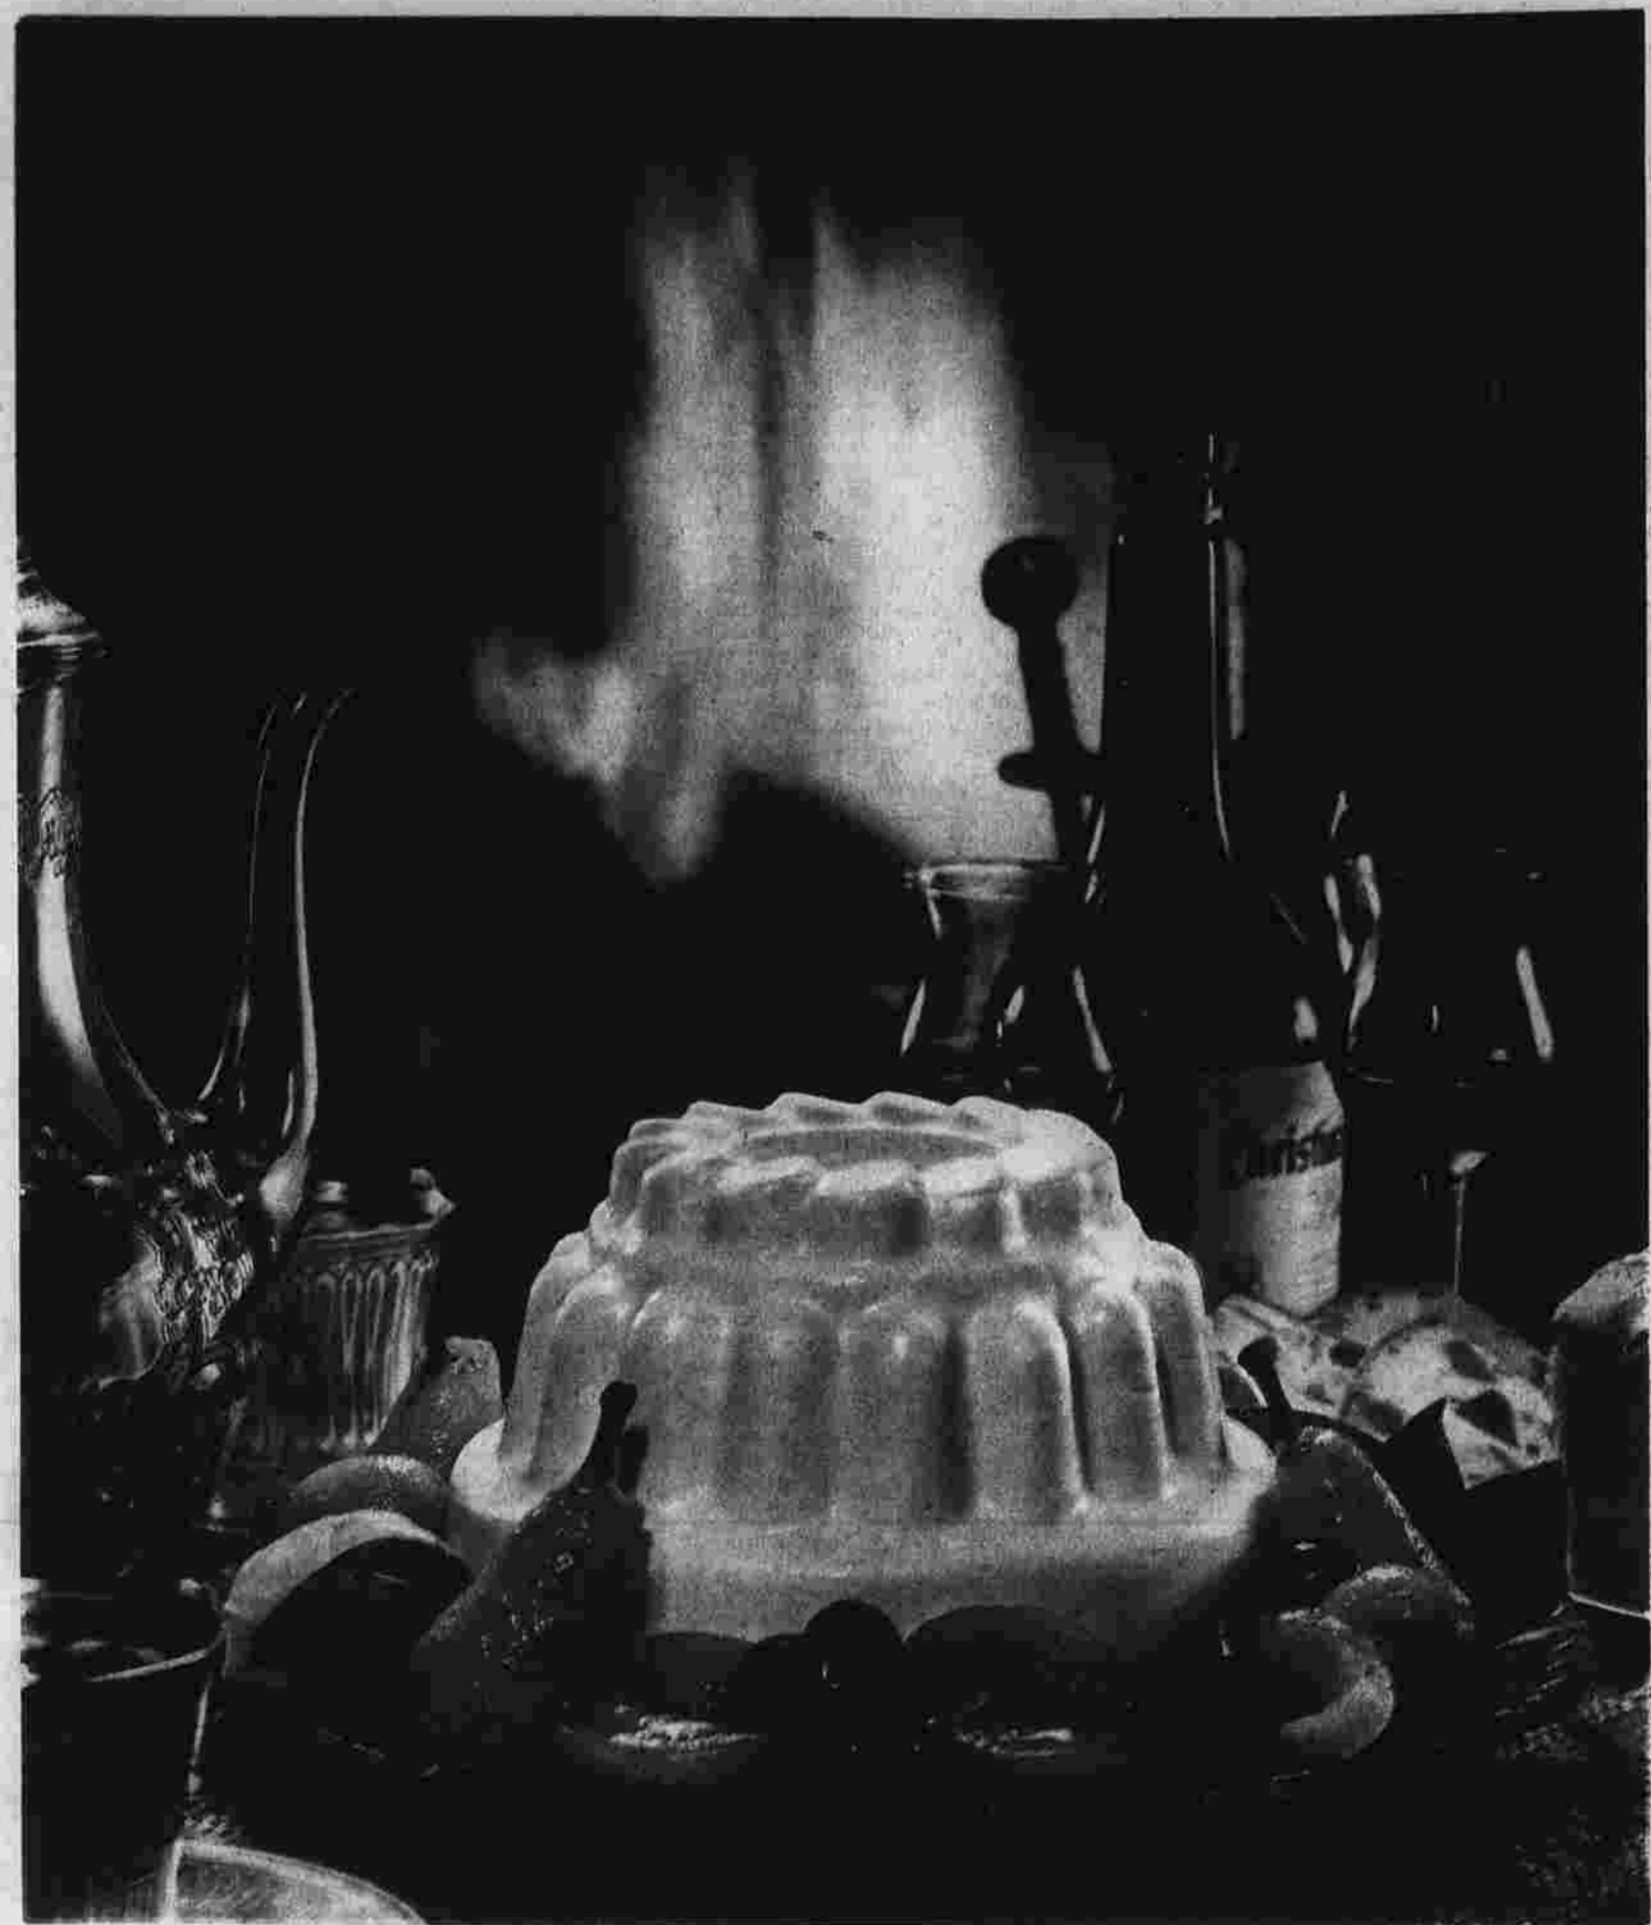

For as long as anyone can remember, the best dinner parties of the year reach a climax when the guests leave the table to enjoy coffee and brandy in the living room. Then friends relax, conversation flows, the mood is mellow.

Here in the entertaining season of the year, when everyone is ready for parties — to give them or to go to them — the dessert-coffee-brandy sequence becomes a whole party in itself. It's an easy, gracious, exciting way to entertain a few friends or many, and it fits nicely into the changing life style of both the young and the older.

Brandy, like the wines from which it is made, is sometimes so surrounded with mystery and ritual that its uncomplicated service is overlooked. The Christian Brothers, who produce a high proportion of the beverage brandy in this country, suggest that enjoyment of their brandy need not wait until you acquire the traditional brandy glasses. To enjoy an aromatic brandy at its fullest, it is well to drink it from a glass that curves inward at the top — to concentrate the bouquet. Any small glass, with room to spare, will be suitable. Sipped slowly with or after the coffee (or in place of it for non-coffee drinkers), brandy ends the evening with distinction.

The choice of suitable desserts for such a party is limitless. During the holiday season, the lavishly fruited cakes and puddings are traditional. Other desserts, with just a nod toward the traditional, are less heavy, perhaps more refreshing, and they may be more dramatic to serve.

Each of these desserts is glorious enough to be served as the focal point of a dessert party, or suave enough to end a dinner in great style.

A chiffon-light cream mold — Brandied Bavarian Cream — is ringed with brandied fruits for a sumptuous dessert served in front of a cheery fire. Small cups of coffee and glasses of brandy climax a dessert-party.

### BRANDIED BAVARIAN CREAM

- 2 envelopes unflavored gelatin
- 2/3 cup sugar
- 1/2 teaspoon salt
- 1-1/2 cups milk
- 6 egg yolks, beaten lightly
- 1/2 cup The Christian Brothers Brandy
- 4 egg whites
- 1-1/2 cups whipping cream
- Brandied Fruits
- Maraschino cherries and leaves for decoration

Combine gelatin, 1/3 cup sugar and salt and mix well. Add milk, and heat to scalding. Four over egg yolks, return to low heat, and cook, stirring constantly, until mixture coats spoon, and is slightly thickened. Remove from heat, stir in brandy, and cool. When mixture begins to thicken and jell, beat egg whites stiff, and gradually beat in remaining 1/3 cup sugar. With same beater, whip cream. Fold egg whites and cream into gelatin, and turn into 2-1/2 quart mold. Chill until firm. Unmold on serving plate and ring with Brandied Fruits. Decorate with maraschino cherries and leaves. Makes 8 to 10 servings.

### BRANDIED FRUITS

- 1 (1 lb.) can whole peeled apricots
- 1 (8-1/4 oz.) can pineapple slices
- 1 (1 lb.) can cling peach halves
- 2 tablespoons sliced orange peel
- 10 whole cloves
- 1/2 cup sugar
- 2/3 cup The Christian Brothers Brandy
- 2 teaspoons lemon juice
- 3 to 4 drops red food coloring
- 4 small whole pears, pared\*
- 2 apples, pared and quartered

Drain syrup from apricots and pineapple into pint measuring cup. Add enough syrup from peaches to reach the 2 cup level. Turn into large skillet. Add orange peel, cloves, sugar and brandy. Simmer 10 minutes. Add 1 cup of the hot syrup to the well drained apricots, pineapple slices and peaches. To remaining syrup, add lemon juice and food coloring. Add pears and apples, cover and simmer 5 minutes. Uncover, turn fruits and cook until tender, about 5 minutes longer, basting frequently with syrup. Cool fruits in their syrup.

\*If desired, substitute 1 (1 lb.) can pear halves. Simmer them in the pink syrup 3 to 4 minutes. Remove pears, and continue cooking apples until tender.

### PEACHES FLAMBÉ

- 1 (1 lb. 13 oz.) can cling peach slices
- 1/4 cup brown sugar (packed)
- 2 tablespoons butter
- 1/4 cup The Christian Brothers Brandy
- 1 tablespoon toasted sliced almonds
- Sour cream or firm vanilla ice cream

Drain peaches well. Heat brown sugar and butter in skillet (or chafing dish) until bubbly. Add peach slices and stir gently 3 or 4 minutes. Pour on brandy, heat a few minutes then ignite. Gently spoon syrup over peaches until flames die out. Add almonds. Serve warm topped with sour cream or, over vanilla ice cream to accompany holiday cookies or fruited cakes. Makes 5 or 6 servings.

### SHERRIED DATE SAUCE

- 2/3 cup The Christian Brothers Cream Sherry
- 2 tablespoons The Christian Brothers Brandy
- 2/3 cup light corn syrup
- 1 tablespoon grated orange peel
- 1 teaspoon grated orange peel
- 3 cups sliced pitted dates
- 1/4 cup sliced candied cherries

Simmer sherry, brandy, corn syrup, lemon juice and orange peel together 5 minutes. Add dates and cherries and turn into a jar. Cover and refrigerate 24 hours or longer, turning jar several times to distribute syrup. Serve over vanilla, coffee or toasted almond ice cream, or, baked custard. Makes about 1 pint.

### BRANDIED CHEESE

- 1 pound cheddar cheese
- 1/4 cup soft butter
- 1/4 to 1/3 cup The Christian Brothers Brandy

Grate cheese fine. Combine with butter and brandy and beat until smooth. Store, covered, in refrigerator until ready to use with Ported Stuffed Figs, or, with apples or crackers. Makes about 2-1/2 cups.

### FLAN CHATEAU LA SALLE

- 3/4 cup sugar
- 3 whole eggs
- 2 egg yolks
- 2 teaspoons vanilla
- 1/2 teaspoon salt
- 2 cups light cream
- 1/4 cup The Christian Brothers Chateau La Salle

Turn 1/2 cup sugar into a heavy skillet. Heat slowly, stirring frequently, until sugar turns to a light golden brown syrup. Quickly pour into a shallow baking dish (about 7-1/2 inches diameter and 2 inches deep). Beat remaining 1/4 cup sugar with whole eggs, yolks, vanilla and salt. Heat cream to scalding; pour slowly into egg mixture. Stir in Chateau La Salle. Pour into caramel lined dish, and set in shallow pan of hot water. Bake in slow oven (325 degrees F) about 55 minutes until custard is set. Remove from oven, and from pan with water. Chill. Run a small spatula around edge of dish. Invert over serving dish (or, spoon custard and caramel sauce from baking dish). Makes 6 servings.

### PORTED STUFFED FIGS

- 2 tablespoons chopped candied ginger
- 1 tablespoon chopped candied ginger
- 2 tablespoons chopped toasted almonds
- 1/4 teaspoon grated orange peel
- 20 dried golden figs
- 1 to 2 cups The Christian Brothers Treasure Port

Combine ginger, cherries, almonds and orange peel. Cut a slit down 1 side of each fig. Stuff opening with fruit-nut mixture. Press opening together to hold in filling. Put stuffed figs into a quart jar. Pour on sufficient Port to cover. Cover jar and refrigerate overnight or longer, turning jar several times to distribute wine. Makes 20 stuffed figs to serve with Brandied Cheese.

## From Your Neighbor's Kitchen

By VIVIAN F. FERGUSON

Holidays have always been a tradition in our family. When my two sisters and I were growing up, everyone would gather together with lots of talking and good food for every occasion. Mostly, on Thanksgiving Day, we went to Grandma Mary Frito's.

We would pile out of the car, up to the back door, through Grandma's sunporch filled with every plant imaginable. Then, on into the kitchen filled with the most delectable aromas. Auntie Emma, Pero would run to greet us with a cat or a dog.

A hiving family we then moved on to the living room, to bus Uncle Joe Pero and Grandpa John Frito. We all went out our coats in the den which doubled as Uncle Joe's wine. Down the narrow staircase, we thought it a fascinating place, especially the area around Joe's desk. There were glass-fronted bookcases filled with the Harvard 8-foot Shelf of Books. We had to ask permission to read those. Then a table was set with a marvelous addition which Uncle Joe considered a toy. It would be opened by Grandma would come down from the farm in Wapping to spend the day. Mary always made the dinner, a delectable array of meats, a turkey, a ham, a roast of beef plus vegetable and potatoes, plus salad, plus, Uncle Joe and my dad, Mary Frito, always argued good naturedly about who would carve.

Sometimes, Auntie Emma and we three girls would take a run or two or three about the neighborhood. It was a good competitor but much to my chagrin, never won. I considered myself why she had a few extra turkey legs with Grandma. After who could tell what they were fit for the table without the sauce and the turkey to go with it.

Oh, yes, we finally got to the turkey and it was never carved in the house. It was presented royally for all to view as well as a roast of beef plus luncheon, also vegetables plus white and yellow potatoes, plus salad, plus, Uncle Joe and my dad, Mary Frito, always argued good naturedly about who would carve.

Now, the family is scattered. Joe and Emma are in Florida. Sister Phyllis is in Baltimore. Doris in New York City. We all most never got together all at once. Grandma and Grandpa and Dad are gone now and the meal is considerably simpler but the tradition of family goes on. My children wouldn't eat out on a holiday no matter where.

Throughout all of time, special occasions have commanded great feasting. Let it come time, let it hold peoples and families together whether it be turkey or ham.

Happy Thanksgiving and God Bless all the families everywhere. At any rate, she would stand firm in milk, water, egg at the stove and wait sweet-where.

## Christian Brothers Wines Widely Known Since 1868

By CHARLES HILGNER  
(c) The Los Angeles Times

NAPA, Calif. — As a teenager growing up in the heart of California's famous grape growing country, the Los Angeles City Hall, Anthony Diener had a pretty good idea of what he wanted to do. He would dedicate his life to teaching and to God — become a Christian Brother.

Diener joined the order here in 1928 upon graduating from high school, where he was a star football player. He's been a member of the religious group ever since.

But he hasn't taught school in 20 years.

He's been making wine.

In fact, Diener — known as Brother Timothy since taking vows of poverty, chastity and obedience — is one of the most famous winemakers in America.

As cellarmaster of Christian Brothers Wineries, Brother Timothy, now 60, has been in some of the wine. Well, Christian Brothers made good wine. They asked if they could buy in some of the wine. Well, Christian Brothers began selling wine to a few people around the block in 1927.

It was the Franciscans who started the industry here with the establishment of the San Francisco (Calif.) Mission in 1769," said Brother Timothy.

"Franciscans planted the first vine in California, made the first wine. Wine was made at nearly all of the 21 missions.

"My order, the Christian Brothers, was established in California in 1868 at Martinez. One of the brothers, Brother Cecilian, made a little wine. I learned from Brother Cecilian made good wine. They asked if they could buy in some of the wine. Well, Christian Brothers began selling wine to a few people around the block in 1927.

Predits from the wineries through the years have been and women outside the religious order are on the payroll at the wineries operated by the Catholic order.

"We pay the same taxes to the federal government, state and county as every other vintner," the cellarmaster added.

## Amtrak Adding Extra Trains For Holiday

WASHINGTON (AP) — Extra trains and about 200 passenger cars are being added to normal Amtrak railroad service today because of the Thanksgiving Day weekend. To handle heavy college-graduate traffic in the Midwest, extra trains will be operated between Quincy, Ill., and Chicago and Carbondale, Ill., and Chicago. Cars will be added on trains between New York and Boston, Milwaukee and Chicago, New York and Buffalo, N.Y., and between Washington and New York. Additional seats will be available on many other trains.

## Speedy Project Snarls Traffic

SAN FRANCISCO (AP) — Traffic was backed up for several miles at the San Francisco-Oakland Bay Bridge while motorists were given instructions on how to speed their daily commuter trips. Bridge officials said many of the 2,000 cars which cross the bridge into San Francisco each day were delayed 10 to 15 minutes Tuesday while students handed each driver information on a plan to let autos with three or more occupants cross free. The plan, which starts Dec. 8, is designed to encourage greater use of car pools to cut commuter-hour traffic. Traffic was slowed to a crawl as far as six miles away on Interstate 5 while the information was being distributed.

### Two Firms Offer Same Low Bid For Curbing

Annulli Construction Co. of 147 Hale Rd. and Hub Construction Corp. of Colchester submitted identical bids of \$4,200 for 600 feet of concrete curbing at Manchester High School. Other bidders were S. Aleria and Sons, Inc. of East Hartford, \$5,700; and Black and Warner Construction Co., Unionville, \$5,600. The breakdown of bids was as follows: For 250 feet in the student parking lot, Annulli and Hub, \$3,120; Aleria, \$3,706; and Black and Warner, \$4,200. Also, for 60 feet in the front parking lot, Annulli and Hub, \$480; Aleria, \$570; and Black and Warner, \$600. Also, for 150 feet in the faculty parking lot, Annulli and Hub, \$1,200; Aleria, \$1,485; and Black and Warner, \$1,650. The lone bid, of \$2,043 for 45 window shades to be installed in the additions to and renovated areas of Robertson and Koenig St. Schools was submitted by Aero-Shade, Inc. of South Woodstock. The figure breaks down to \$89.80 for 17 shades for the Robertson addition, and \$1,053.50 for 31 shades in the Koenig addition and existing library.

They've Been Masons for 50 Years

Arne Sterud, left, master of Manchester Lodge of Masons, and John L. Hyde, 1921 master of the lodge congratulate William J. Flavell and Frederick L. Finnegan, who received their 50-year Masonic service pins last night in ceremonies at the Ma-

sonic Temple. Looking on is John L. VonDeck Jr., district deputy of Masonic District 6B, who, with Hyde, made the presentations. Two other 50-year Masons, Carl H. F. Olson and Phillip B. Verplanck, did not attend last night's event.

### Yule Sale Set At Crestfield

The sixth annual Christmas Fair at Crestfield Country Home and Convalescent Hospital will be Saturday from 1 to 4 p.m. Craft work made by residents throughout the year will be on sale, including wooden plaques, candle holders, drift wood arrangements, dried and permanent floral arrangements, and Christmas decorations. Other items are Santa Claus dolls, poodle dogs, aprons, crocheted pillows and dolls, knitted hats, mod jewelry, belts and ponytail ties. There will be a Christmas tree decorated with knitted slippers and ornaments, and homemade food may be purchased. Proceeds from past fairs have been donated to the Senior Citizens Center, the Drug Advisory Council and other charitable organizations.

### Union Pond Work Nears Completion

Work on both Union Pond with the money available. Dam and development at the southern tip of the pond is nearing completion, according to William O'Neill, director of public works. Penetryn Systems Inc. of Everett, Mass., is making the dam. Penetryn was low bidder for the work when bids were opened at the end of June with a price of \$76,000. Some of the work originally included in the proposed contract was later eliminated or left for town crews to do. This brought estimates of what the repairs would cost to within the \$56,000 which the Board of Directors had allocated toward the project. The State Water Resources Commission, under whose direction the work is being done, had to approve this scaling down of the project. O'Neill says that some problems have been encountered as the work has progressed, but he expects to complete the work

of the pond is complete. According to Jacob Bohr Jr., engineering assistant with the engineering department, the work was completed in 140 hours by Maskehl Construction Co. Inc. of South Windsor. Maskehl was eventually awarded the contract for \$33 an hour after a less expensive bidder failed to show up for over a month. A bulldozer has been rented from Ernest Reed and Sons Inc. of Bolton for \$13 an hour to pile the dredged material and smooth the face of a dike there. The Board of Directors has allocated \$16,000 toward the development of the southern end of the pond. A three-to-four-foot channel was dredged in the hopes that when the pond is filled, the deeper water there will support trout. Some of the material was used to build an off-shore is-

OPEN DAILY TO 9:00 P.M. NOW THROUGH CHRISTMAS AUTHENTICITY I 687 MAIN ST. UNIQUE GIFTS

In the Spirit of Thankfulness...

let us pause, this Thanksgiving Day, to reflect on the many blessings that the Almighty has showered upon this country. Let us consider how we have used these gifts, and endeavor to utilize them for the good of all of His creatures. We have much to be grateful for in 1971... we have much to achieve in years to come. We thank the Creator for providing us with the resources and the will to work for prosperity for all Americans.

### Thanksgiving Message

For what are we thankful? To hear many people talk today, they have little or nothing for which to be thankful. Life gets more complex, changes threaten old security, the news seems often bad and discouraging. Yet, some people will declare without hesitation that they have a great deal for which they thank God. I wonder, is it the case that the thankful people are rich, enjoy job security, good health, and peaceful family relationships? On the other hand, have the cynical been the ones to get all the hard knocks? I think not!

Thankfulness is an attitude toward life which has as its prerequisite purposefulness. Those who care about others and life in general, those whose lives have purpose and direction, tend to be thankful regardless of their financial condition, degree of material comforts, and state of health. For such people, life is filled with bless-

ing. So many little things which might go unnoticed in another's life provide excitement, wonder, and gratitude. Those who can transcend the little world of self-centeredness where preoccupation with one's own problems reigns can live and breath and dance in the big world where love of God and of other men as brothers is central. Such people know every moment as thanksgiving, every breath, every smile, every other heart and hand as an undeserved gift.

The thankful life is one filled with concern for others. The thankful heart is one filled with love in response to our Father's love lavished upon every one of us. Such lives and hearts know every day as Thanksgiving, and they inspire thanksgiving in all those who surround them.

Manchester SAVINGS & LOAN Association

Be thankful for 1971

In spite of trying times abroad and at home, this is still the greatest land in which to live. In 1971 we have much to be thankful for. We still choose those who are to represent us in local, state and federal governments.

We are still blessed with the most of everything. More schools, more colleges, more opportunities. More food, electric lights, radios, televisions. More cars, pleasure yachts, snowmobiles, vacations. More homes of our own.

Manchester Savings & Loan is happy to have had a part in helping thousands of folks in the Manchester and Coventry areas to finance homes of their own. We can help you, too. Won't you come in for guidance on home financing from our experts? There's no obligation.

# Bowling Fund Denied, Park Fence Tabled

The Board of Directors last night approved \$55,248.49 in appropriations; denied a proposed \$3,400 allocation for replacement of bowling alleys at the West Side Recreation Center; tabled a proposed \$1,500 allocation for installation of fencing at the Center Springs Park and finished up a fairly routine agenda in a little over an hour.

Weiss agreed with the directors. "Of course there are no guarantees."

Thompson directed Weiss to refer the matter to the Youth Commission and Chief Reader of the board that appropriated the money for the fence. He would also refer the matter to the Human Relations Commission.

Town Manager Robert Weiss told the board last night that the fence at Center Springs Park had been granted a total of \$20,000.

Thompson directed Weiss to refer the matter to the Youth Commission and Chief Reader of the board that appropriated the money for the fence. He would also refer the matter to the Human Relations Commission.

1. \$22,577.75 for the emergency employment program. This brings to \$66,972.25 the amount the board has appropriated so far under the program. The board also approved a total of \$200,000.

Town Manager Robert Weiss told the board last night that the fence at Center Springs Park had been granted a total of \$20,000.

1. Approved a contract agreement with the Municipal Employees Group. This is the third proposal presented to the board since Jan. 1, 1972; and the board will pay a five per cent increase for the year ending July 1, a one per cent increase for the year ending Jan. 1, 1972; elimination of the state grant. The appropriation will be split — \$3,831.16 for public schools and \$1,122.00 for public schools. Under the program, the Board of Education is the administrator of the grant for non-public schools.

2. \$5,775 for the education budget for renewal of the grant for non-public schools.

3. \$5,459.50 to the Drug Advisory Council. This is the amount of a federal grant that the council has received under the Law Enforcement Assistant Act.

4. \$5,000 to the Police Department for special services. The appropriation will be financed by those requesting special services. When police are put on duty for a private individual, that individual reimburses the town for the service.

5. Unanimously turning down the proposed \$3,400 bowling alley allocation, the concerns of the directors were obvious.

6. Approved the early retirement of Frank G. Plach, education director since 1950.

7. Tabled the acceptance of the deed to the West Side Recreation Center, which is the subject of a lawsuit filed by the town against the state.

8. Tabled the acceptance of the deed to the West Side Recreation Center, which is the subject of a lawsuit filed by the town against the state.

**TRANSFER FUNDS**  
Additional funds for the recreation building at the Memorial Park were also authorized last night. Park Commissioner Robert Simon appeared before the board requesting that a transfer of \$600 from the material category to the building and construction category to cover the cost of the building and electrical systems and west-lighting.

She indicated that the funds presently in the materials category will not be spent as intended, since the Board of Education had intended to purchase cabinets and other furnishings have also been donated.

Finance Board members Morris Silverstein and William Reilly indicated that if items are donated and funds are not needed for the intended purpose, they should revert to the General Fund.

The board authorized the Manchester Evening Herald to publish the names of donors of \$500 with a word about the fund. Donor, Tel. 649-9400.

**Yale Doctors Perfecting Near-Sure Heart Surgery**

NEW HAVEN (AP) — Yale doctors are perfecting a new surgical technique that they have developed for repairing coronary arteries. The technique, developed over a three-year period, has a success rate of 96 per cent, they said.

Dr. Grames L. Hammond, a cardiovascular surgeon, said the technique—called coronary reconstructive surgery—is in many ways more difficult than heart transplants, but has infinitely better results.

New Haven probably performed more than 60 reconstructions of coronary arteries, but with advances in instrumentation and new techniques, the number has risen to 300.

If there were enough surgeons, beds and operating rooms, he said, there could be up to 600 such operations per year.

Although the technique is difficult and delicate, it is a skill that any professional surgeon could acquire, Hammond said. However, there is a tremendous amount of back-up equipment needed that most smaller hospitals can't supply, he said.

In addition to sophisticated equipment, he said, a large supply of blood is required in case of complications during surgery.

In one case where there was a complication of bleeding, Hammond said, the patient needed 20 quarts of blood.

In the new technique, Hammond said, the surgeon uses artificial material to bypass the patient's own veins to bypass obstructed arteries.

By converting the patient's veins to arteries, the problem of rejection is overcome, he said.

"It's a simple matter of plumbing," Hammond said, but added that the surgery is so precise and specialized that a man should devote all his time to it and should perform at

# Record Field Set for 10:30 Start Tomorrow

## Burfoot, Vitale Rated Co-Choices

Stage is set for the 35th Five Mile Road Race tomorrow morning in Manchester starting at 10:30 on Main Street. When the gun sounds a record field of nearly 500—depending upon the weather—is expected to start the journey south on Main Street along the well-marked route.

The latest edition boasts both quality and quantity.

For the first time in the 35-year history of the holiday trot, the entry list will reach nearly the 500 mark. Last year there were 437 entries, 414 starters and 383 finishers, all records. These one-year marks appear to be erased tomorrow morning. The entry total stood at 492 today.

The pre-race favorites are defending champion John Vitale of the New Haven Track Club and Amby Burfoot, the 1968 and 1969 winner, who slipped back to third place last November. It's a take your pick toss-up between the former University of Connecticut and Wesleyan University standout. Last Sunday in Middletown, over a 2.5 mile course, Burfoot came on in the last 20 yards to edge Vitale. Re-1,000 races before hanging up his track logs; Manfred Randtke, a 46-year-old European, anxious to get back into the winner's circle in the state's top long distance running event.

Sponsored by the Connecticut Amateur Athletic Union, the Five Mile is being sponsored for the 21st consecutive year by Nutmeg Forest, Trail Cedars and Lebanon. All proceeds collected tomorrow will enter the Muscular Dystrophy Fund, national objective of the Cedars.

Not by any means is a two-man race assured between Vitale and Burfoot.

The starting field includes the best club, college, prep and high school runners in New England. Contestants from at least a dozen states will make Manchester its point of operations on turkey day.

Close to the line will have to be kept on fellows like Jim Keefe, who has yet to gain the winner's circle and has four second place placements in his credit.

Merchandise awards will be presented the first 25 finishers plus the first three schoolboys and the first three seniors (50 and over) to finish.

All that is needed to insure a successful day is full cooperation from the weatherman.

## McCluskey on Sidelines

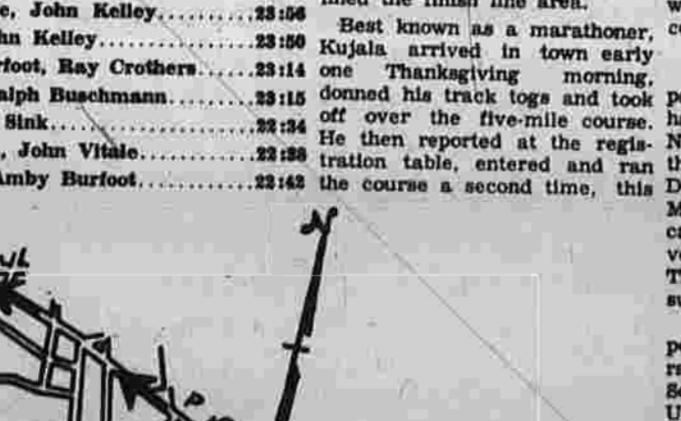

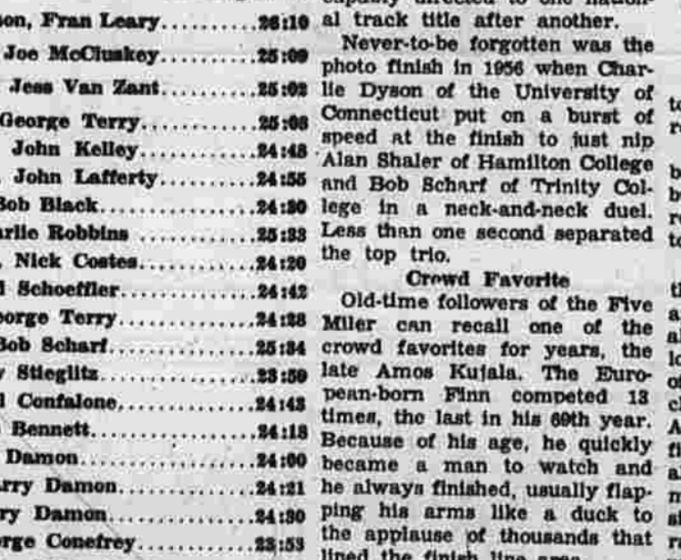

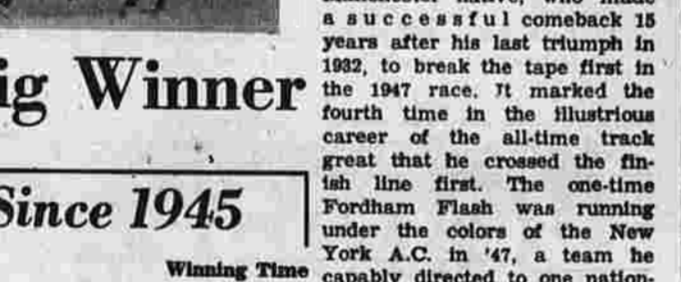

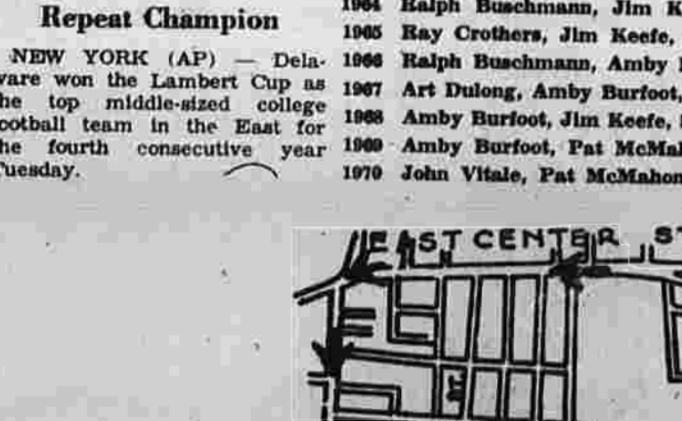

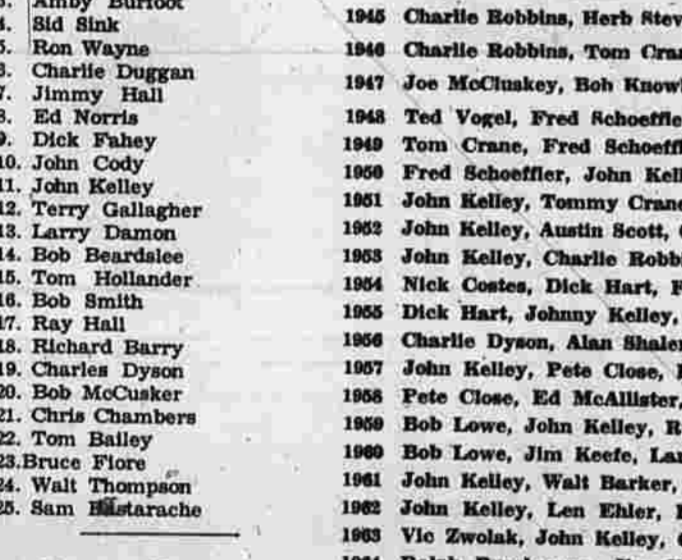

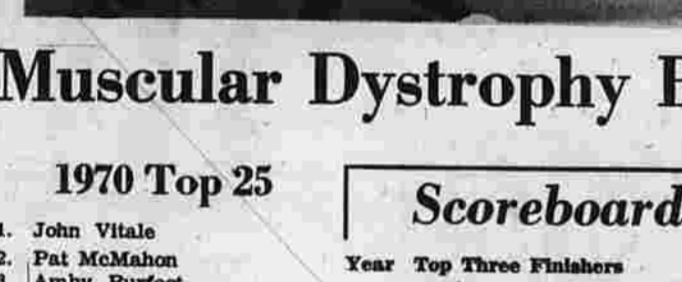

## Fireworks Likely Before Run Starts

Shuffin' Joe McCluskey will not compete in the Five Mile Road Race Thanksgiving morning. He sent word he'll take a rain check following a leg injury.

There may be some fireworks before the runners step up to the line for 10 years. The original course line with Connecticut AAU Long took the runners into Charter Distance Running, Chairman Oak Park and up into the Mt. Jack Bolzano of Fairfield and Nebo area. . . . The present Bob Kennedy, assistant race director, at odds over certain regulations rules. Apparently the AAU is no longer sleeping on Main Street before being lifted back to its current start- and finishing point which is now in full retirement, will be the 18th straight Five Mile. Street. The current location is handy to race headquarters, set up in the East Side Rec building on School Street.

At one time a number of runners were put up overnight in the East Side Rec building. . . . Pete Wigren, retired Manchester High coach, one of the organizers of the race in '27, will be in his 30th race as a director tomorrow morning. His first lieutenant will be Bob Kennedy of UConn and Ted Owen of Central Connecticut, both mother of many fine track and cross country teams. . . . Johnny Kelley is listed as an adviser, not a coach at Pitch Hill, because it's also against AAU rules which is ridiculous.

The starting field will be made up of men from all walks of life. . . . A dozen females are expected to show up and run on Monday. Predictions: 1. John Vitale, 2. Amby Burfoot, 3. Tom Wayne, 4. Ed Norris, 5. Charlie Duggan.

## Local Products Have Scored Triumphs

## Highlights of Past 27 Years Recalled During Road Races

By EARL YOST  
SECOND OF TWO ARTICLES  
Due tomorrow morning at 10:30 is the start of the 35th edition of the Five Mile Road Race in Manchester, the 27th consecutive running since its revival in 1945.

During the past quarter century, since the end of World War II in 1945, there have been many thrilling experiences and highlights during the Five Mile.

Here are just a few.

One of the most heartwarming, with a local flavor, was the feat of Joe McCluskey, a Manchester native, who made a successful comeback 15 years after his last triumph in 1927, to break the tape first in the 1947 race. It marked the fourth time in the illustrious career of the all-time track great that he crossed the finish line first. The one-time Fordham Flash was running under the colors of the New York A.C. at a team he capably directed to one national track title after another.

Never-to-be forgotten was the photo finish in 1956 when Charlie Dyon of the University of Connecticut put on a burst of speed at the finish to just nip Alan Shaler of Hamilton College and Bob Schaff of Trinity College in a neck-and-neck duel. Less than one second separated the top trio.

Crowd Favorite  
Naturally, Miss Chase had the support of many, and she appeared at the starting line along with Diane Lechasseur, a local girl, and Chris McKensie, late Amos Kutala. The Duro-norm-born Finn completed 18 times, the last in his 96th year. Because of his age, he quickly became a man to watch and he always finished, usually flashing his arms like a duck to the applause of thousands that lined the finish line area.

Best known as a marathoner, Kujala arrived in town early on Thanksgiving morning, donned his track togs and took off over the five-mile course. He then reported at the registration table, entered and ran the course a second time, and finished in 1:04:11.

Most Successful  
The most successful campaigner in Five Mile history has been Little Johnny Kelley. Now 40, Kelley, who will be in the field Thursday along with Dyon, has annexed six Five Mile titles. On four other occasions the former Boston University star was second best. Three of his victories came in succession, 1927 through 1934.

There was also one tragic experience connected with the race. Chester Tomaszewicz, of Southington, a member of the University of Connecticut, suffered a cerebral hemorrhage, collapsed several yards from the finish line and died several days later in Hartford Hospital. The year was 1955.

No runner has ever been paid to appear, which is not like many races of starting line importance. Many top "names" receive travel expenses at other races.

The closest that the sponsoring Nutmeg Forest, Trail Cedars ever came to paying was money concerned an unnamed runner who was fresh back from the Olympic Games. His "name" and presence was needed to help bring out the crowd. With a number of regular performers.

# 14 East Catholic Seniors in Finale Against South

By DEAN YOST  
The epitome of all rivalries will take place Thanksgiving morning at North- west Catholic's football field when the 5-4 East Catholic Eagles meet with 14 South Catholic Hebeles in their seasonal clash; South enters the contest with a 6-2 overall record and is tied with East in the Hartford County Conference, each sporting a 5-1 record.

CAPTAIN HENRY FEEL- jured early in the season and Pete has attended every prac- tice and game since. This was offensive guard and linebacker TOM RICCI — Plays a backup utility baseball player. We don't hesitate defense and the specialty in throwing the ball to him, be- cause he can handle all cases we know he'll catch it upon.

NORM YESTER — I can't say enough about him while he has played on offense and defense. He has the ability to run back punts and kick- ed football since his freshman year. Norm probably has the best pair of hands anyone I upon. He has played on offense, have coached. We don't hesitate defense and the specialty in throwing the ball to him, be- cause he can handle all cases we know he'll catch it upon.

JOHN WAREHAM — I have never coached anyone who has put so much effort into the game. He is a threat as both a passer and runner. It was tough for him to quarterback this season after playing in the shadows of Brian Sullivan. It's the first time he has started and he has come up with some good games, we're counting on Joe's lot Thursday. RUSSELL BILLODEAU — As a defensive halfback, Russ has natural. He played with the freshman team but sat out his sophomore and junior years. He is probably the best defen- sive halfback I have ever coach- ed at East. He supports our de- fense on the outside. Our de- fensive secondary for the Tribe, probably could have been an All-State candidate if he play- ed his sophomore and junior seasons. He has also played win over favored McDonald scholastic Athletic Conference.

### Snowplow Operators, Wood Meet

HARTFORD (AP)—State Transportation Commissioner A. Bart Wood told snowplow operators today that there would be no punitive action taken if, for some reasonable reason, they failed to answer a standby call to clear snow from Connecticut's highways. "There is no standby requirement," Wood said, after the first of two meetings with union representatives. Wood explained that some years ago highway maintenance men were required to answer standby calls, under the threat of discipline. No longer, he said. "If a man is away from home, at the theater, for example, and he can't be reached, there will be no punitive action if he fails to show," Wood said. Wood said he was encouraged after his meeting with representatives of the Connecticut State Employees Association. He said he assured union leaders that he had not made any decision on standby pay, or whether crews would be reduced to one man, and that he would take union concerns into account when he decides. Wood was to meet this afternoon with Michael Ferrucci Jr., president, Council 16, American Federation of State, County and Municipal Employees. Meanwhile the debate over how well the state did in cleaning up Connecticut's highways after Thanksgiving snowfall since 1968 continued. "We did fulfill our obligation to plow all the roads," a Transportation Department spokesman said. "All 3,000 miles were plowed at least once." Ferrucci disputed whether that was doing a good job, and there was considerable confusion over just how many maintainers responded to the department's call to duty. Council 16 called a moratorium

### U.S. Records Huge Deficit On Trade

WASHINGTON (AP)—The United States recorded its largest monthly trade deficit with other countries since World War II, the Commerce Department reported today. The department said there was an import-export deficit of \$2.4 billion in October. That figure compared with a \$264 million surplus recorded in September. A Commerce Department spokesman attributed the huge deficit to the East and West Coast dock strikes. He said many East Coast shippers anticipated the walkout by shipping heavily in September. On the West Coast, President

### Holiday Thus Far State Traffic Toll at Four, Two Others Die in Fires

By THE ASSOCIATED PRESS Four persons have died in accidents on Connecticut's highways so far in the long Thanksgiving weekend and two others have died in fires, one of them a 14-month-old infant. In addition, numerous Connecticut residents found themselves involved in snow-related accidents as they slipped, slid and skidded through the state's first snowfall on Thanksgiving Day since 1968. Frank J. Norton, 48, of Jewett City was fatally injured late Thursday night when his car hit a utility pole on Route 2 in Norwich. The wreck was disintegrated and the car was covered at about 10 p.m. and was struck by a car, state police said. Her car hit a tree on Route 2 but she was able to walk back to the road before she was struck. No charges were filed, according to police. State police said Edwin Avision, 16, of Bridgeport was struck and killed Thursday on Interstate 95 as he was running from a stolen car that had added into a guard rail. Police said four other Bridgeport minors were arrested in connection with the incident.

### Power Failures Hit Area Snowfall in Manchester Measures Eight Inches

Numerous power failures and some scattered telephone trouble were the most palpable effects of yesterday's snowstorm. Police in Manchester and area towns, as well as state police, said there was a collection of the usual minor skidding mishaps. Power failures were reported throughout the area. The Connecticut Light and Power Co. said scattered line failures, caused by overladen lines and fallen tree limbs, affected by Vernon Circle, in the Bolton Lane area and near Rt. 140 in Ellington was off yesterday morning. In Manchester, 12 crews from Hartford Electric Light Co. worked to restore many scattered outages yesterday. A major blackout was reported in the Henry-White-Washington Summit St. area, lasting from about 9 to 11 yesterday morning. Another 1,000 CLAP customers in South Windsor were without power from 10:30 to 12:30 yesterday morning when a main cable broke. Power along Rt. 83, especially

### At Least 12 Lives Claimed By Storm in New England

By THE ASSOCIATED PRESS New England began to dig out today from a severe nor'easter storm which dumped 18 to 20 inches of snow in some areas, marred holiday traffic and claimed at least 12 lives. Boston and other areas on the immediate coast had up to 2 1/2 inches of rain and gale force winds but the National Weather Service reported near record early season snowfalls in some western and northern sections of the region. Albany, N.Y., had 22 inches of snow before the storm moved across New England ice during the storm with fatalities affecting areas of Waterbury, Enfield, East Windsor, Windsor Locks and Stafford. The heavy snow brought down power lines in several Massachusetts towns with many of the failures occurring with Thanksgiving turkey in electric ovens. The Rockdale section of Northbridge lost power at 12:20 p.m. and it was not restored until 6:40 p.m. About 2,000 people were affected. Some 2,200 customers were without power for three hours

### Cars Halted Throughout Northeast

By THE ASSOCIATED PRESS Thousands of motorists in the Northeast and Mid-Atlantic states spent Thanksgiving Day in the homes of strangers or in their cars as record snowfalls halted traffic. Snow nearly 2 feet deep covered New York's capital city, Albany. The state's 26,000 employees there were allowed to report to work late today as they could dig out. The National Weather Service in New Hampshire said the storm in that state "the worst in 20 years." Up to 18 inches of snow fell on the area. Mrs. Ralph Lawrence of Franklin, N.H., planned to have 17 guests for dinner. But when they were unable to make the trip from New York, she invited everyone in the neighborhood to her home for turkey.

### Nixon, Heath Set to Meet in Bermuda

By FRANK CORMIER SAN CLEMENTE, CALIF. (AP)—President Nixon and British Prime Minister Edward Heath will meet in Bermuda Dec. 20-21 in advance of Nixon's planned trip next year to Peking and Moscow, the Western White House announced today. This is the second mid-Atlantic summit meeting Nixon has scheduled for next month. The White House announced Chief Executive Richard Nixon will fly to the Azores for talks there Dec. 13-14 with President Georges Pompidou of France. Press Secretary Ronald L. Ziegler said the Bermuda meeting "has been arranged in accordance with the President's wish to have a series of meetings with allied leaders prior to his visits to the two largest Communist countries. Nixon will not be with the conferees and Ziegler said that "special activities and the number of staff will be kept to the absolute minimum." He said Nixon and Heath

### Indian Units Again Cross Into Pakistan

By MYRON L. BELKIND NEW DELHI (AP)—The Defense Ministry said tonight that Indian troops crossed into East Pakistan for the second time this week "in self defense" to stop a Pakistani artillery attack on Indian territory. The Indian troops crossed into East Pakistan about 200 miles north of Calcutta, according to a defense communique, and inflicted a Pakistani tank and 100 Indian casualties. The Indians suffered light casualties in the engagement, the statement said. The statement did not say when the border crossing actually took place although it indicated that it was made Thursday or today. The Indians acted under authority given them by Prime

### Suit To Be Filed On Dock Strike

WASHINGTON (AP)—The Justice Department said it will file suit today in 12 East and Gulf Coast port cities to force 45,000 striking dock workers to return to their jobs under the Taft-Hartley Act. The department acted on the order by President Nixon. In a letter Thursday from the Western White House in San Clemente, Calif., Nixon ordered Attorney Gen. John Mitchell to seek an injunction against the single group, suits for an 80-day injunction against the strike will have to be sought in other port cities as well. Initially, the department will seek a 10-day temporary restraining order to halt the strike and later will seek an injunction which would keep the workers on their job for another 70 days. The total time that the Taft-Hartley "cooling off period" can last is 90 days. The other cities where suits are expected to be filed later today or on Saturday include Boston, Philadelphia, Alexandria, Va., Baltimore, Augusta, Miami, Mobile, Houston, Providence, R. I., Portland, Maine, and New Orleans. The department acted on the order by President Nixon. In a letter Thursday from the Western White House in San Clemente, Calif., Nixon ordered Attorney Gen. ### Eyewitness Lists Gripes Of Inmates

Editor's Note: Associated Press newsmen Carl Zeitz was one of three reporters permitted inside Rahway state Prison to hear the grievances and demands of inmates before they ended a 24-hour rebellion Thursday night. This is his first-person account. By CARL ZEITZ RAHWAY, N.J. (AP)—His eyes were penetrating as I took notes. Every time I looked up from my notepad, they were fixed on mine. "I learned it all in here," the middle-aged white convict said in a voice that reminded me of a lawyer arguing his case clearly and articulately in court. "It all starts in the courts. They give us excessive mental sentences. They don't give us the opportunity to remake ourselves." And finally, he said, almost spitting out the words, "It's not a prison. It's a failure. He didn't say why he was in Rahway. I was in there and I didn't catch his name. The inmates crowded to the
